

To Rhea

Thank you very much for
renegotiating the way
you find new opportunities
for me

Thank you very much for
being there for me when
times go pear shaped

Thank you very much for
being responsible for
keeping things in a consistent
way by helping me overcome
being away from home.

Thank you very much for
listening to my views
for panelling St Martins to
debate the pressure from
being isolated in school.
Having to embrace 1 year in
part-time foster care.

VERY VERY

VERY

MUCH!

Good luck and hope you have
a great future with everything
