

## Final Regular Scrutiny Items

Please can you indicate how you wish to scrutinise the following items, for the next year, which had previously been scrutinised at full Committee.

Members should identify where they feel the scrutiny of an item will have the most impact. Each item could continue to be scrutinised at full Committee, or in an ongoing panel reporting back to Committee, through an informal briefing or a task group investigation. Members may also wish defer an item until next years work programme.
