**QUESTION TO COUNTY COUNCILLOR PATEL
(TRANSPORT, PLANNING & SUSTAINABILITY PORTFOLIO)**

PUBLIC QUESTION FROM RHYS TAYLOR

Local businesses on Whitchurch Road have long called for business parking permits to be introduced in the area allowing local businesses to utilise resident-only parking spaces during working hours. Cardiff Council has previously conducted a trial of a similar scheme in Riverside; however, the evaluation of this scheme has yet to be published. Can you confirm that the Council intends to publish the evaluation of this scheme in order for business parking permits to be rolled out across the City?

PUBLIC QUESTION NO. 2

**QUESTION TO COUNTY COUNCILLOR MERRY
(EDUCATION PORTFOLIO)**

PUBLIC QUESTION FROM TOM WALKER

In the 2016 secondary school admissions round a significant number of Marlborough Primary School children who had been long term residents within the Cardiff High School catchment area were not initially allocated a place at Cardiff High School. This resulted in disruption to established peer groups and caused considerable distress to the children concerned.

In view of this, please confirm what, if any, action has the Council taken to ensure that the rights and interests of Marlborough Primary School children, and the preferences of their parents, are adequately and fairly taken into account when allocating places at Cardiff High School?
