**APPLICATION FOR A VARIATION UNDER THE LICENSING ACT 2003.
 ICE ARENA WALES.OLYMPIAN DRIVE , CARDIFF CF11 0JS.**

To whom it may concern,

I have caused enquiries to be made into this application. The premises has been the subject of a site visit and the application has been discussed with the applicant.

The application relates to the variation of the existing premises licence to allow the off sale of alcohol and the use of a designated external seating area.

The Police object to the granting of this variation on the basis of crime and disorder, public safety and that of public nuisance.

The following conditions are therefore requested and relate to the use of the external area specified by the applicant. Should the applicant agree to these conditions then the Police will withdraw their objection.

1

The use of the external area will cease at 20:00 daily.

2

The use of the external area will cease for a period of three hours before the commencement of any event held at the venue. Examples of such an event are Cardiff Devils home games, any other sporting event including boxing events and any musical event. The DPS must consult with the Police no less than 28 days before any such event is due to take place to avoid any doubt.

3

There will be no off sales on those days when an event as outlined above is being held at the venue.

For your consideration and approval .

Yours faithfully,

D Howe

Chief Inspector.

Subject: Re: Application for a Premise Licence - Ice Arena Wales

Dear Sir Madam,

Re. Ice Arena Wales - Premise licence applications

I write to you as a representation towards a local premise licence application for the Ice Arena Wales , Cardiff international sports village.

I would not usually take much consideration against items such as these but as a developing area that is set to receive further housing residential development i feel that it is imperative that consideration is given towards the consent to the application.

I have read the guidelines and will be making my representation in line with all 4 of the licensing objectives as below:

- The prevention of crime and disorder;
- Public safety;
- The prevention of public nuisance;
- The protection of children from harm.

these are my points for consideration;

• **The prevention of crime and disorder** - we, as residents to the locality currently experience on game days an extremely high volume of cars, traffic and walking visitors. These visitors at present limited to sensible time arrangements and the lack of further alcohol congestion can be expected in regard to an area that is deemed a sports location. What i can say that with an increase in alcohol and extended opening times to what can only be described as ridiculous (530am) it will increase the probability of drunken misbehaviour , criminal damage as people return to their cars or homes on foot which directly effects us already with the visitors bringing there own alcohol i assume. The area is commonly scattered with the latest craze of nitrous oxide gas canisters which increase following the occasions that games or events are held. Certain events that we have experienced to date such as the boxing left littering (**Public Safety**) which even to date remnants remain in outlying areas.

When you consider **The protection of children from Harm** , the area is frequented with children from an extremely young age group or people who have physical or mental disabilities due to its direct correlation with not only the visitors it brings but the swimming pool that it neighbours. This application asking for alcohol consumption and extended hours to very early hours will compound the left bottles etc. With early starts at the pool being as early as 6am, this in my mind is a complete overlap of very differing types of public and creating a clash that should not be expected in mind of public safety. It is running proof that the littering and absence to control nuisance car noise from revelling horn blows (**prevention of public nuisance**) etc at the times that they are already restricted to will become worse with extended permissions as they have applied for.

As a resident already suffering from the lack of control and regard for its neighbours in relation to the events held at Ice Arena wales i would like my claims to be taken seriously,

we often have abandoned vehicles on all footpaths and even the roundabout where it seems the Ice arena take no responsibility for its visitors and their actions and the impact that it has on the residents at large.

These additional requests from the Arena seem to be directed as an inhouse bar area that can serve alcohol until 530 am weekends and 2 am in the week, any and all other activities that it has applied for finish no later than 2 am (Live Music) , i dont deem the option of then staying to drink on for a further 3.5 hours will be a benefit to anyone other than the purse strings of the arena and will leave the car parks that surround a policing issue to say the least with public nuisance an obvious concern.

I suggest that the Hours applied for be reconsidered and i would like to see what plans are in place for self policing of litter and nuisance behaviour and what noise consideration has been allowed.

I know that i will not be the only resident with concern and trust that in mind of the developing area to home many new residents over the coming years you will consider the impact of what can only be described as nightclub opening times and considerations.

Kind regards

I am writing with concerns about the impact of extended hours until 5am for consumption on and off the premises.

As a local resident, my concern is what 'off the premises' actually means.

We do not have objections to on the premises because the noise impact will not affect us but in any circumstance I hope you will make it clear that when large events are held (e.g boxing) that Ice Arena Wales makes sure that there are adequate temporary bins which are managed on the night.

The existing bins in the immediate vicinity do not cope with bottles etc and the bins overflow and cans and bottles get left and blown around to our back doors. This not only affects resident in the Cardiff Pointe development but makes the area look dreadful to visiting tourists etc so will undoubtedly impact on Cardiff City's image.

Please make it a condition of any licence that the recycling of waste happens on the night not two or three days after.

Many thanks

Attachments: IAW Liquor Licence Application copy.jpg

Dear Licensing Section, City of Cardiff Licensing Authority

I write in opposition to the extent of the licensing hours request by IAW (Ice Arena Wales), and attach a photographic version of the specific notice on display, on the following grounds:

There is an existing issue with parking in which visitors to IAW/attendees of ice hockey games park in areas, including unlit areas, that are either not allocated IAW parking, that is in areas that are public access rather than private, but also wherever there is space in areas that are reserved/restricted and private, like those that are designated Cardiff Pointe/Figurehead Homes development land and parking areas.

In any event, the licence as stated is not accurate. For example, in asking for hours on Thursday and Friday extending to 0200 on the following day, and beyond midnight on Saturday to 0530 on Sunday, the proper request should be for two periods on Friday, Saturday and Sunday, so for example Sunday 0001 to 0530 and 1000 to 0000.

In the absence of any local off licence, it hardly seems appropriate for IAW to attempt to fill this role at all under any circumstances, let alone on a permanent basis. If there is reasonable justification for sales by a sporting and exercise facility to sell liquor for off site consumption, it should be as an interim measure to be rescinded as soon as an off licence business is open for business, assuming that the City of Cardiff considers that the consumption of alcohol does not conflict with the ethos of sport, health and fitness.

Games are always concluded by 2200 hours, so it seems excessive to allow, nor does there seem to be any reasonable necessity for the sales of alcoholic beverages beyond 0000.

The possibility of tailgate parties and drinking alcohol in the vicinity beyond 0000 hours poses a noise and other nuisance risk to residential interests in the vicinity, as well as a risk from broken glass bottle, discarded drink containers, accidental collisions with the vehicles of residents and other IAW visitors resulting from miscalculation and misjudgment by alcohol impaired drivers, as well as the risk of altercations.

Unless the City of Cardiff and IAW agreed jointly on the need for and provision of a police presence, and accept to jointly fund such presence, then it seems wise to restrict a liquor sales licence to on premises consumption to not beyond midnight,

and to restrict off site consumption sales, on the temporary basis described above, to 2200 hours.

It is my understanding that a six star hotel is planned to be built in the near vicinity, and this hotel will also no doubt have the right to sell liquor, but will almost certainly have their own security to take account of the cost of rooms, and the kind of guests they will hope to attract, so again the extensive hours requested by IAW seem unnecessary in addition to being unwise. In this way, those who have a need for extended alcoholic beverage drinking hours will soon have both a place to drink, and there will be a security presence to prevent the kinds of concerns I have outlined.

I urge you to consider adopting substantially what I have recommended here.

I commend this objection to your best judgement.

Yours sincerely

Dear Sirs,

I am writing to register my objection to the application for a premises licence by Ice Arena Wales, Cardiff. The basis for this opposition is that granting a licence for these premises will not promote the licensing objectives, particularly the prevention of crime, disorder and antisocial behaviour.

Residents in this area already suffer noise nuisance and antisocial behaviour. In particular, I oppose the sales by retail of alcohol for consumption off the premises. Even without the off premises licence, residents currently suffer noise nuisance and find empty glass bottles in the car park, often broken, on Cardiff Devils match days.

In view of the above, I would urge the Licensing Authority to refuse the application.

Yours faithfully

I would like to register my strong objection to the application by the IAW for the liquor licence on the 2 particular points below

- *Retail of alcohol for consumption "off" the premises
- *Saturday hours to 05.30 for both on and off the premises

For clarity I live in Cardiff Pointe which is a residential area and I fully support the sports village and the fantastic facilities. However we are already experiencing increased levels of noise from both people and vehicle due to unauthorised parking on the streets at Cardiff Pointe in particular relating to the IAW despite it having its own parking area.

Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e)

List here steps you will take to promote all four licensing objectives together.

All staff and management at the premises shall be fully conversant with the contained within the Premises Licence. Staff will receive training on matters concerning first aid, fire safety, child protection, underage sales, drugs policies, emergency action procedures and operating procedures.

b) The prevention of crime and disorder

A CCTV system has been installed to an agreed standard as approved by South Wales Police and maintained and operated at all times when the premises are open to the public.

The system covers all internal areas of the premises where public have access (excluding toilets and shower areas) including all entrances and exits, the pedestrian highway directly outside the premises and external areas associated with the premises.

The images will be kept for a minimum of 31 days. The images have been and will continue to be produced to a police employee in a readily available format immediately upon request when the premises are open to the public and at all other times as soon as reasonably practicable. We ensure there are sufficient trained staff to facilitate the above.

CCTV signage is placed in prominent positions inside and outside premises.

The need for SIA registered door staff is, and will continue to be, subject to risk assessment of individual events. Door staff are provided in such numbers and for such times as the risk assessment deems necessary.

c) Public safety

The need for SIA registered door staff is, and will continue to be, subject to risk assessment of individual events. Door staff are provided in such numbers and for such times as the risk assessment deems necessary.

The use of plastic drinking vessels is also and will continue to be, subject to risk assessment of individual events and functions hosted at the premises.

All incidents are recorded on a daily report made by the Duty Management staff. These are then passed to senior Management at the end of each day and any incidents are transferred/recorded in an incident book, which is kept at the premises and maintained on site at all times. It shall be made available on request to an authorised officer of the local authority or a member of police staff.

The incident book records the following:

- all crimes reported to the venue
- all ejections of patrons
- any complaints received (of a criminal licensing nature)
- any incidents of disorder
- seizures of drugs or offensive weapons
- any challenge of age when serving alcohol
- any refusal of the sale of alcohol
- any visit by a relevant authority or emergency service.

d) The prevention of public nuisance

We will continue to regularly assess to ensure that sufficient staff measures are taken to prevent any noise from the premises causing nuisance or disturbance to local residents or persons in the vicinity.

We will ensure a member of staff will be placed prominently at the exit, requesting that patrons respect our local

community and leave the premises and surrounding area quietly.

e) The protection of children from harm

Children must be accompanied and supervised by an adult at all times.

The premises operates and 'Challenge 25' policy which is brought to customer's attention through point of sale material at the bars. The only form of identification we accept are photographic identification cards such as driving licence or passport.

No performance of striptease, lap dancing or other similar entertainment will be permitted on the premises.

LICENSING SECTION

Dear Sir/Madam

I, and a number of residents residing in Keppoch St and the neighbouring streets in the vicinity of The Gate Community Centre strongly object to The Gate's application to extend its late night license to 12 am Monday to Thursday and to 1 am Friday and Saturday and 11 pm Sunday's.

It is important to appreciate that the neighbourhood is RESIDENTIAL and the existing licensing restrictions, by their very nature limit the number and nature of late night activities at The Gate to events that are not, in the main, disruptive to the general neighbourhood and its residents. Although having said that the lack of car parking facilities regularly leads to parking problems for residents.

It must be remembered that we the local residents aren't protected from the noise and disruption created by The Gate, there isn't a car park or any distance separating us from The Gate it is literally on our street on our door steps !

The proposed licensing extension will radically change the status quo enabling The Gate to promote itself as a late night venue. I fail to see how this will not lead to regular disruption and distress for the residents, we are the ones who will have to cope with regular and increased noise levels as more bands and events are booked, as well as having to deal with revellers in the streets past midnight in the week and after 1 am at weekends plus the additional noise generated by bands etc..leaving with their equipment via the side entrance on Keppoch Street.

As rate payers, homeowners with families, residents with small children, why should we have to deal with the potential problems this extension may lead too ? I appreciate The Gate claims it will limit the nature and regularity of the events (which surely is in itself a tacit admission of the potential problems an extension may lead too) but what solid reassurances can they provide that this will be the case and what is to stop a change in heart or a change in management at The Gate from adopting a different policy ?

I hope you will take our concerns seriously and I hope you appreciate how worried we are regarding this potentially very disruptive and distressing matter. I look forward to hearing your response to our concerns.

Yours sincerely

Barker, Kirstie

Dear Sir/Madam

Myself and Councillors De'Ath and McGarry would like to object in the strongest terms to this variation in licensing hours.

We have had approaches from residents living in the vicinity of the Gate. We are aware that the current hours of operation cause noise and disruption to residents and any extension would cause additional inconvenience. It would also set a precedent as this is clearly an establishment right in the middle of a residential area.

Please keep us informed of when this application will come before the Licensing Committee.

Thank you

Sue (on behalf of the three of us)

I am writing to advise you that an application was received on 17th August 2016 to vary the Premises Licence under the Licensing Act 2003 in respect of the above premises. A copy of the Report that specifies the activity and hours of operation is attached.

Any person may make relevant observations on the application within 28 days of the submission of the application. The consultation period therefore ends on 14th September 2016.

I hope this is of assistance. If you have any queries please do not hesitate to contact me.

Regards

Paul.
