

CITY AND COUNTY OF CARDIFF DINAS A SIR CAERDYDD

STANDARDS AND ETHICS COMMITTEE:

REPORT OF THE MONITORING OFFICER AGENDA ITEM: 4

REGISTRATION OF GIFTS AND HOSPITALITY - UPDATE

Reason for this Report

1. To provide the Committee with information on registrations of gifts and hospitality received by Members; to enable the Committee to review the information; and to consider any comments or observations it considers appropriate in this regard.

Background

2. Under the Members' and Officers' Codes of Conduct, Members and Officers are required to register any gifts, hospitality or other benefits where the value of the item or benefits exceeds an amount determined by the Council from time to time. Employees are additionally required to obtain formal authorisation from the Council before accepting gifts, hospitality or other benefits (Members' Code of Conduct Part 4 paragraph 17; Employees' Code of Conduct paragraph 8; and Guidance issued by the Council under the Code of Conduct for Members and Employees on Hospitality, Gifts and Other Benefits - 'the Council's Guidance').
3. The Standards and Ethics Committee has previously considered the Council's thresholds for registration of gifts and hospitality; and on 18th September 2007 resolved to recommend to Council the reduction of the threshold to £25 (in line with the threshold set for all local authorities in England by the Standards Board for England).
4. The Council approved the Committee's recommendation on 18th October 2007, reducing the threshold for registration of gifts and hospitality to £25, and the Council's Guidance was amended accordingly.
5. The Committee has resolved to review this matter by considering regular six monthly reports summarising details of registrations. At its meeting on 29 September 2009 the Committee considered registrations during the period 19 October 2008 to 17 April 2009.

Issues

6. The Register of Members' Gifts and Hospitality held by the Clerk to the Council on behalf of the Monitoring Officer shows the registrations set out in **Appendix A** during the period 24 April 2009 to 26 April 2010.
7. The Committee is invited to review the information presented in this report and to make any comments it considers appropriate in this regard.
