Operating Schedule and Current Conditions

Please identify those conditions currently imposed on the licence which you believe could be removed as a consequence of the proposed variation you are seeking

We seek to remove those existing Annex 2 conditions currently imposed on the licence as these are now either outdated or covered by other primary legislation –

- (2) Plastic drink containers will be used for outside functions
- (3) No glass allowed outside front of premises
- (4) All staff will be made aware of health and safety issues
- (5) Fire extinguishers and fire alarm to be installed with regular checks made on the beer garden for possible hazards
- (6) All downstairs windows will be kept closed and locked at all times
- (7) The bottle bins are to be emptied between 10:00 and 12:00 noon
- (9) The maximum number of persons that may be accommodated at any time in the premises shall be 200
- (10) Children will not be allowed to sit at the bar but are allowed in the rest of the bar area, restaurant and beer garden. Soft drinks and snacks will be available at all times with children's menus between 12:00 noon and 15:00 and between 18:00 and 21:00 hours

M- Describe any additional steps you intend to take to promote the four licensing objectives as a result of the proposed variation

a) General – all four licensing objectives (b,c,d,e) (please read guidance note 11)

[The information provided in this box is solely for information only and not intended to be converted into conditions on the Premises Licence]

Given the changes proposed, we have carefully considered the application, the effect on the licensing objectives and the council's licensing policy. The purpose for seeking extended trading hours would allow the customers to continue their time in a safe and comfortable environment, and give the premises slightly more flexibility around trading.

The application also proposes to extend the opening hours to 8am daily for the provision of non-licensable activities such as breakfast, coffee & tea etc. We are seeking a non-standard timing for New Year's Eve for certain licensable activities and the opening hours to again

give the premises some flexibility on this notable day. The premises are to be subject to a complete refurbishment which includes an extension and remodelling of the trade area with an investment of £1million.

Please note that the application may be amended during the representation period to reflect any agreements reached with the responsible authorities and other parties.

b) The prevention of crime and disorder

Please see box a) above. We understand our obligations under existing legislation and take our responsibilities seriously.

c) Public safety

Please see box a) above. We understand our obligations under existing legislation and take our responsibilities seriously.

d) The prevention of public nuisance

Please see box a) above. We understand our obligations under existing legislation and take our responsibilities seriously.

e) The protection of children from harm

Please see box a) above. We understand our obligations under existing legislation and take our responsibilities seriously.

Hello

FYI – please see the email exchange below between [redacted] and I on the major variation for these premises. We have agreed for the following conditions to be added to the licence –

- 1. A CCTV system shall be installed to a standard as approved by South Wales Police and maintained and operated at all times the premises are open to the public. The system will cover all internal areas of the premises {Excluding toilets} where the public have access including all entrances and exits and any external areas associated with the premises. The images shall be kept for a minimum of 31 days and shall be produced to a Police employee in a readily playable format immediately upon request when the premises are open and at all other times as soon as reasonably practicable. There will be sufficient trained staff to facilitate the above.*

2. *An incident book shall be kept at the premises and maintained on site, for a period of twelve months. It shall be made available on request to an authorised officer of the local authority or a member of police staff, which will record the following:*
 - *All crimes reported to the venue*
 - *Any complaints received (of a Criminal or Licensing nature)*
 - *Any incidents of disorder*
 - *Any visit by a representative of a relevant authority or a member of the emergency services.*
 - *Any failures of the CCTV system.*
3. *The premises will operate a Challenge 25 policy. This policy will be brought to the attention of customers by the use of appropriate signage. Challenge 25 notices will be displayed in prominent positions throughout the premises. The only form of identification recognised will be photographic identification cards such as driving licence, passport or proof of age scheme cards.*
4. *All staff will receive training prior to being authorised to sell age-related goods (alcohol) as well as annual refresher training. This training shall include Age-Challenge procedures and refusal of sales (due to age/intoxication and/or proxy sales). A record of this training is to be kept on the premises for a minimum of 18 months and made available to a police employee immediately upon request.*
5. *No unaccompanied children are permitted on the premises.*
6. *The consumption of alcohol in an area attached to the premises in the open air shall terminate at 22:00hrs each day.*

I would suggest that the existing Annex 2 CCTV condition is removed with the above condition 1 being added.

– We shall be appointing Gemma Morgan as the DPS shortly.

Morning

Hope you're good.

I have now taken our client's instructions on your requested conditions, and they are agreeable to all of them apart from No. 5.

The reasoning for this is that firstly the premises need the flexibility to alter the table plans so with this condition it would be too restricted. Secondly, the building is Listed so internal layouts are additionally restricted because our client has to protect the historic fabric and this impacts on the available layout options (i.e. retaining beams, fireplace's and other significant historic items etc).

If you are agreeable to the above, I shall email the licensing authority copying you in to confirm our client's acceptance of these conditions.

Good Afternoon,

Licensing Act 2003: Application to vary a Premises Licence - Unicorn Inn, Church Road, Cardiff, CF3 6HA

I have reviewed the above mentioned application and I have concerns in regard to public nuisance as this is a residential area.

On the grounds of prevention of public nuisance, we request that if the requested variations are permitted then the following conditions are added to the licence:

1. All windows and doors will remain closed from 21:00 and 09:00 (other than to allow access/egress).
2. All windows and doors of the premises will remain closed (other than to allow access/egress) during performances of regulated entertainment.
3. The movement of bins and rubbish will not be undertaken between 21:00 and 09:00 in order to avoid potential disturbance.
4. No deliveries or collections relating to licensable activities at the premises will take place between the hours of 21:00 and 09:00.
5. There will be strategically placed legible notices to be displayed at entrances/exits, requesting the public to respect the needs of nearby residents and to leave the premises and area in a quiet and respectful manner.

It is the authorities position that we are objecting to the above application on the grounds of prevention of public nuisance however this objection can be overturned should the applicant agree to the above conditions.

Please let me know if you would like to discuss these conditions further.

Dear Licensing team,

We are writing regarding the proposed licensing variations for the Unicorn Inn pub on church Road.

While we are glad to see that this community facility will be re-opening soon, we are dissatisfied with the proposed licensing variations, in particular the extended opening hours.

The Unicorn is situated in a residential area with numerous young families etc. and it seems obvious that the proposed variations should not be granted on the grounds of preventing public nuisance.

thank you for your time & consideration of this objection,

Good morning,

I write to object to the proposed variation in licensing for the Unicorn Pub, Church Road, St Ederyns.

I reside at [redacted] and my property overlooks the pub. I work for the police and therefore work shifts around the clock. From a personal perspective, I am highly concerned about the noise nuisance and it affecting my quality of life and sleep. There are already proposals to put a children's play area into the beer garden which will increase noise levels during the day time. Now the noise levels will undoubtedly be worsened with the extended licensing proposals.

Firstly, I would like to say that in general, I am happy that the pub is re-opening. However, the pub is located on a residential estate with houses in close proximity. I do not feel it is necessary for the hours of operation or for the service of alcohol to run from 0800-0030 Mon

-Thurs and 0800-0100 with the pub being allowed to stay open until 01.30. The opening times and such long and late service hours will undoubtedly cause noise disruption for the neighbouring properties causing a public nuisance. With the large beer garden, the outside noise will be very loud, especially with people being able to purchase alcohol until 1am.

When the pub was open previously, there was an increase in crime and disorder due to the very obvious links between alcohol consumption and crime. There was more police activity between the pub and Boyce Way where people utilised the footpath at the end of Boyce Way towards Llanrumney as a means to escape the police. There is already evidence of crime and disorder being worse in the neighbourhood when the pub was open 6 years ago. The pub re-opening will affect that and the licensing hours and opening hours being increased so early in the morning and so late at night will have a significant impact on crime and disorder in the area. This has already been proven. With this increase in crime and disorder, public safety will inevitably be negatively impacted.

From my policing experience, I'm well aware that public houses do not always serve alcohol responsibly & will enable customers who do not know their own limits to become far too intoxicated. Whilst this is against the law, I'm also well aware that licensing checks are not a priority and this will go unmanaged. This will undoubtedly become worse with such long service hours, causing a public nuisance and increasing disorderly behaviour.

The footpath was also used by regular people walking home from the pub late at night. It is a quiet residential street and they were intoxicated and loud. This will inevitably cause a public nuisance which at 11pm at night is tolerable but not at 1.30-2am, especially when there are weekend workers, shift workers and children living on that street and neighbouring properties. It just feels like a stretch too far and completely unnecessary for a pub on a quiet residential estate.

I look forward to hearing from you.

Regards,

REF PL/JW/LC

Dear Sirs

Further to the letter I have received regarding the Unicorn Pub licencing changes. Whilst I am very supportive of the pub to reopen after being closed for several years.

I have several concerns relating to the proposed licencing. I assume you will have a voice to raise concerns on behalf of the community.

My concerns are the extreme opening hours as follows;

- The opening hours of 8am – Monday to Saturday;
- Closing Sunday – Thursday 12:30am; and
- Closing Friday and Saturday 1:30am.

Surly these opening hours are quite extreme for a community pub, and will cause noise complaints in the future. It is not justifiable for a local pub to open so early and close so late. These hours do not seem inline with other pubs in the local area which close at a reasonable time and I have highlighted below.

The Black Griffin Inn (Lisvane) – opens at midday and closes 11pm or midnight on a Friday and Saturday

Fox and Hounds (Old St Mellons) – opens at 10 am and closes at 11pm

Ty'r Winch Pub (Old St Mellons) – opens 12-11pm

The Chruch Inn (Old St Mellons) – opens 12-11pm

The hours of the pubs above are more reasonable and less likely to cause noise disturbances.

If there is a petition being raised I will gladly sign and support the local community.

Kind regards

I wish to object to the start time and terminal time of the proposed alteration of the above.

I wish to object on the following grounds

Prevention of Crime And Disorder

We have a high rate of motor vehicle crime in this area already and feel that people walking about at later hours would no longer seem to be strange and would be unable to be monitored by residents.

Prevention of public nuisance

We already get a lot of noise at my address as there is only one way into . The Unicorn pub is below my residence and the noise carries quite badly. The proposed terminal hours would become a public nuisance to residents.

Due to the close proximity of the large and walkable estate of Pontprennau nearby there may well be lots of people spilling out of pub at 1.30 am.

I feel that normal pub hours should be observed at this pub as it is possible to apply for extensions to licensing hours for special events such as World Cup sporting events etc.

Yours sincerely

Good morning,

I write to object to the proposed variation in licensing for the Unicorn Pub, Church Road, St Ederys.

I live at [redacted] and my property overlooks the pub and beer garden and back onto the lane that leads to the underpass. I work full time for the government starting at 7 am, 3 days of which are from home. I have mental health issues and need sleep, which doesn't come easily especially with stress, anxiety, or noise. From a personal perspective, I am highly concerned about the noise nuisance and it affecting my quality of life and sleep. There are already proposals to put a children's play area into the beer garden which will increase noise levels during the daytime. Now the noise levels will undoubtedly be worsened with the extended licensing proposals. This is currently a quiet and peaceful street/ area.

Firstly, I'm generally happy that the pub is re-opening. As its being portrayed as a family pub mainly focusing on the restaurant side. Which will be a nice addition to the area. However, the pub is located on a residential estate with houses in close proximity. I do not feel it is necessary or applicable for the hours of operation or for the service of alcohol to run from 0800-0030 Monday-Thursday and 0800-0100 with the pub being allowed to stay open until 01.30. The opening times and such long and late service hours will undoubtedly cause noise disruption for the neighbouring properties causing a public nuisance. This has already been proven. With this increase in crime and disorder, public safety will inevitably be negatively impacted.

This will undoubtedly become worse with such long service hours, causing a public nuisance and increasing disorderly behaviour. I've experienced how people get so intoxicated they are not aware or have regard for people or their surroundings. Living so close this will cause me anxiety, worry and stress.

The footpath, which is located directly behind my property, was also used by regular people walking home from the pub late at night. It is a quiet residential street; they were intoxicated and loud. This will inevitably cause a public nuisance which at 11pm at night is worrisome but tolerable not at 1.30-2am, especially when there are weekend workers, shift workers, old people and children living on that street

and neighbouring properties. I feel these proposed licencing hours are a stretch too far and completely unnecessary for a pub/restaurant on a quiet residential estate.

Objection to Variation of Proposed Licensing Hours and Sale of Alcohol for The Unicorn Inn (Church Road, St Ederyn's, Cardiff. CF3 6YA)

EXTERNAL: This email originated from outside Cardiff Council, take care when clicking links.

ALLANOL: Daw'r e-bost hwn o'r tu allan i Gyngor Caerdydd, cymerwch ofal wrth glicio ar ddolenni.

To Whom It May Concern,

I am writing this letter to formally express my objection to the proposed variation of licensing hours and sale of alcohol from 08:00 Monday to Sunday, with a closing time of 00:30 on Sunday to Thursday and 01:30 on Friday and Saturday for The Unicorn Inn (Church Road, St Ederyn's, Cardiff. CF3 6YA). As a concerned resident of the neighborhood, I believe that granting such a variation could have a detrimental impact on the community, residents' well-being, the prevention of crime and disorder, public safety, and prevention of public nuisance.

It is important to note that The Unicorn Inn has been closed for a number of years while new communities have been built around it. These communities have been established with the expectation of a quiet and peaceful neighbourhood. The proposed variation of licensing hours could potentially disrupt the harmony that has been established over the years.

First and foremost, the proposed extension of licensing hours raises concerns regarding the prevention of crime and disorder. Allowing the sale of alcohol from as early as 08:00 Monday to Sunday could potentially contribute to excessive drinking, which may increase the risk of public disturbances, altercations, and antisocial behavior within the community. It is crucial to prioritise the safety and security of residents by maintaining responsible licensing hours that minimise the potential for crime and disorder.

Furthermore, the proposed extension of licensing hours will have implications for public safety. Late-night operations until 00:30 on Sunday to Thursday and 01:30 on Friday and Saturday could lead to an increased risk of accidents, potential overcrowding, and strained emergency response resources. Ensuring public safety requires careful consideration of the impact that extended hours may have on the overall well-being and security of patrons, residents, and the surrounding area.

Additionally, the potential for an increase in public nuisance cannot be overlooked. Extending licensing hours will result in heightened noise levels, disturbances, and inconvenience for the residents in close proximity to the pub. This will disrupt the quality of life and negatively impact the tranquility of the neighbourhood, including increased use and littering of a rural footpath, within an ecology strip that borders on many properties, and associated antisocial

behaviour. It is essential to strike a balance that respects the rights of both local businesses and residents, minimizing any adverse effects on the community.

In light of these concerns, I strongly object to the proposed variation of licensing hours and sale of alcohol from 08:00 Monday to Sunday, with closing times of 00:30 on Sunday to Thursday and 01:30 on Friday and Saturday for The Unicorn Inn (Pub). I kindly request that the licensing authority carefully considers the potential consequences on the community, residents' well-being, the prevention of crime and disorder, public safety, and the prevention of public nuisance before making any decisions.

Thank you for considering my objection. I trust that you will give this matter the attention it deserves. I would appreciate being kept informed of any developments or decisions regarding this issue.

Yours sincerely,

Hello,

with regards to the proposed licencing variations for the Unicorn Pub (Church Road Cardiff, CF3 6HA), I'd like to make some representations on the grounds of public nuisance and the prevention of disorder.

Specifically, the representation is in regards to the points 2 and 4 and the extension of the terminal hour for the opening hours and the sale of alcohol until 00:00am on Sunday to Thursday and 01:00am.

There are many houses in the very close proximity of the pub with several of them (including mine) which shares the fence with grounds of the pub.

Allowing the Pub to extend the opening hours until 00:30 and 01:30 (on weekends), will inevitably cause public nuisance and disturbance to the neighbourhood especially to those houses who share the boundaries with the pub.

Crime levels are already high in this area, with many thefts and other crimes being reported. I hope it will be taken into consideration that now many families live in the close proximity of the pub and the safety of these needs to be guaranteed.

I look forward to hearing from you soon,

Thank you,

Regarding the reopening of The Unicorn pub, Church Rd, CF3 6HA. I do have a few concerns to their proposals. I'm not against the development it's the opening hours? Will cause crime, public nuisance and remember children live here as well, which do not want drunken fights and loud noise. Plus residents do work so want their rest.

1. The application has been made to make alterations - No concerns
2. Late night opening 12.30 during week 1.30 am Friday and Saturday- this site is in the middle of a housing estate with only one way in? Do they really need to stay open that late other than greed? It was proposed to be a service for residents in the community you will hear the noise of people and vehicles passing homes late at:night constantly this is a public nuisance straight away.
3. Opening hours for sale of alcohol Mon- Sunday 8.00 am ?? - what a ridiculous time.. this will create early morning disturbances and disorder and will be a public nuisance if such clientele frequent at these times when the school run takes place. This is a safety concern protecting children from harm.
4. Terminal hour extension this is as above- far too late ? What happened to normal licence hours? E.g 11.00 am - 11.00 pm- same concerns as above
5. New Year's Eve extension- as once a year that's acceptable
6. Removal of annexes - no issues to improve property appearance

Appreciate that mine and other's concerns will be addressed in making any decision on this application

Good morning,

I have received a letter outlining the variations to the Unicorn Inn Pubs Licence from my local councillors. Please accept this email as a letter of support.

As a local resident, I fully support the proposed changes. We were promised many community facilities by Persimmon Homes when we moved to this estate 6 years ago, none of which have come to fruition. The Unicorn Inn would be a great asset to the community and the proposed licence changes gives it a greater flexibility to strive.

Extending the licensing hours gives the whole community a place to gather and get to know each other, something we have not been able to do since the estate was built. It will allow us to hold community events and create a togetherness that is lacking.

Extending the hours allows residents to watch live sporting events such as the Football World Cup, Rugby World Cup, Lions Rugby Tour and many, many others which take place early in the morning or late at night, together as a community.

The proposed licence changes would also more than likely have a positive effect on the prevention of crime and disorder, which is an issue here, as more residents would be walking through the estate vs now where no one walks anywhere and thieves are allowed to roam around freely.

To conclude, I believe the proposed licence changes will be positive. It will give the pub the best chance of survival and provide the community with a much needed facility and meeting place.

Kind regards,

Hi Kirstie,

City & County of Cardiff Council

Due to my working patterns, I may send and reply to emails during non-standard working hours. This is not an expectation for you to do the same.

Dear Licencing committee,

As Councillors for Pontprennau & Old St. Mellons we write to you regarding the application for The Unicorn Inn, Old St. Mellons.

We welcome the opening of the Unicorn, and very much look forward to supporting it as a local business. The concerns that we have are not around granting a licence, but the conditions granted and effect on residence living in the immediate area.

To set the picture The Unicorn was a rural pub set in a very small hamlet surrounded by fields, it has been closed for approx. 5/6 years and since closing, St Edeyrns Village has been built surrounding the pub. The houses built in very close proximity with some back garden's are a fence panel away from the pub car park are now inhabited as are the houses.

The pub is located on the single track road, the majority of which has no pavement, we are concerned about patrons of the pub leaving and not being seen by vehicles coming to and from the pub or local residents.

We would also request the licence holder communicates with local neighbours and considers them while running the premises in a now populated residential area.

Best regards

Cllr Peter Littlechild & Cllr Joel Williams
