Recovery Strategy Engagement  
Update

# Background

- Draft Recovery Strategy launched June 2021
- Outlined a 'missions based approach' to recovery
- Cabinet committed to engagement exercise
- Series of engagement events undertaken
- Open survey
- Report back to Cabinet of updated strategy in December

# Draft Recovery Strategy

- COVID-19 has changed cities and influenced trends
- Need to reconsider development strategy in light of these changes
- Report provides initial response and to begin engagement / discussion
- Outlines:
  - Influences / trends / impact
  - Immediate recovery
  - Key 'Missions' of our response

# What we know...

- Impact on business and employment
- Certain groups and sectors hit more than others:
  - Young
  - Hospitality and events
  - Exposed existing inequalities
- Almost half of city's workforce was working from home
- City centre was virtually closed
- Changes in the way we use and move around our city
- BUT.... We've seen demand return quickly

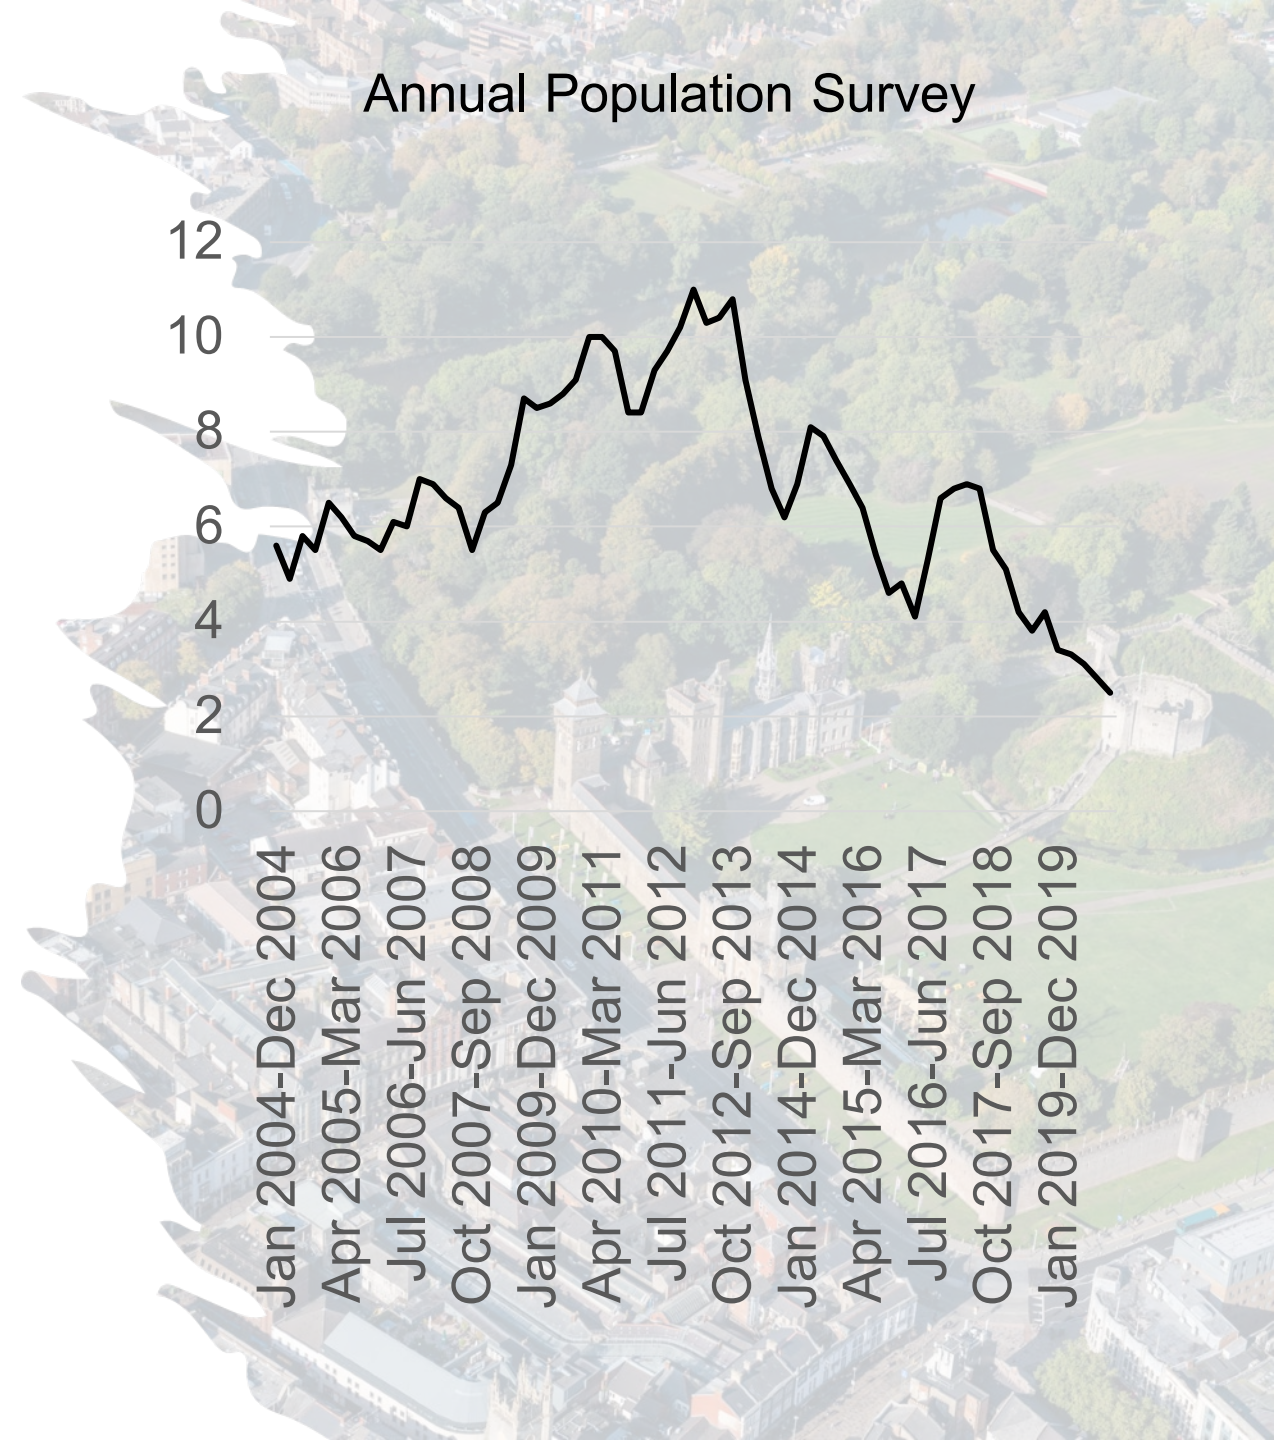

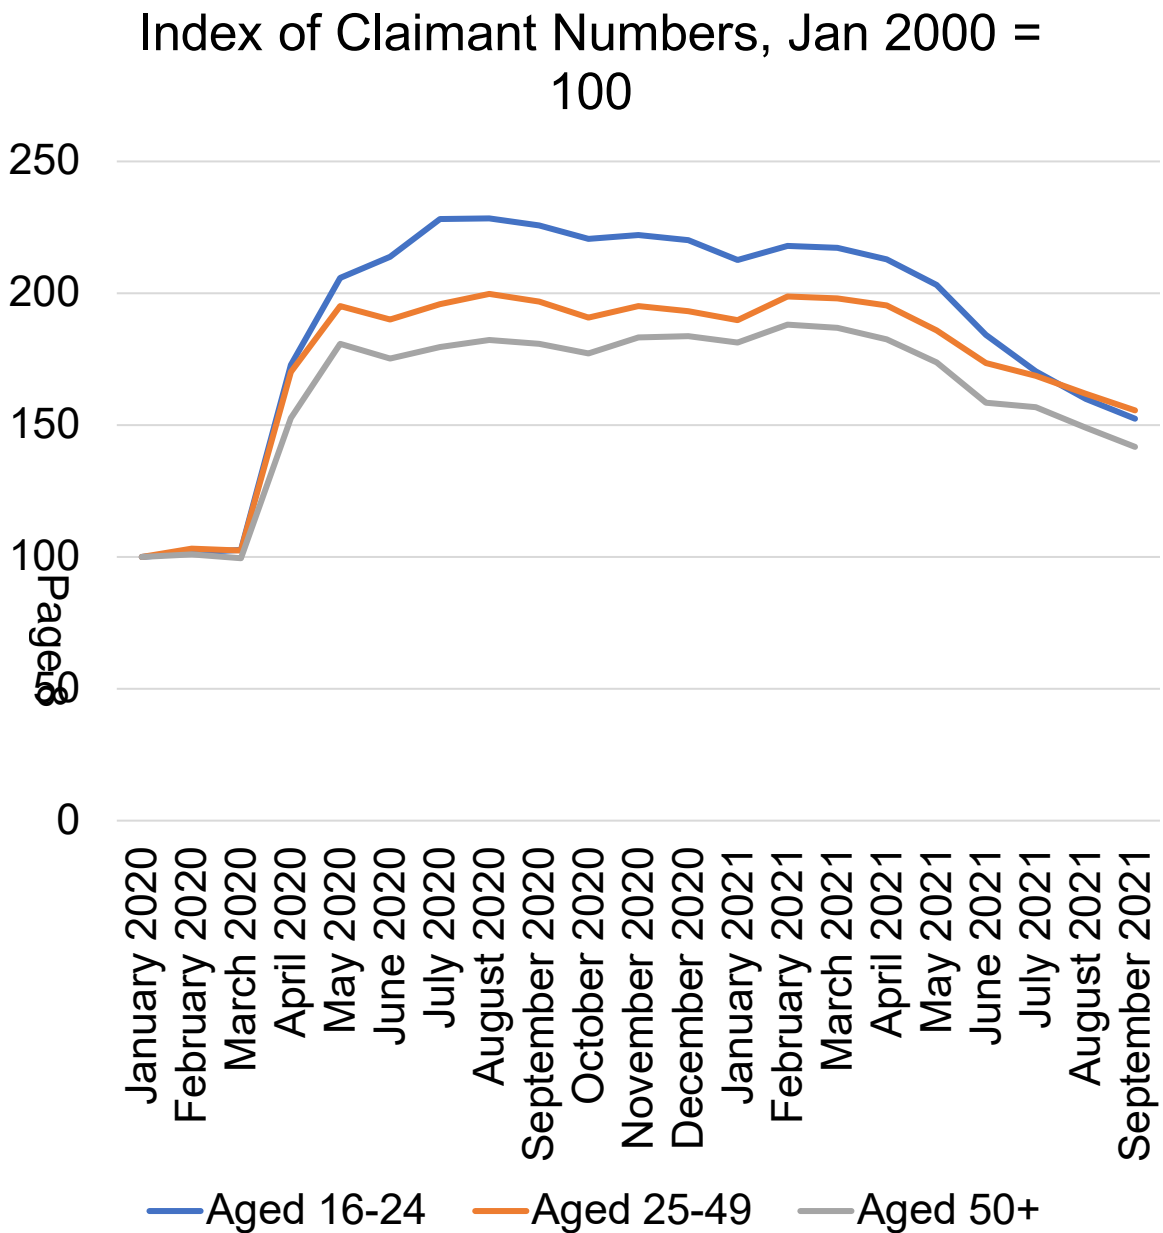

# International Context

- News of the death of cities has been greatly exaggerated....
- Opportunities for smaller cities
- Amazonisation of our cities
- Hybrid working – not wholesale work from home
- Events will still play a role
- More 'curated' cities and city centres
- Momentum behind the green agenda

# Mission 2: A City for Everyone

## Our Priorities

- Use the role of the Council as an economic anchor institution to drive economic recovery.
- Ensure that the benefits of the city's development programme is felt across all communities.
- Become a Child Friendly city.
- Ensure that the new models of support in place for the city's most vulnerable residents are maintained.
- Address the long term driver of health inequalities, including investing in housing, education and local communities.
- Ensure that Cardiff is a city where we can all feel safe and welcome.

## Proposed Projects

- Gain status as a UNICEF Child Friendly City.
- Work with partners to deliver the Living Wage City initiative.
- Work with WG to make sure all young people can access an offer of a job, training, education or voluntary opportunities.
- Continuing to invest in our Into Work team.
- Continue our investment in new schools.
- Provide additional support and mentoring for young people.
- Deliver a programme of extra-curricular activity for children.
- Maintain the radical approach to supporting rough sleepers and the homeless population introduced during the pandemic.
- Deliver over 2,000 new Council Houses.
- Support the Race Equality Task Force.
- Aim to establish social clauses within all major council contracts.
- Strengthen links between schools, higher education and business to increase the digital and STEM knowledge, skills and experiences.

# Mission 3: A City of Villages

## Our Priorities

- Creating safe and accessible local centres.
- Deliver a step change in the provision of public transport and active travel measures.
- Manage, curate and promote local and district centres.
- Invest in existing and establish new green spaces, and actively embracing our waterfront. Celebrate the diversity and culture of different parts of our city, including historic assets.
- Deliver a 'locality' approach to public services built on the networks of Community and Wellbeing Hubs.
- Align resources to deliver a programme of regeneration in line with the Welsh Government's Town Centres First Principle.
- Support public service staff to work in an agile way, with community-based spaces in localities across the city.
- Invest in estate renewal, enhancing existing estates and their neighbouring areas.

## Proposed Projects

- Adopt a new Regeneration Strategy to support our district centres and local centres aligning with the Welsh Government's Transforming Towns Programme.
- Invest in a network of safe and segregated cycling routes between local centres.
- Establish 20mph speed limits in residential areas.
- Transform public transport by working with Welsh Government and TfW to deliver investment in Cardiff Crossrail, City and Circle Lines and new train stations.
- Develop proposals for an urban park between the City Centre and Bay by greening Lloyd George Avenue to create Cardiff's equivalent of the New York Highline.
- Provide active travel plans and effective safe active travel connections for schools.
- Take forward the Channel View regeneration scheme and new Gasworks development to provide high quality, affordable, sustainable communities.
- Expand and enhance our network of local multi-agency hubs.
- Deliver major new large and small public realm and green infrastructure investment.
- Support investment in co-working, innovation and start-up hubs within our city's communities.
- Consider the expansion of existing city centre management arrangements to include district centre management.
- Promoting district and local centres through 'Visit Cardiff neighbourhoods'.

# Delivery

- Strengthen links with CCR, WG and UKG funding routes
- Value capture models
- Look at place based models, e.g. 'Compacts'
- Alignment of external funding sources

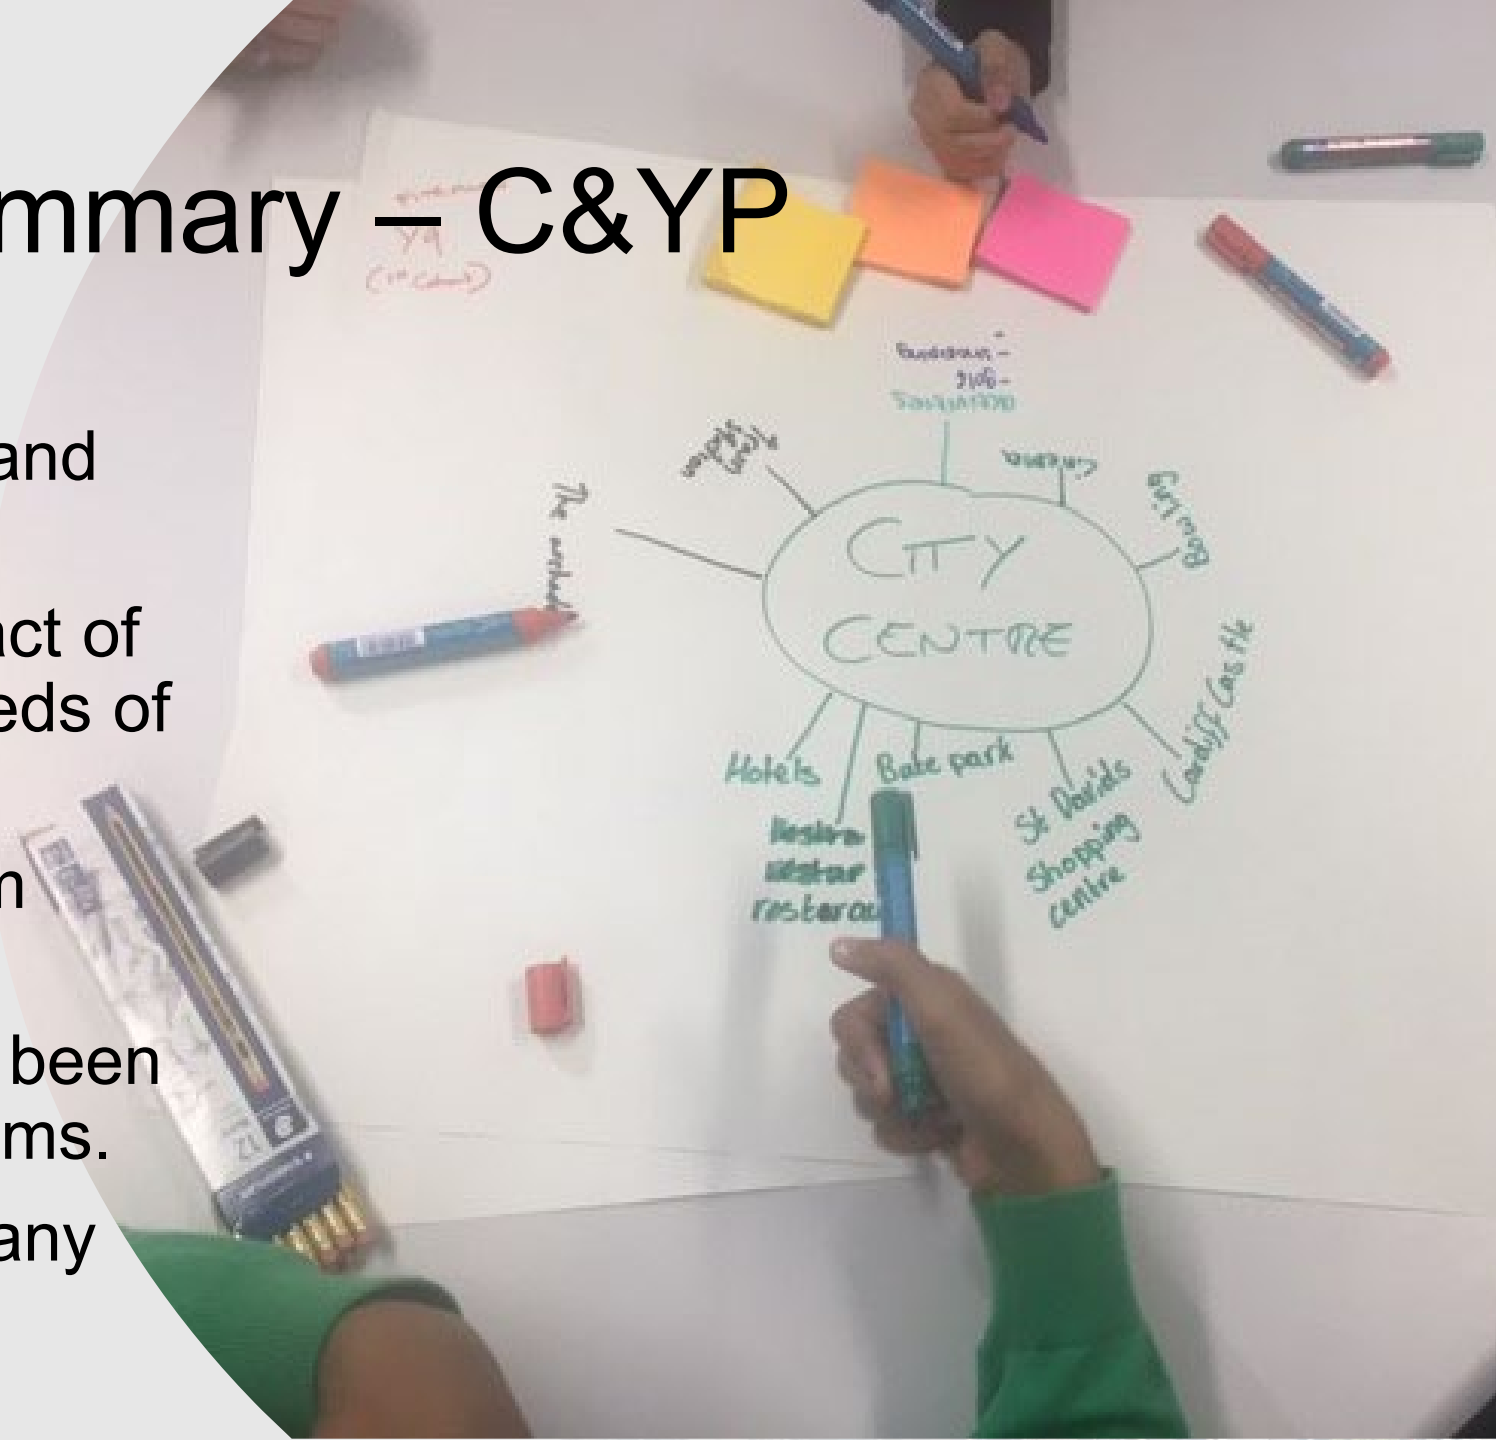

# Engagement

- Launch Event with Cardiff University – open to all
- Delivered stakeholder engagement programme with Cardiff University, Sustrans and other partners
  - Business
  - Community groups
  - Arts and culture community
- Online public engagement programme
- Dedicated Child Friendly programme, and Child Friendly material

# Engagement Summary – C&YP

- Accessibility, cleanliness, and open spaces.
- Concerned about the impact of homelessness and the needs of homeless
- Cost was a barrier for them taking part in events.
- A large number had never been to the castle, or any stadiums.
- Safety was an issue for many

# Mission 1

NO COST	LOW COST	GO CRAZY
Volunteer Litter Picks	Graffiti walls	More toilets
More Trees/Greenery	Homeless Support (Food/shelter)	Street lighting/CCTV
More bins	More wheelchair access/lifts	Soft play/sport areas
Increased cleansing	Free event space	Theme park
	Free live music	Outdoor swimming pools
	More parks	New shops (more smaller shops)

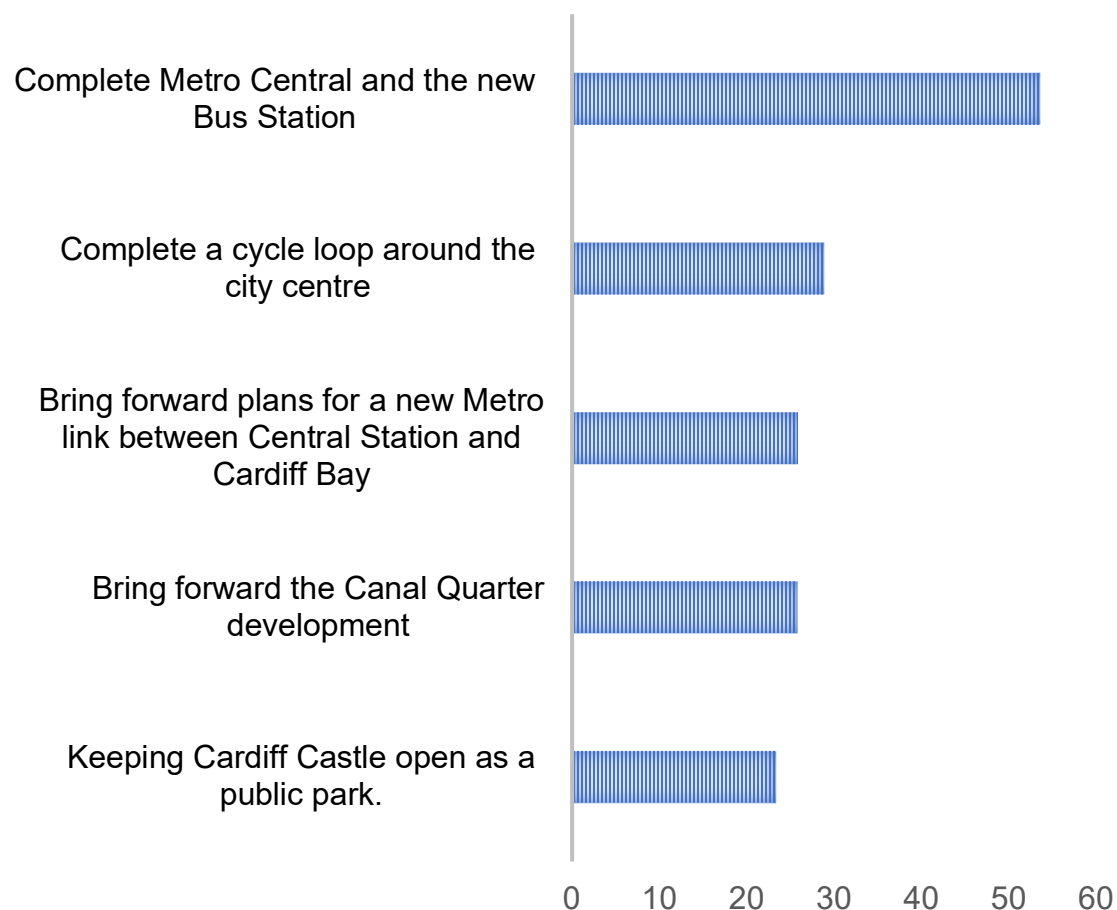

# Mission 1: Reimagine the city centre

*“Both the survey and the engagement sessions showed support for the **establishment of more public spaces** and opening up green spaces and the waterfront in the city. Overall there was no clear correlation with level of deprivation in the city in relation to the seven priorities”*

# Mission 1: Reimagine the city centre

## % IN TOP 3

## Key Issues

- **Cleanliness, safety and accessibility**
- Investment in public open space, including green space
- Transport remains a critical component
- Recruitment issues were raised by business
- Supporting local home grown businesses
- There were some differing priorities regarding transport
  - Car v Bike

# Mission 3: A City of Villages

***“Good local services and facilities are critical, and we need to support the not-for profit businesses in these areas to support our communities.***

*Third sector session*

***“Public services play an essential role in good communities, but they can also become anchors of regeneration too.”***

*Public Service Board session*

***“There is also a duty to provide protection and support to the musicians, artists and mircoorganisations that will play a huge part in the regeneration of the inner city in particular.”***

*Arts sector response*

Proposed projects	% in top 3
Transform public transport connectivity in district and local centres by working with Welsh Government and Transport for Wales to deliver investment in Cardiff Crossrail, City and Circle Lines and new train stations.	54.0
Invest in a network of safe and segregated cycling routes between local centres as well as safe walking routes.	41.0
Deliver major new large and small public areas and investment including a programme of re-greening our communities, improved footways, places, investing in trees and new green spaces.	40.7
Develop and promote current assets such as the Wales Coastal Path to provide more outdoor attractions for residents and visitors across the city.	22.9
Develop proposals for a new urban park between the City Centre, Callaghan Sq. and Cardiff Bay, by greening Lloyd George Avenue to create Cardiff’s equivalent of the New York Highline.	22.8

# Mission 3: A City of Villages

- Improved transport connectivity was seen as the key issue.
- The better curation of district centres was also supported.
- Investment in estate renewal and sustainable housing was also supported in engagement and survey work.
- The theme of 'safe, green and clean' emerged in all sessions and survey outputs.
- Conflicting views over the road infrastructure.
- Public services were highlighted as critical in the engagement sessions,
- A number of respondents were also opposed to the new Velindre Cancer Centre development in the north of the city.

# Mission 4: Culture and sport-led renewal

Base: 700	% in top 3
Put culture at the heart of redevelopment, creating places and spaces that people want to be in and around, and supporting a more creative economy.	66.3
Invest in our creative infrastructure, from digital communication to low cost artist workshops and studios, to makers' spaces and grassroots venues, enabling our skilled creatives to flourish, and recognising the role that culture and creativity can play in developing a better city.	62.0
Embrace Cardiff's Music City Strategy to make Cardiff the first city in the UK to incorporate music into its city structure – from planning and licensing to social wellbeing and tourism.	58.6
Develop a new post-Covid Events Strategy with Welsh Government to support a home-grown focussed events sector that delivers a sustainable programme of events, supporting our own businesses in developing our visitor economy.	52.3
Support investment to unlock participation in sport at all levels.	51.1

# Mission 4: Culture and sport-led renewal

% in top 3

## Key Issues

- Comprehensive support for the need to put art and culture and the heart of the city's recovery.
- Investing in creative infrastructure and skills was also widely supported.
- Support for the city's Music Strategy and proposed new Signature Event
- Accessibility for sporting and cultural venues
- Need to ensure that the impact of the new arena on communities was a positive one.

# Mission 5: Tech City

***“Co working spaces are becoming very important especially for fast growth tech companies. Accelerator firms are relocating from Bristol to Cardiff. We need to make the city special and an experience for people coming to the city”***

*Business session*

***“We’re seeing a movement of staff from outside Wales relocating to Cardiff”***

*Business session*
