1.3 Overarching Themes

It is clear that respondents to *Changes for Cardiff* recognise that the financial challenge, alongside other service demand pressures, means that difficult budget choices are required. This understanding is reflected throughout the responses to the Council's budget consultation, with broad support for many of the proposals, notably for the Council to explore new ways of working and increased digitalisation of services.

- Q1. The financial reality:** An overwhelming **88.5%** (2,708) of respondents recognised that a £45.6m budget gap for 2016/17 meant that **difficult budget choices** are required. This response was consistent with last year's consultation (**88.7%**).
- Q2. Support for new ways of working:** **76.0%** (2,320) **supported** the Council in **exploring new ways of working** with other organisations to deliver its services. Again, this level of support was consistent with last year (**75.1%**).
- Q3. Greater charging:** There were mixed levels of support for the Council **charging more for some services** if it meant they could be continued with **46.5%** (1,417) supporting the proposal **24.0%**, (732) disagreeing but **29.5%** (901) 'not sure'.
- Q4. Increased digitalisation of services:** **88.1%** (2,691) of respondents supported the increased digitalisation of services with only **7.0%** (214) against.
- Q5. Community involvement:** **34.3%** (1,047) of respondents agreed that **community groups** and the **third sector** should be asked **to run more services and facilities** – **30.6%** (936) said 'No'; **35.1%** (1,072) said 'Not sure'.
- Q6. Volunteering:** **23.7%** (715) of respondents were currently engaged in volunteering in the city with 887 respondents expressing an interest. The highest levels of interest for volunteering were seen in relation to libraries, litter picks and parks maintenance.
- Community interest - volunteering:** Individuals (**19.2%**) or groups expressed an interest in becoming more involved in the delivery of services. Many were interested in volunteering to assist in delivering a Council service.
- Q7. Local insights:** The nature of the feedback received from different areas on similar issues varied. This has provided the Council with a **valuable insight into what different areas consider appropriate solutions** to identified issues and is further explored and supported in **Appendix 2**.
