Summary report

Introduction

1. The purpose of this report is twofold:
 - to set out for consideration the matters arising from the audit of the financial statements of Cardiff & Vale of Glamorgan Pension fund (the Pension Fund), for 2015-16, that require reporting to those charged with governance, in time to enable appropriate action; and
 - to formally communicate the completion of our audit and capture the recommendations arising from our audit work for the year.
2. The Auditor General's responsibilities were set out in our Audit Plan along with your responsibilities as those charged with governance; we do not repeat them in detail again here.
3. We confirm we have undertaken the audit as planned and our performance against the agreed measures are reported in [Appendix 4](#). We have no other issues to report to you other than in this report.
4. We are particularly grateful to the Pension Fund and staff for their assistance, good quality working papers and draft accounts provided during the course of our audit.
5. The Auditor General is responsible for providing an opinion on whether the financial statements give a true and fair view of the financial position of Cardiff and Vale of Glamorgan Pension Fund at 31 March 2016 and its income and expenditure for the year then ended.
6. We do not try to obtain absolute assurance that the financial statements are correctly stated, but adopt the concept of materiality. In planning and conducting the audit, we seek to identify material misstatements in your financial statements, namely, those that might result in a reader of the accounts being misled.
7. The quantitative level at which we judge such misstatements to be material is £16.5 million. Whether an item is judged to be material can also be affected by certain qualitative issues such as legal and regulatory requirements and political sensitivity.

Status of the audit

8. We received the draft financial statements for the year ended 31 March 2016 on 15 June in line with our agreed deadline, and have now substantially completed the audit work.
9. We are reporting to you the more significant issues arising from the audit, which we believe you must consider prior to approval of the financial statements. The audit team has already discussed these issues with officers.

Proposed audit report

10. It is the Auditor General's intention to issue an unqualified audit report on the financial statements once you have provided us with a Letter of Representation based on that set out in [Appendix 1](#).
11. The proposed audit report is set out in [Appendix 2](#).

Significant issues arising from the audit

Uncorrected misstatements

12. There are no misstatements identified in the financial statements, which remain uncorrected.

Corrected misstatements

13. There are misstatements that have been corrected by management, but which we consider should be drawn to your attention due to their relevance to your responsibilities over the financial reporting process. They are set out with explanations in [Appendix 3](#).

Other significant issues arising from the audit

14. In the course of the audit, we consider a number of matters both qualitative and quantitative relating to the accounts and report any significant issues arising to you. There were no issues arising in these areas this year:
 - **We have no concerns about the qualitative aspects of your accounting practices and financial reporting.** We found the information provided to be relevant, reliable, comparable, material and easy to understand. We concluded that accounting policies and estimates are appropriate and financial statement disclosures unbiased, fair and clear.
 - **We did not encounter any significant difficulties during the audit.** We received information in a timely and helpful manner and were not restricted in our work.
 - **There were no significant matters discussed and corresponded upon with management which we need to report to you.**
 - **There are no other matters significant to the oversight of the financial reporting process that we need to report to you.**
 - **We did not identify any material weaknesses in your internal controls.**
 - **There are no 'other' matters specifically required by auditing standards to be communicated to those charged with governance.**

Recommendations arising from our 2015-16 audit work

15. The recommendations arising from our audit work are set in [Appendix 5](#). Management has responded to them and we will follow up progress on them during next year's audit. Where any actions are outstanding, we will continue to monitor progress and report it to you in next year's report.

Independence and objectivity

16. As part of the finalisation process, we are required to provide you with representations concerning our independence.
17. We have complied with ethical standards and in our professional judgment, we are independent and our objectivity is not compromised. There are no relationships between the Auditor General, Wales Audit Office and Cardiff and Vale of Glamorgan Pension Fund that we consider to bear on our objectivity and independence.

The financial reporting framework that has been applied in their preparation is applicable law and the Code of Practice on Local Authority Accounting in the United Kingdom 2015-16 based on International Financial Reporting Standards (IFRSs).

Respective responsibilities of the responsible financial officer and the Auditor General for Wales

As explained more fully in the Statement of Responsibilities for the Statement of Accounts set out on page XX, the responsible financial officer is responsible for the preparation of the statement of accounts, including the County Council of the City and County of Cardiff's Group accounting statements and the Cardiff and Vale of Glamorgan Pension Fund's accounting statements, which gives a true and fair view.

My responsibility is to audit the accounting statements and related notes in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require me to comply with the Financial Reporting Council's Ethical Standards for Auditors.

Scope of the audit of the accounting statements

An audit involves obtaining evidence about the amounts and disclosures in the accounting statements and related notes sufficient to give reasonable assurance that the accounting statements and related notes are free from material misstatement, whether caused by fraud or error. This includes an assessment of whether the accounting policies are appropriate to the County Council of the City and County of Cardiff; the County Council of the City and

County of Cardiff Group and the Cardiff and Vale of Glamorgan Pension Fund's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the responsible financial officer and the overall presentation of the accounting statements and related notes.

In addition, I read all the financial and non-financial information in the Narrative Report to identify material inconsistencies with the audited accounting statements and related notes and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by me in the course of performing the audit. If I become aware of any apparent material misstatements or inconsistencies, I consider the implications for my report.

Opinion on the accounting statements of County Council of the City and County of Cardiff

- In my opinion the accounting statements and related notes:
- give a true and fair view of the financial position of the County Council of the City and County of Cardiff as at 31 March 2016 and of its income and expenditure for the year then ended; and
- have been properly prepared in accordance with the Code of Practice on Local Authority Accounting in the United Kingdom 2015-16.

Opinion on the accounting statements of County Council of the City and County of Cardiff Group

- In my opinion the accounting statements and related notes:
- give a true and fair view of the financial position of the County Council of the City and County of Cardiff Group as at 31 March 2016 and of its income and expenditure for the year then ended; and
- have been properly prepared in accordance with the Code of Practice on Local Authority Accounting in the United Kingdom 2015-16.

Opinion on the accounting statements of Cardiff and Vale of Glamorgan Pension Fund

In my opinion, the pension fund accounts and related notes:

- give a true and fair view of the financial transactions of the Cardiff and Vale of Glamorgan Pension Fund during the year ended 31 March 2016 and of the amount and disposition of the fund's assets and liabilities as at that date, other than liabilities to pay pensions and benefits after the end of the scheme year; and
- have been properly prepared in accordance with the Code of Practice on Local Authority Accounting in the United Kingdom 2015-16.

Opinion on other matters

In my opinion, the information contained in the Foreword is consistent with the accounting statements and related notes.

Matters on which I report by exception

I have nothing to report in respect of the following matters, which I report to you if, in my opinion:

- adequate accounting records have not been kept;
- the accounting statements are not in agreement with the accounting records and returns; or
- I have not received all the information and explanations I require for my audit;
- the Governance Statement does not reflect compliance with guidance.

Certificate of completion of audit

I certify that I have completed the audit of the accounts of the County Council of the City and County of Cardiff in accordance with the requirements of the Public Audit (Wales) Act 2004 and the Auditor General for Wales' Code of Audit Practice.
