<b>PAGE NO. 1</b>	<b>APPLICATION NO. 20/01543/MJR</b>
<b>ADDRESS</b>	<b>ANCHOR INDUSTRIAL ESTATE, DUMBALLS ROAD, BUTETOWN, CARDIFF</b>
<b>FROM:</b>	Cllr Ebrahim, Ward Member for Butetown
<b>SUMMARY:</b>	<p>Cllr Ebrahim OBJECTS to the application on the following grounds (replicated in full):</p> <ol style="list-style-type: none"> <li><i>None of the proposed apartments will be affordable housing. There are over 2,000 applications for housing on the waiting list for the Butetown area, the majority of which are waiting for 1 or 2 bed homes. Many of these families and individuals have been on the waiting list for a number years. More affordable homes will support the regeneration of what is historically considered a deprived community and I am gravely concerned that the plans do include this provision.</i></li> </ol>

	<p>2. <i>Less than 10% of the requested Section 106 money will be paid by the developers. This funding is vitally important for the community of Butetown. The area is in need of funding to support local initiatives and projects as well the maintenance and improvement for open space provision, public transport improvements and education and health facilities.</i></p> <p>3. <i>This area of Butetown is already very busy, parking is a particular problem for residents, adding an additional homes will severely impact the limited parking of existing residents and is likely to add to the traffic congestion in this area. More so during construction. Local residents already experience high volumes of traffic, a further increase will add to the parking problems by inconsiderate motorists who park on double yellow lines and obstruct the view for vehicles and pedestrians on Dumballs Road.</i></p>
<b>REMARKS:</b>	The grounds of objection are noted and the issues raised are covered within the report to Planning Committee.
