	Riva Bingo
FROM:	Cllr Stubbs (Splott)
SUMMARY:	<p>Cllr Stubbs strongly objects to the significant drop in the contribution this developer is being asked to pay.</p> <p>Asks that the developer be reminded that he has left the site in a terrible state and that this is unacceptable.</p> <p>Is aware that the site is just outside his ward but would like the chance to put his points to committee.</p>
REMARKS:	<p>Objection Noted. The reasoning behind the reduced contributions are explained within the report and supported by viability assessment / independent verification.</p> <p>The condition of the site is material, however the refusal of planning permission would not be considered to serve the public interest.</p> <p>Cllr Stubbs has been advised that there is no right for any member other than an Adamsdown Ward member to address the Committee.</p>

PAGE NO. 188	APPLICATION NO. 17/00080/MNR
ADDRESS:	Pontcanna Post Office, 89-93 Pontcanna Street
FROM:	Agent
SUMMARY:	<p>As you are aware, the Co-op has an existing store on Kings Road, Pontcanna. Following the opening of this store, it became apparent that it was exceeding the anticipated trade levels and that the store was not able to fully meet the needs and expectations of their customers and members in the Pontcanna community. The Co-op therefore began the process of looking for a second site.</p> <p>In December 2015, the Co-op were approached by Mr Patel, who operates Pontcanna stores and the Post Office. Mr Patel informed the Co-op that he was keen to retire but despite considerable efforts, over a long period of time, he had been unable to find anyone that would be willing to operate the Post Office in its current form. This 'vacancy' had also been marketed by Post Office Ltd ('the Post Office') prior to them approaching the Co-op.</p> <p>The Co-op would like to assure the Council that they considered every option to retain a Post Office facility within the proposed Co-op store in Pontcanna Street but, unfortunately, it was simply not possible. The Co-op therefore took the difficult decision not to retain the Post Office at this store.</p> <p>The Co-op appreciate that there is local concern at the prospect of the Post Office closing and have been corresponding with local elected Politicians. Nevertheless, it is the responsibility of the Post Office to find</p>

	<p>a new operator of a Post Office service as Mr Patel has advised that he is due to retire in the coming months. The cessation of the Post Office service at the site would have therefore happened regardless because of Mr. Patel's retirement and the fact that a replacement for Mr. Patel has not been secured despite being sought for a period of at least 15 months.</p>
REMARKS:	<p>Officers note the points raised above but they are <u>not</u> material to the consideration of the application before the committee.</p> <p>In the view of officers the report has demonstrated that it has considered all material matters, as required in para 9.4.5 of the Development Management Manual-Revision 1-November 2016.</p>
