Dear Matthew

Re: 2 GUILDHALL PLACE

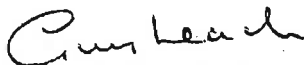

2 Guildhall Place is owned by Creswell Properties; a company with close links to Knox & Wells Ltd. Knox & Wells is a Cardiff based building contractor, founded in 1888 with considerable experience in commercial development.

We bought the property in June 2015. It was empty and in a poor state of repair. For the previous 35 years it had been a Burger King, a fast food restaurant with late trading until 3.30am. We saw potential to refurbish this prominent Cardiff building and to let it to a high end restaurant user with it well situated close to the major redevelopment of the old bus station in Wood Street. We employed E.J Hales to market the building and we had strong interest for the property.

We selected Curado, not just because they are a successful, proven company but also because we were impressed by their professionalism and offering. As part of our due diligence we visited their premises in Narbeth and Aberystwyth and they are ideally suited, as they offer a different dining experience for Cardiff City centre and their fit out, based on the bodegas of Spain suits the long narrow nature of 2 Guildhall Place. As a delicatessen and tapas restaurant they are a gentile and sophisticated use and will attract the discerning, civil customer. There is a strong emphasis on quality service and they aim to provide a rewarding experience for their clients.

We have worked well with Curado over the past 8/9 months, finalising the elevational treatment of the building and the internal layout to suit their requirements.

Yours sincerely

Dear Sir,

2 GUILDHALL PLACE, CARDIFF

I have pleasure in setting out below our Marketing Report on the above premises.

Background

E J Hales are a privately owned commercial real estate practise specialising in retail and leisure property throughout South Wales and many parts of England.

E J Hales are very experienced in Cardiff City Centre having recently been the Letting Agents on the very successful St David's 2 Shopping Centre and have dealt with many properties throughout the City.

Instructions

We were instructed by Guy Leach of Knox & Wells Limited to advise his company on this property when it was brought to the market by the Cardiff Office of Lambert Smith Hampton in April/May 2015. The property was originally partly redeveloped and refurbished in approximately 1980 as a purpose built fast food burger outlet. The original occupier was Goldburger which then was bought out by Burger King.

The Burger King lease expired early in 2015 and they decided not to renew the lease because of lack of trade.

The Royal Bank of Scotland were the owners of the property and decided to sell their interest.

It is our opinion that Westgate Street is an improving area and there have been several recent new lettings to successful operators such as The Brew House and Bar 44.

Also the regeneration of the Central Square/Bus Station area will be of benefit to the Westgate Street vicinity.

The Welsh Rugby Union are also exploring possible redevelopment of their substantial frontage on Westgate Street.

Marketing

Knox & Wells were successful in acquiring the property and completed the purchase in June 2016.

E J Hales were then formally instructed to secure a suitable tenant.

It was clear that the exterior and internal arrangement of the building was somewhat outdated and would benefit from a complete facelift.

In conjunction with Chris Waterworth Architects a scheme was drawn up to provide improved elevations which include new windows.

The proposal also included improving the internal layout by cutting out part of the first floor area to allow more natural light and a feature staircase.

Marketing duly commenced with a To Let board, letting particulars and placing on the E J Hales Website.

During the summer and autumn of 2015 we received considerable interest from a variety of users including the following:-

- Restaurants – including Asian Street Food and American Style Diner
- Wine Bars/Night Clubs
- Draft Beer Outlets

After various meetings with a number of potential tenants it was agreed that the best use for this property would be a quality restaurant type operator.

Ultracomida /Curado from Narberth became the preferred choice because of their style and commitment to their business.

We visited their main restaurant/delicatessen in Narberth and also their unit in Aberystwyth. We were very impressed with their style of operation which includes a delicatessen selling Spanish produce. This concept would be a perfect fit for this area, Their offer is very much the Mediterranean style family friendly restaurant/tapas bar rather than a wet/vertical drinking lead outlet.

If you require any further information please let me know.

Yours faithfully

APPLICATION FOR THE GRANT OF A PREMISES LICENCE,
"CURADO BAR " 2 GUILDHALL PLACE, CARDIFF CF101EB

I have caused enquiries to be made into this application and make the following representation that I wish to be considered when deciding on the licensable activity and conditions for this licence.

The Police object to this application.
The Police objections are based on the following:-

The prevention of crime and disorder.
Public Safety
Protection of children from harm.

(The premises are situated within the Cardiff City Centre cumulative impact area. There is a disproportionate amount of alcohol related crime and disorder in the vicinity. The opening of another outlet for alcohol may lead to an increase in the amount of alcohol related crime and disorder.

The premises are adjacent to the Westgate Street entrances to the Principality Stadium. The footfall on event days is high outside the premises.

There are occupied residential dwellings in close proximity of the premises.

The design and layout of the premises is not contiguous with sexual entertainment.)

Should the licensing committee be minded to grant this application we ask that the following conditions be placed on the licence;

pto.

1. The opening hours of the premises shall be limited to 0700 to 2330 each day.
2. The hours permitted for the sale of alcohol will be limited to 1000 to 2300 hours each day.
3. The provision of late night refreshment shall be limited to 2300 to 2330 hours each day.
3. A CCTV system shall be installed to a standard agreed with South Wales Police. It will be maintained and operated at all times the premises are open to the public. The system shall cover all areas to which the public have access (excluding toilets) including all public entrances and exits and any outside area used by customers. Images shall be kept for a minimum of 31 days.
The images shall be produced to a Police employee or authorised Officer of Cardiff Council Licensing in a readily playable format immediately upon request when the premises are open and at all other times as soon as reasonably practical. There will be sufficient staff training to facilitate the above.
4. Substantial meals will be available whenever alcohol is offered for sale.
5. On major event days in Cardiff City Centre, such as sporting events in the Principality Stadium, all drinks will be served in non glass vessels.
6. On major event days in Cardiff City Centre, such as sporting events in the Principality Stadium, an SIA registered member of door staff will be on duty when alcohol is offered for sale for consumption on the premises.
7. On major event days in Cardiff City Centre, such as sporting events in the Principality Stadium, the premises will not obstruct the thoroughfare of Guildhall Place or Westgate Street with tables, chairs, planters or similar items.
8. There will not be any lap dancing, striptease or other similar adult entertainment allowed on the premises.
9. When there are large private events at the premises, such as invitation only parties, a member of door staff will be on duty to supervise entry.

The Police objections are based on the following:-

The prevention of crime and disorder.

(The premises are situated within the Cardiff City Centre saturation zone. There is a disproportionate amount of alcohol related crime and disorder in the vicinity. The opening of another outlet for alcohol may lead to an increase in the amount of alcohol related crime and disorder.

Addition evidence to support the Police representation and conditions may be used at a subsequent hearing before the Licensing Committee hearing. This evidence may be expanded on verbally, written, statistical or CCTV evidence.

If you wish any further information then please contact Police Licensing Officer Tony Bowley at the Cardiff Bay Police Station ☎ 029.20. 633421.

Dear Sir,

Re: Application for Premises Licence - Grant Premises:
CURADO BAR 2 Guild Hall Place
Application Number CCCP/01939

I write in respect of the above application submitted to the authority on 6th June 2016, and hereby give notification that the Licensing Authority of Cardiff Council object to the application for a Premises Licence.

A Cumulative impact Policy has been adopted for the City Centre area of the City. The Licensing Authority has adopted the policy due to high levels of alcohol related crime and disorder, in the interests of public safety and the avoidance of nuisance.

The policy creates a presumption that new applications for Premises Licences will be refused unless the applicant can demonstrate the business will have no negative effect on any of the licensing objectives. I have attached a copy of the policy for your information.

The premises detailed above falls within the boundary of the Cumulative Impact Zone and therefore an objection is submitted in respect to the following Licensing Objectives.

The prevention of crime and disorder.
The prevention of public nuisance.
Public safety.

Consequently the Licensing Sub-Committee will need consider this application.

However the Authority will withdraw its objection if the applicant can demonstrate that the premises is primarily a restaurant in that alcohol is only sold with a substantial table meal and there is no public bar area exclusively for the sale the sale of alcohol, in line with Cardiff Councils Cumulative Impact Policy.

You will need to demonstrate to the Licensing Sub-Committee that there will be no negative cumulative impact on one or more of the licensing objectives if the Premises Licence were to be granted.
