## Letter from the Director

Dear Applicant,

#### Re: Assistant Director (Children's), Social Services

Thank you for taking the time to review this application pack for the position of Assistant Director of Children's Services in Cardiff. If you are motivated by making a real difference to people's lives and by the opportunity of leading social services in an ambitious capital city with the scale, sense of purpose and people to be the very best – then please read on!

This is an exciting time to come to Cardiff. As the new Director of Social Service in Cardiff, I am committed to developing a dynamic leadership team with the right values, professional experience and tenacity to take social service performance to the leading edge supporting the best possible outcomes for all our citizens.

Social Services in Cardiff benefits from being part of the newly formed People and Communities Directorate that provides for huge opportunities to work preventatively and collaboratively to support people to live the lives they want to live. There are already excellent examples in practice of the difference this approach can make such as through the independent living service and young person's accommodation gateway.

We are particularly interested in hearing from you if you are:

- passionate about understanding and building on strengths in individuals' lives and the teams and partnerships in which we work;
- an outward looking leader, committed to developing focussed and effective partnerships, across the Council, with key partners, and with the people and communities we serve;
- a professional expert with considerable knowledge of strength based practice and experience of building teams who can embed this approach to excellent practice across all social care teams and services;
- able to motivate, support and develop the culture and practice of the whole social care workforce;
- able to translate improved practice and innovative services into business cases which deliver cost efficiencies and are cost effective;
- a skilled commissioner, with understanding of how to develop progressive services through high value relationships with providers;
- able to quickly identify the most significant risks and manage and mitigate them;
- committed to safeguarding people and can demonstrate the ability to work effectively in partnership to proactively safeguard and protect;
- passionate about the very highest standards of quality and performance, and having the right range of information available to drive continuous improvement; and,
- able to demonstrate the innovation and creativity necessary to be truly person centred;
- personally resilient and solution focused in the face of the many challenges, not least significantly reducing budgets, we will inevitably face!

Cardiff is a fantastic place to work and live – a vibrant and diverse city. The Council, through its Capital Ambition programme is committed to addressing the root causes of deprivation and inequality, which are key causes of vulnerability and can increase the need for statutory social services. You will be joining a social services department which has made considerable progress in recent years. Across a basket of national measures, the Council's Social Services was rated as the most improved in Wales during 2015-16 and we received a very positive whole service inspection of Children's Services in March 2016. There is, of course, much more to do – to better integrate our services, to develop our

## Letter from the Director

workforce, our practice and commissioning and to connect people better to the considerable assets within our communities. You will have the full backing and support of the Council's leadership team, you will be able to deliver not just sustainable social services but truly excellent public services.

Applicants not currently working in Wales should be enthused by the opportunity to lead in a public services environment with a progressive and enabling legislative framework through the Well-being of Future Generations (Wales) Act, 2015, the Social Services and Well-being (Wales) Act, 2014, and the Regulation and Inspection of Social Care (Wales) Act, 2016. Social Services leaders in Wales benefit from a supportive peer network through the Association of Directors of Social Services (ADSS) and lots of opportunities for personal development and to get involved in developing and influencing policy at a national level. Wales is a great place to realise your personal ambitions to lead in an integrated social services – adult and children – environment. As a recent national study highlighted that social workers in Wales are happier, feel better supported and stay longer.

Therefore, if you feel you have the values, skills, behaviours, energy and experience to improve the lives of Cardiff's most vulnerable citizens, then we would love to hear from you. Please call me on 02920 873803 for an informal discussion about the role. I look forward to hearing from you.

Yours faithfully

Claire Marchant Director of Social Services
