**Plaid/ Party: Liberal Democrats**

**Ward: Pentwyn Etholwyd yn Gyntaf/ First Elected: May 2017**

This report identifies my key activities over the municipal year 2017/18 ending 24 May 2018. It is provided for the information of all constituents and for no other purpose.

### **Section 1: Role & Responsibilities**

I am a member of the Standards and Ethics, and Democratic Services committees.

I am also a non-executive director of Cardiff Bus and the Lib Dem group spokesperson for Strategic Planning and Transport.

### **Section 2: Constituency Activity**

Over the last year I have handled more than 200 pieces of casework, covering a whole variety of issues including; waste collections and fly tipping, housing needs and maintenance, parks facilities and maintenance, outdoor maintenance of street furniture and trees, nuisance parking, anti-social behaviour, community facilities, social care and pot holes.

I am particularly proud of the casework I have done that has made a big difference to the lives of individual residents, particularly those who've had problems with accessing housing and social care, dealing with inconsiderate neighbours and addressing pest control issues.

I have also held 15 surgeries at the Powerhouse hyb in Llanedeyrn.

### **Initiatives and Special Activities**

I have been involved with several petitions to the council, the topics for which include; anti-social behaviour problems in Pentwyn, the empty My Local/Pentwyn Arms building, bus services for children attending Llanishen High School, parking problems outside Cardiff Met Campus on Circle Way West, the removal of the café at Pentwyn Leisure Centre and the deterioration of the lake at Parc Coed Y Nant.

I have been a school governor at Springwood Primary School, which I used to attend as a child, for nearly 2 years. I am the link governor for health and safety, and the pupil

deprivation grant, and I am the chair of the buildings sub-committee. I was pleased to be able to help secure some vital work this year that needed doing on the school roof, above the kitchens – the outstanding maintenance work had been unaddressed for quite some time, and was potentially going to threaten the school's hygiene rating.

**Other Activities/Issues**

I have participated in regular litter picks organised by Keep Wales Tidy and the Pentwyn Pickers, I have regularly attended PACT meetings in Llanedeyrn and Pentwyn, and been involved with the Llanedeyrn and Pentwyn Community Group. I have attended community events hosted by South Wales Police, the Powerhouse hyb in Llanedeyrn and local churches, and have met with Cardiff Met on multiple occasions in relation to ward issues.
