### 37 : REVISED GUIDANCE ON DETERMINING THE SUITABILITY OF APPLICANTS AND LICENSEES IN THE HACKNEY AND PRIVATE HIRE TRADES

Members of the Committee are asked to consider applications for new licences or complaints against existing licence holders. In determining these matters the authority has adopted a policy to provide guidance on the treatment of convictions, cautions and criminal charges in respect of new applicants and existing drivers/operators. The current policy has been in place since 2015.

Members were advised that in April 2018 the Institute of Licensing published a document entitled 'Guidance on Determining the Suitability of Applicants and Licensees in Hackney Carriage and Private Hire Trades'. A copy of the document was appended to the report at Appendix A. The Guidance was produced in conjunction with the Local Government Association, Lawyers in Local Government and the National Association of Licensing Enforcement Officers following widespread consultation.

The Wales Licensing Expert Panel considered and endorsed the document with a recommendation that the guidance be adopted by all Welsh Local Authorities to replace their existing policies. Members were asked to authorise officers to consult with the local taxi trade on the Authority's draft revised policy, attached to the report at Appendix B.

RESOLVED – That the Licensing Department consult with the local taxi trade on the draft policy.
