**Ilfracombe Crescent.Llanrumney.  
REPORT OF DIRECTOR OF CITY OPERATIONS:  
Andrew Gregory**

---

**PORTFOLIO:**

**Reason for this Report**

To request the Planning Committee direct Legal Services to make a Stopping Up Order under Section 118 Highways Act 1980.

**Background**

A Neighbourhood Regeneration scheme was undertaken and works completed without the necessary change of use under Section 247 Town and Country Planning Act being progressed.

WAG cannot retrospectively stop up highway ,therefore it is necessary for Highways to extinguish the live highway on the grounds that it is no longer needed since there is an alternative route and the public have not used this lane for nearly a decade.

**Issues**

1. To amend the adopted register and extinguish the lane running between Ilfracombe Crescent and Woolacombe Avenue in Llanrumney..

**Local Member consultation (where appropriate)**

2. No objections received from Statutory Consultees.
3. **Reason for Recommendations** To amend the adopted register and reflect the fact that the lane is no longer “live” Highway.

### **Financial Implications**

4. Neighbourhood Regeneration has agreed to pay Legal Order fees.

### **Legal Implications (including Equality Impact Assessment where appropriate)**

5. No

### **HR Implications**

6. No

### **RECOMMENDATIONS**

Instruct Legal Services to process the Section 118 Highways Act 1980 Stopping Up Order.
