
ENVIRONMENTAL SCRUTINY COMMITTEE WORK PROGRAMME 2015/16

Background

1. The Constitution states that each Scrutiny Committee will set their own work programme. This is undertaken at the beginning of a municipal year and updated as the work progresses. The work programme needs to be carefully constructed so that the time available to the Committee is used most effectively.
2. The Environmental Scrutiny Committee's Terms of Reference provide the Committee with the responsibility for the scrutiny of a number of specific service areas. A copy of the terms of reference has been attached to this document as **Appendix 1**. This will remind Members of the scope of ideas that could be considered.
3. The Committee is responsible for the scrutiny of a number of policies and strategies that affect the sustainability and environment of Cardiff. It can also undertake investigations into any of these areas.
4. The construction of a work programme involves obtaining information from a range of sources, these include:
 - Information from the relevant Directorate;
 - Relevant extracts from the current Corporate Plan;
 - Suggestions and ideas put forward by the previous Environmental Scrutiny Committee;
 - Member suggestions and observations;
 - Citizen and third party comments and observations;
 - Performance Information.

5. The topics gathered from the sources identified above were recorded in a document titled 'Environmental Scrutiny Committee Work Programme – Potential Items 2015/16'. This document was considered at the meeting on the 2 September 2015 prior to Members completing a scoring matrix to identify individual priorities. Once the individual scoring matrices were completed they were summarised to create an overall list of Member priorities. The Principal Scrutiny Officer took the priority topics and placed them into a 'Draft Environmental Scrutiny Committee Work Programme - 2015/16' which was received and considered at the Environmental Scrutiny Committee meeting on the 15 September. Following discussion and some changes a finalised 'Environmental Scrutiny Committee – Work Programme 2015/16' was approved at the meeting on the 13 October. This was later updated on the 8 December 2016. A copy of the Environmental Scrutiny Committee Work Programme 2015/16 as at the 8 December has been attached as **Appendix 2**.
6. Since the 8 December meeting there has been a change in the availability of some items for scrutiny. This item will provide Members with the opportunity to decide which items they would like to scrutinise in May and June 2016. Consideration will also be given to the next task & finish exercise to be undertaken by the Committee.

Way Forward

7. Members should note the changes to the 'Environmental Scrutiny Committee Work Programme - 2015/16', comment on potential task & finish exercises and suggest a way forward for the 'Environmental Scrutiny Committee' to engage with these pieces of work.

Legal Implications

8. The Scrutiny Committee is empowered to enquire, consider, review and recommend but not to make policy decisions. As the recommendations in this report are to consider and review matters there are no direct legal implications. However, legal implications may arise if and when the matters under review are implemented with or without any modifications. Any report with recommendations for decision that goes to Cabinet/Council will set out any legal implications arising from those recommendations. All decisions taken by or on behalf of the Council must (a) be within the legal powers of the Council; (b) comply with any procedural requirement imposed by law; (c) be within the powers of the body or person exercising powers on behalf of the Council; (d) be

undertaken in accordance with the procedural requirements imposed by the Council e.g. Scrutiny Procedure Rules; (e) be fully and properly informed; (f) be properly motivated; (g) be taken having regard to the Council's fiduciary duty to its taxpayers; and (h) be reasonable and proper in all the circumstances.

Financial Implications

9. The Scrutiny Committee is empowered to enquire, consider, review and recommend but not to make policy decisions. As the recommendations in this report are to consider and review matters there are no direct financial implications at this stage in relation to any of the work programme. However, financial implications may arise if and when the matters under review are implemented with or without any modifications. Any report with recommendations for decision that goes to Cabinet/Council will set out any financial implications arising from those recommendations.
