Dear Mr Newby

**Application for a premises licence variation to be granted under the Licensing Act 2003
The Tramshed, Pendyris Street, Cardiff, CF11 6QP – CCCP/01887**

I Chief Inspector Joe Jones of South Wales Police, herby give notice that an objection shall be made to the application for a premises licence variation for The Tramshed, Pendyris Street, Cardiff.

This Police objection is based upon the licensing objectives:-

- 1. The prevention of crime and disorder.**
The premises have recorded incidents of crime and disorder at the premises and have had to have more recently significant police support and attendance at high risk events to prevent disorder.
With the extension of hours South Wales Police believe there will be an increase of further incidents of crime and disorder at the premises and in the immediate vicinity.
- 2. The prevention of public nuisance**
The premises is situated on a residential street. The capacity of the premises is around 1200 persons which means that when the premises closes during the requested extended hours there will be a significant number of intoxicated customers leaving the premises onto a residential street where there will be a likelihood of noise and disruption to local residents.

Mae Heddlu De Cymru yn croesawu derbyn gohabiaeth yn Gymraeg a Saesneg.
Byddwn yn atab gohabiaeth a dderbynnir yn Gymraeg yn Gymraeg ac ni fydd
gohobu yn Gymraeg yn arwain at oedi.

South Wales Police welcomes receiving correspondence in Welsh and English.
Any correspondence received in Welsh will be answered in Welsh and corresponding
in Welsh will not lead to a delay in responding.

Prif Gwnstabl Matt Jukes QPM, MA(Oxon)MSc. Chief Constable

3. Public Safety

At a recent event which finished after 10pm, South Wales Police had to put on a temporary road closure to ensure the safety of persons leaving the premises. With 1200 persons leaving the premises during the requested extended hours there will be a likelihood of increased traffic in the street and persons stepping out onto the road into the flow of traffic. Officers also had to walk along the outside of the premises collecting glass bottles from the floor and roadside left by persons queueing for the event to prevent harm to persons passing the venue.

The applicant has listed the measures they intend to take to operate the premises in accordance with the licensing objectives for the extension of the licensable hours. South Wales Police do not believe these measures will be sufficient to promote the licensing objectives and ask that the licensing authority hear our objections and representations regarding this application. Further evidence will be submitted to the applicant and licensing authority prior to the requested hearing and evidence will be provided in a verbal, written and video format at the hearing.

Should the committee grant the application South Wales Police have identified conditions that are necessary and proportionate and may assist the premises to operate without having a negative impact on the licensing objectives. I must point out however that these conditions alone cannot guarantee the premises will be able to promote the licensing objectives during the requested extended licensable hours.

1. Body worn CCTV cameras to be worn and utilised by SIA security on a ratio of 1:2 (Cameras: SIA Security) at all times whilst on duty. The devices shall be capable of recording images and audio data. Recordings will be retained for a minimum of 31 days and will be provided to the Police in a usable format, immediately upon request when open to the public and as soon as reasonably practicable at other times.
2. When the premises is open beyond midnight SIA security will be on duty at a ratio of 1 to 50 members of the public from the commencement of the event until the premises closes.
3. All alcohol is to be dispensed into non glass drinking vessels by staff.
4. All SIA door security when on duty at the premises will be provided with a working radio enabling them to communicate with other members of staff security staff and management at the premises.
5. An operating schedule is to be submitted to South Wales Police 31 days in advance of the event. South Wales Police can request any additional conditions that are proportionate to the safe running of the event.
6. A written record to be kept for a minimum twelve month period of the following
 - Incidents of crime and disorder
 - Any refusals of the sale of alcohol
 - Ejections from the premises
 - Failure of the CCTV system
 - Visits by responsible authoritiesThe record will be produced to an employee of South Wales Police or the Local Authority should it be requested.

7. The Designated Premises Supervisor or a Personal Licence Holder shall be present at times when the sale of alcohol takes place.
8. A duty register shall be kept of all persons engaged as SIA security at the premises and be kept for twelve months. The register must include the following
 - Name of SIA security staff
 - Full SIA number
 - Time and day of commencement of duty and finish time.
9. The premises will have drug safe and operate it in accordance with the South Wales Police Drug Safe Scheme
10. Open drinking vessels will not be permitted to be taken off the premises.
11. No persons under the age of 18 are permitted on the premises after midnight
12. All licensable activities to cease in the outside area by 21.00 hours

To whom it may concern

I write in regard to the application made by Alchemy Tramshed Ltd to vary the premises license of The Tramshed, to extend the opening hours of the premises until 0300 hours on 25 occasions throughout the year.

Having consulted with my ward colleagues, Cllrs Thorne and Sattar, we would like to formally object to the application on the grounds of *preventing crime and disorder*, and *preventing public nuisance*.

As the Tramshed is located at the junction of a main road and in a residential area, we have concerns over the impact that later closing has on the residents, particularly if there are some issues at normal closing hours.

Some residents have raised concerns about the queuing to enter the venue, mainly around the crowds which are generated and generally block footpaths for periods of time. We have also been informed of some issues around street-drinking, as well as slow and rowdy dispersal of crowds from some events at the venue, impacting not only on the street scene in terms of litter, but also having an anti-social impact on residents in neighbouring streets.

We do not feel it would be fair to expect residents to tolerate environmental and noise pollution for 25 occasions a year until 0300 hours, when the issues are already existing at earlier closing times.

Should you require any further information from us, please do not hesitate to contact myself or my Ward colleagues.

Best wishes

NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK

Barker, Kirstie

From: Morgan, Rhys

To: Barker, Kirstie
Cc: nicola.jordan@hughjames.com
Subject: RE: Licensing Act 2003: Application for the grant of a Premises Licence - Chicken.com, 13 Castle Street, Cardiff, CF10 1BS

Hi Kirstie,

In regard to the above application to grant premises license, I wish to advise that the Licensing Authority of Cardiff Council will be objecting to the application.

A Cumulative impact Policy has been adopted for the City Centre area of Cardiff. The Licensing Authority has adopted the policy due to high levels of alcohol related crime and disorder, in the interests of public safety and the avoidance of nuisance.

The policy creates a presumption that new applications for Premises Licences will be refused unless the applicant can demonstrate the business will have no negative effect on any of the licensing objectives.

The premises detailed above falls within the boundary of the Cumulative Impact Zone and therefore an objection is submitted in respect to the following Licensing Objectives.

The prevention of crime and disorder.
The prevention of public nuisance.

There has been insufficient detail in the application on how the promotion of the licensing objectives will be undertaken and little or no details within the operating schedule for how the cumulative impact will be mitigated along with the prevention of crime and disorder and Public Nuisance. Consequently the Licensing Sub-Committee will need consider this application in line with Cardiff Councils Cumulative Impact Policy.

The applicant will need to demonstrate to the Licensing Sub-Committee that there will be no negative cumulative impact on one or more of the licensing objectives or Cumulative Impact if the Premises Licence were to be granted.

Kind regards

**APPLICATION FOR THE GRANT OF A PREMISES LICENCE UNDER THE
LICENSING ACT 2003.**

"CHICKEN.com", 13 Castle Street, Cardiff CF10 1BS

I, Chief Inspector JOE JONES of the South Wales Police for the district of Cardiff, hereby give notice that an objection shall be made to the application for the grant of a premises licence for "CHICKEN.com", 13 Castle Street, Cardiff.

This objection is made under the licensing objectives of;

The prevention of crime and disorder,
The prevention of public nuisance.
The protection of children from harm.

(The premises are in a saturation policy zone, there is a disproportionate amount of alcohol related crime, disorder and public nuisance in the area. The majority of this crime and disorder occurs late at night. Fast food restaurants and takeaways account for a large amount of crime and disorder in the Cardiff City Centre).

Should the committee be minded to grant this application South Wales Police ask that the below conditions be attached to the licence.

1. A cctv system will be installed to a standard agreed with South Wales Police. It shall be maintained and operated at all times the premises are open to the public.

pto.

The system shall cover all areas to which the public have access (excluding toilets) including all public entrances and exits and the pavement directly outside. Images will be kept for a minimum of 31 days. The images shall be produced to an authorised Police employee in a readily playable format immediately upon request when the premises are open and at all other times as soon as is reasonable practical.

There will be sufficient staff training to facilitate the above.

When door staff are employed at the premises a body worn cctv camera will be used by those staff to capture images and audio of any incidents of disorder. Images will be retained and produced to police in the same manner as with the installed cctv system.

2. Two SIA registered door staff will be employed on the premises from 2300 hours to close each day.

A record of door staff employed at the premises shall be kept.

It shall keep a record of the name and SIA number of such staff.

It will detain the date and time each member of staff commenced their duty and the time they finished.

The record will hold details for at least one year and be made available to authorised members of South Wales Police upon request.

3. There will be no use of any external dining area such as the pavement outside.

4. No customers under the age of 16 years shall be permitted on the premises after 2300 hours unless accompanied by a responsible adult.

5. An incident log shall be kept.

This log may be written or held electronically.

It shall hold details of all incidents of crime, disorder, public safety and those concerning children.

The log will hold records of at least one year and must be made available to authorised members of South Wales Police upon request.

Should you have any queries regarding the above objection, please contact Licensing Officer Tony BOWLEY at the Licensing Department, Cardiff Bay Police Station. Telephone 02920 527207.

Yours faithfully,

JOE JONES
CHIEF INSPECTOR.

Dear Sirs

The Chicken House, 13 Castle Street, Cardiff
Application for a Premises Licence

We act on behalf of Revolution Bars Group, the operators of Revolution, 9-11 Castle Street, Cardiff who wish to object to the application for a premises licence by The Chicken House immediately adjacent at 13 Castle Street.

Our client is concerned that the grant of a licence for a late night takeaway in this location could undermine the licensing objectives.

The premises is located within Cardiff's Cumulative Impact Policy area. There is a presumption against the grant of new licences for such premises within its boundary, unless an applicant can demonstrate that it will not add to the existing issues in an area. Our client is concerned to note the late hours applied for, together with the inadequate Operating Schedule submitted with the application.

Our client has operated successfully from this site for 10 years and has a premises licence which permits them to open until 3:30am.

They have a carefully tailored dispersal policy which has been developed over the years in conjunction with the Police. On busy nights, they employ up to 21 members of SIA registered security staff to ensure the safe and orderly dispersal of their customers. At the moment there are few if any late night takeaways in the vicinity and so our client's customers have no reason to remain in the area once their premises close. If The Chicken House were allowed to open, its presence would create a focus for anti-social behaviour, with the potential for an increase in noise, crime and

disorder. There are currently no late night takeaways in the vicinity. If granted, The Chicken House would also be close to other venues such as Clwb Ifor Bach, The Gatekeeper, Tiny Rebel and Elevens, as well as two hotels. The Principality Stadium is also close by and we are concerned that these factors have not been taken into account by the applicants.

The hours applied for by The Chicken House closely mirror those permitted at Revolution. It would appear that the application has been applied for in terms aimed specifically at capturing those customers departing from our client's premises at the end of the evening. Our clients are concerned that they will in effect have to police the area as the applicants have made no provision to do so themselves.

Our clients are concerned to note that the applicant has listed only three conditions in its Operating Schedule. By any standard that could be considered insufficiently detailed for a premises wishing to trade until 4am, but when those premises are located within a Cumulative Impact Zone, it falls far short of the detail required to overturn the presumption against grant.

Revolution Bars Group therefore asks that the application be refused.

We would be grateful if you could notify us of any hearing date convened to determine the application.

Yours faithfully

Kuit Steinart Levy LLP

Pleased find attached our objection as Cathays Councillors in relation to the above application.

Dear Kirstie

Re: Licensing Application Chicken.com 13 Castle Street Cardiff CF10 1BS

For the provision of late night refreshments on:

Sunday and Monday: 23:00 to 02:00

Tuesday: 23:00 to 04:00

Wednesday and Thursday: 23:00 to 02:00

Friday and Saturday: 23:00 to 04:00

Major Event Days (designated by South Wales Police): 23:00 to 04:00

Sundays preceding a Bank Holiday: 23:00 to 03:00

New Years Eve: 23:00 to 05:00

Cllr S Merry, Cllr C Weaver, Cllr A Ahmed and I wish to object to the above Licence application based on the following Licensing Objectives:

Prevention of Crime and Disorder

The opening of this type of premises in Castle Street, an area covered by the saturation zone, is likely to increase the incidence of drunken behaviour in the area, encouraging people who are leaving clubs to come up to Castle Street.

Public Safety

There is already evidence of crime and disorder in the area of Castle Street /Duke Street and St Mary's Street which will not be reduced by the provision of a late night food outlet encouraging more intoxicated people to come to the area.

Prevention of Public Nuisance

Opening this type of outlet in Castle Street will further increase the noise, litter and disruption to residents in the area and to visitors staying at the Angel Hotel.

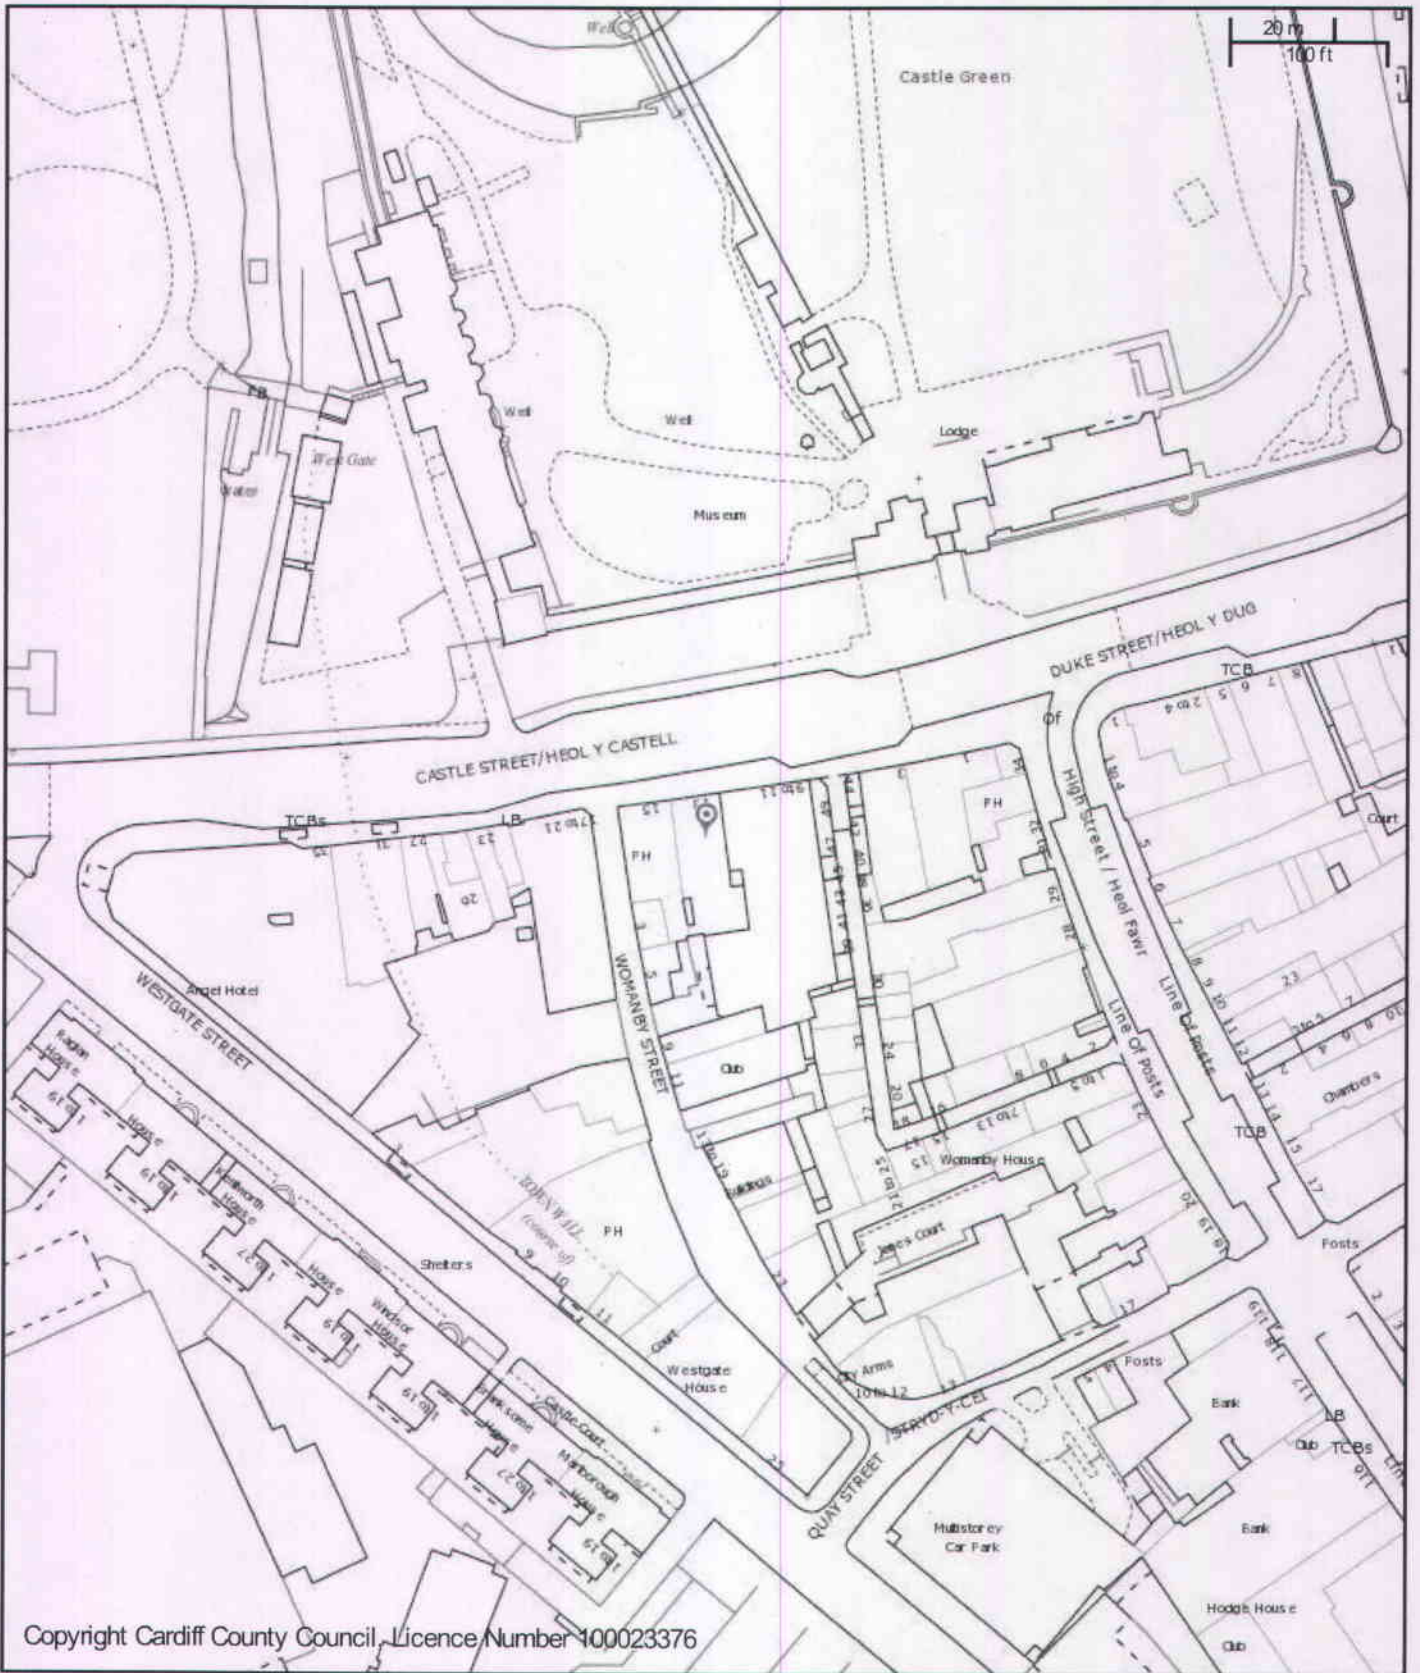

The addition of a fast food restaurant in the city centre is contrary to the Cardiff Council's Cumulative Impact Policy, and therefore should be rejected.

Yours sincerely,

NMackie
