Please state the ground(s) for review (please read guidance note 2)

Despite raising numerous concerns with the Management of the Centre, with Cardiff Council Noise Pollution and Licensing, as well as the Police, the Centre continues to disregard the licensing agreement.

Events are rarely supervised, there is excessive noise, parties often extend beyond 12pm (into the early hours, sometimes as late as 4-30am), there is drinking of alcohol in the street, often large crowds in the street, disturbance to neighbours. There is often a mixed age

group from young children to adults and I fear for the safety of some of these children.

Please provide as much information as possible to support the application (please read guidance note 3)

In addition to concerns raised above - there have been occasions of reported drug use on the premises (the most recent being at a 16th Birthday Party).

The parties regularly spill out into the street which means there are large crowds in the street - sometimes drinking alcohol, attracting other (non invitees) to the area. They also leave the street in a mess (for example, I collected a rubbish bag full from North Church Street last Sunday) along with broken beer bottles.

The Management Committee never answer or return my phone calls.

It is extremely rare for the hired events to be supervised (as per the license agreement) and parties regularly extend into the early hours (again - breaching the license agreement).

I have been verbally threatened on occasions by party goers; some have engaged in sexual activity on our church and vicarage premises.

The Management Committee appear to show no regard for the license agreement despite repeated attempts to ask them to review what they do, and they have created a problem for which they have no care. There is never any appointed person from the Committee providing supervision & security.

I have had various conversations and e-mail exchanges with the Licensing Committee/enforcement in regards to the problems experienced. Unfortunately, nothing has changed - and we continue to experience distress, disturbance and the threat to public safety.
