Summary report

Introduction

- 1 The Auditor General is responsible for providing an opinion on whether the financial statements give a true and fair view of the financial position of Cardiff & Vale of Glamorgan Pension Fund (the Pension Fund) at 31 March 2018 and its income and expenditure for the year then ended.
- 2 We do not try to obtain absolute assurance that the financial statements are correctly stated, but adopt the concept of materiality. In planning and conducting the audit, we seek to identify material misstatements in your financial statements, namely, those that might result in a reader of the accounts being misled.
- 3 The quantitative level at which we judge such misstatements to be material for the Pension Fund is £20.667 million. Whether an item is judged to be material can also be affected by certain qualitative issues such as legal and regulatory requirements and political sensitivity.
- 4 International Standard on Auditing (ISA) 260 requires us to report certain matters arising from the audit of the financial statements to those charged with governance of a body in sufficient time to enable appropriate action.
- 5 This report sets out for consideration the matters arising from the audit of the financial statements of the Pension Fund, for 2017-18, that require reporting under ISA 260.

Status of the audit

- 6 We received the draft financial statements for the year ended 31 March 2018 on 18 June, in line with the agreed deadline, and have now substantially completed the audit work.
- 7 We are reporting to you the more significant issues arising from the audit, which we believe you must consider prior to approval of the financial statements. The audit team has already discussed these issues with the Corporate Director Resources and Head of Finance.

Proposed audit report

- 8 It is the Auditor General's intention to issue an unqualified audit report on the financial statements once you have provided us with a Letter of Representation based on that set out in [Appendix 1](#).
- 9 The proposed audit report is set out in [Appendix 2](#).

Significant issues arising from the audit

Uncorrected misstatements

- 10 There are no misstatements identified in the financial statements, which remain uncorrected.

Corrected misstatements

- 11 There are minor misstatements that have been corrected by management which are shown below. In addition, following the receipt of updated information from the actuary, the actuarial statement that was included within the draft financial statements has been revised. The minor misstatements are:
- there were a number of narrative changes including an enhanced footnote to note 8 Management Expenses to provide greater clarity and the addition of an accounting policy in note 2 Accounting Policies to consider accounting standards issued but not yet adopted.
 - there were amendments to prior year balances for Note 10 Investments at Market Value, Note 12 Financial Instruments and Note 13 Nature and Extent of Risks Arising from Financial Instruments as they did not agree with the audited version of 2016-17 financial statements. A transposition error on membership numbers within note 7 Membership of the Fund has also been amended.
 - Note 14 Creditors increased by £156,000 as a result of a debtor balance being netted off against creditor balances with a corresponding increase within the debtors.

Other significant issues arising from the audit

- 12 In the course of the audit, we consider a number of matters both qualitative and quantitative relating to the accounts and report any significant issues arising to you. There were some issues arising in these areas this year:
- **We have no concerns about the qualitative aspects of your accounting practices and financial reporting.** We found the information provided to be relevant, reliable, comparable, material and easy to understand. We concluded that accounting policies and estimates are appropriate and financial statement disclosures unbiased, fair and clear.
 - **We did not encounter any significant difficulties during the audit.** Generally, we found the draft financial statements to be of a good quality and received information in a timely and helpful manner and were not restricted in our work. There are some areas where the working papers provided could be improved (eg providing a mapped trial balance which reconciles to each primary statement and note the accounts and greater use

of electronic linkages between working papers and underlying calculations) and we will continue to work with officers to make further improvements to the quality of working papers supporting the accounts and audit process for 2018-19.

- **There were no significant matters discussed and corresponded upon with management which we need to report to you.**
- **There are no other matters significant to the oversight of the financial reporting process that we need to report to you.**
- **We did not identify any material weaknesses in your internal controls that we have not reported to you already.**
- **There are not any other matters specifically required by auditing standards to be communicated to those charged with governance.**

Independence and objectivity

- 13 As part of the finalisation process, we are required to provide you with representations concerning our independence.
- 14 We have complied with ethical standards and in our professional judgment, we are independent, and our objectivity is not compromised. There was one potential conflict of interest that I brought to your attention in my Audit Plan that was issued in March 2018, but I can confirm that, as planned, this member of staff did not undertake any final accounts work on the pension fund. Therefore, there are no relationships between the Wales Audit Office and the Pension Fund that we consider to bear on our objectivity and independence.

Representations regarding the 2017-18 financial statements

This letter is provided in connection with your audit of the financial statements of Cardiff & Vale of Glamorgan Pension for the year ended 31 March 2018 for the purpose of expressing an opinion on their truth and fairness and their proper preparation.

I confirm that to the best of my knowledge and belief, having made enquiries as I consider sufficient, I can make the following representations to you.

Management representations

Responsibilities

I have fulfilled my responsibilities for:

- the preparation of the financial statements in accordance with legislative requirements and the 2017-18 Code of Practice on Local Authority Accounting in the United Kingdom; in particular the financial statements give a true and fair view in accordance therewith; and
- the design, implementation, maintenance and review of internal control to prevent and detect fraud and error.

Information provided

We have provided you with:

- Full access to:
 - all information of which we are aware that is relevant to the preparation of the financial statements such as books of account and supporting documentation, minutes of meetings and other matters;
 - additional information that you have requested from us for the purpose of the audit; and

- unrestricted access to staff from whom you determined it necessary to obtain audit evidence.
- The results of our assessment of the risk that the financial statements may be materially misstated as a result of fraud.
- Our knowledge of fraud or suspected fraud that we are aware of and that affects Cardiff and Vale of Glamorgan Pension Fund and involves:
 - management;
 - employees who have significant roles in internal control; or
 - others where the fraud could have a material effect on the financial statements.
- Our knowledge of any allegations of fraud, or suspected fraud, affecting the financial statements communicated by employees, former employees, regulators or others.
- Our knowledge of all known instances of non-compliance or suspected non-compliance with laws and regulations whose effects should be considered when preparing the financial statements.
- The identity of all related parties and all the related party relationships and transactions of which we are aware.

Financial statement representations

All transactions, assets and liabilities have been recorded in the accounting records and are reflected in the financial statements.

Significant assumptions used in making accounting estimates, including those measured at fair value, are reasonable.

Related party relationships and transactions have been appropriately accounted for and disclosed.

All events occurring subsequent to the reporting date which require adjustment or disclosure have been adjusted for or disclosed.

All known actual or possible litigation and claims whose effects should be considered when preparing the financial statements have been disclosed to the auditor and accounted for and disclosed in accordance with the applicable financial reporting framework.

The financial statements are free of material misstatements, including omissions. The effects of uncorrected misstatements identified during the audit are immaterial, both individually and in the aggregate, to the financial statements taken as a whole.

Representations by those charged with governance

We acknowledge that the representations made by management, above, have been discussed with us.

We acknowledge our responsibility for the preparation of true and fair financial statements in accordance with the applicable financial reporting framework. The financial statements were approved by the County Council of the City and County of Cardiff on 27 September 2018.

We confirm that we have taken all the steps that we ought to have taken in order to make ourselves aware of any relevant audit information and to establish that it has been communicated to you. We confirm that, as far as we are aware, there is no relevant audit information of which you are unaware.

Proposed audit report of the Auditor General to the Members of the County Council of the City and County of Cardiff

The independent auditor's report of the Auditor General for Wales to the members of County Council of the City and County of Cardiff as administering authority for the Cardiff and Vale of Glamorgan Pension Fund

Report on the audit of the financial statements

Opinion

I have audited the financial statements of Cardiff and Vale of Glamorgan Pension Fund for the year ended 31 March 2018 under the Public Audit (Wales) Act 2004. Cardiff and Vale of Glamorgan Pension fund's financial statements comprise the fund account, the net assets statement and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and the Code of Practice on Local Authority Accounting in the United Kingdom 2017-18 based on International Financial Reporting Standards (IFRSs).

In my opinion the financial statements:

- give a true and fair view of the financial transactions of the pension fund during the year ended 31 March 2018, and of the amount and disposition at that date of its assets and liabilities; and
- have been properly prepared in accordance with legislative requirements and the Code of Practice on Local Authority Accounting in the United Kingdom 2017-18.

Basis for opinion

I conducted my audit in accordance with applicable law and International Standards on Auditing in the UK (ISAs (UK)). My responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of my report. I am independent of the pension fund in accordance with the ethical requirements that are relevant to my audit of the financial statements in the UK including the Financial Reporting Council's Ethical Standard, and I have fulfilled my other ethical responsibilities in accordance with these requirements. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Conclusions relating to going concern

I have nothing to report in respect of the following matters in relation to which the ISAs (UK) require me to report to you where:

- the use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the responsible financial officer has not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the pension fund's ability to continue to adopt the going concern basis of accounting for a period of at least 12 months from the date when the financial statements are authorised for issue.

Other information

The responsible financial officer is responsible for the other information in the annual report. The other information comprises the information included in the annual report other than the financial statements and my auditor's report thereon. My opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in my report, I do not express any form of assurance conclusion thereon.

In connection with my audit of the financial statements, my responsibility is to read the other information to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by me in the course of performing the audit. If I become aware of any apparent material misstatements or inconsistencies I consider the implications for my report.

Report on other requirements

Opinion on other matters

In my opinion, based on the work undertaken in the course of my audit:

- the information contained in the Narrative Report for the financial year for which the financial statements are prepared is consistent with the financial statements and the annual report has been prepared in accordance with the Local Government Pension Scheme Regulations 2013.

Matters on which I report by exception

In the light of the knowledge and understanding of the pension fund and its environment obtained in the course of the audit, I have not identified material misstatements in the Narrative report.

I have nothing to report in respect of the following matters, which I report to you, if, in my opinion:

- adequate accounting records have not been kept;
- the financial statements are not in agreement with the accounting records and returns; or
- I have not received all the information and explanations I require for my audit.

Certificate of completion of audit

I certify that I have completed the audit of the accounts of [name of pension fund] in accordance with the requirements of the Public Audit (Wales) Act 2004 and the Auditor General for Wales' Code of Audit Practice.

Responsibilities

Responsibilities of the responsible financial officer for the financial statements

As explained more fully in the Statement of Responsibilities for the financial statements set out on page 5, the responsible financial officer is responsible for the preparation of the financial statements, which give a true and fair view, and for such internal control as the responsible financial officer determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the responsible financial officer is responsible for assessing the Pension Fund's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless deemed inappropriate.

Auditor's responsibilities for the audit of the financial statements

My objectives are to obtain reasonable assurance about whether the financial statements, as a whole, are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of the auditor's responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website www.frc.org.uk/auditorsresponsibilities. This description forms part of my auditor's report.
