

City of Cardiff Council

Statutory Screening Tool Guidance

If you are developing a strategy, policy or activity that is likely to impact people, communities or land use in any way then there are a number of statutory requirements that apply. Failure to comply with these requirements, or demonstrate due regard, can expose the Council to legal challenge or other forms of reproach.

For instance, this will apply to strategies (i.e. Housing Strategy or Disabled Play Strategy), policies (i.e. Procurement Policy) or activity (i.e. developing new play area).

Completing the Statutory Screening Tool will ensure that all City of Cardiff Council strategies, policies and activities comply with relevant statutory obligations and responsibilities. Where a more detailed consideration of an issue is required, the Statutory Screening Tool will identify if there is a need for a full impact assessment, as relevant.

The main statutory requirements that strategies, policies or activities must reflect include:

- [Equality Act 2010 - Equality Impact Assessment](#)
- [Wellbeing of Future Generations \(Wales\) Act 2015](#)
- [Welsh Government Statutory Guidance - Shared Purpose Shared Delivery](#)
- [United Nations Convention on the Rights of the Child](#)
- [United Nations Principles for Older Persons](#)
- [Welsh Language \(Wales\) Measure 2011](#)
- [Health Impact Assessment](#)
- [Habitats Regulations Assessment](#)
- [Strategic Environmental Assessment](#)

This Statutory Screening Tool allows the Council to meet the requirements of all the above legislation as part of an integrated screening method and should take no longer than 1 hour to complete.

The Statutory Screening Tool can be completed as a self assessment or as part of a facilitated session, should further support be needed. For further information or if you require a facilitated session, please contact the Operational Manager – Policy, Partnerships and Community Engagement on (029) 2078 8561 or e-mail: Gareth.Newell@cardiff.gov.uk

Please note:

- **The completed Screening Tool must be submitted as an appendix with the Cabinet report.**
- **The completed Screening Tool will be published on the Council's Intranet.**

Appendix 1 – Statutory Requirements

It is possible that the Statutory Screening Tool will identify the need to undertake specific statutory assessments:

- **Equality Impact Assessment:** *This assessment is required by the Equality Act 2010 and Welsh Government’s Equality Regulations 2011.*

- **Welsh Language (Wales) Measure 2011:** *The Measure sets out official status for the Welsh language, a Welsh language Commissioner, and the freedom to speak Welsh.*
- **Health Impact Assessment:** *(HIA) considers policies, programmes or projects for their potential effects on the health of a population.*
- **Habitats Regulations Assessment:** *The Conservation (Natural Habitats, &c.) (Amendment) Regulations 2007 provides a requirement to undertake Habitats Regulations Assessment (HRA) of land use plans.*
