- More individual pods at Ty Tresillian & Huggard hostels,
- Extension to the Wallich Nightshelter
- Ty Nos – Council Nightshelter

**Supported Housing**
- Council Supported housing Scheme

**Housing First**
**Salvation Army** - in first year 8 individuals have settled into tenancies, with a further 3 matched to tenancy and awaiting move in next week (up to 20 units)
**Cardiff Council** - started Dec 2018 and will be working closely with the private rented sector to ensure people have a choice in where they would like to live (up to 10 units).
New Initiatives

Many clients have complex issues resulting from (ACES) resulting in poor mental health and substance dependency. These clients can struggle to maintain any form of accommodation resulting in a “revolving door of homelessness”:

- **Strengthening Multi Agency team**
- **Homeless Advocacy Programme** pilot. Provide continuity of support both on and off the street - aim to identify triggers for evictions/abandonments, to sustain placements or support positive moves.
- **Innovative Intensive Supported Housing Projects** developed to meet identified gaps and specific needs: Compass Project /Ty Tarian
- **Training for Support Workers** – range of training offered to all partners to build the skills of support workers
- **Research** – Review of effectiveness of homeless services for those rough sleeping / in hostels

  - 94 individual cases prevented from homelessness (last quarter!)
- Delivered through a 12 week tailored support package - encompassing everything from financial management to mental health and wellbeing.
Core principles

- People have a right to a home
- An active engagement approach is used
- Flexible support is provided for as long as it is needed
- Housing and support are separated
- Individuals have choice and control
- The service is based on people’s strengths, goals and aspirations
- A harm reduction approach is used
Engagement
On average clients engage with the team for around 4 months from first conversation to allocation of property.

Support
On average clients get 14 hours of face to face contact a week once they are in a property.

Outreach
On average clients get 3 hours per week whilst on outreach, which can include staff attending the breakfast run, bus project etc.

Properties
11 people are now in accommodation

Different types of accommodation to reflect choice, control and local reality.

Service Delivery
Commitments

All delivery models underpinned by individual choice and control.

Services will work to listen, empower and develop the strengths and talents of all those who need our support.

Professional workforce - all staff approach underpinned by principals of Trauma Recovery Model and PIE.

A consistent person centered approach to support across all services, providing an assertive and flexible model to meet individuals needs.

Working with key partners to design, lead and implement effective collaborative delivery models seeking to prevent homelessness at all times.

Monitored outcomes - Learning from learning. Sharing our learning.
Challenges - current and future
- Financial/sector sustainability - is this role modelling the characteristics we are asking others to live by?
- Need for long-term commissioning strategy to improve stability for people using the services and providers;
- Need for stronger joint-working protocols and processes between providers/portfolios.

Looking ahead
- Developing existing services - taking a strengths based approach and developing best practice
- Working together with Cardiff to deliver a ground breaking city MDT case management approach
- Workforce Development - develop and upskill staff in trauma informed approaches to working with people with experience of homelessness, as well as those with multiple and complex needs.
- Complimenting and developing the “alternatives” through the strengths in our existing frameworks (HF, Complex Needs etc)
