20	Communities, Housing & Customer Services	CHC2	Advice Contingency - To manage the increased demands placed on the service due to the Welfare Reform changes a contingency fund was created. 21	Communities, Housing & Customer Services	CHC3	Reduction in Spend on Homelessness Service - to achieve this saving, a reduction of one post will be required within the Homelessness service, along with the removal of the Homelessness spend to save budget which in the past has funded schemes to prevent and alleviate homelessness. The service is expecting a major change in legislation in the coming year, however it is anticipated that grant funding will be received to offset this additional work and therefore the loss of one post should not impact unduly on service delivery.
