PART 1 - SUMMARY AND EXPLANATION

The County Council's Constitution

1. Cardiff Council's Constitution, sets out how the Authority operates how decisions are made and the procedures which are followed to ensure that these are efficient, transparent and accountable to local people. Some of these processes are required by the law, while others are a matter for the Council to choose.
2. The Constitution is divided into 15 Articles which set out the basic rules governing the Authority's business. More detailed procedures and codes of practice are provided in separate rules and protocols at the end of the document.

What's in the Constitution?

3. Article 1 of the Constitution commits the Council to provide accountable leadership to the community, in partnership with its citizens, to improve service delivery to all the people of Cardiff. Articles 2–15 explain the rights of citizens and how the key parts of the Authority operate. These are:
 - Members of the Council (Article 2)
 - Citizens and the Authority (Article 3)
 - The Council (Article 4)
 - Chairing the Council (Article 5)
 - Scrutiny Committees (Article 6)
 - The Executive (Article 7)
 - Regulatory and other committees (Article 8)
 - The Standards & Ethics Committee (Article 9)
 - Joint arrangements (Article 10)
 - Council Employees (Article 11)
 - Decision Making (Article 12)
 - Finance, Contracts and Legal Matters (Article 13)
 - Review and Revision of the Constitution (Article 14)
 - Suspension, interpretation and publication of the Constitution (Article 15)

How the Authority operates

Council Arrangements

4. The Council is composed of 75 councillors elected every four years. Councillors are democratically accountable to residents of their ward. The overriding duty of councillors is to the whole community, but they have a special duty to their constituents, including those who did not vote for them.
5. Councillors have to agree to follow a Code of Conduct to ensure high standards in the way they undertake their duties. The Standards & Ethics

Committee advises them on the Code of Conduct and on development needs linked with conduct.

6. All Councillors meet together as the Council. Meetings of the Council are normally open to the public. The Council decides the Authority's strategic policies, as set out in Article 4 and sets the budget each year.

Executive Arrangements (Leader and Cabinet)

7. The Cabinet is the part of the Council which is responsible for most major decisions. The Cabinet is made up of the Leader elected by the Council, and up to nine other councillors whom he/she nominates for approval by the Council. Meetings of the Cabinet, Scrutiny Committees, the Council and other committees are open to the public to attend except where confidential information or exempt information is being discussed, as defined by the law. The Cabinet has to make decisions which are in line with the Council's overall policies and budget. If it wishes to make a decision which is outside the budget or policy framework, this must be referred to the Council as a whole to decide.

Scrutiny

8. Scrutiny Committees support the work of the Cabinet and the Council as a whole. The number of Scrutiny Committees is determined by the Council. Scrutiny Committees monitor the decisions of the Cabinet. They allow backbench members, citizens and stakeholders to have a greater say in matters concerning the Authority. They produce reports and recommendations which advise the Cabinet and the Council on its policies, budget and service delivery. They can 'call-in' a decision which has been made but not yet implemented. This enables Scrutiny to consider whether the decision is appropriate. They may recommend that the Cabinet reconsider the decision. They may also be consulted by the Cabinet or the Council on forthcoming decisions and the development of policy.

The Authority's Employees

9. The Authority has employees to give advice, implement decisions of the Cabinet and Council, and manage the day-to-day delivery of its services, including making decisions in accordance with a Scheme of Delegations. Employees are bound by a statutory Code of Conduct and a Protocol governs the relationships between employees and Councillors. The employees of the Authority serve the Authority as a whole and are required to advise impartially.

Citizens' Rights

10. Citizens have a number of rights in their dealings with the Authority. These are set out in more detail in Article 3. Some of these are legal rights, whilst others depend on the Authority's own processes.

11. Where members of the public use specific Authority services, for example as a parent of a school pupil or as a council tenant, they have additional rights which are not covered in this Constitution.

Citizens may:

- vote at local elections if they are registered;
- contact their local councillor about any matters of concern to them;
- obtain a copy of the Constitution;
- attend meetings of the Cabinet, Council and its Committees except where, for example, personal or confidential matters are being discussed;
- petition to request a referendum on a mayoral form of executive;
- contribute to investigations by the Scrutiny Committees;
- see reports and background papers, and any record of decisions made by the Council and Cabinet except where they contain personal or confidential information;
- complain to the Authority with regard to a perceived dissatisfaction about the standard of service, action or lack of action by the Authority or its staff. All complaints will be dealt with in accordance with the Authority's Complaint Policy, which provides an effective framework for review should the complainant be dissatisfied with the initial response;
- complain to the Commission for Local Administration in Wales (Ombudsman) if they think the Authority has not followed its procedures properly. However, the Authority expects a complainant to allow it the opportunity to resolve the complaint using the Authority's own Complaint Policy before contacting the Ombudsman, and the Ombudsman normally expects this too;
- complain to the Ombudsman if they have evidence which they think shows that a Councillor or Co-Opted Member has not followed the Members' Code of Conduct; and
- inspect the Authority's accounts and make their views known to the external auditor.

The Authority welcomes participation by its citizens in its work.

PART 3 – RESPONSIBILITY FOR FUNCTIONS

Section 4 – FUNCTIONS DELEGATED TO OFFICERS

Section 4A - Introduction

1 Overall Basis

1.1 This scheme delegates certain functions of the Council and the Cabinet to officers and should be interpreted widely rather than narrowly. It is divided into the following sub-sections:

A – Introduction

B – General Delegations to Chief Executive, Corporate Directors and Directors

C – General Delegations to Assistant Directors and Chief Officers (and Heads of Service)

D – General Delegations to Operational Managers

E – Specific Delegations to Statutory Officers

F – Specific Delegations to other Officers

These sub-sections inter-relate and should not be read in isolation.

1.2 In this scheme “officer” means the holder of any post named in this scheme as having delegated powers and duties, and for the avoidance of doubt, the term “officer” shall be deemed to include any individual who is not an employee of the Council (for example, a locum, agency worker, specialist consultant, joint manager appointed with another organisation or similar) who is engaged by the Council to take responsibility for discharging the delegated powers and duties concerned, unless legislation provides that the relevant power or duty can only be carried out by an employee of the authority.

1.3 This scheme delegates power and duties within broad functional descriptions and includes powers and duties under all legislation present and future within those descriptions and all powers and duties incidental to that legislation.

1.4 This scheme operates under Sections 101, 151 and 270 of the Local Government Act 1972 and all other powers enabling the Council.

1.5 This scheme includes the obligation on officers to keep Members properly informed of activity arising within the scope of these delegations. Officers should also inform Members of any significant delays to agreed schemes or projects.

(a) When taking, or considering taking, delegated decisions all officers must have regard to the following questions:

(i) Does the decision involve significant expenditure to the service budget, or wider Council budget?

(ii) Does the decision affect the reputation of the service and/or Council?

- (iii) Is the decision significant with regard to one or more wards?
 - (iv) Does the decision carry a significant risk to the service or wider Council?
 - (v) Does the decision impact reputationally or financially on service users, partner organisations or committees outside the Council?
- (b) Officers must consider the above and, where the answer to any of the above questions is yes, prepare a delegated officer decision using the pro forma, which must be presented to the relevant Cabinet Member to consult with them on the decision (this can be done via email).
- (c) If the matter impacts specifically on one or more wards (i.e. it is a local issue rather than council wide) and it is considered to be significant then then the officer should consult ward member(s) (and consider the need to consult with any relevant Community Council).
- (d) For highly significant or sensitive matters, officers must consider, in consultation with the relevant Cabinet member, whether in fact a Cabinet Report should be prepared instead and the matter entered on the Cabinet Forward Plan.
- (e) Day to day routine management decisions do not need to be subject to formally recorded decision procedures.
- 1.6 In addition to functions delegated to officers under this scheme, the Council, any of its Committees and or the Cabinet may also decide to delegate certain functions and decisions to officers. Any such delegations to officers shall:
- (i) be notified to the Monitoring Officer who maintains a record of all delegations (in accordance with the requirements of section 100G of the Local Government Act 1972); and
 - (ii) for the avoidance of doubt, any such officer delegations shall not be further delegated, unless expressly provided for in the resolution.
- 1.7 For the avoidance of doubt, the Interpretation provisions set out in Part 2, Article 15.2 of the Constitution shall apply to this Scheme where the context permits and unless otherwise expressly stated. This is including but without limitation to Article 15.2(i) in respect of references to post titles or designations in any officer delegation, whether in or under this Scheme or any other officer delegation referred to in paragraph 1.6 above.

2 Overall Limitations

2.1 This scheme does not delegate to officers:

- (b) the setting or changing of policy and associated service standards;
- (c) the review of performance
- (d) the setting of overall service area budgets
- (e) responding to formal central government consultation in respect of strategic policy

which remain the responsibility of Council/the Cabinet /Committees as appropriate.

2.3 Any exercise of delegated powers shall be subject to:-

- (a) Any statutory restrictions
- (b) The Council's Constitution, including Financial and Land Procedure Rules and Contracts Procedure Rules
- (c) The Council's budget and policy framework
- (d) Any other policies
- (e) The Code of Conduct for Members
- (f) The Code of Conduct for Employees

2.4 In exercising delegated powers officers shall:-

- (a) not go beyond the provision in the revenue or capital budgets for their service or agree individual items of expenditure or virement beyond that permitted by the Contracts and Financial Procedure Rules;
- (b) have regard to any report by the Head of Paid Service or the Monitoring Officer under Sections 4 and 5 of the Local government and Housing Act 1989 or of the Section 151 Officer under Section 114 of the Local Government Finance Act 1988;
- (c) maintain a full record of the exercise of those powers, including all relevant details, in accordance with any corporate guidance given by the Monitoring Officer (for decisions taken within the Scheme, the form of evidence required is shown in sub-sections B, C and D); and
- (d) have regard to any report from the Council's internal and external auditors in relation to a fundamental weakness in management and financial controls.

3 Further Provisions

- 3.1 In all cases delegated authority includes management of the human and material resources made available for their functions and departments within the limitations of this scheme and subject to specific delegations in this scheme or elsewhere to another officer.

- 3.2 In all cases delegated authority includes the power to issue and serve statutory and other notices, to institute formal cautions, to recommend the institution of legal proceedings before courts or tribunals, to take default action under all legislation relevant to their functional area and to authorise Officers to appear on behalf of the Council in tribunals, review boards and inquiries, also to sign all necessary documents and authorise entry to land in pursuance of statutory powers, provided always that this is in accordance with the functional responsibilities of the officer concerned, and subject to the provisions of Article 13 of this Constitution.
- 3.3 In all cases, delegated authority includes the power to determine applications and authorise payments and implement national agreements.
- 3.4 It shall always be open to an officer to consult with the Cabinet, or a non-executive committee on the exercise of delegated powers, or not to exercise delegated powers but to refer the matter to the Cabinet or a committee (as appropriate).
- 3.5 In exercising delegated powers, officers shall consult with such other relevant officers as may be appropriate and shall have regard to any advice given.
- 3.6 Unless expressly provided to the contrary, this scheme includes the power for officers further to delegate in writing all or any of the delegated functions to other officers (described by name or post) either fully or under the general supervision and control of the delegating officer. Sub-delegations shall be recorded in a register kept by the Monitoring Officer under Section 100G of the Local Government Act 1972. Sub-delegations may be made across departmental boundaries and to other Councils and their officers as appropriate.

4 Record of Exercise of any Function

A member may make a personal explanation at any time. The ruling of the chair on the admissibility of a personal explanation will be final.

9.4 Declarations of interest

A member may at any time declare a personal interest under the Code of Conduct and when a member stands to make a declaration he/she shall be heard immediately and shall be allowed to make the declaration without interruption.

10 PREVIOUS DECISIONS AND MOTIONS

This procedure will be repeated until a candidate receives the required majority. If more than one candidate has the same number of votes and that is the lowest number of votes cast, a vote will be taken to decide the candidate to be eliminated from future votes. In the event of an equal number of votes being cast at this stage, the chair will have a casting vote.

(b) The chair will have a casting vote only in the circumstances mentioned in the preceding paragraph.

11.5 **Right to require individual vote to be recorded**

15.4 Member to leave the meeting

If the member continues to behave improperly or offensively or deliberately obstructs business after such a motion is carried, the chair may move that either the member leaves the meeting or that the meeting is adjourned for a specified period. If seconded, the motion will be voted on without discussion. If the motion is passed the named member must leave the meeting forthwith.

Each Corporate Director shall be responsible for securing compliance with the requirements of the Data Protection Act 1998 and of the Freedom of Information Act 2000 in relation to the data and information within the purview of those Acts held in his or her Department and shall make all necessary arrangements within the Department for that purpose.

3 Openness Policy

The Authority wishes to be as open as possible in terms of sharing access to information both with Councillors and with the public, as permitted within the law and with respect to the rights of others. These rules seek to complement and supplement and not detract from any statutory rights to information (for example within the Data Protection Acts and the Freedom of Information Act) which Councillors and the public are afforded from time to time. These rules do not affect any more specific rights to information contained elsewhere in this Constitution. In the case of any omission or conflict between these rules or the Constitution and statutory rights, statutory rights will always prevail.

4 Rights of the Public to attend Meetings

Members of the public may attend all meetings subject only to the exceptions in these rules. The right to attend meetings is subject to the Council's right to exclude persons if their conduct is disorderly or if they misbehave at the meeting.  - (iii) Any recording must be overt, not covert;
 - (iv) There is to be no recording or transmission of proceedings dealing with any exempt or confidential information;
 - (v) The Chair shall have discretion, subject to proper consideration of any relevant representations and legal advice, to prohibit a recording or exclude anyone reasonably considered to be in breach of these rules; and
 - (vi) The person making the recording or transmission shall be solely responsible for complying with all applicable legal obligations arising from their actions.

5 Notices of Meetings

- (a) The Authority will give at least three clear days notice of any meeting by posting details of the meeting on the public notice board at County Hall, Atlantic Wharf, Cardiff and on the Council's Website (www.cardiff.gov.uk).
- (b) Special Urgency – if a matter is considered by the Monitoring Officer to be so significantly urgent and unexpected that a decision must be taken and that it is not possible to provide 3 clear days notice of the date of the meeting at which the decision must be taken, then with the agreement of the Chair of the body concerned, the Monitoring Officer is authorised to call such a meeting, subject to the agenda and reports being available to the public at the time at which the meeting is convened.

6 Access to Agenda and Reports before a Meeting

The Council will make copies of the agenda and reports open to the public available for inspection on the Council's Website (www.cardiff.gov.uk) and at the designated office at least three clear days before a meeting. If an item is added to the agenda later the designated officer shall make each such report available to the public as soon as the report is completed and sent to councillors.

- (b) a summary of any proceedings not open to the public where the minutes open to inspection would not provide a reasonably fair and coherent record;
- (c) the agenda for the meeting; and
- (d) reports relating to items when the meeting was open to the public.

9 Background Papers

9.1 List of background papers

The Proper Officer will set out in every report, or part of a report, which is open to public inspection under Rule 6 or 8 above a list of those documents (called “background papers”) relating to the subject matter of the report, or that part of the report, which in his/her opinion:

- (a) disclose any facts or matters on which the report or an important part of the report is based; and

10.6 Public Interest

Information within Categories 1 to 4, 6 and 7 set out in Rule 10.4 may only be treated as exempt if an assessment of the public interest has been made.

The public interest will be assessed on a case by case basis having regard to all relevant factors including but not limited to the following, to ensure a proper balance is achieved between the right to know, the right to personal privacy and the delivery of effective government.

In making such an assessment the proper officer shall have regard to any relevant prejudice which may be caused to the Council or any other party if the information were disclosed, having regard to the full context of any disclosure. Account may be taken of whether disclosure would breach any obligation of confidence not within Rule 10.3, or the rights of any individual under the Data Protection Act 1998 or the Human Rights Act 1998.

Account will be taken of the fact that the public interest test may be served by allowing access to information which would:

- (a) further the understanding of and participation in debating issues of the day;
- (b) facilitate transparency and accountability in and enhance scrutiny of decisions taken by the Council;
- (c) facilitate transparency and accountability in the spending of public money;
- (d) help individuals understand the decisions made by the Council affecting their lives;
- (e) bring to light information affecting public safety or danger to the environment;
- (f) contribute to the administration of justice and enforcement of the law or the prevention or detection of crime or the apprehension or prosecution of offenders;
- (g) protect the public from unsafe products or rogue traders or practices.

In making such an assessment the following factors shall be regarded as irrelevant:

- (a) possible embarrassment to the Council or its Officers;
- (b) possible loss of confidence in the Council or another public body;
- (c) the seniority of persons involved in the subject matter;
- (d) the risk of the public misinterpreting the information.

10.7 Exclusion of the Public

A decision to exclude the public from a meeting under this Rule shall be made in accordance with the Council Procedure Rules, the Committee Procedure Rules, or the Cabinet Procedure Rules as appropriate.

11 Exclusion of Access by the Public to Reports

Prior to a meeting, if the Proper Officer thinks fit, the Council may exclude access by the public to the whole or any part of a report which in his or her opinion relate to items of business during which, in accordance with Rule 10, the meeting is likely not to be open to the public. Such reports or parts of reports will be marked "Not for Publication" together with the category of information likely to be disclosed. After the meeting access to the Report is subject to Rule 8.

Where the decision to exclude access has required a determination of the public interest the Proper Officer shall keep a note of his or her reasons for the decision.

12 Application of Rules to the Cabinet

- (a) Rules 12 – 18 apply to the Cabinet.
- (b) The Cabinet will not conduct any formal business or take any Executive Decision in private except as permitted under Rule 10 or the law.
- (c) If the Cabinet meets to take an Executive Decision then it must also comply with Rules 1 – 11. For the avoidance of doubt Rules 1 -11 do not apply to meetings of the Cabinet where no Executive Decision is to be taken and the sole purpose of which is:-
 - (i) for employees to brief Councillors, or
 - (ii) for informal deliberations to take place which fall short of formal business or the taking of an Executive Decision, or
 - (iii) to meet with representatives of other bodies to discuss the approach to a particular subject.

13 Record of Decisions

After any meeting of the Cabinet, whether held in public or private, the Monitoring Officer, the Monitoring Officer's representative or, where no officer was present, the person presiding at the meeting, will produce a written record of every decision taken at that meeting as soon as reasonably practicable. The record will include a statement of the date, the reasons for each Executive Decision, details of any alternative options considered and rejected at the meeting either directly or by reference to the report, details of any declaration of interest and details of any consultation that was taken and generally comply with legal requirements as to the recording of the Executive Decision.

A record of a decision to exclude the public in accordance with Rule 10 shall identify the category of exempt or confidential information and, where appropriate, any relevant determination of the public interest.

A record of the decision will be published in the Executive Decision Register and will be circulated to all Members by the Cabinet Business Office. The Register will be available for public inspection at County Hall and on the Council's internet site.

14 Cabinet Meetings relating to matters which are not Executive Decisions

The Cabinet will decide whether meetings where no Executive Decisions are to be made will be held in public or private. Members of the Cabinet or its committees will be entitled to receive three clear working days notice of a meeting to which they are summoned, unless the meeting is convened at shorter notice as a matter of urgency.

15 The Forward Plan

15.1 Period of Forward Plan

To promote openness and efficiency in decision-making, the Council maintains a Forward Plan of anticipated Executive Decisions. The Forward Plan covers a 12 month period from the date of publication and is updated monthly on a rolling basis.

15.2 Contents of Forward Plan

The Forward Plan seeks to anticipate all decisions to be made by the Cabinet and by the Chief Executive and Corporate Directors under delegated powers. Each Corporate Director, and/or Chief Officer in partnership with the relevant Cabinet Member is responsible for identifying future decision-making needs and for informing the Cabinet Business Office. The Cabinet Office Manager maintains the Forward Plan which is available for public inspection at County Hall and on the Council's internet site.

It will describe the following particulars in so far as the information is available or might reasonably be obtained:

- (a) the matter in respect of which a decision is to be made;
- (b) the identity of the decision maker;
- (c) a brief summary of the issues;
- (d) a brief summary of the reasons for any recommendation
- (e) a draft of the proposed recommendation;
- (f) the date on which, or the period within which, the decision will be taken;
- (g) the identity of the principal groups whom the decision taker proposes to consult before taking the decision;
- (h) the responsible lead officer;
- (i) a contact officer; and
- (j) the status of the decision where:

- (i) Green = Decisions of a non-contentious, day to day nature, unlikely to be the subject of call-in.
- (ii) Amber = Decisions of a more sensitive nature, which could be potentially contentious or not of a routine nature. These would generally flow through to the Cabinet for decision, without prior scrutiny, although a judgement will be made in each case regarding scrutiny consideration before decision, and the possibility of call-in.
- (iii) Red = Decisions relating to high level functions primarily relating to policy formulation within the Policy and Budgetary Framework where the Cabinet would usually make a proposal to Council. For such decisions, the engagement of scrutiny is required before the Cabinet recommendation is made.

Exempt information need not be included in the Forward Plan and confidential information cannot be included.

15.3 Additional Information Relating to Forward Plan Items

Any person who wishes to:

- (a) make representations to the Cabinet or decision taker about a matter in respect of which a decision is to be made;
- (b) request additional information or documents relating to a proposed decision (if any) as they become available

should contact the nominated contact officer. Inclusion of a matter in the Forward Plan does not create any right of access to information which is confidential or exempt as defined in Rule 10.

16 Executive Decisions by individual Members of the Cabinet

Delegated powers may not be exercised by individual Members of the Cabinet in accordance with the Scheme of Delegations.

16.1 Record of individual Decision by employee

Where a decision is taken by an employee under delegated powers, that employee is responsible for retaining a record of such decision and the reason for such decision sufficient for audit and evidential purposes and for ensuring that all those that need to know are informed promptly of the decision and that the decision and the record of it accords with the requirements of the relevant scheme of delegations under which it is made, and any guidance on decision making issued by the Monitoring Officer. Decisions made by the Chief Executive or a Corporate Director will be included in the published Executive Decision Register. (See Rule 13).

17 Additional Rights of Access by Members of Scrutiny Committees

17.1 Rights to copies

Subject to Rule 17.2 below, a member of a Scrutiny Committee (including their Sub-Committees and Task groups) will be entitled to copies of any document which is in the possession or control of the Cabinet, or its committees and which contains material relating to:

- (a) any business transacted at a public or private meeting of the Cabinet, or its committees; or
- (b) any decision taken by an individual member of the Cabinet.

17.2 Limit on Rights

No member of a scrutiny committee shall be entitled to any part of a document that contains exempt or confidential information or the advice of a political advisor or assistant unless that information is relevant to:

- (a) an action or decision that is being reviewed or scrutinised or is intended to be scrutinised by that committee or a sub-committee of that committee or;
- (b) is relevant to any review contained in any programme of work of the scrutiny committee or a sub-committee of that committee.

In case of doubt the Monitoring Officer shall determine whether condition (a) or (b) applies.

17.3 Disclosure

Exempt or confidential information supplied to a Member in accordance with Rule 17.1 remains exempt or confidential and is subject to Rule 10.5.

PART 4 – RULES OF PROCEDURE

BUDGET AND POLICY FRAMEWORK PROCEDURE RULES

1 The framework for Executive Decisions

- (a) The Council will be responsible for the adoption of the Budget and Policy Framework. Once a Budget or a Policy Framework is in place, it will be the responsibility of the Cabinet to implement it.
- (b) The future business of the Cabinet will be set out in the Forward Plan to be published on a monthly basis.

2 Process for developing the framework

- (a) The Cabinet will publicise by including in the Business Statement a timetable for making proposals to the Council for the adoption of any plan, strategy or budget that forms part of the budget and policy framework, and its arrangements for consultation after publication of those initial proposals. The Chairs of Scrutiny Committees will also be notified.
- (b) The Cabinet will then draw up firm proposals having regard to any responses to consultation. If a relevant Scrutiny Committee wishes to respond to the Cabinet in the consultation process then it may do so. As the Scrutiny Committees have responsibility for fixing their own work programme, it is open to the Scrutiny Committees to investigate, research or report in detail with policy recommendations before the end of the consultation period. The Cabinet will take any response from a Scrutiny Committee into account in drawing up firm proposals for submission to the Council, and its report to Council will reflect the comments made by consultees and the Cabinet's response.
- (c) Once the Cabinet has approved the firm proposals, they will be referred at the earliest opportunity to the Council for decision.
- (d) In reaching a decision, the Council may adopt the Executive proposals, amend them, refer them back to the Cabinet for further consideration, or substitute its own proposals in their place.
- (e) If it accepts the recommendation of the Cabinet without amendment, the Council may make a decision which has immediate effect. Otherwise, it may only make an in-principle decision. In either case, the decision will be made on the basis of a simple majority of votes cast at the meeting.
- (f) A copy of the decision shall be given to the Leader.
- (g) An in-principle decision will automatically become effective five clear working days from the date of the Council's decision, unless (i) the Leader informs the proper officer in writing within that time he/she objects to the

decision becoming effective and provides reasons why and (ii) he/she does so before 8 February of that year.

- (h) In that case, the proper officer will call a Council meeting to take place within a further ten clear working days. The Council will be required to re-consider its decision and the written submission within at that meeting. The Council may:-
- (i) approve the initial Cabinet recommendation by a simple majority of votes cast at the meeting; or
 - (ii) approve a different decision which does not accord with the recommendation of the Cabinet by a simple majority.
 - (iii) The decision shall then be made public and shall be implemented immediately.
- (j) In approving the Budget and Policy Framework, the Council will also specify the extent of virement within the budget and degree of in-year changes to the Policy Framework which may be undertaken by the Cabinet, in accordance with paragraphs 5 and 6 of these Rules (virement and in-year adjustments). Any other changes to the Budget and Policy Framework are reserved to the Council.

3 Decisions outside the Budget or Policy Framework

- (a) Subject to the provisions of paragraph 5 of these Rules (virement) the Cabinet, individual members of the Cabinet and any employees or joint arrangements discharging Executive functions may only take decisions which are in line with the Budget and Policy Framework. If any of these bodies or persons wishes to make a decision which is contrary to the Policy Framework, or contrary to or not wholly in accordance with the Budget approved by Council, then that decision may only be taken by the Council, subject to 4 below.
- (b) If the Cabinet, individual members of the Cabinet and any employees, or joint arrangements discharging Executive Functions want to make such a decision, they shall take advice from the Head of Paid Service, Monitoring Officer and the Section 151 Officer as to whether the decision they want to make would be in contrary to the Policy Framework, or not wholly in accordance with the Budget. If the advice of any of those officers is that the decision would not be in line with the existing Budget and/or Policy Framework, then the decision must be referred by that body or person to the Council for decision, unless the decision is a matter of urgency, in which case the provisions in paragraph 4 of these Rules (urgent decisions outside the budget and policy framework) shall apply.

4 Urgent decision outside the budget or policy framework

(a) The Cabinet, a committee of the Cabinet, an individual Member of the Cabinet or employees, (area committees) or joint arrangements discharging Executive Functions may take a decision which is contrary to the Policy Framework or contrary to or not wholly in accordance with the Budget approved by Council if the decision is urgent. However, the decision may only be taken:

- (i) if it is not possible to convene a quorate meeting of the full Council; and
- (ii) if the chair of a relevant Scrutiny Committee agrees that the decision is urgent.

The reasons why it is not practical to convene a quorate meeting of full Council and the chair of the relevant Scrutiny Committees' consent to the decision being taken as a matter of urgency must be noted on the record of the decision. In the absence of the chair of a relevant Scrutiny Committee, the consent of the Lord Mayor, and in the absence of both, the Deputy Lord Mayor, will be sufficient.

(b) Following the decision, the decision taker will provide a full report to the next available Council meeting explaining the decision, the reasons for it and why the decision was treated as a matter of urgency.

5. Virement

(a) The Council shall have budget heads reflecting the Council's Service Area arrangements and taking into account recommended accounting practice.

(b) Steps taken by the Cabinet, an individual member of the Cabinet or employees, or joint arrangements discharging Executive Functions to implement Council policy shall not exceed those budgets allocated to each budget head. However, such bodies or individuals shall be entitled to vire across budget heads in accordance with Financial Regulations. Beyond that limit, approval to any virement across budget heads shall require the approval of the Council.

6. In-year changes to Policy Framework

The responsibility for agreeing the Budget and Policy Framework lies with the Council, and decisions by the Cabinet, an individual member of the Cabinet or employees, (area committees) or joint arrangements discharging Executive Functions must be in line with it. No changes to any policy and strategy which make up the Policy Framework may be made by those bodies or individuals except changes that have been specified or categorised by Council as permissible changes.

7 Call-in of decisions outside the Budget or Policy Framework

(a) Where a Scrutiny Committee is of the opinion that an Executive Decision is, or if made would be, contrary to the Policy Framework, or contrary to or not wholly in accordance with the Budget, then it shall seek advice from

the Head of Paid Service, Monitoring Officer and/or Section 151 Officer, who will report on the matter.

- (b) In respect of functions which are the responsibility of the Cabinet, the report of the Head of Paid Service, Monitoring Officer and/or Section 151 Officer shall be to the Cabinet with a copy to every Councillor. Regardless of whether the decision is delegated, the Cabinet must meet to decide what action to take in respect of the report and to prepare a report to Council in the event that the Head of Paid Service, Monitoring Officer or the Corporate Director with Section 151 Responsibilities conclude that the decision was a departure from the Budget or Policy Framework, and to the Scrutiny Committees if the Head of Paid Service, Monitoring Officer or the Section 151 Officer conclude that the decision was not a departure.
- (c) If the decision has yet to be made, or has been made but not yet implemented, and the advice from the Head of Paid Service, Monitoring Officer and/or Section 151 Officer is that the decision is or would be contrary to the Policy Framework or contrary to or not wholly in accordance with the Budget or ultra vires the power of the Cabinet, the Cabinet or the relevant Scrutiny Committee may refer the matter to the Council. In such cases, no further action will be taken in respect of the decision or its implementation until the Council has met and considered the matter. The Council shall meet within ten clear working days of the request by the Cabinet or the Scrutiny Committee. At the meeting it will receive a report of the decision or proposals and the advice of the Chief Executive, Monitoring Officer and/or the Section 151 Officer. The Council may either:-
- (i) endorse a decision or proposal as falling within the existing Budget and Policy Framework. In this case no further action is required, save that the decision of the Council be minuted and circulated to all Councillors in the normal way;
- or
- (ii) amend the Authority's financial procedures or Policy Framework to encompass the decision or and agree to the decision with immediate effect. In this case, no further action is required save that the decision of the Council be minuted and circulated to all councillors in the normal way;
- or
- (iii) where the Council accepts that the decision or proposal is contrary to the Policy Framework or contrary to or not wholly in accordance with the Budget or ultra vires the power of the Cabinet, and does not amend the existing Policy Framework to accommodate it or ratify the ultra vires decision., the decision will be a nullity but the Council may require the Cabinet to reconsider the matter in accordance with the advice of either the Chief Executive, Monitoring Officer or Section 151 Officer.

A Scrutiny Committee may agree to invite one or more advisors with relevant expertise to participate in a Task and Finish group inquiry

2 Members of Scrutiny Committees

All councillors, except members of the Cabinet, may be members of a Scrutiny Committee or a Task and Finish Sub Committee. However, no member may be involved in scrutinising a decision which he/she has been directly involved in taking.

They may go on site visits, conduct public surveys, hold public meetings, commission research and do all other things that they reasonably consider necessary to inform their deliberations. They may ask witnesses to attend to address them on any matter under consideration and may pay to any advisers, assessors and witnesses a reasonable fee and/or expenses for doing so.

They must comply with the Council's procedures and keep within the budgets allocated to them in so doing.

8 Agenda items

- (a) Any member of a Scrutiny Committee may give notice to the Head of Democratic Services that he/she wishes an item relevant to the functions of that committee to be included on the agenda for a future meeting. On receipt of such a request, the Chairperson will ensure that it is included as an item on the next suitable agenda.
- (b) Scrutiny Committees shall respond, as soon as their work programme permits, to requests from the Council or the Cabinet, to review particular areas of Council activity. Where they do so, the Scrutiny Committee shall report their findings, and any recommendations, back to the Cabinet and/or Council, as appropriate.

9 Reports from Scrutiny Committees

- (a) Once it has formed recommendations following the conclusion, or part conclusion, of its deliberations on a particular topic, a Scrutiny Committee will prepare a formal report and submit it for consideration by the Cabinet (if the report relates to a Executive Decision or proposal) or to the Council (if the recommendation would require a departure from, or a change, to the agreed budget and policy framework).
- (b) If a Scrutiny Committee cannot reach unanimous agreement on the content of a report to the Council or Cabinet as appropriate, then any member of the committee may request that the points of difference between their view and that of the majority and the reasons for the difference in view be recorded in the Scrutiny Committee report and submitted for consideration by the Council or Cabinet as appropriate. Where a minority report is requested, it must be requested before the Committee's report on the topic under scrutiny is determined.
- (c) The Council or Cabinet shall give consideration to a formal report of a Scrutiny Committee and any minority report at an appropriate meeting. Where appropriate, the Scrutiny Committee shall receive a written response from the Cabinet to its formal report and any minority report, as soon as is practicable following the consideration of the report by the Cabinet. The appropriate Cabinet Member will also attend a future meeting of the scrutiny committee to present any response.
- (d) Where a scrutiny committee prepares a report for consideration by the Cabinet in relation to a matter where the decision making power has been delegated to an individual member of the Cabinet, then the Scrutiny Committee will submit a copy of their report to him/her for consideration.

The member with delegated decision-making power must consider the report and respond in writing to the Scrutiny Committee. The member will also attend a future meeting of the Scrutiny Committee to present their response.

Members of Scrutiny Committees have the additional right to documents, and to notice of meetings as set out in the Access to Information Procedure Rules in Part 4 of this Constitution.

11 Hearing evidence and receiving information

- (a) Scrutiny Committees may receive written submissions or call witnesses to assist them in their examination of topics.
- (b) They may require any Cabinet Member and/or Council officer to attend to explain, in relation to matters within their remit:-
 - (i) any decision or series of decisions;
 - (ii) the extent to which actions taken implement Council policy; and/or

The notice will state the nature of the item on which he/she is required to attend to give account and whether any papers are required to be produced for the Committee. Where the account to be given to the Committee will require the production of a report, then the member or officer concerned will be given sufficient notice to allow for preparation of that documentation.
- (d) Where, in exceptional circumstances, the member or officer is unable to attend on the required date, then the scrutiny committee shall, in consultation with the member or officer, arrange an alternative date for attendance, or may seek a written submission.
- (e) A Scrutiny Committee may invite anyone whom it believes can make a useful contribution to address it, discuss issues of local concern and/or answer questions. It may, for example, wish to hear from residents, stakeholders and members and officers in other parts of the public sector and can invite such people to attend.

- (f) Scrutiny Committees will programme their agendas as effectively as possible and will in particular give any witness called to appear before them a time by which they can expect their contribution to be completed. At the expiry of that time period, the witness can leave unless he/she agrees to remain longer.

12 Call-in Procedure

- (a) When an Executive Decision is made by the Cabinet, a Committee of the Cabinet, the Leader, a Cabinet Member, the Chief Executive, a Corporate Director or a Director exercising a Corporate Director or a Director delegation, the decision shall be published on the Council's Intranet Site, and shall be available at the main offices of the Council, normally within two working days of being made. Members of those Committees who request it (in respect of decisions falling within their Committee's terms of reference) and Chairpersons of all Scrutiny Committees will also be sent copies of the records of all such decisions within the same timescale by the proper officer.
- (b) The notice will bear the date on which it is published and will specify that the decision will be implemented on the expiry of seven clear working days after the publication of the decision ("the call-in period"), unless the decision is called in as set out below.
- (c) Any non Cabinet member of the Council (or a co-opted member of the Children and Young People Scrutiny Committee, in the case of a decision relating to an education matter) may call-in a decision of which notice has been given as set out above, by giving notice in writing to the Head of Democratic Services within the call-in period. The Head of Democratic Services shall then notify the Cabinet Office of the call-in. He/she shall call a meeting of the relevant committee on such date as he/she may determine, where possible after consultation with the Chairperson of the Committee, and in any case within five clear working days of the decision to call-in ("the scrutiny period"). At its meeting, the Scrutiny Committee may consider the called-in decision itself or decide to refer the issue to the Council for scrutiny, if the matter is of general significance and importance to the Council as a whole. A Council meeting to consider this issue must take place within ten clear working days of this referral ("the Council scrutiny period") unless otherwise agreed between the Leader and the Chairperson of the relevant Scrutiny Committee.
- (d) Having considered the decision, the Scrutiny Committee or the Council (if the decision has been referred to Council) may refer it back to the Cabinet or the decision maker for reconsideration, setting out in writing the nature of its concerns. The Cabinet or decision maker shall then reconsider the matter before adopting a final decision, arranging for the decision to be changed to reflect points made by the Scrutiny Committee, or formally deferring the matter for further consideration. The relevant Scrutiny

Committee or Council as appropriate will be advised of the outcome at its next meeting.

- (e) If following a call-in, the matter is not referred back to the Cabinet or decision maker, the decision shall take effect on the date of the relevant Scrutiny Committee or Council meeting which considers the issue, or the expiry of the scrutiny period or the Council scrutiny period as appropriate, whichever is the later.
- (f) The role of Scrutiny Committees calling in a decision is:
 - (i) To test the merits of the decision
 - (ii) To consider the process by which the decision has been formulated.
 - (iii) To make recommendations (to support the decision, change aspects of the decision, or to invite the decision making body to reconsider).
 - (iv) To suggest further steps before a decision is made (but not to try to carry out those steps in place of the decision making body).
 - (v) To come to a view in a relatively short time scale, so as not to compromise the speed and efficiency of the decision-making process.
- (g) In calling in a decision it is not sufficient for the Member requesting the call in to state that they wish to test the merits of the decision. A member requesting a call in shall specify precisely which aspects of the decision they wish to question or challenge.
- (h) The Head of Democratic Services may, in consultation with the Monitoring Officer, rule that a call in is not valid if:
 - (i) The call in request has not been made within the seven working days allowed for call in;
 - (ii) It is not clear which Executive Decision is being called in;
 - (iii) The decision is exempt from call in on account of urgency provisions;
 - (iv) The call in request provides too little information to enable Committee members or the decision taker to adequately prepare for the call in meeting.
 - (v) The decision being called in, or broadly the same decision, has been called in during the last six months; or
 - (vi) The matter has already been scrutinised by the relevant Scrutiny Committee and there is no significant new or additional information which has not been previously considered by that Committee.

13 Exceptions: Call-in and Urgency

- (a) The call-in procedure set out above shall not apply where the decision being taken is urgent. The record of the decision and notice by which it is made public shall state whether the decision is an urgent one, and therefore not be subject to call-in. Decisions taken as a matter of urgency must be reported for information to the next available meeting of the Council, together with the reasons for urgency.
- (b) The operation of the provisions relating to call-in and urgency shall be monitored annually, and a report submitted to Council with proposals for review if necessary.

PART 4 – RULES OF PROCEDURE

FINANCIAL PROCEDURE RULES

1 STATUS

- 1.1 The Local Government Act 1972 (Section 151) requires that an employee of the Council is recognised as the responsible financial officer. In Cardiff Council, that officer is the Corporate Director, Resources.
- 1.2 The Accounts and Audit Regulations place a duty on the Responsible Financial Officer to determine the: *Appropriate financial records, including the form of accounts and supporting financial records;* and *Systems of financial control.*
- 1.3 The Corporate Director, Resources has developed the following Financial Procedure Rules as part of the system of financial control. These provide the framework for managing the Council's financial affairs, and are part of Cardiff Council's constitution. They apply to every Member and Officer of the Council, and anyone acting on its behalf.
- 1.4 The purpose of the Financial Procedure Rules is to ensure that public accountability and high standards of financial integrity are exercised in the control of public funds that pass through the Council. The Financial Procedure Rules govern the day to day operation of the Council's financial administration. They are introduced both to protect the interests of the Council, and all those who are involved with financial administration.
- 1.5 The Corporate Director, Resources is responsible for maintaining a continuous review of the Financial Procedure Rules, and for submitting any additions or changes necessary to the Constitution Committee for approval. The Corporate Director, Resources is also responsible for reporting, where appropriate, any breaches of Financial Procedure Rules. In the event of dispute as to the meaning of any of the provisions of the Financial Procedure Rules the matter shall be determined by the Corporate Director, Resources whose decision shall be final.
- 1.6 Where in the Financial Procedure Rules, an officer is designated by reference to his /her job title, the responsibilities shall relate to the post holder. Such an officer may arrange for officers under his/her supervision or management to carry out any of the obligations, duties or activities required to be performed by him/her under the Financial Procedure Rules, or to act in his/her absence, provided that the named post holder shall retain responsibility to the Council.

Who do the Financial Procedure Rules apply to?

- 1.7 Financial Procedure Rules apply to everyone involved in financial transactions on behalf of the Council. Directors are responsible for ensuring that all staff in their service areas are aware of the existence and content of the Council's

Financial Procedure Rules, and guidance documents issued by the Corporate Director, Resources, and that they comply with them.

- 1.8 All Members and Officers have a general responsibility for taking reasonable action to provide for the security of the assets under their control, and for ensuring that the use of these resources is legal, properly authorised, provides value for money and achieves best value.
- 1.9 Failure to comply with the Financial Procedure Rules, or the instructions issued under them, or any arrangements made for the purposes of them, will constitute misconduct.
- 1.10 Other related documents approved by the Council include the Constitution, Delegations, Contract Standing Orders & Procurement Rules and Codes of Conduct.
- 1.11 For the purpose of these Financial Procedure Rules, Heads of Service have the same responsibilities as Directors.

Why are they important?

- 1.12 To conduct the Council's business effectively, it needs to be ensured that sound financial management arrangements are in place and that they are complied with in practice. Part of this process is the establishment of Financial Procedure Rules which set out the financial responsibilities of the Council. These procedures have been devised as a control to help the Council manage its financial affairs properly in compliance with all necessary requirements.
- 1.13 In order to continually meet the Council's corporate values, it is vital that good, sound financial management is maintained, which helps to ensure that the Council is doing the right things, in the right way, for the right people, in a timely, inclusive, open, honest and accountable manner.
- 1.14 Adherence to these Financial Procedure Rules will help the Council to control spending, ensure due probity of transactions and allow decisions to be informed by accurate accounting information. They also protect colleagues, in that if they are complying with these Rules, they cannot be subject to criticism.
- 1.15 Good financial management requires secure and reliable records and systems to process transactions and information and substantiate the effective use of public money.
- 1.16 Financial Procedure Rules should not be seen in isolation, but rather as part of the overall regulatory framework of the Council as set out in the Constitution. They will underpin and complement the directorate procedures.

Who is responsible for ensuring that the Financial Procedure Rules are applied?

- 1.17 The regulations often refer to Directors as being responsible and, whilst Directors are ultimately responsible for ensuring that Financial Procedure Rules are applied and observed by their staff and for reporting to the Corporate Director, Resources any known or suspected breaches of the regulations, it is important that all colleagues involved in financial transactions are aware of their personal responsibility.
- 1.18 The Corporate Director, Resources is responsible for maintaining a continuous review of the Financial Procedure Rules.
- 1.19 The Corporate Director, Resources is responsible for issuing advice and guidance to underpin the Financial Procedure Rules that members, officers and others acting on behalf of the Council are required to follow.

MANAGING EXPENDITURE

Virement and in-year changes to the budget

Why is this important?

- 2.28 The scheme of virement is intended to enable the Cabinet, Directors and their staff to manage budgets with a degree of flexibility within the overall budget and policy framework determined by the full Council, and therefore to optimise the use of resources.

Key Controls

- 2.29 Key controls for the scheme of virement are:
- the overall revenue budget is drawn up by the Cabinet and approved by the full Council. Directors and budget managers are, therefore, authorised to incur expenditure in accordance with the estimates that make up the budget as set out in the budget book. The rules below cover virement - that is, switching resources between approved budget headings:
 - virement does not create additional overall budget liability. Directors are expected to exercise their discretion in managing their budgets responsibly and prudently. For example, they should not support recurring revenue expenditure from one-off sources of savings or additional income, or creating future commitments, including full-year effects of decisions made part way through a year, for which they have not identified future resources. Directors must plan to fund such commitments from within their own budgets;
 - the capital programme is drawn up by the Cabinet and approved by the full Council and contains details of approved expenditure on capital schemes.

Responsibility of the Cabinet

- 2.30 To approve revenue and capital budget virements or any inter-service virements where the purpose of the budget has been amended or in any case where arrangements have not been made for discharge of the function by an officer of the Council and within the Policy and Budgetary Framework.

- 2.35 To approve the use of reserves and to commit expenditure in future years up to a total in the year of up to £1m and to ensure that the appropriate records are kept and maintained.
- 2.36 The Council sets a multi year capital programme, with the latter years indicative only. In order to ensure an effective capital programme, expenditure can be brought forward only with the approval of the Corporate Director, Resources. The possibility of delaying spend into future years may be required in some cases and should be observed following any request from the Corporate Director, Resources.

Responsibility of Officers - Revenue Expenditure

- 2.44 No virement may be approved if the total cash limited budget of the Council or service area is likely to be overspent.

3.10 To advise and supply, as appropriate and in conjunction with the Corporate Director, Resources, the financial information that needs to be included in performance plans in accordance with statutory requirements and agreed timetables.

REVENUE BUDGETING AND MONITORING

Budget Format

Why is this important?

- 3.11 The format of the budget determines the level of detail to which financial control and management will be exercised. The format shapes how the rules around virement operate, the operation of cash limits, and sets the level at which funds may be reallocated within budgets.

Key Controls

- 3.12 The key controls are that the format:
- complies with all legal requirements;
 - complies with proper accounting and professional standards;
 - reflects the accountabilities of service delivery.

Responsibilities of the Corporate Director, Resources

- 3.13 To advise the Cabinet on the format of the budget that is approved by the full Council.

Responsibilities of Directors

- 3.14 To comply with accounting guidance provided by the Corporate Director, Resources.

Revenue Budget Preparation and Medium-Term Planning

Why is this important?

- 3.15 The Council is a large and complex organisation responsible for delivering a wide variety of services. It needs to plan effectively and to develop systems to enable scarce resources to be allocated in accordance with carefully weighed priorities. The budget is the financial expression of the Council's plans and policies.
- 3.16 The revenue budget must be constructed so as to ensure that resource allocation properly reflects the service plans and priorities of the full Council. Budgets (spending plans) are needed so that the Council can plan, authorise, monitor and control the way money is allocated and spent. It is unlawful for a local authority to budget for a deficit.
- 3.17 In considering the affordability of its capital plans, the Council is required to consider all the resource currently available and for the future, together with an estimate of its requirements for the following year and each of the following two years. The Council is also required to consider known significant changes

beyond this timeframe. This needs to consider a Medium Term Financial Plan, considering three years plus one.

Key Controls

3.18 The key controls for budgets and medium-term planning are:

- budget managers are consulted in the preparation of the budgets for which they will be held responsible and accept accountability within delegations set by the Cabinet for their budgets and the level of service to be delivered;
- a monitoring process is in place to review the effectiveness and operation of budget preparation and to ensure that any corrective action is taken.

Responsibilities of the Corporate Director, Resources

3.19 To prepare a report annually on a budget strategy for the following financial year for consideration by the Cabinet. This will take account of the Policy Framework, commitments, resource constraints and shall include medium term prospects. It will cover all the services of the Council. The report shall be made in accordance with the Budget and Policy Framework Rules. The Cabinet having considered the report of the Corporate Director, Resources and having consulted upon any proposals in accordance with the Budget and Policy Framework Procedure Rules the Cabinet will then agree a budget strategy.

3.20 To prepare, after the budget strategy has been agreed by the Cabinet, in conjunction with the Corporate Directors and Directors, estimates of the income and expenditure of the various service areas and submit them to the Cabinet. The Cabinet shall consider the aggregate effect of these estimates upon the Council's financial resources and, subject to any other considerations of policy and to any amendments which it proposes to make, shall draw up proposals for the Budget and the amount of Council Tax and Housing Rents to be levied for the ensuing financial year to be referred to the Council. The inclusion of items in approved revenue estimates shall constitute authority to incur such expenditure save to the extent of which the Council shall have placed a reservation on any such items. Expenditure on any such reserved items may be incurred only when and to the extent that such reservations have been removed.

3.21 To prescribe the budget format required.

3.22 To advise on the medium term implications of spending decisions and prepare medium term plans.

3.23 To encourage the best use of resources and value for money by working with Directors to identify opportunities to improve economy, efficiency and effectiveness, and by encouraging good practice in conducting financial appraisals of development or savings options, and in developing financial aspects of service planning.

- 3.24 To advise the full Council on Cabinet proposals in accordance with his or her responsibilities under section 151 of the Local Government Act 1972.
- 3.25 To ensure all matters required to be taken into account are reported to the Cabinet and Council when setting and reviewing prudential indicators.

Responsibilities of Directors

- 3.26 To provide the Corporate Director, Resources with information to complete the medium term plan.
- 3.27 To prepare, in conjunction with the Corporate Director, Resources, estimates of income and expenditure.
- 3.28 To prepare budgets consistent with any relevant cash limits, with the Council's annual budget cycle and with guidelines issued by the Cabinet. The budget format will be prescribed by the Corporate Director, Resources.
- 3.29 To integrate financial and budget plans into service planning and for them to link in with the Corporate Plan.
- 3.30 When drawing up draft budget requirements, to have regard to:
- spending / income patterns and pressures revealed through the budget monitoring process;
 - legal requirements;
 - policy requirements as defined by the full Council in the approved policy framework;
 - initiatives already under way;
 - areas where savings/efficiencies can be made; and
 - implications of financial performance in the current year.

Resource Allocation

Why is this important?

- 3.31 A mismatch often exists between available resources and required resources. A common scenario is that available resources are not adequate to fulfil need/desire. It is therefore imperative that needs/desires are carefully prioritised and that resources are fairly allocated, in order to fulfil all legal responsibilities. Resources may include staff, money, equipment, goods, property and materials.

Key Controls

- 3.32 The key controls for resource allocation are:
- resources are acquired in accordance with the law and using an approved authorisation process;

- resources are used only for the purpose intended, to achieve the approved policies and objectives, and are properly accounted for;
- resources are used with the minimum level of waste, inefficiency or loss for other reasons.

Responsibilities of the Corporate Director, Resources

- 3.33 To advise on resources such as grants or the affordability of borrowing.
- 3.34 To advise on the suitability of proposals to introduce/modify financial procedures to control resources (e.g. stock control systems).
- 3.35 To assist in the allocation of resources to budget managers.

Responsibilities of Directors

- 3.36 To work within cash limits and to utilise resources allocated and, furthermore, to allocate resources, in the most efficient, effective and economic way.
- 3.37 To identify opportunities to minimise or eliminate resource requirements or consumption without having a detrimental effect on service delivery.

Revenue Budget Monitoring and Control

Why is this important?

- 3.38 Proper budget management ensures that, once the budget has been approved by the full Council, resources are used for their intended purposes and are properly accounted for. Budgetary control is a continuous process, enabling the Council to review and adjust its budget targets during the financial year. It also provides the mechanism that calls to account managers responsible for defined elements of the budget.
- 3.39 By continuously identifying and explaining variances against budgetary targets, the Council can identify changes in trends and resource requirements at the earliest opportunity. The Council itself operates within an annual cash limit, approved when setting the overall budget. To ensure that the Council, in total does not overspend, each service area is required to manage its own expenditure within the cash limited budget allocated to it.
- 3.40 Directors are expected to exercise their discretion in managing their budgets responsibly and prudently. For example:
- not support recurring revenue expenditure from one-off sources of savings or additional income, or creating future commitments;
 - include full-year effects of decisions made part way through a year, for which they have not identified future resources;
 - plan to fund such commitments from within their own budgets.

- 3.41 For the purposes of budgetary control by managers, a budget will normally be the planned income and expenditure for a service area or profit centre. However, budgetary control may take place at a more detailed level if this is required.

Key Controls

- 3.42 The key controls for managing and controlling the revenue budget are:
- there is a nominated budget manager for each budget heading;
 - budget managers accept accountability for their budgets and the level of service to be delivered and understand their financial responsibilities;
 - budget managers follow an approved certification process for all expenditure;
 - income and expenditure are properly recorded and accounted for;
 - performance levels/levels of service are monitored in conjunction with the budget and necessary action is taken to align service outputs and budget; and
 - specific budget approval is given for all expenditure.

Responsibilities of the Corporate Director, Resources

- 3.43 To establish an appropriate framework of budgetary management and control that ensures that:
- budget management is exercised within annual cash limits unless the full Council agrees otherwise;
 - all Corporate Directors and Directors are furnished with periodical statements of receipts and payments and such other relevant information as he/she has which is sufficiently detailed to enable managers to fulfil their budgetary responsibilities;
 - in consultation with Corporate Directors and Directors, reports are submitted, as determined by the Corporate Director, Resources, to the Cabinet, monitoring expenditure and comparing anticipated outturn with estimates;
 - each profit centre has a single named manager, determined by the relevant Director. As a general principle, budget responsibility will be aligned as closely as possible to the decision making processes that commits expenditure; and
 - significant variances from approved budgets are investigated and reported by budget managers regularly.
- 3.44 To submit reports to the Cabinet and to the full Council, in consultation with the relevant Director, where a Director is unable to balance expenditure and resources within existing approved budgets under his or her control.
- 3.45 To establish procedures for the monitoring of prudential indicators.

Responsibilities of Corporate Directors and Directors

- 3.46 To be responsible for keeping strict supervision of the expenditure of their respective service areas and for drawing the attention of the Corporate Director, Resources and the Cabinet and the Council to any contemplated expenditure not provided for in the estimates or which, if incurred, would exceed the amount allocated for the purpose in the estimates or not be in line with the Budget or the Policy Framework.

- 3.48 To ensure that budgetary provision is identified for all expenditure incurred.

 - change existing policies, initiate new policies or cease existing policies; or

- 3.51 To ensure compliance with procedures regarding budgets and virement.

CAPITAL BUDGETING AND MONITORING

Why is this important?

- 3.52 Capital expenditure (including use of capital grants and PFI/PPP projects) involves acquiring or enhancing fixed assets with a long term value to the Council, such as land, buildings, infrastructure and major items of plant, equipment or vehicles. Capital assets shape the way services are delivered in the long term and create financial commitments for the future in the form of financing costs and revenue running costs.
- 3.53 The financing capacity of the Council is restricted by the affordability, prudence and sustainability of the Capital Programme. This means that capital expenditure should form part of an investment strategy and should be carefully prioritised in order to maximise the benefit of scarce resources.

Key Controls

- 3.54 The key controls for capital programmes are:

- specific approval by the full Council for the programme of capital expenditure;
- a scheme and estimate, including project plan, options, progress targets and associated revenue expenditure (both one-off and on-going) is prepared for each capital project, for appraising by the Corporate Director, Resources;
- proposals for improvements and alterations to buildings must be approved by the appropriate Director in accordance with the Asset Management Plan;
- schedules for individual projects within the overall budget approved by the Council must be approved by the appropriate Director;
- accountability for each proposal is accepted by a named project manager; and
- progress and expenditure should be monitored and compared to the approved budget.

Responsibilities of the Corporate Director, Resources

- 3.58 To establish procedures for the monitoring of prudential indicators.
- 3.59 To prepare a report on the Capital Programme on the service area proposals, taking into account the Prudential Code of Borrowing, Policy Framework, commitments, resource constraints and Capital Receipts. This report shall compare the estimates with the finance available and propose the level of annual expenditure of each service area. The report will identify those schemes where expenditure may only be incurred after further work has been undertaken.
- 3.60 To furnish all Corporate Directors and Directors with periodic statements of expenditure and progress on individual schemes. It shall be the responsibility of the Corporate Director, Resources in consultation with each Corporate Director and Chief Officer to submit reports, as determined by the Corporate Director, Resources, to the Cabinet and the Council, monitoring expenditure and comparing with approved programme. The inclusion of items in the approved capital programme shall constitute authority to incur such expenditure save to the extent of which the Council shall have placed a reservation on any such items. Expenditure on any such reserved items may be incurred only when and to the extent that such reservations have been removed.

Responsibilities of Directors

- 3.61 To comply with guidance concerning capital projects and controls issued by the Corporate Director, Resources.
- 3.62 To carry out an option appraisal before bidding / incurring capital expenditure to determine alternative methods of need.
- 3.63 To consider the revenue implications of capital projects over the whole life of projects and notify the Corporate Director, Resources when planning to undertake such schemes which do commit the authority to additional Revenue expenditure.
- 3.64 To submit a prioritised list of bids as part of the Medium Term capital budgeting process representing the schemes required to deliver Service and Corporate strategy.
- 3.65 To ensure that approvals for all capital expenditure proposals are obtained from the Corporate Director, Resources prior to a scheme's commencement.

- 3.67 To ensure that adequate records are maintained for all capital contracts and the preparation of grant claims.
- 3.68 To ensure compliance with the Council's scheme of virement.
- 3.69 To report to the Corporate Director, Resources (where variations are made to approved contracts in excess of the initial contract amount) the reasons for any additional costs, an analysis of options considered to reduce cost to budget and the funding options considered to meet any budget shortfall, together with an indication of how any additional costs will be paid for. This should be done at the point of approving any variation.
- 3.70 To ensure that variations are agreed in accordance with the Council's Contract Standing Orders & Procurement Rules, including seeking financial advice for any decision reports. The Corporate Director, Resources should be made aware as soon as it become apparent that the total cost of a scheme, including variations, will or is likely to exceed £50,000 above the capital budget available.
- 3.71 To ensure that credit arrangements, such as leasing agreements, are not entered into without the prior approval of the Corporate Director, Resources and, if applicable, approval of the scheme through the capital programme.
- 3.72 To consult with the Corporate Director, Resources where the Director proposes to bid for Capital Funding to be issued by Government departments or others to support expenditure that has not been included in the current year's capital programme.

- 3.73 To ensure all expenditure charged against capital budgets meets the definition of capital expenditure in accordance with the Local Government Act 2003 and recommended accounting practice.

MAINTENANCE OF RESERVES

Why is this important?

- 3.74 Reserves can be provided as a working balance, a contingency for unexpected events or emergencies or to meet known or predicted liabilities.

Key Controls

- 3.75 To maintain reserves in accordance with the relevant codes of practice on local authority accounting in the United Kingdom and agreed accounting policies.
- 3.76 For each reserve established, the purpose, usage and basis of transactions should be clearly identified.

- 3.79 To ensure that resources are used only for the purposes for which they were intended.

4 RISK MANAGEMENT AND CONTROL OF RESOURCES

RISK MANAGEMENT

Why is this important?

- 4.1 All organisations, whether private or public sector, face risks to people, property and continued operations. Risk is the chance or possibility of loss, damage, injury or failure to achieve objectives caused by an unwanted or uncertain action or event. Risk management is the process followed to control the level of risk in business and service activities which could impact on the achievement of our objectives and the delivery of our key priorities and opportunities.

Key Controls

4.2 The key controls for risk management are:

- procedures are in place to identify, assess, prevent or contain material known risks throughout the Council
- each Directorate maintains registers of the key risks that they need to monitor and manage in order to effectively deliver their functions and discharge their responsibilities;
- a monitoring process reviews the effectiveness of risk reduction strategies and the operation of these controls;
- risk owners are held responsible for managing relevant risks;
- provision is made for losses that might result from the risks that remain;
- procedures are in place to investigate claims within required timescales;
- acceptable levels of risk are determined and insured against where appropriate;
- the Council has business continuity plans for implementation in the event of an incident / disaster; and
- the Corporate Risk Register of the main risks to the delivery of corporate objectives and priorities is reviewed on a quarterly basis.

Responsibilities of the Corporate Director, Resources

4.3 To raise the profile of Risk Management and promote the accountability and responsibility of all Members and Officers within the Council.

Responsibilities of Directors

4.4 The key responsibilities of each Director are to:

- Work with their risk champion(s) and management team each quarter to identify risks relevant to their functions and areas of responsibility
- Promptly escalate risks to the Senior Management Team in accordance with the risk escalation requirements.

4.5 To take responsibility for risk management, having regard to advice from the Corporate Director, Resources, and other specialist officers (e.g. risk management champions, crime prevention, fire prevention, health and safety).

- 4.6 To ensure that there are reviews of risk within their service areas on a quarterly basis through the production and reviewing of risk registers.
- 4.7 To ensure that risk management is brought to the attention of relevant staff in their service areas.

INTERNAL CONTROLS

Why is this important?

- 4.8 The Council is a large, complex organisation that requires internal controls to manage and monitor progress towards strategic objectives. The Council also needs to consider the impact of regional working and sharing services in order to satisfy itself that a system of internal control exists in order to provide measurable achievement.
- 4.9 The Council has statutory obligations and, therefore, requires internal controls to identify, meet and monitor compliance with these obligations.
- 4.10 The Council faces a wide range of financial, administrative, commercial and service delivery risks, both from internal and external factors, which threaten the achievement of its objectives. Internal controls are necessary to manage these risks.
- 4.11 The system of internal controls is established in order to provide measurable achievement of:
- efficient and effective operations;
 - reliable financial information and reporting;
 - regional working and shared services;
 - compliance with laws and regulations;
 - risk management.

Key Controls

- 4.12 The key controls are:
- key controls should be reviewed on a regular basis (via the Senior Management Assurance Statement) and the Council should make a formal statement annually to the effect that it is satisfied that the systems of internal control are operating effectively;
 - managerial control systems, including defining policies, setting objectives and plans, monitoring financial and other performance and taking appropriate anticipatory and remedial action. The key objective of these systems is to promote ownership of the control environment by defining roles and responsibilities;

- financial and operational control systems and procedures, which include physical safeguards for assets, segregation of duties, authorisation and approval procedures and information systems;
- an effective internal audit function that has an appropriate scope of audit coverage. It should operate in accordance with the principles contained in the Public Sector Internal Audit Standards (PSIAS) and with any other statutory obligations and regulations;
- an effective Audit Committee which meets on a regular basis to consider internal control and auditing matters.

Responsibilities of the Corporate Director, Resources

- 4.13 To assist the Council to put in place an appropriate control environment and effective internal controls which provide reasonable assurance of effective and efficient operations, financial stewardship, probity and compliance with laws and regulations.

- efficiency;
- effectiveness;
- the proper use of resources;
- the achievement of objectives;
- the management of risks.

- 4.15 To review existing controls in the light of changes affecting the Council and to establish and implement new ones in line with guidance from the Audit Manager. Directors should also be responsible for removing controls that are unnecessary or not cost or risk effective, for example, because of duplication.

- 4.16 To ensure staff have a clear understanding of the consequences of lack of control.

INTERNAL AND EXTERNAL AUDIT

Internal Audit

Why is this important?

- 4.17 The requirement for an internal audit function for local authorities is implied by Section 151 of the Local Government Act 1972, which requires that authorities 'make arrangements for the proper administration of their financial affairs'. The

Accounts and Audit Regulations (Wales) 2014 require relevant bodies to ensure that there is a sound system of internal control which facilitates the effective exercise of that body's functions and which includes arrangements for the management of risk and adequate and effective financial management. The body must conduct a review at least once a year of the effectiveness of the system of internal control.

- 4.18 Internal audit is an independent and objective appraisal function established by the Council for reviewing the system of internal control. It examines, evaluates and reports on the adequacy of internal control as a contribution to the proper, economic, efficient and effective use of resources.

Key Controls

- 4.19 The key controls for internal audit are that:

- it is independent in its planning and operation;
- the Audit Manager has direct access to the Chief Executive, all levels of management and directly to elected members;
- internal auditors comply with the Public Sector Internal Audit Standards; and
- it reports to an Audit Committee.

Responsibilities of the Corporate Director, Resources

- 4.20 To maintain a continuous and independent internal audit of the Council's accounting, financial and other operations of the Council.

- 4.26 To ensure that the Audit Manager provides an annual opinion on the Council's internal control environment as part of his annual report.

- 4.31 To ensure that new systems for maintaining financial records, or records of assets, or changes to such systems, are discussed with and agreed by the Audit Manager prior to implementation.

External Audit

Why is this important?

- 4.32 Under the Public Audit (Wales) Act 2004 (and subsequent legislation), the Auditor General for Wales is responsible for appointing external auditors to each local authority in Wales. The external auditor has rights of access to all documents and information which in his/her opinion are necessary to carry out his/her statutory functions.
- 4.33 The basic duties of the external auditor are defined in the Public Audit (Wales) Act 2004 and the Local Government Act 1999. In particular, section 16 of the 2004 Act requires the Auditor General for Wales to prepare a code of audit practice, which external auditors follow when carrying out their duties. The code of audit practice sets out the auditor's objectives to review and report upon the audited body's:
 - arrangements to secure economy efficiency and effectiveness in its use of resources;

- financial statements; and
- compliance with statutory requirements in respect of the preparation and publication of its Improvement Plan.

4.34 The Council's accounts are scrutinised by the external auditors, who must be satisfied that the statement of accounts 'presents fairly' the financial position of the Council and its income and expenditure for the year in question and complies with the legal requirements.

Key Controls

4.35 External auditors are appointed by the Auditor General for Wales, normally for a minimum period of five years. The Auditor General for Wales has prepared a code of audit and inspection practice, which external auditors follow when carrying out their audits.

4.42 To ensure that all employees have proper regard to the guidance issued by the Corporate Director, Resources in connection with any external audits, and any reports of the external auditor.

PREVENTING FRAUD AND CORRUPTION

Why is it this important?

4.43 The Council will not tolerate fraud and corruption in the administration of its responsibilities, whether from inside or outside the Council. The Council will

commit to, and promote, a counter fraud and bribery culture within the Council and zero tolerance against fraudulent activity.

- 4.44 The Council's expectation of propriety and accountability is that members and staff at all levels will lead by example in ensuring adherence to legal requirements, rules, procedures and practices.
- 4.45 The Council also expects that individuals and organisations (e.g. suppliers, contractors, service providers) with whom it comes into contact will act towards the Council with integrity and without thought or actions involving fraud and corruption.

Key Controls

- 4.46 The key controls regarding the prevention of financial irregularities are that:
- the Council has an effective anti-fraud and anti-corruption strategy and maintains a culture that will not tolerate fraud or corruption;

It is important that assets are safeguarded and used efficiently in service delivery, and that there are arrangements for the security of both assets and information required for service operations. An up to date asset register is a prerequisite for proper fixed asset accounting and sound asset management.
- 4.58 Obsolete, non-repairable or unnecessary assets should be disposed of in accordance with the regulations of the Council.
- 4.59 Misuse of computer resources can seriously affect the business interests of the Council.
- 4.60 Intellectual property is a generic term that includes inventions and writing. If these are created by an employee or consultant during the course of employment, then, as a general rule, they belong to the employer. Various acts of Parliament cover different types of intellectual property. Certain activities

undertaken within the Council may give rise to items that may be patentable, for example, software development.

Key Controls

- 4.61 The key controls for the security of resources such as land, buildings, vehicles, plant, machinery, furniture equipment, software and information are:
- resources are used only for the purposes of the Council and are properly accounted for;
 - resources are available for use when required;
 - resources no longer required are disposed of in accordance with the law and the regulations of the Council so as to maximise benefits;

INTERNAL CHARGES

Why is this important?

- 5.200 Directorates often undertake work for other service areas. The charge for such work is recovered either by way of a journal, or via the Internal Trading Solution (internal purchase orders).
- 5.201 It is important that the basis of charge is agreed between the client and provider, and the financial transaction is accurately recorded in the Council's accounts.
- 5.202 The use of journals will cover Service Level Agreements, reallocation of costs and charges that are considered appropriate for the Internal Trading Solution. The Internal Trading Solution will be used for those services where it is considered to be cost effective. The Internal Trading Solution can only be considered where it is practical to raise a purchase order.

Responsibilities of Directors

- 5.207 To comply with guidelines and procedures issued by the Corporate Director, Resources on the administration of the internal charging systems.

TAXATION

Why is this important?

- 5.208 Like all organisations, the Council is responsible for ensuring its tax affairs are in order. Tax issues are often very complex and the penalties for incorrectly accounting for tax can be severe. It is, therefore, very important for all officers to be aware of their role.

Key Controls

- 5.209 The key controls for taxation are:
- budget managers are provided with relevant information and kept up to date on tax issues;
 - budget managers are instructed on required record keeping;

 - unless otherwise authorised, a VAT invoice (or receipt) is held in respect of the payment;
 - where a payment is made to a contractor in the construction industry on the authority of an architect's certificate, an authenticated receipt is obtained as soon as possible;

 - that VAT invoices are processed expeditiously and are not unduly delayed.
- 5.215 To ensure that VAT is accounted for, in the correct tax period, on all supplies of goods and services made by the Council that are subject to VAT.
- 5.216 To ensure that a VAT invoice (or receipt) is issued upon request by any person to whom taxable supplies of goods or services have been made by the Council, showing the VAT charged.

6 EXTERNAL ARRANGEMENTS

PARTNERSHIPS

Why is this important?

- 6.1 Partnerships are likely to play a key role in delivering community strategies and in helping to promote and improve the well-being of the area. Local authorities are working in partnership with others – public agencies, private companies, community groups and voluntary organisations. Local authorities still deliver some services, but their distinctive leadership role is to bring together the contributions of the various stakeholders. They therefore need to deliver a shared vision of services based on user wishes.
- 6.2 Local authorities will mobilise investment, bid for funds, champion the needs of their areas and harness the energies of local people and community organisations. Local authorities will be measured by what they achieve in partnership with others.

General

- 6.3 The main reasons for entering into a partnership are to share risk, to access new resources, to provide new and better ways of delivering services and to forge new relationships.
- 6.4 A partner is defined as either:
- an organisation (private or public) undertaking, part funding or participating as a beneficiary in a project, or

- a body whose nature or status give it a right or obligation to support the project.

6.5 Partners have common responsibilities:

- to be willing to take on a role in the broader programme appropriate to the skills and resources of the partner organisation;
- to acknowledge that the best interest of the partnership is more important than the best interest of each participating group;
- to acknowledge that the partnerships require a level of flexibility which may require non-compliance with the Council's Financial Procedure Rules and Contract Standing Orders and Procurement Rules. Where this arises, it should be formally approved by the Audit Manager;
- to act in good faith at all times and in the best interests of the partnership's aims and objectives;
- to be open about any conflict of interests that might arise;
- to encourage joint working and promote the sharing of information, resources and skills between public, private and community sectors;
- to hold confidentially any information received as a result of partnership activities or duties that is of a confidential or commercially sensitive nature;
- to act wherever possible as ambassadors for the project.

Key Controls

6.6 The key controls for the Council's partners are:

- to be aware of their responsibilities under the Council's Financial Procedure Rules and Contract Standing Orders and Procurement Rules and to consider the appropriateness of each control to the partnership and any external funding guidance received;
- to ensure that processes are put in place which ensure that the partnership is effective in carrying out its duties in the required timely manner.
- to ensure that risk management processes are in place to identify and assess and mitigate all known risks without affecting the ability of the partnership to effectively function;
- to ensure that project appraisal processes and business cases (strategic / outline / final) are in place to assess the viability of the project in terms of resources, staffing and expertise;
- to ensure that there is a sound legal vehicle in place prior to any project commencing;
- to ensure that there are robust arrangements for decision making and that budgets agreed by partners are lawful;
- to ensure clear accountability where the partnership uses grant income as a source of funding;
- to agree and accept formally the roles and responsibilities of each of the partners involved in the project before the project commences;
- to communicate regularly with other partners throughout the project so that problems can be identified and shared to achieve their successful resolution.

Responsibilities of the Corporate Director, Resources

- 6.7 To advise on the use of effective and waiving of ineffective controls within the partnership in order to ensure that resources are not wasted.
- 6.8 To advise, as appropriate, on the key elements of funding a project, including:
- a scheme appraisal for financial viability in both the current and future years;
 - risk appraisal and management;
 - resourcing, including taxation issues;
 - audit, security and control requirements;
 - carry-forward arrangements.
- 6.9 To ensure that the accounting arrangements are satisfactory.

Responsibilities of Directors

- 6.10 To consult with the Corporate Director, Resources, as necessary, on a scheme's appraisal for financial viability in both the current and future years.
- 6.11 To ensure that risk management processes are in place to identify, assess and management processes are in place to identify, assess and mitigate all known risks without affecting the ability of the partnership to effectively function.
- 6.12 To ensure that such agreements and arrangements do not impact adversely upon the services provided either by the Council or the partnership.
- 6.13 To ensure that all agreements and arrangements are properly documented.
- 6.14 To provide appropriate information to the Corporate Director, Resources to enable a note to be entered into the Council's statement of accounts concerning material items.

EXTERNAL FUNDING

Why is this important?

- 6.15 External funding is potentially a very important source of income, but funding conditions need to be carefully considered to ensure that they are compatible with the aims and objectives of authorities. Local authorities are increasingly encouraged to provide seamless service delivery through working closely with other agencies and private service providers. Funds from external agencies provide additional resources to enable the Council to deliver services to the local community. However, in some instances, although the scope for external funding has increased, such funding is linked to tight specifications and may not be flexible enough to link to the Council's overall plan.

Key Controls

6.16 The key controls for external funding are:

- to ensure that key conditions of funding and any statutory requirements are complied with and that the responsibilities of the accountable body are clearly understood;
- to ensure that funds are acquired only to meet the priorities approved in the policy framework by the full Council;
- to ensure that any match-funding requirements are given due consideration prior to entering into long-term agreements and that future capital and revenue budgets reflect these requirements.

PART 4 – RULES OF PROCEDURE

CONTRACT STANDING ORDERS AND PROCEDURE RULES ('CPR')

1. Introduction

- 1.1 These Contract Standing Orders and Procurement Rules (CPR) provide a corporate framework for the procurement of all Goods, Services and Works for the Council, including concession contracts.
- 1.2 Procurement is *“the process whereby organisations meet their needs for goods, services, works and utilities in a way that achieves value for money on a whole life basis in terms of generating benefits not only to the organisation, but also to society and the economy, whilst minimising damage to the environment”*¹.
- 1.3 Procurement includes the identification of need, consideration of options, the actual procurement process and the subsequent management and review of the contracts.
- 1.4 The Council spends in the region of £390 million per annum on the external procurement of Goods, Services and Works. It is therefore important that the Council strategically manages this spend to ensure that it:
 - (i) obtains value for money and the required level of quality and performance in all contracts let;
 - (ii) conducts its procurement activity openly, transparently and, where practicable, based on standard approaches and use of common systems that appropriately minimise complexity, cost, timescales and requirements for suppliers;
 - (iii) complies with all European, UK and Welsh law that governs and/or relates to the procurement of goods, services and works and the letting of concession contracts;
 - (iv) meets the principles of the Welsh Government’s Wales Procurement Policy Statement (WPPS);
 - (v) considers all relevant guidance issued by Welsh Government including Procurement Advice Notes and the Code of Practice on Ethical Employment in Supply Chains;
 - (vi) supports the achievement of the seven well-being goals for Wales as set out in the Well-being of Future Generations (Wales) Act (2015);
 - (vii) has procurement procedures which, when followed, should protect members and officers of the Council from any allegation of acting unfairly or unlawfully in connection with any procurement by the Council;

¹ [Wales Procurement Policy Statement 2015](#)

- (viii) subject to compliance with (iii), has considered, assessed and where practicable mitigated any risks associated with a particular procurement processes and subsequently entering into contracts; and
- (ix) achieves the organisational outcomes of the [Council's Procurement Strategy \(2017-20\)](#):

- 1.5 Contracts, which involve the receipt of income by the Council or the disposal of an asset or an undertaking by the Council, may often require competitive tender. The reason for this, for instance, is because they amount to a “concession”, or confer a competitive advantage on the contractor as against its competitors, or the Council needs to be able to demonstrate that it has received an appropriate market value. Therefore, all references to competitive tenders and quotations within these CPRs shall apply (with such changes as are appropriate) equally to circumstances where the contract involves the receipt of income by the Council or the disposal of any asset or undertaking by the Council, as they do to purchases to be made by the Council, unless specifically stated otherwise.
- 1.6 These rules are not intended as detailed guidance for implementation. Any procurement guidance issued by the Council's Procurement Manager must be taken into account.
- 1.7 These CPRs govern organisational behaviour in the conduct of procurement. It is a given that such behaviour is undertaken in support and delivery of the wider policies and objectives of the council and in respect of officers, this includes the Employees' Code of Conduct.
- 1.8 In conducting any procurement, utmost probity must be demonstrated at all times.

6. Procurement Planning

6.1 Before commencing any procurement, the Senior Officer responsible for the proposed procurement, must undertake (or ensure that it is undertaken) the appropriate level of preparation and planning, proportionate to the proposed value and nature of the project. Depending upon the value and nature of the procurement proposed this should include; consideration of those matters referred to in clause 6.2 and the timely taking of finance, legal and procurement advice as appropriate.

6.2 The preparation and planning stage of the process is critical. It will influence all future activity on the contract. If this part of the process is done correctly then the rest should flow without difficulty, but the reverse is also true. It is common to underestimate the planning stage or not carry it out at all. The key tasks at the planning stage include:

- engagement with key stakeholders in order to identify and assess needs – what is being procured and why? What is the key driver for the procurement? What are the critical success factors? What outcomes are being sought?
- checking that no existing in-house provision exists for the Goods, Services or Works required (see rule 9)
- carrying out of options appraisal to look at different ways of meeting, the identified needs (e.g. buy, lease or rent?)
- determining budget and funding, to define a realistic budget for the contract to achieve the desired results and then securing the funds to finance and manage the contract
- selection of the appropriate Procurement Procedure (see Appendix 1)
- preparing the specification (setting out the requirements)
- where a tender is to be awarded on both price and quality, determining the criteria and evaluation methodology.

6.3 The results of this planning stage must be properly documented by the Senior Officer responsible for the proposed procurement (or his nominated deputy) and, if used recorded in the Council's electronic procurement system. A Procurement Plan is encouraged for all values of procurement.

7. Advice and Risk Assessment

- 7.1 At the outset of a procurement process, the Senior Officer (or his nominated officer) must refer to the Procurement Manager all proposed procurements with an estimated value in excess of £25,000 for goods and services and £75,000 for works. In addition to these Rules, the Senior Officer must follow all guidance issued by the Procurement Manager in respect of the procurement.
- 7.2 The advice of the Director of Governance and Legal Services must be sought on all procurements with an estimated value in excess of £100,000 and for lower value requirements where the complexity of the procurement requires, for example the inclusion of bespoke clauses. If there is any doubt, legal advice should be sought.
- 7.3 For Procurements with an estimated value in excess of £25,000 for goods and services and £75,000 for works, the Senior Officers shall carry out a risk assessment (proportionate to the nature and value of the proposed contract). The risk assessment shall be prepared at the outset and thereafter maintained and updated throughout the Procurement Process. The decision maker must be informed of any risks identified and of the contingency measures in place.
- 7.4 When carrying out any risk assessment in respect of a proposed procurement, regard must be had to the requirements to comply with the whole of these Rules.

7.5 Personal Data

In carrying out any Procurement, the Senior Officer responsible for the procurement must take all reasonable steps, including incorporation of appropriate provision into tender documentation and Contracts, to ensure that the personal data of individuals is protected in accordance with all legal requirements (including the General Data Protection Regulation) and Codes of Practice from the Information Commissioner's Office (ICO) and as set out in the Council's Information Governance Policies. The Senior Officer must ensure the Councils' obligations and risks, in respect of personal data, are considered and indemnities are sought where appropriate. More information and guidance can be obtained from the Operational Manager Governance and Risk and Director of Governance and Legal Services (or their nominated officers).

8. Community Benefits

- 8.1 Community benefits clauses within contracts are used to build a range of economic, social or environmental conditions into the delivery of a contract.
- 8.2 All contracts exceeding £1,000,000 in value must include a contractual obligation on the successful bidder to deliver community benefits.

Examples of community benefits that can be included in contractual clauses include:

- Targeted Recruitment and Training Initiatives
- Supply Chain Initiatives
- Community Initiatives
- Educational Initiatives
- Environmental Initiatives
- Equality and Diversity Initiatives

8.3 For all contracts below £1,000,000 in value, the inclusion of community benefits as a contractual obligation is optional but shall be considered.

8.4 In all cases where community benefits are being delivered, there must be a contractual requirement for the successful contractor to provide monitoring information on the community benefits as determined by the Procurement Manager. More generally, the named contract manager as part of the normal contract management process should monitor the delivery of community benefits.

8.5 Regard must be had to the Welsh Government guidance on Community Benefits and such other guidance as the Procurement Manager may issue from time to time on the approaches to delivering community benefits through Council contracts.

9 . Use of In-house service

9.1 Before any external procurement is considered, it is important to check that no existing in-house provision exists for the Goods, Services or Works required.

9.2. In-house services must be used unless the Senior Officers of the procuring service area and the in-house service provider agree otherwise, evidenced in writing.

10. Framework Arrangements

10.1 The Council has entered into a number of contracts or framework agreements types of goods, services and works.

10.2 Commissioning and Procurement Services maintain a register of such contracts and framework agreements in the Cardiff Council Supply Directory and can provide advice on their use and any exceptions granted.

10.3 It is the responsibility of the service area requiring the procurement to ascertain whether there is a framework or other corporate purchasing agreement in place by checking the Council Supply Directory. If such a framework or corporate purchasing arrangement exists then Service

areas must use the same or otherwise obtain the prior agreement of the Procurement Manager or his/her nominated deputy.

- 10.4 The use of frameworks not listed in the Council Supply Directory is only permissible once the Procurement Team has approved its use (including checking that the framework agreement concerned may be relied upon by the Council).
- 10.5 When using framework agreements, all guidance issued in relation to the use of the Framework concerned must be considered by the service area and followed. The award criteria, weightings and the terms and conditions of contract specified in the framework agreement must be used. It is the responsibility of the service area requiring the procurement to ensure that all supporting documentation necessary is assembled and completed, before placing reliance on a framework agreement. Whilst Procurement and Legal Services can provide advice and support, it will be expected that this provision will be complied with by the service area before seeking such advice.
- 10.6 Where Goods, Services or Works are regularly required, and arrangements described in Rule 10 are not available, consideration must be given to awarding a framework arrangement and the advice of the Procurement Manager must be obtained.
- 10.7 **Collaborative and Joint working arrangements**
 - (i) Any consortia procurement arrangements must be approved for use by the Procurement Manager before reliance is placed on the same.
 - (ii) Before proceeding with any proposed joint working arrangements, legal advice should be sought from the Director Governance and Legal Services.

11. Estimating the Contract Value

- 11.1 The estimated value of a Contract/procurement exercise shall be the value of the total consideration, net of value added tax, which the Council expects to be payable under the Contract over its full duration (not the annual value).
- 11.2 Where the duration of a contract is indeterminate, the value should be taken to be the estimated value of the contract over a period of four years (the value of the monthly consideration multiplied by 48).
- 11.3 In determining the value of the total consideration, which the Council expects to pay, the Senior Officer shall take account, where relevant, of;
 - (i) the term/period of the proposed Contract
 - (ii) any rights to renew the Contract/extend the Contract period

- (iii) any prize, payment, premium, fees, commission, interest or other form of remuneration payable under the proposed Contract or in respect of the proposed procurement
- 11.4 If there is uncertainty over calculating the estimated value of the proposed Contract then the advice of Legal and Procurement Services should be sought.
- 11.5 No Works or requirements for Goods or Services may be artificially split to avoid consulting with the Procurement Manager or avoid compliance with EU procurement law or these Rules.
- 11.6 Where the Council has requirements over a period of time for Goods and Services where the contracts have similar characteristics and the Goods and Services are of the same type, and enters into a series of contracts or a contract which is renewable, then the estimated value shall be calculated by the total spend on such matters over the last 12 months or projected estimated spend for next 12 months, whichever is the greater. In estimating this value the advice of the Procurement Manager must be sought.
- 11.7 In considering if the Public Contracts Regulations 2015 apply, the Council must have regard to the 'methods for calculating the estimated value of a procurement' set out in the Public Contracts Regulations 2015 and advice of the Procurement Manager sought.

12. Goods (supplies) and Services

- (i) the advice of the Procurement Manager and the Director of Governance and Legal Services must be sought at the outset to determine the Procurement Procedure to be followed and at all subsequent stages of the procurement process;

- (ii) the procurement process will be in accordance with the advice received and where applicable will in any event be in accordance with the requirements of the said Directives and Regulations for the time being in force; and
- (iii) the requirements of such Directives and Regulations will take precedence over any requirements set out in these Rules.

13. Works

13.1 Where possible, works must be obtained via existing approved arrangements including:

- (i) Firstly, in-house services provision (see Rule 9) and
- (ii) Secondly, Framework Agreements and consortia arrangements approved for use by the Council's Procurement Manager (See Rule 10).

13.2 Works Value up to £10,000

- (i) For procurements with an estimated value of up to £10,000 (ten thousand pounds) the minimum requirement is the one written quote is obtained, although where practical competition is encouraged. It is, however, necessary for the service area to be satisfied and able to demonstrate that it has obtained value for money.
- (ii) The service area must keep an appropriate file record (Quotation Record Form) evidencing matters, including that relevant competency and capability assessments have been undertaken.
- (iii) This rule 13.2 is subject to the requirements set out in the previous sections of the CPR, including Rule 10 (use of frameworks), Rule 11.5 (artificially dividing procurements) and Rule 11.6 (repeat requirements).

13.3 Works Value £10,000 to £75,000

- (i) For procurements with a value of £10,000 up to £75,000 then:
 - (a) where practicable the requirement should be openly advertised on the Council's e-procurement system or on the national procurement website,
- (ii) if it is not practicable to comply with Rule 13.3 then:
 - (a) a minimum of 3 written quotes must be requested from suitable providers; or
 - (b) the prior consent of the Procurement Manager must be obtained to the use of an alternative Procurement Procedure or reliance being placed on Rule 14 ('Exceptions').
- (iii) The Council's Quotation Record Form must be used to record the procurement actions taken and recorded on the Council's electronic procurement system.

13.4 Works Value £75,000 to EU Threshold for Works contracts (£4,551,413)

For procurements with a value of £75,000 up to EU Threshold for Works contracts, then:

- (i) all requirements must be openly advertised on the Council's e-procurement system or on the national procurement website and tenders invited using either the open or restricted procedure, unless the Procurement Manager otherwise directs.
- (ii) if the restricted procedure is used, the minimum number of tenderers to be invited to tender, subject to meeting the selection criteria, shall be 4 tenderers.
- (iii) the Council's Pre Tender Report Form and Contract Award Report Form must be used to record the procurement actions taken on all works procurements above £75,000 and recorded on the Council's electronic procurement system.

13.5 Works covered by the Public Contracts Regulations 2015

In the case of procurements that fall to be dealt with under the European Union procurement directives and the Public Contracts Regulations 2015 ('The Regulations') that implement them in the UK:

- (i) the advice of the Procurement Manager and the Director of Governance and Legal Services must be sought at the outset to determine the Procurement Procedure to be followed and at all subsequent stages of the procurement process;
- (ii) the procurement process will be conducted in accordance with the advice received and where applicable will in any event be in accordance with the requirements of the said Directives and Regulations for the time being in force; and
- (iii) the requirements of such Directives and Regulations will take precedence over any requirements set out in these Rules.

14. Exceptions - Single or reduced number of tenders

14.1 In exceptional circumstances and subject to the following requirements the rules set out in sections 12.3 to 12.5 and 13.3 to 13.5 shall not apply and reduced number of tenders or a single tender may be invited.

- (i) This provision (Exceptions) does not apply to procurements above the EU Thresholds, in which case compliance with the provisions of the Regulations is mandatory.
- (ii) Before proceeding to let any contract the service area must in the Pre Tender Report and Contract Award Report set out the reasons why a single or reduced number of tenders is proposed, why the proposed way forward (reduced number of tenders or single tender) represents value for money and is in the Council's best interest. The Procurement Manager will issue guidance on

potential scenarios where a reduced number of tenders or a single tender may be permissible ('exceptions').

- (iii) Before proceeding with a reduced number of tenders or a single tender, the consent of the Procurement Manager must be obtained. The Procurement Manager reserves the right not to sign and approve any request for a single or reduced number of tenderers, which in his reasonable opinion do not warrant approval, in which case the proposed procurement should not proceed. It must be appreciated that the Procurement Manager cannot authorise any exceptions, (and Council Service Areas should not proceed with any proposed procurement) that would be in breach of the requirements of the Regulations or any other Legal Requirement. The Procurement Manager will set out his justification for not approving requests in the Non-Signature Justification section on the Pre Tender Report and Contract Award Form, in which case the procurement will not have approval to proceed.

14.2 The Procurement Manager will maintain a register listing all decisions made pursuant to rule 14.1 (referred to as the 'Exceptions Register').

14.3 The following situation should not arise and provision is inserted purely for completeness. If the Procurement Manager is presented with any Pre Tender Report or Contract Award Report, which contains proposals that are in breach of the Regulations or any Legal Requirements and following advice the relevant service area does not withdraw the proposal, then the matter shall be reported by the Procurement Manager to the Director with responsibility for the Service area concerned, the Council's Chief Financial Officer (S151 officer) and Monitoring Officer for consideration and determination as to the way forward (including the presentations of any reports required to Cabinet and or Council). It must be appreciated that Statutory Officers cannot be expected to authorise any proposed procurements which would be in breach of the requirements of the Regulations or any other legal requirements.

15. Electronic Tendering

15.1 From October 1st 2018 (or such latter date as the Procurement Manager may direct), all procurement with a value of £10,000 or above (including requests for quotations) must be conducted using the Council's approved electronic system. It is the responsibility of the Senior Officer of each service to ensure that their staff comply with this rule.

15.2 Any officer required to use the Council's electronic procurement must notify the [Council's Sourcing Team](#) so that they can be registered on the system. Similarly, it is the responsibility of the relevant Senior Officer to notify the Sourcing Team of changes to any officer's eligibility to use the system (e.g. staff leaving or disciplinary measures) at the earliest opportunity so that the user access can be deactivated.

- 15.3 Where rule 15.1 applies, all requests for quotations and invitations to tender, along with all associated procurement documentation, must be issued via the Council's approved electronic procurement system.
- 15.4 Where rule 15.1 applies, all quotes and tender submissions from bidding organisations, including all supporting documentation, must be received via the Council's approved electronic procurement system.
- 15.5 In exceptional circumstances, and only with the prior agreement of the Senior Officer of the service area requiring the procurement and the Procurement Manager, hard copy quotations or tenders may be accepted. In this event the procedures detailed in Rule (19.2) must be followed.

16. Pre-Qualification (Applies to all)

- 16.1 The Council shall only enter into a Contract with a Contractor if it is satisfied as to the Contractor's competencies. The criteria for selecting Tenderers may include, but need not be limited to:
- (a) Technical or professional competence and experience including qualifications;
 - (b) Health and Safety;
 - (c) Quality including certification by official quality control institutes or agencies of recognised competence and or attesting conformity to quality assurance standards and or measures;
 - (d) Financial and economic standing including appropriate insurance provisions;
 - (e) Sustainability, including environmental management measures;
 - (f) Evidence as to whether they are unsuitable on grounds, e.g. of bankruptcy, criminal conviction or failure to pay taxes; and
 - (g) Data Protection and Cloud Impact Assessment implications.

17 The Quotation Process

17.1 Quotes (below £10,000) – Low value procurements, where use of the Council's e-procurement system is not mandatory

17.1.1 Where these Rules allow for use of Quotes and the estimated value of the procurement is below £10,000 then officers in the Council Service Areas undertaking the procurement concerned must comply with the following requirements:

- (i) Wherever practicable the Council's Electronic Procurement system must be used and all quotes submitted by electronic arrangements via the Council's electronic procurement system. If this is not practicable then the following arrangements shall apply.

- (ii) When Quotes are sought these should be requested in writing (including email).
- (iii) Where only one quote is requested, the relevant Senior Officer still has the responsibility to ensure (and be able to demonstrate) that value for money has been obtained.
- (iv) There is no prescribed timescale but a reasonable timescale should be given for parties to submit quotes.
- (v) Quotes should only be accepted, in writing (including email) or via the Council's approved electronic procurement system. If accepted in writing the acceptance should make clear that the [Council's standard terms and conditions](#) referred to in the Council's purchase order apply. On acceptance of the quotation (written or electronic), a purchase order must be sent via the Purchase-to-Pay (P2P) system, which contains reference to the Council's standard terms and conditions.

17.2 Quotes for goods and services with value between £10,000 and £25,000 and works with value between £10,000 and £75,000.

Where these Rules allow for use of Quotes and the estimated value of the procurement is for Goods and/or Services between £10,000 and £25,000 and for Works between £10,000 and £75,000, then officers in the Council Service Area undertaking the procurement concerned must comply with the following:

- 17.2.1 At least three quotations must be requested using the Council's electronic procurement system.
- 17.2.2 In the circumstance where not all suppliers respond to the request for quotation with a submission, it is acceptable to evaluate and award the contract based on whatever submissions have been made, even where there is only one submission, provided Value For Money is achieved.
- 17.2.3 Where there are less than three suppliers (but more than one) of the requested goods, services or works on the Council's electronic procurement system, it is acceptable to request quotations from the number (less than three) of the suppliers registered.
- 17.2.4 Where there is only one supplier of the requested goods, services or works on the Council's electronic procurement system, it is a requirement to follow the exception authorisation procedures set out in CPR 14.

- 17.2.5 Any request for quotation (RFQ) shall include as a minimum a technical specification, pricing schedule and terms and conditions.
- 17.2.6 These CPR do not set out minimum timescales that bidders should be given for submitting a response to a request for quotation. Consideration should be given to the complexity of the quote being requested and sufficient time allowed for tenderers to provide suitable quotes.
- 17.2.7 The quotation must be received electronically using the Council's approved system, and will automatically be endorsed with the time and date of receipt and "locked" by the system until the closing time and date prescribed in the request for quotation has elapsed.
- 17.2.8 All quotations received will be automatically "unlocked" and available for evaluation in the electronic system after the closing time and date prescribed in the request for quotation. The officer in the Service Area running the quotation will open quotations; the electronic procurement system will automatically record all quotation prices. There is no requirement for legal services officers to be present
- 17.2.9 Following evaluation of the submissions and acceptance of the quotation on the electronic system, a purchase order must be sent via the Purchase-to-Pay (P2P) system or the provision of CPR 24 complied with.

18. The Tender Process

- 18.1 The invitation to tender must include details of the Council's requirements for the particular contract including:
- (i) a specification of the Services, Goods or Works being procured and instructions on whether any variants are permissible;
 - (ii) the procurement timetable including the tender return date and time, which shall allow a reasonable period for the applicants to prepare their tenders;
 - (iii) the Council's terms and conditions of contract;
 - (iv) the evaluation criteria including attached weightings;
 - (v) the Form of Tender;
 - (vi) pricing mechanism and instructions for completion;
 - (vii) whether the Council is of the view that TUPE will apply;
 - (viii) form and content of method statements to be provided;
 - (ix) rules for submitting of tenders;
 - (x) any further information, which will inform or assist Tenderer(s) in preparing tenders.

- 18.2 Every Tenderer submitting a tender will be required to sign a declaration to the effect that:
- (i) they have not and will not inform any other person of the amount of their tender;
 - (ii) they have not fixed the amount of any tender in accordance with a price fixing arrangement;
 - (iii) they accept that the Council is entitled to cancel the contract and to recover from them the amount of any loss resulting from such cancellation if it is discovered that there has been any corrupt or fraudulent act or omission by them which in any way induced the Council to enter into the contract;
 - (iv) acknowledging that the Council is not bound to accept the lowest or any tender submitted, that the tender exercise may be aborted at any stage during the tender process and that they tender at their own cost and expense.
- 18.3 In respect of proposed procurements with an estimated value in excess £25,000 for Goods and Services and over £75,000 for Works, the Service Areas must obtain the prior approval of the Procurement Manager to the invitation to tender documentation, including specification, evaluation criteria and weightings.
- 18.4 Prior disclosure to Tenderers of the award criteria and weightings is a fundamental requirement that must be complied with for all the Council's procurements. In respect of all quotes/tenders, where the main quote/tender criterion is the most economically advantageous tender, the Senior Officer must ensure that evaluation criteria or sub-criteria is listed in the Request for Quote or Invitation to Tender documentation, in order of importance. Any particular scoring or weighting attributable to any criteria or sub criteria must be clearly stated.

19. Receipt, Custody and Opening of electronic and Hard Copy Tenders

- 19.1 Where these rules require and even when the rules do not require but it is practicable the Council's electronic procurement system must be used and all tenders submitted by electronic arrangements via the Council's electronic procurement system. After the tender submission deadline has passed tenders submitted electronically must be opened in accordance with guidance issued by the Procurement Manager, and the electronic record kept shall, as a minimum meet the requirements set out in the guidance document issued by the Procurement Manager on the opening and recording of electronic tender submissions.
- 19.2. In exceptional circumstances where the Council's e-procurement system is not being used (with the prior agreement of the Procurement Manager) then the following procedure must be adhered to for the submission of hard copy tenders.
- (i) The ITT should provide that Tenders with an estimated value below £100,000 should be submitted by post (or hand delivered)

in the official envelope or using the official tender return label provided and should be addressed to a senior officer (who is not the Senior Officer responsible for the procurement of the relevant service). After the tender submission deadline has passed Tenders will be opened consecutively at the same session in the presence of two employees one designated by the Procurement Manager and one by the Senior Officer of the relevant service area. Both employees must be independent to the letting of the Contract. When opened, all tenders will be recorded in a tender register and the tenders and register will be initialled and dated by designated officers present at the time. A copy of such record shall be sent to the Procurement Manager.

- (ii) The ITT should provide that Tenders with an estimated value above £100,000 should be submitted by post, addressed to the Director Governance and Legal Services, enclosed in the official envelope or using the official tender return label provided by the Council. The Director Governance and Legal Services will be responsible for the receipt, custody and opening of such tenders. After the tender submission deadline has passed Tenders for the same procurement will be opened consecutively at the same session in the presence of two employees designated for the purpose. The Director Governance and Legal Services will nominate one employee and the Procurement Manager will nominate the other employee. Both employees must be independent to the letting of the Contract. When opened, all tenders will be recorded in a tender register and the tenders and register will be initialled and dated by designated employees present at the time. The opened tenders will then be sent to the evaluation team.

20. Late Tenders

Tenders received after the date and time for receipt of tenders may only be opened and considered with the agreement of Procurement Manager and Director of Governance and Legal Services (or their nominated officer, who should be at Operational Manager level or above). Any such decisions must demonstrate good reason why it is considered appropriate to accept the late tender and the decision recorded by the Procurement Manager.

21. Tender Evaluation

21.1 Evaluation Team - For each Contract with an estimated value above £25,000 in respect of Goods and or Services and £75,000 in respect of Works, the Senior Officer of the Service Area requiring the procurement shall form an evaluation team ('Evaluation Team') with responsibility for evaluating tenders. Written records of the membership of the evaluation team and evaluation undertaken must be kept.

21.2 Where the Contract estimated value exceeds £100,000, the Director of Governance and Legal Services and the Corporate Director, Resources

shall be consulted and, where they consider it appropriate, representatives of those officers shall be included on the Evaluation Team. Consideration should also be given to including service users on the Evaluation Team.

- 21.3 The Evaluation Team shall examine tenders in accordance with the predetermined evaluation criteria for the quotes/tenders and identify quotes/tenders that best meet the criteria. The evaluation criteria shall be strictly observed (and remain unchanged) at all times throughout the contract award procedure.
- 21.4 As a general rule, no adjustment or qualification to any quote or tender(s) submitted is permitted. Errors found during the examination of quotes or tenders shall be dealt with in one of the following ways:
- (i) If the error is not arithmetical the tenderer shall be given details of the error(s) and shall be given the opportunity of confirming without amendment or withdrawing the quote or tender; or
 - (ii) If an arithmetical error is found, the responsible officer shall correct the error(s) provided that, apart from these genuine arithmetic error(s), no other adjustment revision or qualification is permitted. An appropriate record shall be kept.

22. Post Tender clarification

- 22.1 Where the Procurement is conducted pursuant to the EU Procurement Directives and UK Regulations that implement them, there are restrictions on the use of post tender clarification and legal advice must be sought before determining whether any clarification would be appropriate.
- 22.2 The Senior Officer, following consultation with the Procurement Manager and in accordance with any requirements set by the Procurement Manager (regarding records to be kept) may seek clarification from Tenderers in respect of their tenders provided this does not involve discrimination. A record of all clarifications needs to be maintained on the Council's electronic procurement system including minutes of any clarification interviews.
- 22.3 At all times during any such negotiation or clarification process the Council shall consider and comply with the EU Treaty based principles of non-discrimination, equal treatment, transparency, mutual recognition and proportionality, principles that shall apply to all the Council's Procurements.

23. Awarding Contracts and Letters of Intent

- 23.1 A decision to award a Contract may only be made by (i) an officer with the requisite delegated authority to award contracts in accordance with

the Council's Scheme of Delegations or (ii) otherwise pursuant to a decision of the Council, one of its Committees or Cabinet.

23.2 For all Procurements valued at above £25,000 per annum, the decision to award a Contract shall be made using the Council's pro forma Contract Award report unless the decision is to be made by a Corporate Director or the Cabinet, in which case the Council's standard reporting forms for such decisions shall be used. The Senior Officer must ensure, prior to seeking such a decision, that sufficient funds are in place to meet all contract payments and if any funding is being obtained from third parties that any conditions attaching to such funding have been complied with.

23.3 A Contract shall only be awarded using the pre-determined tender evaluation criteria and weightings.

When a decision is subject to the Council's 'Call in Procedure' (See the Council's Scrutiny Procedure Rules) the decision must not be acted upon until the call in period has expired and provide always the decision has not been called in.

23.4 A letter of intent is not an appropriate substitute for a formal contract but in exceptional circumstances can be issued as an interim measure until a formal contract has been signed. Letters of intent shall only be used with the prior agreement of, and in a form approved by, the Director Governance and Legal Services.

23.5 Save for exceptional circumstances, no Contractor should be asked to provide any Services, supply any Goods or carry out any Works (including preliminary Works) until the Contract is concluded or the Services, Goods or Works concerned are covered by a letter of intent. Should the Senior Officer for the service area concerned make any decision to the contrary, such decision shall contain a full risk assessment as to the possible implications to the Council of the Contractor being allowed to start before the contract terms and conditions have been finalised or a letter of intent issued.

24. Placing of Orders/Completion of Contracts and retention of contract documentation

24.1 Frameworks

Orders placed under Framework Agreements must be placed using the order form prescribed in the Framework Agreement and on the terms and conditions set out in the Framework Agreement. (See Rule10.5)

24.2 For all other contracts with a value of up to £25,000, orders should be placed using the Council's electronic Purchase to Pay system (P2P) unless the Procurement Manager otherwise agrees. The P2P system, generates purchase orders outputs in either electronic or paper form, which incorporate by reference the Council's standard terms and conditions of contract.

- 24.3 For Contracts with a value above £25,000 but below £100,000 Service Areas must use the appropriate standard form of contract issued or approved for use by the Director Governance and Legal Services.
- 24.4 For Contracts with a value in excess of £100,000 Service Areas must take the advice of the Director Governance and Legal Services on the form of contract to be used, though wherever appropriate industry standard forms will be used.
- 24.5 It is essential that the Goods, Services or Works are procured on the Council's standard terms and conditions and not those submitted by the Contractor.
- 24.6 Contract documents, along with all associated related documents, must be retained for a minimum of six years from the contract end date and, if the contract is concluded under seal, for a period of twelve years from the contract end date. Where the contract was funded, or partly funded, through some form of external grant then further grant specific conditions, as regard to retention of documents may apply and must be adhered to.
- 24.7 As minimum contracts must set out;
- (i) the work, materials, services or supplies to be carried out or provided and standards required;
 - (ii) the price to be paid (or, as appropriate, the sums to be received) with a statement of discounts, or other deductions, and where not known, the basis upon which the final contract sum is to be calculated;
 - (iii) the time or times within which the contract is to be performed; and
 - (iv) the commencement and termination dates of the contract.

24.8 Execution (completion/signing/sealing) of contracts

- 24.8.1 Subject to Rule 24.8.1 Contracts with a value in excess of £25,000 may only be signed on behalf of the Council by the Director of Governance and Legal Services or his/her nominated officers.
- 24.8.2 Rule 24.8.1 does not apply to any contract formed by the placing of an order, following compliance with these Rules, using or under:
- (i) the Council's electronic Purchase to Pay system;
 - (ii) a Framework Agreement approved for use; or
 - (iii) a Dynamic Purchasing System put in place by the Council.

24.8.3 The Council's seal may only be affixed to a contract in the presence of the Director of Governance and Legal Services or his / her nominated officers.

25. Notification of Results, De-briefing and Standstill Period

- 25.1 Where the Regulations do not apply, the Senior Officer shall ensure that within 10 days of the date on which the Council receives a request from any supplier who was unsuccessful (at either the selection or tender stage) he/she informs that supplier of the reasons for being unsuccessful and, if the supplier was unsuccessful at the tender stage the responsible officer shall also inform it of the characteristics and relative advantages of the successful tender as well as the name of the bidder awarded the contract.
- 25.2 Where the Regulations apply, Service areas must comply with the requirements of the Regulations (including as to standstill, debrief, contract award notices), and the advice of Procurement and Legal Services must be obtained and followed.
- 25.3 If any additional information is to be disclosed to tenderers, this must be agreed in advance with the Procurement Manager, taking into account the requirements of any legislation relating to the disclosure of information.
- 25.4 If the award of a contract is subject to the Regulations, there must be a standstill period between communicating the award decision to all tenders and conclusion of the contract. This standstill period shall be 10 calendar days if sent electronically or 15 days for notices sent by other methods. Where the last day of the standstill period is not a working day, it shall be extended to midnight at the end of the next working day.

26 . Bonds, Securities, Liquidated and other damages

- 26.1 The Senior Officer (of the service area requiring the procurement) is responsible for ensuring that a risk assessment is undertaken, to determine if a performance bond or performance guarantee is required. If appropriate, the advice of the Council's Finance officers should be sought.
- 26.2 Consideration should also be given to the appropriateness of including in the contract a provision for liquidated damages to be paid by the contractor in case the terms of the contract are not duly performed.

27. Parent Company Guarantee

- 27.1 The Senior Officer (of the service area requiring the procurement) is responsible for seeking a Parent Company Guarantee where a contractor is a subsidiary of a parent company and;
- (i) the award is based on evaluation of the parent company;

- (ii) the financial status of the contractor (having regard, inter alia, to the proposed contract) warrants the same and or
- (iii) the S151 Officer recommends.

28. Records

28.1 To ensure appropriate records are maintained the Council's e procurement system must be used wherever practicable or specifically required by these Rules.

28.2 For all Procurements where the Council's electronic procurement system is not used, Service areas must keep appropriate records. As a minimum the records kept must detail:

- (i) which parties were selected to tender;
- (ii) to whom the Contract was awarded and the reasons for so doing (lowest price or offer which represents best value to the Council), so that best value and the integrity of the process can be demonstrated;
- (iii) the value of the contract;
- (iv) the start and expiry date of the contract; and
- (v) details of whether the contract is a one-off or expected to be renewed

28.3 Procurement Services shall maintain a Corporate Contract Register, which will record details of all contracts /contracts (above £25,000) awarded by the Council. Service areas must provide Procurement Services with all required information to facilitate this.

29. Contract Management

29.1 Once the Contract has been awarded, the Senior Officer (of the service area concerned) must identify and nominate an individual (referred to as the 'Contract Manager'), who will manage the day-to-day aspects of the Contract for its term (See rule 34 re Contract End).

29.2 The day-to-day management of the Contract shall be undertaken by the Contract Manager and shall include monitoring and reporting (including making use of the Council's reporting tools on the Council's electronic procurement system) in respect of:-

- (i) performance
- (ii) compliance with specification and contract terms
- (iii) cost
- (iv) any value for money/best value requirements
- (v) user satisfaction and
- (vi) risk management
- (vii) delivery of agreed Community Benefits

- 29.3 For all contracts, it is the responsibility of the Contract Manager to raise any incidents of poor performance immediately with the Contractor and seek rectification. In instances of particularly poor performance, or persistent poor performance, the Contract Manager should consider the appropriate course of action to take under the contract, taking advice as appropriate.
- 29.4 Where the total value of the Contract exceeds £100,000, the Contract Manager must make a written report to the Senior Officer evaluating the extent to which the Contract is meeting the objectives set. This should be done normally when the Contract is completed but for term contracts, such report should be prepared annually.

30. Contract Variation – basic principles

30.1 Contract Variations and Extensions

- 30.2 Depending upon the nature of the variation proposed, the terms of the contract concerned and scope of the original procurement exercise undertaken, contract variations have the potential to amount to a new contract, and thus can constitute a single tender award without advertisement.
- 30.3 In all cases of contract variation, careful consideration must be made of the impact of the increased value of the contract on the procurement threshold levels, particularly whether the increase in value will move a contract from below EU Threshold to above EU Threshold.
- 30.4 The advice of the Procurement Manager and Director of Governance and Legal Services should be obtained, if there is any uncertainty as to whether a variation is permissible.
- 30.5 Contract and framework agreements may be varied without a new procurement procedure where:
- (i) the variations have been provided for in the initial procurement documents in clear, precise and unequivocal terms (i.e. the contract conditions provide for; extension of the contract term, price variation, fluctuation clauses or options, additional works, good and services) and these do not alter the overall nature of the contract;
 - (ii) additional goods, services or works which were not included in the original quotation or tender have become necessary, where a change of contractor (a) cannot be made for economic or technical reasons and (b) where it would cause significant inconvenience or substantial duplication of costs, provided that any increase in the price does not exceed 50% of the value of the original contract (advice of the Procurement Manger must be sought before placing reliance on this rule);
 - (iii) the circumstances causing the need for variation were unforeseen, the variation does not alter the overall nature of the

contract and provided that any increase in the price does not exceed 50 % of the value of the original contract value (advice of the Procurement Manger must be sought before placing reliance on this rule);

- (iv) there is a change in contractor that was provided for in the quotation or tender, or as a result of a merger, acquisition, insolvency or similar of the original contractor, which contractor fulfils the original criteria for qualitative selection, provided this does not lead to other substantial variations or is aimed at circumventing the Regulations; or
- (v) subject to the above provisions, the variations are not substantial within the meaning of the Regulations (see rule 30.6 and Regulation 72 (8)).

30.6 A variation shall be deemed substantial if one or more of the following conditions is met:

- (i) the cost of the variation would exceed 10% of the original contract value for services and supply contracts and 15% of the initial contract value for works ;
- (ii) it makes the contract or framework materially different in character from the one originally let;
- (iii) the variation introduces new conditions which, had they been part of the initial procurement, may have allowed for; the admission of other candidates than those initially accepted; the acceptance of a tender other than that originally accepted; and/or attracted additional participants in the procurement procedure;
- (iv) it materially changes the economic balance in favour of the contractor, in a manner which was not provided for in the original contract;
- (v) It extends the scope of the contract or framework considerably;
- (vi) The revised total contract value requires a different level of authorisation, or different form of procurement than that used for the original contract award.

30.7 A decision to extend the contract period (term) may only be made before the original expiry date, where it is in accordance with the terms and conditions of the original Contract and contemplated by the original procurement exercise.

30.8 **Variations**

In the circumstances detailed in CPR30.5 above (permitted variations) the decision to authorise or not a proposed contract variation shall be made, as appropriate, by Cabinet or the officers listed below, provided that the variation cost can be met within budget and complies with all Legal Requirements. Decisions to authorise variations shall be recorded in writing and at Operational Manager level and above, and as appropriate, a Cabinet report or ODR must be prepared. All variations shall be entered on the Council's electronic procurement system and the

Contracts Register, and an amendment made to the original Purchase Order.

Contract Manager	Variation (or aggregate value of all variations made to the Contract) of up to £30,000 or 10% of the contract price (whichever is deemed lower)
Operational Manager	Variation (or aggregate value of all variations made to the Contract) up to £250,000
Head of Service/ Assistant Director	Variation (or aggregate value of all variations made to the Contract) up to £1,000,000
Director (in discussion with the Council's S151 Officer and liaison with Cabinet Member)	Variation (or aggregate value of all variations made to the Contract) up to £5 million
Cabinet decision	Variation (or aggregate value of all variations made to the Contract) Above £5m

30.9 For variations approved by a Contract Manager, the Senior Officer shall monitor at least monthly the overall level of variations approved to gain assurance that they are correct and appropriate.

30.10 As soon as it becomes known or apparent (whichever is the earlier) to the Contract Manager, that the total cost of a contract, including variations, will or is likely to exceed the contract sum by more than 5%, the Financial Services Group Accountant must be informed for financial monitoring purposes. The Financial Services Group Accountant may inform the Senior Officer and or Contract Manager of any further financial requirements to be complied with. Appendix 1: Procurement Routes & Procedures

Means the procurement procedure to be followed in the Procurement.

Where the Council carries out a procurement, which is fully regulated by the Public Contracts Regulations 2015 (SI 2015/102) (PCR 2015) then the Council must use one of the following procurement procedures:

- a. The open procedure.
- b. The restricted procedure.

The advice of the Director Governance and Legal Services and the Procurement Manger (or their nominated officers) must be sought prior to commencing the following procurement procedures

- c. The competitive dialogue procedure.
- d. The competitive procedure with negotiation.
- e. An innovation partnership.
- f. The negotiated procedure.

Key features

The open procedure.

Key features - a process where all providers interested in the contract and who have responded to an advertisement may submit tenders. All such tenders must be considered without any prior selection process. The selection and evaluation is carried out after the submission of the tenders.

The restricted procedure.

Key features - a two-stage process where only those providers who have been invited may submit tenders. The selection and shortlisting are usually carried out based on a Pre-Qualification Questionnaire (PQQ).

The advice of the Director Governance and Legal Services and the Procurement Manger (or their nominated officers) must be sought prior to commencing the following procurement procedures:

The competitive dialogue procedure

Key features - The procurement procedure whereby a contracting authority (The Council) enters into a dialogue with bidders about its requirements before inviting them to submit a *final tender*. It is used in complex projects where the Council cannot adequately specify its requirements. It is one of the procedures through which the Council may award a contract under the *Public Contracts Regulations 2015 (SI 2015/102)*

The competitive procedure with negotiation

This procedure has been described as a hybrid procedure because, as with the restricted procedure, it allows the contracting authority to award a contract on the basis of an initial tender. However, like the competitive dialogue procedure, it also enables the authority to negotiate with bidders who submitted an initial tender, and any subsequent tenders, until it decides to conclude those negotiations. There is no limit to the number of tender stages. Final tenders are submitted and evaluated and the contract is awarded. Unlike for the competitive dialogue procedure, the PCR 2015 does not provide for any clarification or negotiation of the final tenders or the winning tender

An innovation partnership

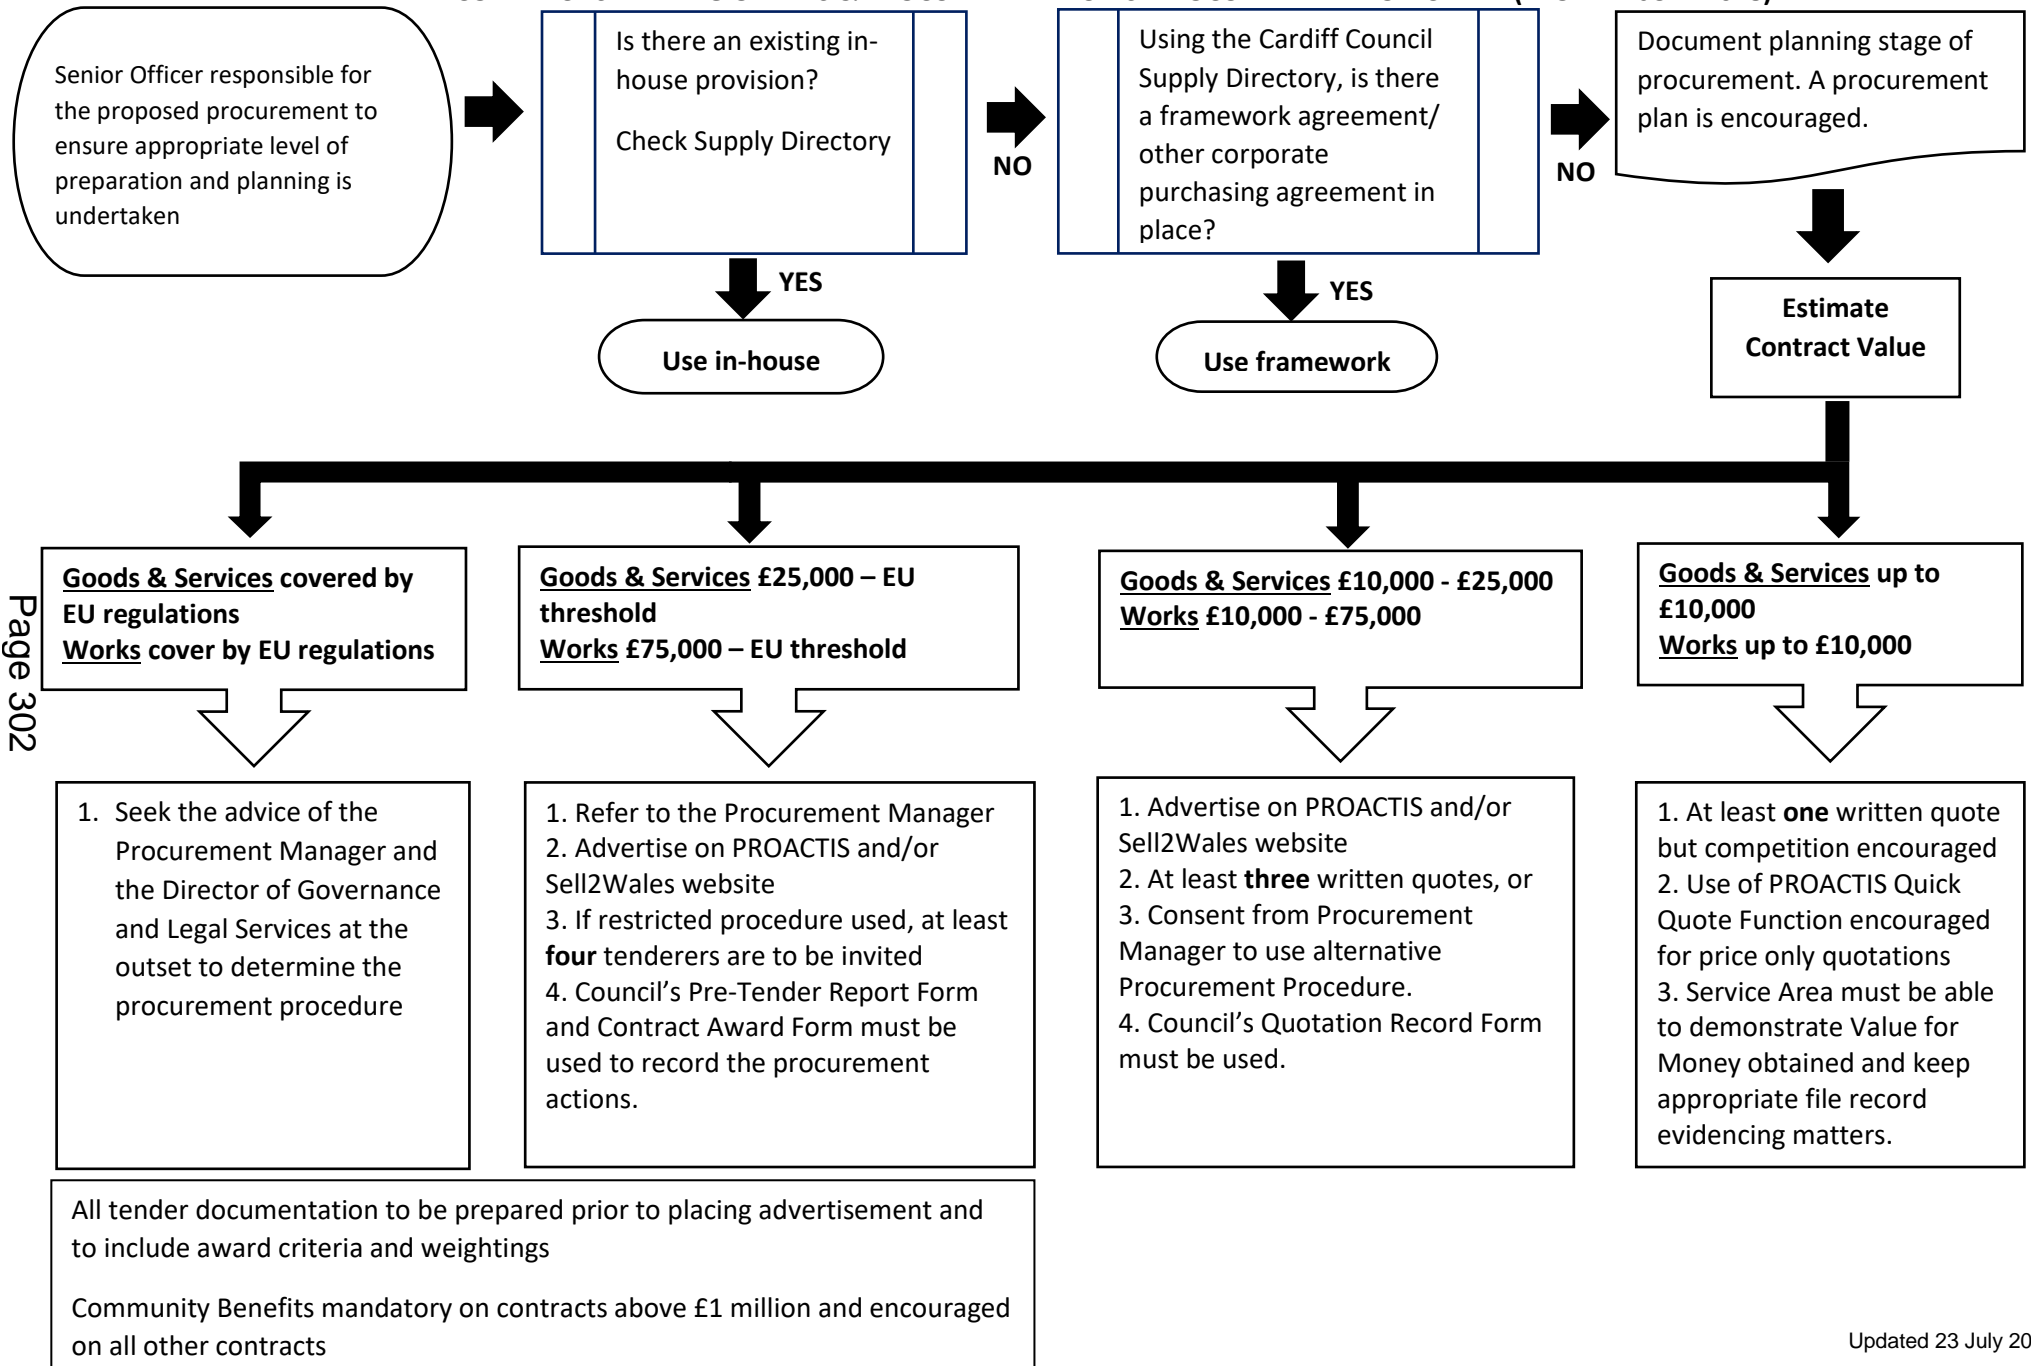

This procedure has been described as a hybrid procedure because, as with the restricted procedure, it allows the contracting authority to award a contract on the basis of an initial tender. However, like the competitive dialogue procedure, it also enables the authority to negotiate with bidders who submitted an initial tender, and any subsequent tenders, until it decides to conclude those negotiations. There is no limit to the number of tender stages.

Final tenders are submitted and evaluated and the contract is awarded. Unlike for the competitive dialogue procedure, the PCR 2015 does not provide for any clarification or negotiation of the final tenders or the winning tender

The negotiated procedure

Whereby the Council negotiates the terms of the Contract with one or more third parties selected by it

- The evaluation criteria shall remain unchanged and must be strictly observed by the Evaluation Team when examining the tenders.

- If a non-arithmetical error is found, the tenderer shall be given an opportunity to confirm without amended or withdraw

3.6 At the earliest possible opportunity the ward Members will be advised of the proposed disposal strategy in individual cases, including planning considerations, re-development and disposal timescales. In accordance with delegated power DE4, if no ward Member objection is received, the Director of Economic Development may declare the land or property as surplus to the Council's requirements; however where a ward Member objection is received the matter will be referred to the Cabinet for a decision.

3.7 Where any proposed declaration of a property as surplus (under delegation DE4) relates to a property providing direct services to the public then the decision shall be referred to the Cabinet for its approval under its reserved power 42.

3.8 The future of Non-Operational Land will be considered by the Asset Management Working Group (or other working group or officer with similar duties) and the relevant service area who may identify future operational use and, as per the procedure set out in paragraph 3.2, such use will be determined in a similar manner. The sale of Non-Operational Land may involve freehold reversions, ground leases as initiated by tenants, or sales as an investment subject to a sitting tenancy or to third party investors if it is determined that the Council no longer has a strategic need for the property for social, economic, employment or regeneration purposes.

- 4.3 There will be no disposal of Land by private treaty or where an offer has been received from only one person except where it is determined by a Designated Body, that there is only one party who could acquire the interest because, for example:-

 - (b) there is only one response following prolonged marketing of the land;
- 4.4 The Corporate Property & Estates Manager will advertise any proposed disposal by public notice in at least one local newspaper and, if appropriate, in specialist journals, setting out a description of the land, the terms and conditions upon which offers are to be submitted, where further particulars may be obtained and the last date and time when offers will be received. It need not be advertised when 2.2 above applies or if it can be demonstrated to the satisfaction of the Corporate Property & Estates Manager Corporate Services that the nature of the demised land is such that to do so would serve no useful purpose.

5 RECEIPT, CUSTODY AND OPENING OF OFFERS

- 5.1 It will be a condition of every invitation that each offer must be sent in the official envelope provided, which must be sealed.
- 5.2 All offers must be delivered to the address shown on the official envelope.

- 5.6 When opened, all offers will be recorded in a register and initialled and dated by the designated employees present at the time.
- 5.7 Any offer received after the time and date specified in the invitation will not be considered unless there are exceptional circumstances and it is agreed by the Director of Economic Development and the County Solicitor.

6 EXAMINATION OF OFFERS

- 6.1 If, after the offers have been opened and examined, an error in computation of an offer is detected the offeror will be given details of the error and the opportunity of confirming the total offer sum or withdrawing his/her offer.
- 6.2 An offer, which attempts to qualify certain aspects of the proposals, and which would require the Authority to acquiesce, other than as planning authority, will not be considered. An offeror who submits a qualified offer will be given the opportunity to withdraw the qualification without amendment to his/her offer and if he/she does so it will be considered but if he/she fails to do so it may be rejected.

- 6.3 An offer which is conditional solely upon the outcome of matters which would not require the Authority to acquiesce, other than as planning authority, will be considered.
- 6.4 No post-offer negotiations will take place with an offeror unless the scope and principles of the negotiations have been approved in writing by an employee of not less than Operational Manager level; and no fewer than two employees are present at all times during the negotiations.
- 6.5 A written record of all verbal communications with an offeror together with the time and date thereof will be made contemporaneously (or as near as possible) and signed by the relevant employee and an employee of not less than Operational Manager level.

7 EVALUATION AND ACCEPTANCE OF OFFERS

- 7.1 The offer that represents the best price reasonably obtainable by the Council will be accepted.
- 7.2 Offers may only be accepted by a Designated Body.
- 7.3 There will be no disposal at less than the best price reasonably obtainable without compliance with relevant statutory provisions, on the advice of the County Solicitor.

PART 5 CODES AND PROTOCOLS

CODE OF CORPORATE GOVERNANCE

Introduction

The Council has formalised a Code of Corporate Governance. This Governance Framework has adopted the seven good governance principles developed by the Chartered Institute for Public Finance and Accountancy (CIPFA) and the Society of Local Authority Chief Executives (SOLACE) 'Delivering Good Governance in Local Government Framework'.

The CIPFA / SOLACE framework principles of good governance form the basis of how we apply, assess and use our governance assessment for reporting and improvement purposes. The CIPFA / SOLACE framework utilises the International Framework definition of governance, as follows:

Governance comprises the arrangements put in place to ensure that the intended outcomes for stakeholders are defined and achieved.

Purpose

The Council is committed to effective governance as a means to delivering better stakeholder outcomes in an open approach which inspires confidence and trust. This Code of Corporate Governance sets out:

- How the governance framework in which the Council operates
- How the annual assessment of governance is made using this framework
- How annual governance assessments will be used for to deliver improvement

The annual assessment meets the requirements Accounts and Audit (Wales) Regulations.

Good governance Principles

The Framework comprises two core principles and five supporting principles. Principles A and B run through the implementation of principles C to G but good governance is dynamic, and the Council as a whole is committed to improving governance on a continuing basis through a process of evaluation and review.

Core Principles

- A. Behaving with integrity, demonstrating strong commitment to ethical values, and the rule of law.
- B. Ensuring openness and comprehensive stakeholder engagement.

Supporting Principles

- C. Defining outcomes in terms of sustainable economic, social and environmental benefits.
- D. Determining the interventions necessary to optimise the achievement of intended outcomes.
- E. Developing the entity's capacity, including the capability of its leadership and the individuals within it.
- F. Managing risks and performance through robust internal control and strong public financial management.
- G. Implementing good practices in transparency, reporting and audit to deliver effective accountability.

The Code of Corporate Governance for Cardiff Council is separated into three parts.

[How we apply the principles of good governance](#)

[How we assess governance in Cardiff Council](#)

[How we use our governance assessment](#)

Part 1

How we apply the principles of good governance

A: Behaving with integrity, demonstrating strong commitment to ethical values, and the rule of law.

The Council has a strong commitment to integrity, ethical values and the law, and the Council's Corporate Values, Constitution and supporting policies and procedures centre on achieving this core governance principle.

We apply this core principle through the following:

- We maintain Corporate Values to guide our workforce and to communicate expectations to our stakeholders on conduct and behaviour.
- Our Members and officers are required to comply fully with Codes of Conduct as set out in the Constitution.
- We hold formal rules of procedure covering Cabinet, Committee, and officer responsibilities as set out in the Constitution.
- Learning and development processes are in place for all officers and Members to ensure awareness and understanding on a range of policies, procedures and regulations.
- The Section 151 Officer has overall responsibility for the financial administration of the Council.
- The Monitoring Officer has overall responsibility for ensuring that the Council, its Officers, and its Elected Councillors, maintain the highest standards of conduct
- The Standards and Ethics Committee monitors and scrutinises the ethical standards of the Authority, its Members, employees and any associated providers of the Authority's services.
- The Council has a Whistleblowing Policy through which staff and contractors are encouraged to speak out on misconduct or illegal behaviour within the organisation, which affects the public or other people (making a disclosure in the public interest).
- We maintain a zero tolerance attitude to fraud, bribery and corruption requiring staff and members to act honestly and with integrity at all times, and to promptly report concerns

B: Ensuring openness and comprehensive stakeholder engagement

The Council recognises that there is a need for openness about our activities as well as having clear channels for communicating and engaging with all stakeholders. We hold many public meetings, which are increasingly available via webcast, and

opportunities are given to engage in the difficult choices being made by the Council, with increasing amounts of data published.

We apply this core principle through the following:

- We have open mechanisms for consultation, engagement and joint working with employees, citizens, communities and partners.
- We are open and honest about the difficult choices we face, and allow people to have their say on what's important to them and their communities.
- We publish increasing amounts of data, with a focus on making it more easily accessible and available to the public.
- Meetings of the Council, Cabinet and Committees are generally open to the public to attend except where confidential or exempt information is being discussed, as defined by the law.
- Full Council meetings include the opportunity for public questions, and the Council's Scrutiny Committees invite stakeholder contributions to their scrutiny programme.
- The public and other stakeholders are given the opportunity to tell the Council what they think about the services provided through the Council's Comments, Complaints and Compliments Policy.

C: Defining outcomes in terms of sustainable economic, social, and environmental benefits.

The Cabinet has published its vision, outcomes and priorities which underpin the corporate planning, performance management and risk management frameworks. There are formal and informal networks of officers, members, partners and stakeholders which contribute to delivering our outcomes.

We apply this principle through the following:

- We have a corporate planning process which focusses its approach on the delivery of Cabinet priorities and improvement objectives.
- Our performance and risk management frameworks focus on measuring, monitoring and reporting on the key measures of effective delivery of corporate outcomes and priorities.
- Our rolling three year Organisational Development Programme focusses on the delivery of strategic change and the re-shaping of services.
- We set a deliverable Budget Strategy for meeting the changes we must make to the shape of the organisation in order for it to remain operational and resilient.

- We are a partner in the Public Service Board, which aims to improve economic, social, environmental and cultural well-being through stronger partnership working.

D: Determining the interventions necessary to optimise the achievement of intended outcomes.

The Council takes action to identify the key risks to the delivery of our outcomes and to understand the areas where we need to develop and evolve. Our financial planning and monitoring arrangements are built on prudence and resilience, with strong performance and risk management arrangements supporting outcome delivery.

We apply this principle through the following:

- We systematically engage and consult with internal and external stakeholders on the services delivered and proposals for change.
- Our performance and risk management frameworks are aligned to the delivery of corporate priorities and outcomes.
- Our decision makers are well informed of the implications of proposals through business cases and reports.
- Financial planning arrangements use forecasting and risk assessments for prudent financial management and long term resilience.
- Business continuity and disaster recovery arrangements operate across Council services and functions.

E: Developing the capacity of the Council including the capability of its leadership and the individuals within it.

The Council takes action to develop and retain a management structure that provides leadership and enables staff to work effectively and efficiently in delivering Council objectives.

We apply this principle through the following:

- We have set out decision making responsibilities and authority in the Council's Constitution.

- As a member-led authority, there is a commitment and focus on delivering strong leadership.
- Our Chief Executive (Head of Paid Service) is the most senior member of staff and leads responsibility for overall management and for the Senior Management Team.
- Our Cabinet is the part of the Council which takes responsibility for major decisions, and comprises the Leader and up to nine other Councillors, approved by Council.
- We communicate our values, objectives, policies and procedures to new staff and existing staff and Members through induction and engagement programmes.
- We have strategies to meet the learning and development needs of staff and Members.
- We hold personal performance reviews to support individual learning and development needs, and to align performance measures to Council outcomes and priorities.

F: Managing risks and performance through robust internal control and strong public financial management.

The Council takes action to manage risks and performance in order to deliver efficient and effective services. We understand that strong risk management, internal control and financial management are essential for us to achieve our objectives and we have put appropriate arrangements in place.

We apply this principle through the following:

- We incorporate risk management into strategic decision making, as a key element of business planning, budget setting and programme and project management.
- We maintain risk and performance management frameworks which cover all key business activities and functions which are supported by lead officers and networks.
- We escalate and report risks to Members and senior managers on a quarterly basis through application of our risk management framework.
- We report to Members and senior managers on performance information, against performance indicators which are aligned to corporate plan priorities.
- Our Audit Committee provides assurance on our governance, risk management, and internal control arrangements through a wide ranging programme of work.

- Our Scrutiny Committees are designed to support the cabinet in providing accessible, efficient and effective services for citizens.
- We have a Fraud, Bribery and Corruption Policy and an independent investigation team to investigate concerns. Frauds are reported to the Section 151 Officer and the Audit Committee.
- We maintain arrangements to safeguard personal data with governance arrangements led by our Senior Information Risk Owner.

G: Implementing good practices in transparency, reporting and audit to deliver effective accountability.

The Council takes steps to carry out its activities in an open manner and to ensure that those making decisions and delivering services are answerable for them. We communicate our plans and enable stakeholders to respond to them.

We apply this principle through the following:

- We report to the public and other stakeholders in a fair, balanced and understandable way.
- We have adopted the Information Commissioner's model publication scheme, and make appropriate information routinely available.
- Our Directors have overall accountability for reviewing the effectiveness of their governance, risk management and internal control arrangements, and completing an assurance statement twice a year.
- Our Senior Management Team are accountable identifying, managing and reporting on the Council's significant governance issues.
- Our internal audit service provides independent assurance on the governance, risk management and control.
- We publish our corporate risk register and corporate performance information on a quarterly basis.

Part 2

How we assess governance in Cardiff Council

We assess governance against each of the core and supporting governance principles as outlined above on an annual basis. This formal annual review of our governance arrangements results in the production of an Annual Governance Statement which we include as part of our financial statements each year. A diagram of the key components of the Annual Governance Statement is included in [Figure 1](#)

The Annual Governance Statement comprises three elements:

1. **Assurance Statements** from Senior Management, the Internal Audit Manager and the Audit Committee;
2. **Significant Governance Issues** identified by Senior Management in their review;
3. **Supporting Information** and evidence mapped to the core and supporting good governance principles.

These three elements when taken together represent the assessment of governance, from the perspectives of the Senior Management Team (SMT) the Audit Manager (Chief Audit Executive) and the Audit Committee.

Assurance Statements

- A self-assessment exercise is undertaken by each director and their senior management teams through which governance maturity is measured against 9 assurance categories as included in [Figure 1](#) This results in a Senior Management Assurance Statement being completed by each Director for their areas of responsibility. The results of each assurance statement are reviewed collectively by the Senior Management Team, following engagement with review / assurance support teams where applicable. This results in an overall Corporate Senior Management Assurance Statement from the Senior Management Team, which is included in the Annual Governance Statement.
- The Internal Audit Manager and Audit Committee Assurance Statements are independent assessments of the internal control environment. The Audit Committee's assessment is informed through the delivery of its terms of reference, with the Audit Manager opinion based on application of the Public Sector Internal Audit Standards. Both assurance statements are included within the Annual Governance Statement.

Significant Governance Issues

- As part of the senior management self-assessment process, Directors are required to review any significant governance issues which have impacted upon the assurances they, or the Council can give overall.

- The Action Plan of Significant Governance Issues is an open disclosure from the Senior Management Team of the significant governance issues affecting the organisation as summary actions to take forward and address.
- This Action Plan is held and owned by the Senior Management Team, and is used to inform risk management, business planning and internal control arrangements.

Supporting Information

- The Annual Governance Statement includes supporting information which has been mapped to the governance framework principles within the AGS. This is based on officer engagement and a review of correspondence and minutes of the Council, Cabinet and Committees of the Council. It is through this review and the Senior Management Assurance Statements that the external audit and regulatory assurance is captured and documented within the Annual Governance Statement.

Part 3

How we use our governance assessment

We use our governance assessment to publish an annual governance statement in our Statement of Accounts each financial year.

In addition to this formal disclosure, we use the outputs of our governance assessment to inform and make improvements to our risk management, business planning and internal control arrangements. This process is summarised in a process diagram in [Figure 2](#)

Risk management

- The assurance statements and the action plan of significant governance issues are reviewed for risk management purposes.
- The assurance statements are reviewed by the risk management team whilst also being used to target improvements in directorates, where required.
- The significant governance issues are used to identify any new or emerging risks and to challenge understanding of existing risks and the sufficiency of current mitigating actions.

Business planning

- The assurance statements and the action plan of significant governance issues are considered in directorate and corporate reviews and as part of the business planning process.
- Business planning arrangements aim to ensure that recognised governance strengths are maintained and enhanced, and areas for improvement are targeted.

Internal control

- The assurance statements and the action plan of significant governance issues are reviewed within directorates themselves, with a view to enhancing internal controls where required.
- The Internal Audit function uses the assurance statements and the action plan to inform its risk-based audit plan, through gaining assurances where this is possible and reviewing identified governance issues and risks.

5. Qualifying employees of Cardiff Council should deal with the public, members and other employees sympathetically, efficiently, and without bias.

Equality

6. Qualifying employees of Cardiff Council must comply with policies relating to equality issues, as agreed by the authority, in addition to the requirements of the law.

¹ At the date of this Code, teachers are not statutorily bound by its provisions, but the Code may be applied through their contracts of employment.

Stewardship

7. Qualifying employees of Cardiff Council must ensure that they use public funds entrusted to them in a responsible and lawful manner, and must not utilise property, vehicles or other facilities of the authority for personal use unless authorised to do so.

Personal Interests

8. Whilst qualifying employees' private lives are their own concern, they must not allow their private interests to conflict with their public duty. They must not misuse their official position or information acquired in the course of their employment to further their private interests, or the interests of others. In particular, they must comply with:
 - (1) any rules of their relevant authority on the registration and declaration by employees of financial and non-financial interests,
 - (2) any rules of their relevant authority on the declaration by employees of hospitality or gifts offered to or received by them, from any person or organisation doing or seeking to do business, or otherwise benefiting or seeking to benefit from a relationship with the authority. Qualifying employees must not accept benefits from a third party unless authorised to do so by their relevant authority.

Whistleblowing

9. In the event that a qualifying employee becomes aware of activities which that employee believes to be illegal, improper, unethical or otherwise inconsistent with this Code, the employee should report the matter, acting in accordance with the employee's rights under the Public Interest Disclosure Act 1998, and with the relevant authority's whistleblowing policy, or any other procedure designed for this purpose.

Treatment of Information

10. Openness in the dissemination of information and decision making should be the norm in Cardiff Council. However, certain information may be confidential or exempt in accordance with the Access to Information Procedure Rules and therefore not appropriate for a wide audience. Where confidentiality is necessary to protect the privacy or other rights of individuals or bodies, information should not be released to anyone other than a Member, Cardiff Council employee or other person who is entitled to receive it, or needs to have access to it for the proper discharge of their functions. Nothing in this Code can be taken as overriding existing statutory or common law obligations to keep certain information confidential, or to disclose information in accordance with the Freedom of Information legislation. Where employees are uncertain about obligations to disclose or withhold information they must seek appropriate advice from Legal or Information Management officers.

Appointment of Staff

11. Qualifying employees of Cardiff Council involved in the recruitment and appointment of staff must ensure that appointments are made on the basis of merit. In order to avoid any possible accusation of bias, such employees must not be involved in any appointment, or any other decisions relating to discipline, promotion or pay and conditions for any other employee, or prospective employee, to whom they are related, or with whom they have a close personal relationship outside work.

Investigations by Monitoring Officers

12. Where a monitoring officer is undertaking an investigation in accordance with regulations made under section 73(1) of the Local Government Act 2000 a qualifying employee must comply with any requirement made by that monitoring officer in connection with such an investigation.

PART 5 – CODES AND PROTOCOLS

PROTOCOL ON MEMBER/OFFICER RELATIONS

Basic Principles

- 1 The basic principle of good Member/officer relations in local government is trust, mutual respect and a common understanding of respective roles. Councillors are elected to represent the whole community and officers are appointed by the Council to give creative, robust and impartial advice, which will assist Members in reaching the best decisions for that community.
- 2 The Council's Code of Conduct for Members says that they should "show respect and consideration for others" and "must not do anything which compromises, or which is likely to compromise, the impartiality of the Authority's employees".
- 3 The Code of Conduct for Local Government Employees says that "Mutual respect between qualifying employees and Members is essential to good local government, and working relationships should be kept on a professional basis. Qualifying employees of Cardiff Council should deal with the public, Members and other employees sympathetically, efficiently and without bias."

Councillors' Roles

- 4 All councillors have a responsibility to fulfil representational and constituency roles in respect of their electoral divisions. They also have responsibilities as members of the full Council to take some of the most important decisions the Council can make, including approval of the budget and policy framework. Many will be involved in taking other more detailed Council decisions, particularly within the planning and licensing areas, and others will have responsibility for maintaining an overview and scrutiny of Executive Decisions and the efficient performance of Council functions. A relatively small group of councillors will be members of the Cabinet, which will undertake most of the Council's functions.
- 5 All of these roles will relate in slightly different ways to the officers of the Council. These are set out in more detail below.

Officer Roles and Advice

- 6 Council officers are employees of the whole Council and have an obligation to give impartial advice and to carry out the Council's lawful decisions. They have operational responsibilities which are generally set out in the Council's scheme of delegations, or in their job descriptions. These will generally be of a managerial, technical or administrative nature, and are part of the normal day-to-day work of all Council employees.

- 7 The Member Code of Conduct describes how Members should act when taking decisions and in particular in relation to advice from officers:-
- "A member ... must reach decisions having regard to any relevant advice by the authority's officers..."
- 8 In advising, officers are free to give their professional advice wherever appropriate. Councillors may wish to test this advice by questioning and challenging something they do not agree with, but they should not, by their conduct or actions, make employees feel intimidated or threatened. They should ensure that any challenge of advice given is made to an employee of suitable seniority, generally the Chief Executive, Corporate Director or Chief Officer. Employees should remember that councillors are democratically elected to secure their objectives and fully entitled to question advice given, and to receive a full and complete explanation. Employees should always seek to meet the Council's objectives when advising, provided that this can be done legally and within financial resources.
- 9 If Members remain dissatisfied with the advice given, then they may refer the matter to the Leader, the appropriate Cabinet Member or the relevant Committee Chairperson. Where necessary and appropriate, either by agreement with the Chief Executive, relevant Corporate Director or Chief Officer, or following a decision of the Council, professional advice can be commissioned by relevant officers (in consultation with relevant Members) from a reputable and suitably qualified source outside the Council. Any subsequent report to the Council will contain the professional advice of the Chief Executive or officer named as author, but will also contain any external professional view, clearly identified as such.
- 10 This Council operates a system which requires advice on the legality and achievability (including financial matters) of the decision in advance of its consideration, and for that advice to be captured in reports to Members, Cabinet, Committees or the Council. Officers should be permitted to give their complete advice, including a description of any relevant options and advice as to legal and financial probity. When oral advice is given, it should be recorded in writing by the officer concerned.
- 11 The Council has three main statutory officers; the Head of Paid Service, the Monitoring Officer and the Section 151 Officer, who have duties to advise the Council as a corporate body or the Cabinet in relation to Executive Functions, and have a statutory right to advise as they believe appropriate within their statutory duties.

Correspondence with Councillors and others

- 12 The Council has a detailed Protocol setting out how officers should deal with correspondence from councillors and other elected representatives. The Protocol may change from time to time to adjust to differing circumstances, but councillors and officers should refer to it for guidance on this issue. Officers should always try to respond to Members within the Council's target

timescales for response, and if they cannot, should keep the Member informed as to progress. If correspondence is referred by an officer to a Member for response, the Member should also use best endeavours to reply within Council target response times.

Relationships between Officers and Members

- 13 As indicated above, although officers have a duty to serve the Council as a corporate body, their working relationships will be different with different groups of Members. The following paragraphs identify and give guidance on key issues in this area.
- 14 **All Councillors** – all councillors and employees will demonstrate mutual respect and will deal with each other sympathetically, efficiently and without bias. Officers are responsible for advising the whole Council but may occasionally be called upon by individual Members to advise or give information on particular issues that relate to the councillor's representational or constituency roles. This is entirely proper and within available resources, advice will be given. Officers should not advise councillors on their individual positions or to assist them in personal capacities, but only in relation to Council matters. The Monitoring Officer or his/her nominee may advise individual councillors on the Member Code of Conduct and their responsibilities in relation to declaration of interests.

Individual Members may request that advice given to them is treated in confidence. They should make this clear at the start of any discussion or correspondence with the officer concerned. The officer will then advise the Member as to whether the discussion or correspondence can be treated as confidential within the law and within Council procedures, so that both parties have a clear understanding of the position. Information which indicates that the Council may be in breach of a duty, involves the protection of vulnerable people or alleges misconduct, for example, may not be kept confidential, and may be reported to the proper person or authority.

- 15 **Chairpersons and Officers** – the chairperson of the Council and/or chairpersons of committees have particular roles in relation to the business of the Council or committees, and officers will support them in those roles. Generally, and subject to the Council's rules of procedure set out in Part 4, the Chairman/chairperson of any Council body will finalise relevant agendas and the officer with responsibility for issuing the agenda will comply with the Chairman/chairperson's wishes in this respect. However, in certain instances, statutory officers have a right to have items included on relevant agendas, and these and any instructions issued by statutory officers in this respect will be followed.
- 16 **Leader and Cabinet and Officers** – although employees serve the Council as a whole, senior employees will work closely with the Leader and Cabinet Members on policy matters. In particular, they may be asked to brief Members on Council powers, the implementation of policies and available options. This is entirely acceptable, whether done individually or collectively.

The Leader and Cabinet Members recognise that all officers are employees of the full Council and may not be asked by Members to advise in a certain way, or to carry out their duties in a way which does not accord with formal decisions or with the officer's own professional judgement. This is, of course, subject to the requirement that officers must carry out the lawful decisions of the Council and the Cabinet.

- 17 **Party Groups and Officers** – no officer may be compelled to attend a meeting of the Council's political groups and similarly may not insist on doing so. Officers will not attend party group meetings which include individuals other than Council Members or Council officers acting in that capacity. If an officer gives a briefing to any political group represented on the Council, he/she will offer a similar briefing to the other party groups.
- 18 **Co-opted Members and Officers** – the Council has several co-opted members who have a statutory right to vote on issues in certain circumstances. Officers will deal with co-opted members in the same way as they deal with all councillors and will be available to advise them as set out in paragraph 10 above, in respect of their particular statutory functions only.

Conduct and Effectiveness

- 19 If councillors have any concerns about the effectiveness or conduct of particular officers, they will take this up directly and confidentially with the appropriate Corporate Director with responsibility for the officer's service area, or the Chief Executive if there is no appropriate Corporate Director or the issue relates to a Corporate Director, or the Leader if the issue relates to the Chief Executive. The issue will then be handled in accordance with the Council's procedures and the Member and officer concerned will be advised of the outcome, unless there are legal reasons why they may not. Personal criticism (except in pursuance of a legal obligation) by Members of individual officers or identifiable groups of officers will not take place in public forums (including the media) as this could seriously affect the ability of the Council to effectively defend its position as an employer and may in some circumstances render it liable to payment of compensation.
- 20 Similarly, if any officer has concerns about the conduct of a particular Member, he/she will raise it in the first instance with his/her Chief Officer or Corporate Director so that attempts can be made to resolve the issue on an amicable basis. If this is not possible, or the alleged misconduct is of a serious nature, the matter will be reported to the Council's Monitoring Officer, who will then advise on whether it is appropriate for the issue to be referred to the Standards Commissioner for Wales under the Member Code of Conduct. No Council officer will publicly criticise any councillor (except in pursuance of a legal obligation) as this would be a departure from the proper statutory process and may prejudice that process.

Access to Information and Documents

- 21 The Council promotes openness and access to information by all its councillors. However, the law prevents the release of confidential or exempt information in certain circumstances, and both officers and members will abide by the Council's Access to Information Procedure Rules set out in Part 4 of this Constitution. Confidential information or exempt information provided to Councillors must be used properly, and only for the purposes for which it has been released.

PART 5 – CODES AND PROTOCOLS

PROTOCOL ON MEMBERS RIGHTS OF ACCESS TO INFORMATION AND DOCUMENTS

Introduction

- 1 Members may ask any Council Service to provide them with information, explanation and advice so that they can carry out their role as councillors. This can range from a request for general information about some aspect of a Service's activities to a request for specific information on behalf of a constituent.
- 2 In addition to general information, explanation and advice Members may also seek access to specific documentation held by the Council, its Officers or Cabinet and have a number of common law, statutory and constitutional rights for that purpose.
- 3 Any consideration of Member's rights of access to information and documents must take into account the general rights available to any person under the Freedom of Information Act 2000 and the Environmental Information Regulations 2004.

The Purpose of the Protocol

- 4 The purpose of the protocol in paragraph 10 is to help clarify for Members what they are entitled to see, and how to go about seeing it, and to give officers clear guidelines about the Members rights particularly in the light of the constitutional arrangements, and the role of scrutiny. Whilst not in any way seeking to limit Member's rights, it also seeks to avoid any unnecessary cost and use of Council resources in dealing with every request for information under the Freedom of Information Act.
- 5 The Council will continue to monitor arrangements to make sure that Members get to know information in a timely and appropriate manner.

The Legal Position – Statutory Powers

- 6 These are set out in the Appendix but briefly mean that:-
 - 6.1 Any Member can see documents which contain information relating to the public and private meetings of the Cabinet, meetings of the Council and its Committees, any decision to be taken by an individual member of the Cabinet and any key decision made by an Officer. This statutory right does not extend to certain categories of exempt and confidential information.
 - 6.2 All members of a Scrutiny Committee have a right to copies of documents which contain information relating to the public and private meetings of the Cabinet, any decision to be taken by an individual member of the Cabinet and

any key decision made by an Officer. However, they are only entitled to a copy of a document containing exempt and confidential information where the information is relevant to an action or decision which the member is reviewing or scrutinising or which is relevant to any review contained in a work programme of the Committee or Review Panel.

- 6.3 Members have rights in relation to the accounts of the Council under section 228 of the Local Government Act 1972
- 6.4 Members have the same rights to information as any member of the public under the Freedom of Information Act 2000 and the Environmental Information Regulations 2004 subject to the exemptions and exceptions in that legislation.

The Legal Position - The Common Law Position

- 7 At common law any Member has a prima facie right to inspect any Council documents if access to the documents is reasonably necessary to enable the Member properly to perform their duties as a member of the Council. This principle is commonly referred to as the "need to know" principle.
- 8 The exercise of this common law right depends upon the Member's ability to demonstrate a "need to know". In this respect, a Member does not have "a roving commission" to go and examine documents of the Council. Mere curiosity is not sufficient. The crucial question is whether there is a "need to know".

Data Protection

- 9 Data protection legislation restricts the processing of information relating to individuals. As a result, any such information cannot be shared without the agreement of that individual or unless one of the legal exemptions applies.

Protocol for Access to Documents

- 10 Against this background the Council has agreed the following protocol:-
 - 10.1 Where a Member has a clear right of access, as available to any member of the public, to the documents required under Rule 6, Rule 8 or Rule 9.2 of the Access to Information Procedure Rules the documents will be supplied.
 - 10.2 If the documents are not available under paragraph 10.1 the Member shall if appropriate request the material under Rule 18 of the Access to Information Procedure Rules. This rule gives a right to inspect documents relating to business transacted or to be transacted at a meeting of the Council or committee, and to inspect documents relating to business transacted at a decision making meeting of the Cabinet after that meeting.

- 10.3 If the documents are not available under paragraph 10.2 the Member shall if appropriate request the material under Rule 17 of the Access to Information Procedure Rules. This rule gives a member of a scrutiny committee a right to inspect documents relevant to the work of that committee.
- 10.4 If none of the foregoing routes are available a formal request should be made to a relevant Senior Officer and in this the Member should:-
- 10.4.1 identify what they wish to see;
 - 10.4.2 indicate whether they are asserting a 'need to know' (see paragraphs 7 and 8 above) and if so state the reason(s) that they need to see the material; and
 - 10.4.3 make it clear whether they have a personal interest in the matter (as defined in the Members' Code of Conduct) and if so what it is.
 - 10.4.4 If asserting a need to know, whether they wish the request to be formally considered under the Freedom of Information Act in the event that the 'need to know' is not accepted. Members are encouraged not to invoke Freedom of Information unnecessarily in circumstances where the material is unlikely to be suitable for general publication e.g. because of commercial confidentiality
- 10.5 The Officer is entitled to ask the member to make this request in writing if he or she is in any doubt about any of these matters, and may at any time seek further clarification.
- 10.6 The Officer receiving the request should make an initial assessment where appropriate as to whether the request should be considered initially under Freedom of Information or the 'need to know'. The Officer may consult the Monitoring Officer or Information Management Services for advice. The purpose of this stage is to ensure that:
- 10.6.1 Where it is likely that material can be made available under the 'need to know' basis restricted disclosure may be offered to the Member without incurring the cost of a full Freedom of Information assessment
 - 10.6.2 Where it is likely that the material would not be exempt under Freedom of Information full disclosure may be given without incurring the cost of deciding whether 'need to know' has been established
- 10.7 Where the 'need to know' is being considered an officer who is in any reasonable doubt regarding the release of the information will consult the Monitoring Officer for advice.
- 10.8 If, after receiving this advice, it is not considered appropriate to release the information either because:-
- 10.8.1 the member has not established a need to see it or

- 10.8.2 because the Officer has other concerns (for example the Councillor has personal interest in the matter, the information is commercially or otherwise sensitive, or the amount of work involved in identifying and producing the information is considered to be excessive) and the Member takes a different view, the matter will be referred to the Monitoring Officer, who may consult the relevant Group Leader before making a decision.
- 10.9 Any information provided under the 'need to know' must be only used in connection with the Members' duties as a Councillor, e.g. speaking at a relevant Committee or at full Council. Information not already in the public domain should not be divulged by the Member to third parties (including the press) unless and until it enters the public domain e.g. by discussion at a meeting where the public have not been excluded, nor should information be used improperly. Where information has been provided under 'need to know' subject to specific restrictions on its use, officers will use best endeavours to advise the Member if and when the need for those restrictions ceases.
- 10.10 If it is decided that a 'need to know' has not been established the Member will retain the right (notwithstanding paragraph 10.8 above) to invoke the Freedom of Information Act. The time for answering the request under the Act will start to run from the date of refusal under 'need to know' in cases where the Member has initially agreed not to invoke the Act.
- 10.11 Where Freedom of Information is being considered this will be done in accordance with the Council's normal Freedom of Information procedures since under Freedom of Information Members have no special status
- 10.12 If disclosure under Freedom of Information is refused the Member will retain the right to invoke the 'need to know'.
- 10.13 Finally, the effect of the Data Protection legislation is that information relating to an individual should not be provided unless either the individual has agreed to its release or one of the legal exemptions applies. As a result, any Member wishing to obtain access to personal information should first seek that person's consent. If that consent is not given, or there is a difficulty with requesting it, then legal advice should be sought.

Protocol for Access to Other Information

- 11 The protocol in the previous section relates to Members' legal rights of access to documents. Many Member enquiries may not require consideration of these rights at all or in part. The enquiry may be for general information, explanation and advice about Council activities. Members need to be aware when making such requests that the legal rights referred to above do not strictly apply to such requests. Nevertheless all parties accept that the effective and efficient governance of the Council requires that such enquiries require appropriate and timely response.

- 12 The mechanics of responding to requests from Members is dealt with in a separate correspondence protocol.
- 13 Subject to the following paragraph the appropriate officer will respond to such requests in a manner such that the Member has sufficient information to be able to take an informed view and so as to be able to carry out their duties as a Councillor. Technical or professional advice will be given on an impartial basis.
- 14 Responding to requests for information from Members will be subject to the following limitations:
 - 14.1 No information or advice will be given which contains information which would not have been disclosed as part of an existing record under the protocol in paragraph 10 above
 - 14.2 Where the amount of work, research or consultation required to provide an answer to a Member would be disproportionate having regard to the nature of the enquiry the appropriate officer may decline to give a full and complete response. In the event of any dispute as to the amount of work which may be reasonable the matter will be referred to the Monitoring Officer for a decision as to whether the work required is disproportionate.

PROTOCOL FOR WEBCASTING OF COUNCIL AND OTHER COMMITTEE MEETINGS

Introduction

The Council has agreed that certain Council and Committee meetings will be transmitted live on the Council's website (webcasting). The Council has fixed cameras located within the Council Chambers at City and County Hall and Committee Room 4 at County Hall for this purpose.

The main purpose of webcasting is to aid transparency, governance and accountability by giving members of the public, elected Members, officers and other interested parties the opportunity to view meetings without having to attend in person and for the Council to have an official audio and visual record of its decision-making process.

Webcasting does not replace the formal record of the meeting and the decisions taken, which are published on the Council website in the form of minutes and retained in hard copy in accordance with the Council's retention policy.

This protocol governs the conduct of Council and Committee meetings which are the subject of webcasting and aims to ensure that the Council is compliant with its obligations under the Data Protection Act 1998 and the Human Rights Act 1998.

Accordingly the following principles will apply to all meetings which are to be webcast by the Council:

Notification of Webcasting

Agenda Packs

Included with each Council and Committee agenda notification the following notice will be attached for meetings that are being webcast:

WEBCASTING

This meeting will be filmed for live and/or subsequent broadcast on the Council's website. The whole of the meeting will be filmed, except where there are confidential or exempt items, and the footage will be on the website for 6 months. A copy of it will also be retained in accordance with the Council's data retention policy.

[Members of the public may also film or record this meeting]

If you make a representation to the meeting you will be deemed to have consented to being filmed. By entering the body of the Chamber you are also

consenting to being filmed and to the possible use of those images and sound recordings for webcasting and/or training purposes. If you do not wish to have your image captured you should sit in the public gallery area.

If you have any queries regarding webcasting of meetings, please contact Committee Services on 02920 872020 or email [Democratic Services](#)

Public Speakers

In any correspondence notifying public speakers of the meeting date at which permission to speak has been granted, the following advice will be included if the particular meeting is to be webcast:

Please note that this meeting will be filmed for live and/or subsequent broadcast on the Council's website. If you do not wish your public question/statement and subsequent discussion to be filmed/recorded, please contact the Committee Services Team to discuss your concerns.

To comply with the Data Protection Act 1998, we require the consent of parents or guardians before filming children or young people.

Conduct of Meetings

At the start of each meeting to be filmed, an announcement will be made to the effect that the meeting is being webcast.

The Chairman of the meeting shall have the discretion to terminate or suspend the webcast if:

- (i) The meeting is suspended;
- (ii) A resolution is lawfully passed to exclude the press and public from the meeting;
- (iii) There is a public disturbance;

- (iv) Webcasting may lead to a potential infringement of the rights of any person or other breach of law, subject to legal advice; or
- (v) The Chair considers that continuing to webcast would prejudice the proceedings of the meeting, subject to agreement by the majority of Members attending the meeting.

No exempt or confidential agenda items shall be webcast. The Democratic Services Officer for the meeting will ensure that webcasting of the meeting has ceased and will confirm this to the Chairman of the meeting before any discussion of exempt or confidential matters is commenced.

All archived webcasts will be available to view on the Council's website for a period of twelve months and thereafter will be stored in accordance with the Council's records management procedures.

Archived webcasts or parts of webcasts shall only be removed from the Council's website if the Monitoring Officer considers that it is necessary because all or part of the content of the webcast is or is likely to be in breach of any statutory provision or common law doctrine, for example Data Protection and Human Rights legislation or provisions relating to confidential or exempt information. If the Monitoring Officer has decided to take such action she must notify all Elected Members in writing as soon as possible of the decision and the reasons for such a decision. It is anticipated, however, that meetings will be conducted lawfully and that the need to exercise this power will occur only on an exceptional basis.

The actual webcasts and archived material, and copyright therein, remain the property of the Council, and the right to copy, issue, rent, perform, communicate or adapt any of the webcast or archived material is restricted as follows:

- (i) Subject to (ii) and (iii) below, any person may copy and use webcast material or part thereof provided that the facility is not used in a way that otherwise breaks the law and that the whole agenda item is displayed.
- (ii) The use of any webcast involving the alteration or editing of the material which results in changing the message or context is not permitted without the prior written approval of the Monitoring Officer.
- (iii) The use of webcast for commercial purposes involving re-use of the material is not permitted, unless the prior written approval of the Monitoring Officer is obtained.

Any Elected Member who is concerned about any webcast should raise their concerns with the Monitoring Officer.

If a technical fault develops, the Chair may agree a short adjournment to see if the problem can be resolved. If after adjourning the problem still persists, the meeting should continue irrespective of it not being transmitted live.

Prohibition on Political Publicity

Please note that the Council is prohibited from producing political publicity. This is defined as any material which in whole or in part, appears to be designed to affect political support for a political party. This duty is more acute during pre-election periods, which run from publication of the notice of election to the election. While politics can be a normal part of Council meetings, proceedings which are inherently political may have to be removed from any broadcast to avoid breaching the rules on political publicity. During pre-election periods there may be a short delay in broadcasting to ensure that any political publicity is not inadvertently published.

Other Filming and Recording of meetings

This protocol does not affect existing provisions in the Council's Constitution regarding the recording of meetings.

Members of the public are permitted to film or record Councillors and officers at any Council meetings that are open to the public and press, subject to compliance with the Council's Access to Information Procedure Rules, Rule 4A..

The Council also permits photography and social media reporting of all its public meetings.

Amendment of this Protocol

The Director of Governance and Legal Services shall be authorised to make any minor amendments to this Protocol to ensure it is kept up to date and fit for purpose.

PART 5 – CODES AND PROTOCOLS

PROTOCOL ON THE ROLE OF ELECTED MEMBERS IN SAFEGUARDING CHILDREN AND VULNERBLE ADULTS

1. Purpose of the Protocol

To provide guidance and advice to Elected Members on:

- their roles and responsibilities in relation to safeguarding children and vulnerable adults; and
- how Members should raise any concerns and receive assurance about children and adults who may be at risk.

2. Introduction

Safeguarding and Protection is not something that can be achieved by one person or organisation. The emotional reaction of the public when children and adults have been harmed, neglected or exploited is understandable and experienced by those people who are professionally skilled practitioners who are directly working with and responsible for safeguarding and protecting people from harm.

Key public statutory agencies, together with independent, private and third sector organisations that provide services to the public who are vulnerable, have a critical role in safeguarding and protecting children and adults.

Responsibility for protecting people, who through no fault of their own are vulnerable, rests with parents, families, and those professional staff who have a duty to care. Analytical and accurate assessments, good, relevant and focused communication, dynamic multi agency intervention and treatment is critical in safeguarding and protecting vulnerable children and adults.

3. The All Wales Safeguarding Procedures (2019)

The All Wales Safeguarding Procedures have been developed to ensure policy and practice in Wales consistently applies the legislation and statutory guidance as required by The Social Services and Well-Being (Wales) Act 2014.

The Procedures are designed and intended to standardise practice across Wales. Awareness amongst policy makers and practitioners has emphasised the need for common systems and processes to protect both children and adults at risk of abuse and neglect.

The Procedures identify arrangements for responding to safeguarding concerns about practitioners and people in a position of trust, power or influence. The Procedures provide a clear process for investigation where the nature of activity of a practitioner or person who is in a position of trust has raised concerns.

4. The Members' Code of Conduct

The Members' Code of Conduct places a number of duties on Elected Members, which will apply whenever they are responding to the concerns raised by their constituents or other members of the public. The Code of Conduct requires Elected Members to ensure their comments do not disclose confidential information. They must not conduct themselves in a manner likely to bring the Council (or the office of councillor) into disrepute. They should show respect and consideration for others, and not use bullying behaviour or harass anyone. They should not use their position, or Council resources, improperly. The application of the Code is explained further in paragraphs 7.3 to 7.7 below.

Breaches of this Protocol by Elected Members may lead to complaints that the Cardiff Council Member Code of Conduct has been breached. Complaints about a breach of the Code of Conduct will be dealt with by the Council's Monitoring Officer and/or the Public Services Ombudsman for Wales and may lead to a public hearing by a Hearings Panel of the Council's Standards and Ethics Committee. If an Elected Member is found by the Hearings Panel to have breached the Code of Conduct, a sanction may be imposed of up to six months suspension from office and forfeiture of the Members allowance for the relevant period.

5. Social Media

The Welsh Local Government Association (WLGA) Social Media: A Guide for Councillors provides helpful guidance and advice about issues to consider when using social media. The WLGA guidance helpfully refers to the Code of Conduct and offers an overview and important detail to consider when dealing with complex casework matters.

The Code of Conduct applies to Elected Members when conducting the business of your authority, acting, claiming to act or giving the impression you are acting in your official capacity as a member or representative of your authority. The Code also applies even when you are not acting in your capacity as a Member if you conduct yourself in a manner which could reasonably be regarded as bringing your office or your authority into disrepute.

Key messages include:

- Maintaining respect for others and not disclosing confidential information about individuals or the council.
- Avoid making negative comments about or to individuals which could be interpreted as bullying or intimidation.
- Making unfair or inaccurate criticism of your authority in a public arena may be regarded as bringing your authority into disrepute.

6. The Role of the Council and its Elected Members

6.1 All Members of the Council have a strategic role in relation to Social Services and need to satisfy themselves that the Council as a whole is discharging its statutory responsibilities and demonstrates good practice wherever possible.

6.2 A number of high profile public inquiries have highlighted the importance of ensuring that safeguarding services are prioritised and adequately resourced, and all Elected Members have responsibility in this regard.

6.3 The Council as a whole is the 'corporate parent' of all Children Looked After. This requires Elected Members, relevant Council managers and staff to work together to discharge their different roles and responsibilities, to ensure the best possible care and opportunities are provided for Children Looked After. The responsibility to ensure the best possible care and opportunities also applies to children receiving Care and Support services.

6.4 Elected Members have an important role to play in safeguarding children and vulnerable adults, as the eyes and ears in the community. This particularly applies where ward surgeries and local ward networks enable Members to be alerted to early signs of safeguarding concerns, whether general patterns of behaviour or concerns about a particular child or vulnerable adult.

6.5 The Members of the Cabinet, the Corporate Parenting Advisory Committee, the Children and Young People's Scrutiny Committee and the Community and Adults Scrutiny Committee have additional specific responsibilities, as outlined in section 12 below.

7. Responsibilities of Elected Members

7.1 It is the responsibility of all Elected Members to bring concerns they have about vulnerable children or adults to the attention of the responsible officer. **If a Member is concerned that a child or vulnerable adult may be at risk of harm, this should be reported immediately - please refer to Section 8, and the contact list at the end of this Protocol. Briefly:**

Children (up to 17 years old) – Multi Agency Safeguarding Hub (MASH).

Adults (age 18 and over) – The Adult Safeguarding Team.

Out of Hours – The Emergency Duty Team (EDT).

Note: Flowchart at Annex 1. Making a Safeguarding Referral.

7.2 Where constituents or other members of the public have sought advice/assistance from a Member, the Elected Members may also wish to make written/oral representations in order to satisfy themselves that concerns or problems are being dealt with appropriately.

7.3 Members' Code of Conduct - Whilst Elected Members have an important role to play in responding to the concerns of their constituents or other members of the public, they must be mindful of their obligations under the Members' Code of Conduct, in particular:

7.4 Personal Interests – Members must be mindful of their duty under the Members' Code of Conduct to disclose any personal interest in a particular case in which they may be making representations. For example, a personal interest may arise from the Member's personal relationship with a service user or from the Member's involvement in a particular organisation. Members must ensure that their personal or private interests do not conflict with their public duties, to the Council as a whole or to all ward constituents.

7.5 Advocacy for Service Users – Although Members may routinely respond to queries and investigate concerns on behalf of constituents and other members of the public as part of their casework role, it is not appropriate for an Elected Member, unless exceptional circumstances apply, to act as an independent advocate for a service user during case conferences or other formal meetings attended by Council officers or Members, due to the potential conflict of interest and confusion over the role in which the Member is acting. Elected Members are part of the Council and have a duty to make decisions in the public interest and to represent all ward constituents fairly and equally; whereas the role of an independent advocate is to represent and act on behalf of an individual, to provide emotional support and help them to understand the process and to raise questions and issues as necessary. An Elected Member seeking to act as an independent advocate is likely to have an actual or perceived conflict between his/her duties to:

- (i) the Council and its Officers.
- (ii) the individual service user, and
- (iii) other ward constituents.

An Elected Member's involvement may also create an impression to those involved of undue influence being exerted in any relevant decision making process, in view of the Member's position within the Council. The Council has a responsibility to ensure that service users have access to advocacy services wherever necessary, and can provide contact details of independent advocacy service providers and professional advocates upon request. In certain court proceedings, service users will also have the benefit of accessing free legal advice, should they choose, and can be legally represented in Court, therefore always having a voice in Court and their interests protected. In court proceedings where there is limited/no access to free legal advice, the service user can again have access to advocacy services where necessary and can seek guidance/assistance from the Support from Court service that is available.

It is only in exceptional circumstances (such as where an Elected Member is a family member of a service user or is a professional advocate), that it may be appropriate for an Elected Member to act as an advocate for a service user. However, any such exceptional circumstances must be explained and agreed in advance with the Director of Social Services or the Monitoring Officer.

7.6 Criticism of Officers – Elected Members should ensure that any concerns about Council officers are raised with the relevant Director. In accordance with the Protocol on Member/Officer Relations, staffing issues are the statutory responsibility of the Chief Executive, as Head of Paid Service. Elected Members should note that case law regarding a Councillor’s right to freedom of expression under Article 10 of the European Convention on Human Rights (Heesom v. Public Services Ombudsman for Wales 2014) has held that:

- Council officers are not expected to tolerate the same level of criticism as politicians during political debate;
- Unwarranted criticism of officers by Councillors damages the mutual duty of trust and confidence between Councillors and officers; and that
- There is a public interest in ensuring that officers are not subjected to unwarranted criticism which could undermine the performance of their public duties and public confidence in the administration.

Note: Flowchart at Annex 2. Process for Raising Other Safeguarding Concerns or Criticism of Officers.

7.7 Political/Public Debate – When raising issues politically in public debate, during Council meetings, using social media etc, Members must ensure their comments do not disclose confidential information or personal information about identifiable individuals; must not make unwarranted criticism of officers, and must not conduct themselves in a manner likely to bring the Council (or the office of Councillor) into disrepute.

8. What to do if you are concerned that a child or vulnerable adult may be at risk of harm?

(Please see Flowchart at Annex 1: Making a Safeguarding Referral)

8.1 Children (up to 17 years old) - If an Elected Member has any information which raises concerns about harm or potential harm to any child, a child protection referral should be made immediately to the Multi Agency Safeguarding Hub (MASH) or, if outside office hours, to the Emergency Duty Team (please see Contact List at the end of this Protocol) where an appropriately trained Social Worker will ensure Children in Need of Care and Support or Child Safeguarding Procedures are initiated if needed, and will provide you with any required advice or guidance.

8.2 Adult (age 18 and over)- If any information raises concerns about harm or potential harm to a vulnerable adult, these concerns should be reported immediately to the Adult Safeguarding Team or, if outside of office hours, to the Emergency Duty Team (please see Contact List at the end of this Protocol) where an appropriately trained Social Worker will ensure that any appropriate procedures are initiated, and will provide you with any required advice and guidance.

8.3 If a Member has concerns about immediate danger needing a emergency response or thinks a crime is being committed, the police should be contacted on 999. You should never delay taking emergency action to safeguard a child or vulnerable adult.

9. Raising any other safeguarding concerns

(Please see Flowchart at Annex 2: Process for Raising Other Safeguarding Concerns or Criticism of Officers)

If an Elected Member has any other concern relating to safeguarding, such as:

- any concerns following a referral made to the Children's Multi-Agency Safeguarding Hub (MASH) or the Adults Safeguarding Team;
- any concerns about a specific case where the Member knows that Social Services are already involved; or
- any general concerns about safeguarding arrangements, not relating to a specific child or vulnerable adult,

the Member should bring this to the attention of the Director of Children's Services, the Assistant Director or Director of Adult Services (as appropriate), or the Director of Social Services.

10. What to Expect?

10.1 All concerns will be investigated and assurances given to the Councillor that the welfare of the child or vulnerable adult is being safeguarded.

10.2 All referrals of children or vulnerable adults at risk of harm will be promptly investigated in accordance with the timescales provided for in the **All Wales Safeguarding Procedures** and a response will be given to the Councillor within 24 hours to confirm that relevant/appropriate action has been taken. The Council will not, however, be able to confirm the outcome of any particular investigation due to confidentiality and data protection laws.

10.3 Any other safeguarding queries or non specific casework concerns will be carefully considered and a response will be given to the Councillor within 10 working days. If a full response cannot be provided within 10 working days, the response will indicate a reasonable timescale within which a full reply will be given.

10.4 Any complaints made by or on behalf of the service users will be considered in accordance with the council's complaints procedures, which fully comply with all relevant statutory provision and best practice.

- (i) Complaints about the handling or outcomes of child protection conferences will be dealt with under the "Procedure for handling complaints from parents, caregivers, and children about the functioning of the child protection conference". This procedure is appended as Annex 3 to this Protocol.
- (ii) All other complaints about Cardiff Social Services will be dealt with under the 'Social Services Complaints Policy and Procedure' (established in accordance with The Social Services Complaints Procedure (Wales) Regulations 2014 and The Representations Procedure (Wales) Regulations 2014). This procedure is appended as Annex 4 to this Protocol.

11. Members' Rights to Information and Information Sharing

11.1 The Protocol on Members' Rights of Access to Information and Documents (set out in Part 5 of the Constitution), sets out Members' rights to information held by the Council and how to access such information.

11.2 **Personal Information** - Access to personal information is restricted by data protection legislation (see below); and any information provided under the "need to know" principle must only be used in connection with the Member's duties as a Councillor, and must not be disclosed to any other persons (unless and until the information properly enters the public domain).

Under the "need to know" principle, all Members have a right to inspect any Council documents if access to the documents is reasonably necessary to enable the Member to properly perform their duties as a Member of the Council.

11.3 The Council will ensure that all Elected Members have access to general information about trends and issues affecting children and vulnerable adults as well as the quality and range of services provided.

Personal information/information about individual cases

11.4 Information relating to individuals is protected (as 'personal data') under data protection legislation, and such information may also be confidential. Personal data includes any information relating to an identifiable individual, even if the individual is not explicitly named. General advice on Members' data protection responsibilities is set out in the 'Data Protection' section of the Members' Handbook.

11.5 The Council is legally responsible (as the 'Data Controller') for personal information held by the Council (or held by Members for the purpose of Council business). Each Elected Member is legally responsible (as 'Data Controller') for personal information held for constituency work purposes. The Council and all Elected Members must carefully consider, on a case by case basis, their legal obligations in respect of any particular personal information they may hold.

11.6 The law requires that all personal information must be handled fairly, lawfully and securely. In particular, personal information about individual cases must not be disclosed without the consent of the individual/s, concerned, unless a legal exemption applies. This means that **the Council can only disclose information about individual cases to Members if it is satisfied that the individual/s concerned have consented to such disclosure and that the individual has the capacity to give such consent.**

11.7 If a Member is asked by a ward constituent or other member of the public to assist them in resolving a Social Services matter, the Member will be dealing with personal information, some of which will be sensitive personal information ('special category data', defined by law as information about a person's racial or ethnic origin; political opinions religious or philosophical beliefs; trade union membership; physical or mental health or condition; genetic or biometric data; or sexual life or orientation;

and 'criminal offence data' meaning information about alleged criminal activity; or court proceedings), and subject to additional legal protection and restrictions.

11.8 Members must ensure that:

- The individual/s concerned understand how the Member intends to use their personal information and have consented to this. Members should be mindful that some service users' level of understanding may require further consideration and assistance due to their vulnerabilities.
- If the Member intends to make enquiries with the Council about a particular case, then the Member should obtain written consent from all individuals involved, expressly authorising the Council to disclose their personal information to the Member; and provide a copy of this consent to the Council. (If it is not possible to obtain written consent in any particular case, the Member should discuss this with the appropriate Assistant Director)
- All personal information relating to individual cases must be used only as necessary and appropriate in order to take the agreed action on behalf of the individual; and must not be used or disclosed for any other purpose, for example, political purposes.
- Members must have robust systems for holding personal information securely and only for as long as necessary.

11.9 Further advice is available from the Council's Information Management Operational Manager. The Information Commissioner's Office website also publishes helpful guidance for Councillors on their data protection responsibilities (see Background Documents listed at the end of this Protocol).

12. Decision Makers and Accountability

In addition to the strategic role of full Council, referred to in section 6 above, the key decision makers and their accountabilities are as follows:

Cabinet; Cabinet Member, Children and Families; and Cabinet Member, Social Care, Health, and Wellbeing

12.1 The Cabinet has a collective corporate leadership role and decision making powers in respect of children's and adults' services, subject to compliance with the Council's approved Policy Framework. The Cabinet Member for Children and Families has particular responsibility to lead and inform the Cabinet's work on safeguarding, child protection, corporate parenting and looked after children matters. The Cabinet Member for Social Care, Health and Well-being has particular responsibility to lead and inform the Cabinet's work on adult social care and safeguarding vulnerable adults matters. Both Cabinet Members are regularly briefed by the Statutory Director of Social Services on the performance of Social Services functions, any identified weaknesses and recommended improvement actions.

Statutory Director of Social Services

12.2 The Statutory Director of Social Services is responsible for providing professional leadership and discharging core responsibilities in respect of all Social Services

functions of the Council. The Director submits a Statutory Annual Report to Cabinet on the discharge of the Council's Social Services functions, including a report on all Social Services complaints.

Corporate Parenting Advisory Committee

12.3 The Corporate Parenting Advisory Committee is responsible for advising the Council and the Cabinet on the discharge of the authority's corporate parenting functions. The Committee provides advice and makes recommendations to the Cabinet or Council regarding the discharge of corporate parenting functions. The Committee ensures that Corporate Parenting has a role and status within the Council.

Children and Young People Scrutiny Committee

12.4 The Children and Young People's Scrutiny Committee is responsible for scrutinising, measuring and actively promoting improvement in service provision and compliance with the Council's approved policies, aims and objectives in relation to children and young people, including children's social services.

Community and Adult Services Scrutiny Committee

12.5 The Community and Adult Services Scrutiny Committee is responsible for scrutinising, measuring and actively promoting improvement in service provision and compliance with the Council's approved policies, aims and objectives in relation to community and adults' services, including adults' social services.

PART 5 – CODES AND PROTOCOLS

MEMBERS PLANNING CODE OF GOOD PRACTICE

1 Purpose of the Code

This Code has been being prepared for the guidance of Officers and Members in their dealings with planning matters. This includes decision-making meetings of Council, which exercise the planning function of the planning authority or less formal occasions such as meetings with officers or the public or consultative meetings. Whilst much of this Code of Good Practice relates to the submission and determination of planning applications it also applies to discussions / submission relating to the preparation of the Local Development Plan and to Planning Appeals and enforcement. The Code has been prepared in accordance with: -

- Code of Conduct for Members and Co opted Members of the County Council of the City and Council of Cardiff
- The Royal Town Planning Institute Code of Conduct for Chartered Planners

The Code has the following objectives:-

- To guide and protect Officers and Members in dealing with planning related matters from criticism and challenge
- To inform potential developers and members of the general public of the standards adopted by Cardiff County Council and the performance of its planning function
- To ensure that, in the planning process, there are no grounds for suggesting that a decision has been biased, partial or not well founded in any way.

2 Key Principles

Planning decisions made by Councils can have a considerable effect on the value of land, the nature of its development and on the lives and amenities of people living in the vicinity. The process of arriving at decisions on a planning matter must be open and transparent. The involvement of both Officers and Members must be clearly understood. The main principles which Members should have clear regard for are:-

- The key purpose of planning is to control development in the public interest
- Your overriding duty as a Councillor is to the whole local community
- You have a special duty to your constituents including those who do not vote for you
- Your role as a member of the planning authority is to make planning decisions openly, impartially, with sound judgement, and for justifiable reasons

- Whilst you may be strongly influenced by the views of others and of your party in particular it is your responsibility alone to decide what view to take on any question which Councillors have to decide
- You should never do anything as a Councillor, which you could not justify, to the public. Your conduct and what the public believes about your conduct will effect the reputation of the Council
- It is not enough to avoid actual impropriety. You should at all times avoid any occasion for suspicion and any appearance of improper conduct
- You should treat with extreme caution any offer of gift or favour or hospitality that is made to you personally. You are personally responsible for all decisions connected to the acceptance of such gifts or hospitality and for avoiding the risk of damage to public confidence in local government
- Section 54a of the Town and Country Planning Act requires you to take planning decisions in accordance with the provisions of the development plan unless material considerations indicate otherwise. You should ensure that all decisions that you make have regard to proper planning considerations and are made impartially and in a way, which does not give rise to public suspicion or mistrust
- The Code applies to all decisions of the Council on planning related matters. This includes Members involvement in any planning application, whether or not it is reported to a committee, all applications determined by any committee or by Full Council acting as a local planning authority

3 Relationship to the Code of Conduct for Members and Co Opted Members of the County Council of the City and County of Cardiff

The Code of Conduct adopted by Cardiff County Council on 13th December 2001 sets out requirements and guidance for Members on the disclosure and registration of interests. Not only should impropriety be avoided but also any appearance or ground for suspicion of improper conduct. When considering any planning matter you should have primary regard for the Code of Conduct, and particularly the requirement to properly declare all interests:-

- **Do** apply the rules in the Code of Conduct for Members first which must always be complied with
- **Do** then apply the rules in this planning Code of Best Practice

4 Development Proposals and the Declaration of Members' Interests

When considering planning matters Members may find that they need to:

- Declare a personal and / or prejudicial interest or
- Indicate that they have come to a view prior to the meeting (i.e. fettered their discretion)

The existence and nature of any interest should be disclosed at all relevant meetings including informal meetings or discussions with officers and other Members. A member may at any time declare a personal interest under the Members Code of Conduct however it is preferably disclose your interest at the beginning of the meeting and not just at the commencement of the discussion on that particular matter.

Where your interest is personal and /or prejudicial:

- **Do Not** participate or give the appearance of trying to participate in the making of any decision on the matter by the planning authority
- **Do Not** try to represent Ward/local views. Get another Member who is not a member of DC to do so instead
- **Do Not** get involved in the processing of the application and direct any queries or technical matters to the relevant officer
- **Do Not** seek or accept any preferential treatment or place yourself in a position that could lead the public to see that you are receiving preferential treatment because of your position as a Councillor. This would include using your position to discuss any proposal with Officers or Members when other members of the public would not have the same opportunity to do so. You may need to identify another local member who is prepared to represent local interests
- **Do** be aware that whilst you are not prevented from seeking to explain and justify a proposal in which you have a personal interest to an appropriate Officer in person or in writing, the Member's Code of Conduct places greater limitations on you in representing that proposal than would apply to a normal member of the public (for example where you have a personal and prejudicial interest in a proposal to be put before a meeting you will have to withdraw from the room or Chamber whilst the meeting considers it, whereas an ordinary member of the public would be able to observe the meeting's consideration of it from the public gallery)
- **Do** notify the Monitoring Officer in writing of your own interest and ensure that a proper record of the interest is noted at any meeting (use the form at Appendix 1)

Where you have fettered your discretion

The allowance made for Councillors to be predisposed to a particular view is a practical recognition of:

- the role played by party politics in Local Government
- the need for Councillors to inform constituents of at least an initial view on a matter as part of their public role

- the structure of local government which ultimately requires the same Councillors to make decisions

It is therefore particularly important for elected Councillors to have a clear understanding about the implications of expressing an opinion or view on planning matters. If you make up your mind or clearly appear to have made up your mind (particularly in relation to an external interest or lobby group) on how you will vote on any planning matter prior to formal consideration of that matter (i.e. at the meeting of the planning authority, prior to the hearing of the Officers presentation and evidence and arguments on both sides) you may be seen to have fettered your discretion. For example:-

- Where the Council is the landowner, developer or applicant and you have acted as or could be perceived as being a chief advocate for the proposal. Through your significant personal involvement in preparing or advocating the proposal you may be perceived by the public as being no longer able to act impartially or to determine the proposal purely on its planning merits
- Where you are a member of an organisation or lobbying group, which has publicly expressed a view on the planning matter. (A lobbying group is a body whose principle purposes include the influence of public opinion or policy). You may also have a personal interest in a matter before committee. The test of establishing a prejudicial interest under the Code is analogous to the common law test for bias -"that a member of the public with knowledge of all of the relevant facts would regard your interest as so significant that it is likely to prejudice your judgment of the public interest"

However where you act as part of the consultee body (e.g. where you are also a member of a community council) you may take part in its debate provided that:-

- the proposal does not substantially effect the well-being or financial standing of the consultee body, and
- you make it clear that your views are expressed on limited information before you only, and
- that you reserve judgment and the independence to make up your own mind on each separate proposal based on your overriding duty to the whole community and not just to the people in that area, ward or parish, and
- you clearly state you will not in anyway commit yourself as to how you or others may vote when the proposal comes before the Planning Committee and
- you disclose your personal interest regarding your membership or role when the Planning Committee comes to consider the proposal

In all other circumstances

- **Do not** speak and vote on a proposal as a Member of the Development Control Committee where you have fettered your discretion. You do not also have to withdraw but you may prefer to do so for the sake of appearances
- **Do** explain that you do not intend to speak and vote because you have or could reasonably be perceived as having judged the matter elsewhere so that this may properly be recorded in the minutes
- **Do** take the opportunity to exercise your separate speaking rights as a ward member where you have represented your views or those of local electors and have fettered your discretion but do not have a personal/prejudicial interest. In these circumstances advise the Chair that you wish to speak in this capacity before the commencement of the item, remove yourself from the Members seating area for the duration of that item and ensure that your actions are recorded.

The flow chart at Appendix 2 provides guidance for you in deciding whether you have a declarable interest

Given the issues set out above Members of Planning Committee may wish to consider whether they should take an active role on consultee bodies such as Community Councils.

5 Contact with Applicants, Developers and Objectors

Local Authorities are encouraged by Government policy to enter into pre-application discussions with potential applicants. There will also be discussions and meetings on strategic plans for the Council (e.g. matters arising from the local development plan or major development sites). Such strategic discussions lie within the remit of the Cabinet Member with responsibility for Environment and Transportation and may be distinguished from discussions on specific planning applications, and therefore not subject to the caveat set out below. In addition negotiations and discussions are likely to be ongoing after an individual application has been submitted. Such discussions can often be interpreted by the public (and especially objectors) as prejudicing the planning decision-making process. In order to allay such perceptions all discussions should take place within clear guidelines.

One particular aspect of application discussions relates to lobbying. Lobbying is a normal part of the political process. However, it can lead to impartiality being brought into question and accordingly there is a need to declare publicly that an approach of this nature has taken place. Lobbying can take place by professional agents as well as un-represented applicants/landowners and community action groups.

- **Do not** agree to any formal meeting with applicants, developers or groups of Objectors if you are a member of Development Control Committee and therefore likely to be part of the decision-making process. There may be exceptional circumstances where meetings do take place. Such meetings must always have been formally convened by the Development Control Manager. The officer will then ensure that those present at the meeting are advised from the start that the discussions will not bind the authority to any particular course of action, that the

meeting is properly recorded on the application file, and that a record of the meeting will be made available for public inspection and will form a background paper to any Committee report

- **Do** refer those who approach you for planning procedural or technical advice to officers
- **Do** report to the Development Control Manager any significant contact with the applicant and other party, explaining the nature and purpose of the contacts and your involvement in them and ensure that this is recorded on the planning file
- **Do not** attend any private planning presentation unless an Officer is present and/or that it has been organised by Officers. These may be differentiated from major public presentations when members may seek information but should not enter into discussions or express a view
- **Do** remember that the presentation is not part of the formal process of debate and determination of any subsequent application and that this will be carried out by the appropriate Committee of the planning authority
- **Do** be aware that a presentation is a form of lobbying and you must not express any strong view or state how you or other Members might vote
- **Do** ask relevant questions for the purposes of clarifying your understanding of the proposals
- **Do** explain to those lobbying or attempting to lobby you that whilst you can listen to what is said it prejudices your impartiality and therefore your ability to participate in the Committee's decision-making to express an intention to vote one way or another, or such a firm point of view which amounts to the same thing
- **Do** remember that your overriding duty is to the whole community not just the people in your local area, and taking account of the need to make decisions impartially, you should not improperly favour or appear to improperly favour any person, company, group or locality
- **Do not** accept gifts or hospitality from any person involved in or affected by a planning proposal. If a degree of hospitality is entirely unavoidable ensure that it is of the minimum and its acceptance is declared as soon as possible (remembering to register any gift with a value of over £25).
- **Do** copy or pass on any lobbying correspondence you receive to the Development Control Manager at the earliest opportunity as this will enable proper officer advice to be given in the report and avoid the situation where officers are asked to respond to new information at the meeting itself, leading to deferral or decisions made on partial advice

- **Do** promptly refer to the Development Control Manager any offers made to you of planning gain or constraint of development
- **Do** inform the Monitoring Officer where you feel that you have been exposed to undue or excessive lobbying or approaches
- **Do** note that unless you have a personal and prejudicial interest you will not have fettered your discretion or breached this Planning Code of Good Practice through listening or receiving view points from residents or other interested parties making comments to residents, interested parties, other members or appropriate officers providing they do not consist of or amount to prejudging the issue. Provided that you make clear that you are keeping an open mind, seeking information through appropriate channels or being a vehicle for the expression of opinion or speaking at the meeting as a ward member provided you explain your actions at the start of the meeting or item and make it clear that having expressed the opinion or ward view you have not committed yourself to vote in accordance with those views and you will make up your own mind having heard all of the facts and listened to the debate

6 Ward Interests

A Development Control Committee Member who represents a ward affected by a particular application is in a difficult position particularly if it is a controversial application around which a lot of lobbying takes place. There is a balance to be struck between the duty to be an active ward representative and the overriding duty as a Councillor to the whole local community. In these circumstances

- **Do not** lobby fellow councillors regarding your concerns or views nor attempt to persuade them that they should decide how to vote in advance of the meeting at which any planning decision is to be taken
- **Do not** decide or discuss how to vote on any application at any sort of political group meeting or lobby any other member to do so. Political group meetings should never dictate how Members should vote on a planning issue
- **Do not** become a Member or lead or represent an organisation whose primary purpose is to lobby, to promote or oppose specific planning proposals. If you do you will have fettered your discretion and are likely to have a personal and prejudicial interest and will have to withdraw from any meeting
- **Do** of course join general interest groups which reflect your areas of interest or which concentrate on issues beyond particular planning proposals (such as your local civic society) but make sure that you disclose a personal interest where that organisation has made representations on a particular proposal and make it clear to that organisation and the committee that you have reserved judgement and the independence to make up your own mind on each separate proposal

7 Development Proposals Submitted by Officers or Councillors of the Council (the advice in this section applies to both planning applications and Development Plan Policy matters)

Officers should never act as agents for people pursuing a planning matter with their Authority. Members may in law advocate on behalf of a proposal or act as an agent on behalf of a specific proposal. However, it is likely that you will then have a personal and a prejudicial interest which must be declared in accordance with the Members Code of Conduct and which will debar you from taking part in the decision. Where Members are likely to do this on a regular basis they should not accept membership of the Development Control Committee.

Should any Member or Officer connected with the planning service submit their own proposals to the Authority they should declare the interest to the Monitoring Officer and to the Chief Strategic Planning and Environment Officer at the earliest opportunity and take no part in the processing. Any such proposal/application will be reported to the Development Control Committee **and not** dealt with under delegated powers.

8 The Decision Making Process

A decision on a planning application cannot be made before the committee meeting when all of the relevant information is to hand, any political group meeting prior to a Committee meeting should not be used to decide how Councillors should vote. Accordingly Agenda Briefing meetings and any pre-Committee meetings will solely be for the purpose of enabling an exchange of briefing material between Officers and Members on planning issues of concern in relation to particular applications, and will be open to Members of all political groups. All applications considered by Development Control Committee or by a report on the circulated schedule shall be the subject of written reports and clear recommendations. If the recommendations are contrary to the provisions of the Development Plan the material considerations, which justify this, shall be clearly stated. If in the view of the officer the matter is finely balanced the report will say so. The recommendations put forward by officers and the decisions by members are separate parts of the same process, which should be justified by the report and debate respectively.

The Conduct of the meeting will be in accordance with the Committee Procedure Rules found within the Council's Constitution

- **Do not** put pressure on officers to put forward a particular recommendation (this does not prevent you from asking questions or submitting views to the Development Control Manager which may be incorporated in to any Committee report)
- **Do** recognise that officers are part of a management structure. Only discuss the proposal outside of any arranged meeting with a Chief Officer, or those officers who are authorised by the Chief Officer to deal with the proposal at Member level
- **Do** recognise and respect that Officers involved in the processing and determination of planning matters must act in accordance with the Councils Code of Conduct for Officers and their Professional Code of Conduct. As a result planning officers views, opinions and recommendations will be presented on the

basis of their overriding obligation of professional independence which may on occasions be at odds with the views, opinions or decisions of the Committee or its Members

- **Do** have regard to the Councils Member/Officer Protocol, which governs the working relationships that you have with officers. This is a relationship based on mutual trust and courtesy, and all meetings should be guided by this principle.
- **Do** come to meetings with an open mind and demonstrate that you are open minded
- **Do** ensure that if you have requested a proposal to go before the Committee rather than be determined through officer delegation that your planning reasons are recorded and repeated in the report to the Committee
- **Do** comply with the Section 54a of the Town and Country Planning Act 1990 and make decisions in accordance with the Development Plan unless material considerations indicate otherwise
- **Do** come to your decision only after due consideration of all the information reasonably required upon which to base a decision. If you feel there is insufficient time to digest new information or that there is simply insufficient information before you, request that further information. If necessary defer or refuse
- **Do not** vote or take part in the meeting's discussions on a proposal unless you have been present to hear the debate including the officers introduction to the matter
- **Do** have recorded the reasons for the Committees decision to defer any proposals
- **Do** make sure that if you are proposing, seconding or supporting a decision contrary to officer recommendations or the Development Plan that you clearly identify and understand the planning reasons leading to this conclusion/decision. These reasons must be given prior to the vote and be recorded. Be aware that you may have to justify the resulting decision by giving evidence in the event of any challenge
- **Do not** allow members of the public to communicate with you during the committee's proceedings (or in writing) other than through the scheme for public speaking as this may give the appearance of bias
- **Do** ensure that you comply with the Councils procedures in respect of public speaking

9 Training

Training on planning matters will be made available at convenient times for all Members of the Council, and in particular those serving on the Planning Committee.

Subject to resource availability places will be made available for new Members of the Planning Committee to attend the Annual Planning Summer School (run by the Royal Town Planning Institute "RTPI")

Refresher training for all Members of Planning Committee will be held throughout the year in the form of Briefing Sessions at Planning Policy Committee Meetings.

- **Do** ask the Chair of or the Committee Clerk for the Planning Committee if you have not attended Planning Summer School and you would like to
- **Do** endeavour to attend any training sessions provided since these will be designed to extend your knowledge and thus assist you in carrying out your role properly and effectively

10 Site Visits

Site visits by Committee can be helpful in reaching a decision on issues where site circumstances are clearly fundamental to that decision.

The purpose of a site visit is to enable Committee Members:-

- to view the site of a planning application together with surrounding land;
- to place the application in its physical context;
- to assist the appraisal of constraints and opportunities afforded by the proposed development, and its potential impact on surrounding land;
- to have officers point out material considerations

A consistency of approach is required for site visits to ensure that any site visit undertaken adds to the Planning Process, and also that the interests of the applicant, any objectors and the local community are dealt with equitably

Members are asked to alert officers to impending requests for site visits at the earliest opportunity. This will them to inform the Chairman and consider jointly whether site visits could be arranged in a way which minimises any delay to the processing of the application

When a member makes a request site visit the reason for the request must be stated and will be minuted. The decision on whether to agree a site visit lies with the Committee.

Site visits should only be made where necessary. Consideration should be given to what will the Planning Committee gain from a site visit that is no already evident from the Officer's Report and other supporting information.

Committee members should consider requests critically because they generally cause delay to the process, and are time consuming and costly. Alternative methods of obtaining the information should be considered i.e. digital photography.

When considering a request for a site visit which could lead to the deferment of the determination of the application, the Chairman will require the proposer and seconder of the motion to state the reason for the proposed visit and what the Committee will gain and this shall be recorded in the Minutes.

Whenever a site visit has been agreed by the Committee, it should specify whether the site should be viewed:

- from the public highway or public land only
- from the application site
- from other private land outside the application site

This should be recorded in the Minutes. This will enable officers to make appropriate requests to enter onto private land.

The Head of Development Control (or their representative) will make arrangements for site visits. This will include:

- obtaining the relevant permission to enter private land
- informing Local Members, Petitioners, and anyone who has made observations / representations / comments on the application
- sending a copy of the Site Inspection Protocol to the applicant or owner who has given consent for the site to be entered, the owner of any other land who has agreed that their land may be entered
- arranging for an attendance list to be taken of the visit

On attending a site visit Members should follow the Site Inspections Protocol (attached at Appendix 3)

- **Do** try to attend site visits and ensure that you treat them only as an opportunity to seek information and to observe the site
- **Do** ask the Officers at the site visit questions or seek clarification for them on matters which are relevant to the site inspection
- **Do not** express opinions or views to anyone
- **Do not** hear representations from any parties other than as set out in the Site Inspections Protocol. Make it clear that any representations must focus only on site factors and site issues. Where you are individually approached by an applicant or a third party advise them that they should make their representations in writing to the authority and direct them to or inform the officer present

- **Do not** enter a site which is subject to a proposal other than is part of an official site visit even in response to an invitation as this may give the impression of bias unless:
 - (a) you feel that it is essential for you to visit the site other than through attending the official site visit
 - (b) you have first spoken to the Development Control Manager about your intention to do so and why (which will be recorded on the file) and you can ensure that you will comply with these good practice rules on site visits

11 Sanctions

The purpose of this Code is to provide guidance to Members in relation to the performance of the Councils planning function. The application of and adherence to the Code is intended to build public confidence in the Councils planning system and to produce a strong platform for planning decision-making. The Code does not remove the responsibility of Members to exercise their statutory discretion to determine the merits of individual applications or proposals.

A failure to adhere to the Code gives rise to potential consequences to the Council and individual Members, especially if this results in a pattern of inconsistency. The normal sanction of the democratic process is through the ballot box. Councillors may make a reputation in their community not only for their beliefs but also for their general conduct.

Consistency and fairness are important qualities in the public eye and they are vital to the conduct of the Planning Committee.

Beyond the normal democratic process a number of specific consequences can be identified

- **The Local Government Ombudsman**

Although the Local Government Ombudsman will not investigate the balance of argument in any planning decisions she/he may agree to investigate a planning complaint if it concerns the manner in which a decision was taken. If it is found injustice has been caused by maladministration in the light of statutory or established Council procedures she/he will recommend redress which may take the form of compensation.

Councillors who breach the national Code of Conduct may open themselves up to complaints of misconduct which will be dealt with by the Local Government Ombudsman. The Local Government Ombudsman has extensive powers to investigate a complaint. If a complaint is upheld a formal report can be sent either to the Council's Standards and Ethics Committee or the Adjudication Panel for Wales.

Such complaints may be referred to the Council's Monitoring Officer for investigation and the Standards Committee for determination and remedy.

- **The Adjudication Panel for Wales**

The Adjudication Panel for Wales is an independent body established under Part III of the Local Government Act 2000. The role of the panel is to form tribunals to consider whether Members have breached their authority's statutory Code of Conduct.

The panel will also hear appeals by Members against decisions of the Council's Standards and Ethics Committee.

- **Appeals to the National Assembly for Wales**

An applicant who has been refused planning permission has a right of appeal to the National Assembly for Wales. If an appeal is successful and it is shown that the Council's conduct in dealing with the matter was unreasonable to the appellant costs may be awarded against the Council. All appeals are administered by the Planning Inspectorate.

- **Powers of the National Assembly for Wales**

The National Assembly for Wales possesses a range of powers which could be exercised where a Local Planning Authority appears to make inconsistent decisions or decisions which are seriously in conflict with National and Development Plan Policies. This could involve the greater use of the power to call in applications whereby an application will be determined by the National Assembly following a Public Inquiry. Where permission has already been granted by the Council powers exist to revoke or modify permissions or to require discontinuance of a land use which if exercised would give rise to a liability to compensate on the part of the Council.

- **Judicial Review**

If objectors are convinced that the Council in determining to grant an application did not observe their statutory obligations to carry out all necessary procedures base their decision on the development plan and take in to account all representations they may apply for Judicial Review of the decision which might result in it being quashed. In such circumstances it would be normal for the costs of the applicant to be awarded against the Council.

- **District Auditor**

Each of the above courses of action could result in significant extraordinary costs to the Council. These costs will be closely examined by the District Auditor. Where it appears to an Auditor that a loss has been incurred or a deficiency caused in the Council's accounts by the wilful misconduct of any person she/he is required to certify that the loss or deficiency is due to that person and it may therefore lead to a formal report to Council in accordance with the powers granted to District Auditors under the Local Government Act 2000.

PART 5 – CODES AND PROTOCOLS

MEMBERS PLANNING CODE OF GOOD PRACTICE

APPENDIX 3 – SITE VISIT CODE OF PRACTICE

- 1 Sometimes Members of the Planning Committee need to visit a site to help them make a decision on a planning application. These visits are an extension of the Committee Meeting to enable members to make a visual assessment of the site and its surroundings
- 2 When a site visit is required the Development Control Section of Regulatory Services notifies the owner, if access to the premises is necessary
- 3 Site visits are open to all interested parties, including the general public
- 4 The owner or applicant is advised that although he or his agent may be present at the site visit, it is not an opportunity to make representations to Committee Members. This does not prevent the owner, the applicant, or their advisers pointing out factual matters such as the height of the proposed buildings, position of a window, proposed parking spaces etc. This factual information may be brought to the attention of the planning officers who will communicate it to the Planning Committee.
- 5 The Development Control Section will notify those who have also submitted written objections to the application. However, where a petition of objection has been lodged, only one of the petitioners is notified of the site visit. Objectors should be aware that the Council cannot require an owner or applicant to allow objectors onto his land, and that their ability to attend the site visit is at the discretion of the owner or applicant. Objectors are advised that the site visit is not an opportunity to make representations to Committee Members. Factual matters may be pointed out to the planning officer who will communicate it to the Planning Committee.
- 6 Local Ward Members will also be notified of the site visit. Ward Members should be aware that they are also allowed to make representations to Planning Committee Members at the discretion of the Chair during the site visit. If a Ward Member wishes to raise a matters of fact, they should bring it to the attention of the planning officer who will then communicate it to the Planning Committee
- 7 The visit will follow a structured format as follows:-
 - If the applicant, owner or agent (“the applicant”) is present, the Chair and planning officer will introduce themselves and thank them for the right to enter their land, the Chair or officer will remind the people attending the site visit of this Code of Practice
 - The Chair will call the site visit to order and will ask the planning officer in attendance to summarise; the application, site history, features of the site, any other relevant matters

- The officer will also explain to all those attending the site visit that :
 - (a) the purpose of the site visit is to enable the Planning Committee Members to see the site to enable them to consider and determine the planning application;
 - (b) the visit is not the opportunity for interested parties to lobby any Council member to support or oppose the application;
 - (c) if there are matters of fact, that have not been indicated by the planning officer, or if an interested party would like the Members to consider the site from a particular position they should communicate this to the planning officer who will then bring this to the attention of the Planning Committee;
 - (d) interested parties should put any representations in writing to the Development Control Section of Regulatory Services prior to the application being considered at the Planning Committee Meeting;
 - (e) interested parties may discuss the matter with Local Ward Members prior to the Committee Meeting at which the application is to be considered, and be informed that the names, addresses and telephone numbers of Local Ward Members are available.

- At no time during the site visit will the applicant, or any member of the public be allowed to address or question Members of the Planning Committee. Only the Chair or an officer may address the applicant for clarification of matters of fact. Other Members should not address comments to the applicant or other interested parties.

- At no time will Planning Committee Members debate the merit(s) of the application, and no decision will be made.

- No hospitality will be accepted during the course of the site visit.

- The Chair/ officer will close the site visit and if appropriate thank the applicant again for the right to enter the land and for any other assistance.

- No formal notes will be made at the site visit. An officer will orally update Planning Committee at the Committee Meeting on any new findings or further developments when it next meets to consider the application.

- 7.2 Reimbursement of the Cost of Care shall be provided to a Member or Co-opted Member for the reimbursement of necessary costs for the care of dependent children and adults, and for personal assistance needs, provided the Member incurs expenses in the provision of such care whilst undertaking 'approved' council duties.
