In addition these resources will support the Tidal Parking and ensure additional focus through increased capacity in the service to enable a deep cleanse and help to prevent drainage and surface highway flooding issues. Further, to support business and reputation of the county, street washing will be re-introduced to the City Centre, and make provision for street washing in the districts in areas where liquids can cause pavements to become unclean, but also potentially hazardous, e.g. fruit fall or fast food oils. HMP Cardiff has a population of 814. Anticipated duties include the provision of information, assistance and advice to families, suitable assessments of a person's need for care and support, provision to meet identified care and support needs and facilitation of raising concerns of persons in the secure estate and their families in relation to care and support. 9	<b>Social Services and Well Being Act - Advocacy</b> - Section 182 of the Act requires local authorities to arrange for an advocacy service to be made available for people with care and support needs. Although an advocacy service is already provided for certain groups of service users it is anticipated that under the Act this service will be extended. The additional cost is difficult to estimate at this stage but an indicative value of £50,000 is included.	50	Red	Red-Amber
10	<b>Families with No Recourse to Public Funds</b> - Anticipated increase in the level of support payments to families with children who have no recourse to public funds. This reflects an ongoing and anticipated further increase in the level of migrant families with children. Local Authorities must not withhold Section 17 Children's Act 1989 support for families, as doing so would breach their rights under the European Convention of Human Rights.	150	Red	Red-Amber

The component elements will provide additional support to families and young people and will contribute to an anticipated reduction in the number and cost of looked after children. The combined annual cost of these initiatives is estimated at £410k and will include additional Council staff and payments to voluntary sector organisations. <b>The pressure bid supports a number of initiatives forming part of Social Services savings proposals for 2016/17.</b>	410	Red	Red-Amber
12	<b>'When I'm Ready' Post 18 Foster Care/ Connected Persons Assessments for Foster Carers</b> -From 1.4.16 Welsh Local Authorities must have implemented a 'When I'm Ready' scheme providing financial support for young people currently in foster care past the age of 18. Financial impact will depend on numbers of post 18 children accessing the scheme and the level of offsetting benefits and allowances that individuals can claim. There is also increased pressure on the fostering service in relation to 'connected persons' assessments. There is a significant increase in demand for assessments of prospective foster cares who are family, friends or who have a prior connection with a child/young person who is looked after. There is also additional pressure from Courts to complete assessments in a shorter timescale.	200	Red	Red-Amber
