Notes

- Applications are from experienced governors
- Governors can serve on two governing bodies and also a temporary governing body
- The New Maintained Schools (Wales) Regulations 2005 state that “any person responsible for the appointment of a person as a temporary governor must have regard to the desirability of that person being suitably experienced. A person is defined as being suitably experienced if he or she has served as a governor or a temporary governor of a maintained school.
- In the case of parent governor appointments, The New Maintained Schools (Wales) Regulations 2005 state that “no person may be appointed as a temporary parent governor of the new school unless –

(a) he or she is the parent of a child who is to become a registered pupil at the school

(b) where it is not reasonably practical to appoint such a person, he or she is the parent of a child of compulsory school age.”

All applications from parent governors meet these criteria.
