APPLICATION FOR THE GRANT OF A PREMISES LICENCE,

I have caused enquiries to be made into this application and make the following representation that I wish to be considered when deciding on the licensable activity and conditions for this licence.

We therefore ask that the Licensing Committee hear the representation made by the Police when determining the grant of this application.

Should the applicants agree to comply with the representation made to meet the Licensing Objectives before a hearing then please accept that the Police will automatically withdraw their request for a hearing with the Licensing Committee.

POLICE REPRESENTATION

1. A cctv system shall be installed to a standard agreed with South Wales Police. The system shall be maintained and operated at all times the premises are open to the public. The system shall cover all parts of the licensable areas to which the public have access (excluding toilets) and any outside areas, exits and entrances used by customers. Images shall be kept for a minimum of 31 days.

The images shall be produced to a Police employee immediately upon request when the premises are open and at all other times as soon as is reasonably practical. There will be sufficient staff training to facilitate the above.

2. The maximum number of customers consuming hot food inside the premises will be no more than nine at any one time.

p.t.o.

If the applicant does not agree with the afore-mentioned representations the Police objections will be based on the following:-

1. The prevention of crime and disorder

(the use of cctv is a proven tool in both preventing crime and detecting it.

The premises are small and overcrowding can lead to confrontation between customers, particularly late at night when they may have consumed alcohol).

Additional evidence to support the notice of the objection will be presented at any subsequent Licensing Committee hearing. This evidence will be expanded on verbally, written, statistical or CCTV evidence.

If you wish any further information then please contact Police Licensing Officer Tony Bowley at the Cardiff Bay Police Station ☎ 029.20. 633421.

Yours faithfully,

J. JONES
Chief Inspector.

Dear Sir/Madam

RE: Licence application New York Pizza 104 Crwys Road, Cardiff CF24 4NG

Cllr S Merry, Cllr C Weaver, Cllr A Ahmed and I wish to object to the above Licences application based on the following Licensing Objectives:

Prevention of Crime and Disorder

Opening until the requested hours is likely to increase the incidence of drunkenness and disorderly behaviour in the area.

Public Safety

There are already incidents of crime and disorder in the area which will not be reduced by an increase in drunken people coming to use the premises which could lead to anti-social and violent behaviour.

Prevention of Public Nuisance

Opening until 4 and 5am will increase the noise and disruption to residents in the area and will create more litter on Crwys Road and the surrounding streets.

Protection of Children from Harm

Children living in the area of the premises are likely to have their sleep disturbed by noise from drunken customers.

Yours sincerely

Norma Mackie

To whom it may concern,

I am a resident at 1

I am writing in response to a recent letter about a licensing application by the company New York Pizza based at 104 Crwys Road, CF24 4NG. I would like to support the local Councillors' objection to the licence as I agree that it would violate the licensing objectives as laid out in the letter. More specifically, I am concerned about the likely nighttime noise and disturbance if the licence is granted.

Thank you for your assistance.

Yours faithfully,

(

Subject: Licensing Application for New York Pizza, 104 Crwys Road, Cardiff, CF24 4NG

I am writing to you regarding the above application which has been referred to me as an interested party in that my residence is next door to the said business at [redacted]. My address is known as [redacted] as my sole entrance is in the lane behind, but I occupy the whole of the premises with the exception of the hairdressing shop in the ground floor front at [redacted]. When I heard about the proposal, I was very surprised not, as a concerned party, to have been formally invited to comment - I consider that to be a serious omission.

The New York Pizza business has quite a history of applying for extensions to its business hours following numerous prosecutions in the past for working outside of its permitted hours. Its applications have been refused in the past and it is my opinion that conditions in Crwys Road and in the New York Pizza premises have not changed in any way that would suggest that it would now be appropriate to extend those licensing hours. I must therefore object most strongly to the issue of a licence which would permit the business to extend its active hours beyond 23.00 hours. My specific reasons are:

- 1) The premises are in the form of a takeaway shop which would be inappropriate for sales of hot food for consumption on premises
- 2) Extending the use of the premises in the way sought would inevitably lead to customers parking in the lane behind, thus adding to the public nuisance for residents (such as myself) from traffic blocking access.
- 3) I believe that the proposal might lead to an increase in the negative aspects of further provision in Crwys Road of late opening of premises known to be a magnet for customers who might already be under the influence of alcohol. South Wales Police have evidenced this before which is why the area is a part of the City Road/Crwys Road Saturation Policy.
- 4) There are other residential properties nearby and issues of noise and disturbance from car doors slamming, cars parking, and noise from the premises itself are all extremely likely to cause unacceptable levels of public nuisance.
- 5) The granting of a licence should not be considered unless the applicant has appropriate planning permission to accommodate the licence asked for. Cardiff's Planning Officers have advised that the premises do not at this time have the necessary planning permission to operate beyond 23.00 and that as nothing has changed since the last application, it is highly unlikely that such permission would be granted at this time.

I would request therefore that this licence application be denied on the grounds of the prevention of public nuisance and/or crime and disorder.

Sincerely,

Hartrey, Claire

Licensing Application for New York Pizza, 104 Crwys Road, Cardiff, CF24 4NG

To Whom it May Concern

I am writing to voice my objections to the above licensing application.

As a long term resident of Cathays, I have seen the area change over the years from a family area with young children to a predominantly student area. At the moment I would say that the area is beginning to change again with more young professionals living locally, which is a good social mix.

I think the student population can be a real asset to a city but there is no getting away from the increase in litter and increase in noise from loud music in the night. They often put their rubbish out at the wrong times and the seagulls rip open bags and rubbish is scattered. The waste disposal team do a great job in trying to keep the streets clean and tidy but each week they collect a lot of litter from gutters and streets. If this application is approved, then the litter, noise and disruption to residents will also very likely increase.

Extremely late opening times will also encourage people who have been to late bars and clubs using this facility and drunken, anti-social behaviour is also likely to increase. We often hear drunken students returning to their homes and often we find "take away" litter and empty alcohol bottles in the street the next day. If this application is approved then the area could suffer from noise for a lot longer in the night.

This is still a residential area and there are children living here who go to the local schools. This is not an appropriate area for late night/ early morning take away facilities.

As a local council I am sure that you are concerned about the well-being of these young children and their parents, as well as the rest of the permanent and temporary residents living in this area.

I hope that you will therefore refuse the application of New York Pizza in this area and thereby protect the area from an unwanted public nuisance.

Yours sincerely

Dear Sir/Madam

My name is | , I live with my wife and two children opposite New York Pizza at

I would like to strongly object to the granting of an alcohol licence and extended opening hours to New York Pizza.

I concur with all the reasons of my local councillors Bcc'd above.

I have enough problems living next door to when the students are in.

Noise all evening, urinating & vomiting in my forecourt.

And were refused the alcohol licence!

The idea of a pizza shop selling alcohol and staying open until 5am in Crwys Road is absurd.

This is a residential area not Queen Street.

Please do not allow this.
