The minutes of the meeting 22 March 2016 were approved and signed as a correct record.

4 : PLANNING COMMITTEE PROTOCOL

The Committee received a report on the development of a draft Planning Committee Protocol by the Welsh Local Government Association (WLGA).

The Chair welcomed Simon Gilbert, Operational Manager, and Strategic Planning to the meeting.

The WLGA had working with representatives from a number of authorities sought to establish a more consistent approach to planning across Wales drafted a voluntary committee protocol which had been subject to consultation. The aim of the Protocol was to ensure that in the planning process there were no grounds for suggesting biased; or partiality or not well founded decisions and was intended to complement any national or local codes on Member Conduct, as well as the general arrangements around the governance of meetings.

The Operational Manager gave an updated on the response to the Protocol made by the Planning Committee and advised that to date no feedback had been received back from the WLGA on the consultation process which closed on 20 May 2016. Unfortunately the opportunity for feedback on the ethical standards; probity matters and issues of Members Code of conduct by this Committee had been missed.

The Chair invited contribution from the Committee. A number of comments and observations were made: -

Committee Governance matters

- Concerns on the issue of quorum for the Standards and Ethics Committee which resulted in the cancellation of the May meeting of the Committee which would have allowed discussion on the Protocol and a response to be included prior to the deadline, which had been extended to 31 May.
- Concerns that Cardiff was not represented on the WLGA drafting Group.
- Noted that One Voice Wales had responded on behalf of Community Councils before the deadline.

Protocol

- It was recognised that Cardiff has a unique planning/ spatial planning perspective and deals with a large volume of complex planning matters
- The Committee was keen that the new protocol did not lose any of the current guidance.
- Cardiff required a bespoke approach to protocols around site visits; rights to speak at Committee; and delegations to Chair and Officers;
- Members welcomed the reinforcement of principles relating to Conduct and removal of bias to protect the reputation of the Council; the Planning Committee & Members.
- The Committee was keen that the principles and protocol formed part of the Member Learning & Development programme;
- Members asked if WLGA had or could be invited to observe Planning Committee and give feedback.

Community Council Charter

- Concerns were raised that a commitment from the Cabinet Member at Council in June to resolve the issues of the Community Council Charter had not been progressed in particular around the Community Council's involvement in Community Infrastructure Levy (CIL) and Section 106 Planning obligation decisions.

- The Committee welcomed the updated from the Operational Manager that following on from a report to Cabinet on CIL and the draft charging schedule a schedule training and consultation events would be arrange for August and September 2016. This would raise awareness of key principles and what can and can't be achieved.

RESOLVED – That

1. the re-establishment of dialogue between the Council and Community Council be established to move forward on the Community Council Charter;
2. the Committee welcomed the arrangements being made for Councillor and Community Councillor Workshops;
3. noted that no feedback had been received from the WLGA on the consultation on the Planning Committee Protocol

5 : SOCIAL MEDIA GUIDANCE - REVIEW

The Committee was given an opportunity to review the guidance provided to Members on the use of Social Media to see if any amendments or further action was required.

Members made the following comments and observations:

- Noted that there was no routine monitoring undertaken on Councillors using social media only when a complaint or issue is brought to the attention of the Monitoring Officer.
- Members considered it was the role of the Committee to be proactive looking at matters around Councillors use of Social Media so that they can consider whether the guidance was being adhered to;
- The Committee felt that when training is given that it would be useful for examples or poor practice be given an indication of when lines are crossed what the consequences are.
- Members discussed again the issue between the role of a Member as a Councillor and their personal capacity and for the boundaries to be used.

RESOLVED – That

1. Members be reminded of their responsibilities in relation to social media and the guidance as part of the All Member Brief from the Standards and Ethics Committee;
2. No changes are made to the current Social Media Guidance adopted in July 2014.

6 : OBSERVATION OF COUNCIL MEETINGS

The Committee received feedback from Members on observations from their attendance at other Council and Committee meetings.

Hollie Edwards Davies had participated in the Democratic Services Committee on 18 July 2016 which had received initial feedback on the Members Survey; Member Learning and Development Programme 2016/17; Induction Programme for May 2017 and work to be completed; issues around Peer mentoring; roles and responsibilities for all Councillors; Code of Conduct training; the need for a Training Needs assessment for new Members.

Feedback was received on Planning Committee and the need for better communications on Section 106 Obligations and the allocation of funding.

Councillors raised concerns around behaviour and respect of individuals during Full Council meetings and in particular an incident at the June Council meeting between a Councillor and a member of the public in attendance in the public gallery.

There were some concerns that had been discussed at Whips on the disengagement of Members in the Scrutiny process; and participation in briefing and learning opportunities. It was felt that a 5 year term was too long for one administration.

RESOLVED – That the observations be noted and issues feedback to the relevant officers.

7 : STANDARDS AND ETHICS COMMITTEE ANNUAL REPORT 2015/16

The Committee received the Draft Annual Report which would be presented to Council in September 2016.

The Committee thanked the officers for pulling a comprehensive report together on the work of the Committee and in principle were happy to endorse with any further feedback to be received 19th August.

RESOLVED – That information contained in the report form part of the Member Brief to be circulated in August 2016.

8 : HOSPITALITY PROVISION AND CONFERENCE ATTENDANCE - REVIEW OF PROCEDURES

The Committee received an opportunity to review the Council's process for governing hospitality; gifts; and benefits; and attendances at conferences; seminars and other events following recommendations made following an internal Audit.

The report detailed the main changes in the principles and provisions following consultation with Senior Management Team, and matters raised in particular around hospitality provided by the Council; and the recording of routine management processes particularly in relation to appropriate directorate or professional meetings; training and seminars; the introduction of further thresholds.

It was suggested that an introduction of a RAG rating would be useful tool for assessing what should be formally recorded and what was operational or business management.

RESOLVED – That

1. the information received in the report was noted;
2. the comments made by the Committee be added to the process of finalising the documents in consultation with the Interim Monitoring Officer;
3. a further report be brought to this committee to provide an update on matters to be addressed in the report and from the Committee discussed.

9 : MEMBER CODE OF CONDUCT COMPLAINTS UPDATE

The Committee received an update on complaints against Members of the Council during the last 4 quarters, alleging breaches of the Code of Conduct. The report focussed on the last quarter.

It was noted and discussed the notice received from the Ombudsman of a formal Complaint against eight Community Councillors of the same Community Council. The complaint against five of the Community Councillors had not been upheld and the Ombudsman decision on the other three was awaited.

The Chair indicated that a number of Ombudsman cases had not found in favour of the complainant and that the threshold of what constitutes robust political debate and acceptability had been better defined following some cases. It was recognised that there was a role for the Monitoring Officer to raise awareness with Members of complaints processes and for them to seek advice from the Monitoring Officer on any complaints that they have.

RESPLOVED – That the contents of the report be noted.

10 : BIENNIAL MEMBER BRIEFING

This Committee at its last meeting, in March 2016, received a report on the Wales Audit Office (WAO) Corporate Assessment Follow On Report published on 26 February 2016. The Committee noted the specific references to the Standards and Ethics Committee made in the WAO report (at paragraphs 23, 49 and 50) and the proposal for improvement number P5, which included reference to the Committee and its role in enhancing member accountability by:

“Ensuring that the Standards and Ethics Committee plays a more proactive role in promoting and enforcing the Cardiff Undertaking for Councillors and supporting policies in relation to Member conduct and behaviour;”

Members of the Committee expressed various reservations about WAO’s view that the Committee was not sufficiently proactive, but agreed the Action approved by Cabinet, in consultation with the Chair, in response to the WAO proposal for improvement P5(a), which was as follows:

“P5a Standards and Ethics Committee to publish biennial Member Briefings on the work of the Committee, underlining the importance of the Cardiff Undertaking and Member conduct and behaviour.” (Timescale: August 2016)”

The Committee was invited to consider and provide comments on the issues which are to be included in its Member Briefing.

In addition to key highlights from the Annual report it was suggested that the following additional items be included:

- Social Media Guidance for Councillor;
- Opportunities for participating and becoming Members of Committees.

RESOLVED – That the Interim Monitoring Officer, in consultation with the Chair and having regards to comments made by the Committee prepare draft a Member Brief for circulation to all Members in August 2016.

11 : INTERIM MONITORING OFFICER'S VERBAL UPDATE

The Interim Monitoring Officer updated the Committee on the formal appointment of a Director of Governance and Legal Services. Davina Fiore had been appointed and would take up her role in September 2016.

The Committee thanked David Marr who had acted in the Interim Monitoring Officer role, for his hard work and support to the Committee over the last 5 months.

The Committee was advised that Annual Council 26 May 2016 had adopted the technical amendments to the Code of Conduct which had now been adopted by the Council.

12 : FORWARD PLAN 2016/17

The Committee received and considered the Forward Plan and considered the priority rating given to items.

RESOLVED – That

1. Item 8 on the plan Community Council Charter be rated RED Priority;
2. The Committee & Members services Manager to recirculate the Council and Committee Calendar of meetings so that the Independent Members can collectively agree which meetings would be observed in the coming quarter;
3. Hollie Edwards-Davies and Lizz Roe agreed to support the Member Development Steering Group meetings during August and September 2016.

13 : DATES OF FUTURE MEETINGS

The Committee discussed the day and dates for future meetings and requested that these dates be adjusted to Wednesdays at 4.30pm.

STANDARDS AND ETHICS COMMITTEE: 30th NOVEMBER 2016

REPORT OF THE MONITORING OFFICER

COMMUNITY COUNCILS CHARTER

Reason for this Report

1. To allow the Committee to consider the current position in relation to the Community Councils Charter (“the Charter”) and agree the way forward.

Background

2. The Executive adopted a Community Councils Charter (“the Charter”) in March 2012, following consultation with relevant stakeholders, including the six Community Councils within the Council’s area and the Standards and Ethics Committee. The Charter reflects the model Charter issued by the Welsh Government under section 130-133 of the Local Government (Wales) Measure 2011.
3. The aim of the Charter is to support structured, regular engagement and communication between the County Council and the six Community Councils in Cardiff, based on the key principle of equality of partnership between the two tiers of local government.
4. The Monitoring and Review section of the Charter states that the ‘Standards & Ethics Committee will review progress towards achieving the measures and actions set out in the Charter [and Charter Action Plan respectively] on an annual basis.’
5. The Standards and Ethics Committee has statutory responsibility for the promotion and maintenance of high standards of conduct within the Community Councils in its area (paragraph (g) of the Committee’s terms of reference); to consider ethical issues arising from complaints (Terms of Reference, paragraph (e)); and to recommend to Council and the Cabinet any additional guidance on issues of probity (Terms of Reference, paragraph h).
6. In response to concerns about the implementation of the Charter, the Standards and Ethics Committee reviewed the Charter. The views of the Community Councils were conveyed by the Community Council representative on the Committee. The Committee noted that most of the Charter is still relevant and an important recognition of the role of Community Councils in representing their local areas. However, a few sections of the Charter were not being implemented and needed to be updated in the light of the reduced resources available to the Council. Accordingly, in January 2015 the Committee recommended to Cabinet a number of amendments to the Charter.

7. The Cabinet considered the Standards and Ethics Committee's recommendations in June 2015. It reaffirmed a commitment to the aims of the Charter; delegated authority to the Monitoring Officer (in consultation with the relevant Cabinet Member, the Standards and Ethics Committee and the six Community Councils), to update the Charter; and authorised the relevant Cabinet Member to sign off the updated Charter on behalf of the City of Cardiff Council.
8. Following discussions and correspondence with the Community Council Clerks, the Standards and Ethics Committee received a progress report in December 2015 and a verbal update at its last Committee meeting, in July 2016.

Issues

9. A revised draft Charter was circulated to the Community Councils through their Clerks in March 2016. The revised draft incorporated a number of agreed amendments and an explanation was given for those amendments which were not agreed. The revised draft Charter is attached as **Appendix A**, and the covering explanatory email (dated 21/03/16) is attached as **Appendix B**.
10. As noted at the last Committee meeting (in July 2016), there remains one unresolved issue which relates to the planning section of the Charter. A number of Community Councils have requested additional specific commitments from the Council to involve the Community Councils in Section 106 and Community Infrastructure Levy (CIL) negotiations affecting their communities, and to consult with Community Councils on the application of Section 106 / Community Infrastructure Levy funds arising from developments within their areas.
11. The advice of the Council's Head of Planning, however, is that such amendment of the Charter is not appropriate. His professional advice is that *"measures are already in place to satisfactorily address this matter, in that Community Councils have the opportunity to identify considered local priorities for S106/CIL (when in place) through their role in providing responses on planning applications, which is already referenced in the Charter. More strategically, considered priorities for S106/CIL local spend can be addressed as part of the new Place Plan process. Through these channels, Community Councils can effectively feed views into the decision-making process with regard to S106/CIL local spend. It must be noted that S106 agreements are signed between the Council and landowners, so the primary negotiation must be between these two parties, taking account of a wide range of factors, including all potential priorities for eligible spend and viability factors. However, Community Councils can feed through their considered priorities for local spend as part of the Development Management process, and this feedback will help inform the Council's position in terms of potential scope for local spend."*
12. The Monitoring Officer has conveyed the above response from the Head of Planning to the Community Council Clerks, and explained that the Council must have regard to the professional advice of its Head of Planning in relation to planning issues. The Head of Planning has provided the Community Councils the opportunity to further discuss these issues at a bespoke workshop held in August 2016 for Community Councillors on the Community Infrastructure Levy provisions, as well as offering individual briefings or meetings, all of which were understood to be well received.

Way Forward

13. The Monitoring Officer's view is that all reasonable efforts have now been made to resolve the planning concerns raised by the Community Councils. Accordingly, the Community Councils should be asked whether they are now willing to agree the revised Charter. If the Community Councils remain concerned about the planning provisions, we may wish to remove the planning section and seek agreement of the remaining sections of the Charter. However, if the Community Councils are unwilling to agree the Charter in either alternative, then it is suggested that the Council should revisit this issue after the local elections in May 2017.

Legal Implications

There are no direct legal implications arising from the recommendations of this report.

Financial Implications

There are no direct financial implications arising from the recommendations of this report.

RECOMMENDATIONS

The Committee is recommended to:

1. note the information set out in the report; and
2. agree the proposed way forward in respect of seeking agreement of the revised draft Charter (**Appendix A**), as set out in paragraph 13 of the report; or
3. instruct the Monitoring Officer on how it wishes to progress this matter.

‘A Shared Community’

Charter between Cardiff Council and Community Councils in Cardiff

Introduction

The six Community Councils of Lisvane; Old St Mellons; Pentyrch; Radyr & Morganstown; St Fagans and Tongwynlais and the County Council of the City & County of Cardiff (hereby referred to as ‘Cardiff Council’) have agreed to publish a Charter which sets out how we aim to work together for the benefit of local communities whilst recognising our respective responsibilities as autonomous, democratically elected statutory bodies.

The Charter is designed to build on existing good practice and embrace the shared principles of openness, respect for each other’s opinions, honesty and our common priority of putting citizens at the centre. The Charter is based on equality of partnership and is not a top-down arrangement.

The Charter was originally adopted in March 2012 and has been updated and re-affirmed in 2016.

- The City of Cardiff Council

Recognition

We accept the legitimacy and benefits of partnership working whilst at the same time recognising and respecting each other's roles. We aim to work together as a partnership of equals rather than tiers.

Cardiff Council	Community Councils
Acknowledges and recognises that community councils are the grass roots level of local government. In their role as democratically accountable bodies, community councils offer a means of engaging with local people, of decentralising the provision of certain services, and of revitalising local communities.	Recognise the strategic importance of Cardiff Council and the economy of scale and appropriate distribution of certain services they are able to achieve.
Recognise and respect the diversity of community councils and that their needs vary according to size, and the extent to which they participate varies.	Recognise that community councils come within the common umbrella of Cardiff Council.

Local Governance

We will be clear about the expectations that we have of each other in order to facilitate a smooth working relationship. In this regard, we will define the way in which we interact with each other. We will be clear about the role of councillors at all levels in the relationship and in community leadership.

Cardiff Council	Community Councils
Will hold an annual liaison meeting with nominated representatives of community councils that wish to take part. Such meetings will be held at a location to be mutually agreed and which is convenient for all councils. These meetings will be known as Community Liaison Meetings.	Will contribute towards the agenda of liaison meetings and contribute proactively to the attendance and discussion.
Will nominate the Council's Monitoring Officer as the appropriate officer to act as a liaison between Cardiff Council and the community councils.	Will contact the nominated liaison officer(s) on the agreed issues and make them aware of any difficulties being encountered.
Will administer the holding of community council elections.	Will notify the need for community council elections in a timely manner.
	Will facilitate public participation at all relevant meetings of the community council and its committees to encourage community involvement.

Consultation

We appreciate the importance of meaningful consultation and set out a genuine commitment among all parties to consult on matters of mutual concern. We will agree clear, specific and time limited procedures and processes for consultation.

Cardiff Council	Community Councils
Will aim to give community councils the opportunity to comment before making a decision that affects the local community (particularly on matters relating to planning and other environmental proposals).	Will respond to consultation opportunities in a timely manner, addressing the key issues in the consultation document, where applicable.
Will publish dates of public meetings and agendas & reports for Cabinet, Council and other Committee meetings on the Council's website as soon as possible.	Will make full use of the papers available to them to inform local decision-making.
Will, in accordance with existing protocols and subject to available resources, allow appropriate officers to attend meetings with community councils (or groups of community councils) at a mutually agreed time to discuss matters of common interest when requested to do so and given sufficient notice.	Will provide an opportunity for local county councillors/officers (as appropriate) from Cardiff Council to speak at community council meetings on matters of mutual interest.
Will encourage scrutiny committees to consult with community councils on relevant local issues.	Will respond to requests to input views to scrutiny committees.

Information and Communication

We appreciate the need for timely, clear and relevant information and communication in fostering good relationships and better joint working for the benefit of local people.

Cardiff Council	Community Councils
Will provide community council clerks with access to the Council's Member Enquiry telephone line, initially on a 6 month trial basis, to be extended by mutual agreement.	Will utilise the agreed contact systems and respond in the most appropriate and timely method.
Will communicate by providing appropriate consultation documents and other information electronically to community council clerks for distribution to community councillors.	Will ensure that all community councillors have access to the appropriate documents.

Joint Working and Engagement

The Charter defines 'partnership' as working together towards a common set of goals, based on equality in terms of ownership, decision-making and recognition of each party's distinctive contribution. It is recognised that an equal and effective partnership brings benefits and responsibilities to all those involved. Local government at both tiers must work together to promote the economic, social and environmental well being of our area. If doing things differently achieves a better service, we will seriously examine these methods.

Cardiff Council	Community Councils
Will provide the opportunity for community council clerks to meet with the Monitoring Officer or an officer representative from Cardiff Council to discuss common concerns and resolve issues, at the specific request of the clerks.	Will encourage participation by community council clerks in opportunities to network and share common concerns.

Land Use Planning

Community councils know and understand their local area and must be able to comment effectively on planning matters. Cardiff Council is able to take an overview of the needs of the whole local area and make decisions, taking local views into account.

Cardiff Council	Community Councils
Will reaffirm its statutory duty to consult community councils during the preparation of the Local Development Plan and also on related policy documents, including Supplementary Planning Guidance.	Will make appropriate responses to the Council, recognising the parameters imposed by planning law and national planning policy guidance.
Will reaffirm its statutory duty to consult community councils on all planning applications in, or directly affecting, their communities, paying particular attention to the long-term issues for communities affected directly or indirectly by LDP strategic and flexibility sites.	Will make appropriate responses to Cardiff Council recognising the parameters imposed by planning law and agreed planning policy.
Will consider adoption of appropriately prepared community council Place Plans consistent with the LDP as Supplementary Planning Guidance.	Will prepare Place Plans consistent with the LDP as the need arises and statute requires.
Will inform a community council of any site visit by Planning Committee members relating to a planning application in its area.	Will offer community councillors training on planning issues to ensure that they have a sound understanding of how planning law works.
Will provide a community council with a copy of the final report relating to a planning decision in its area within seven days of the decision being made, if the community council has submitted written representations in relation to the planning application.	Will maintain an objective and professional approach to planning matters at all times.
Will provide community councils with details of relevant Planning Committee meetings so that community councillors may attend as observers.	Will encourage community councillors to take up the opportunity to attend meetings of Cardiff Council's Planning Committee as observers.
Will provide timely information to a community council about any planning appeals in its area.	

Practical Support

In order to be effective, elected members and officers must be well-trained and have the support they need to carry out their roles.

Cardiff Council	Community Councils
Will, where practical, offer community councils access to support services, to enable them to take advantage of facilities such as printing, IT and purchasing at the Council's agreed rate to recover costs.	Will follow established procedures to access support services from Cardiff Council, but will also have the opportunity to make their own arrangements.

Expertise

We will encourage continuous development of officers and members in both Cardiff Council and the community councils, either in their individual groupings or together. Improved expertise leads to professionalism and more effective joint working.

Cardiff Council	Community Councils
Will offer member induction training to community councillors to enable them to understand the role and function of the unitary authority.	Will provide an induction to newly elected community councillors to enable them to undertake their role effectively.

Ethics

We will provide an ethical service to local people, following the appropriate standards and Codes of Conduct. We will encourage links between community council clerks and Cardiff Council's Standards & Ethics Committee.

Cardiff Council	Community Councils
Will, through the appointed Monitoring Officer, support community councils in the timely consideration and provision of advice & training in relation to the application of the Member Code of Conduct.	Community councillors shall not make vexatious complaints under the Member Code of Conduct and will provide all such information as required by the Monitoring Officer to enable him/her to carry out his/her function effectively.

Financial Arrangements

Both Cardiff Council and the community councils recognise the need for clarity and transparency in financial arrangements. In developing and implementing financial arrangements, relevant national and local priorities will be taken into account.

Cardiff Council	Community Councils
Will, in setting the level of council tax for the area, have regard to services being delivered by the Council as a whole.	Will, in setting the annual precept, have regard to local priorities and the services provided within the community by Cardiff Council.

Delegating Responsibility for Service Provision

Services should be delivered in the most appropriate manner, with regard to value for money and added value for local people.

Cardiff Council	Community Councils
Will, on a case-by-case basis and in line with any related policy or guidelines that may be developed by the Council, give due consideration to all reasonably argued formal requests for the delegation of responsibility for local service delivery to community councils, basing its consideration primarily on the improvement of service delivery for citizens whilst ensuring value for money is retained or enhanced.	Will recognise that there are certain instances where it is not appropriate or desirable for Cardiff Council to delegate service delivery.
Will, in the absence of formal delegation, seek ways in which local information from communities might be used to enhance service delivery to better meet the needs of citizens.	Will engage with citizens in the communities they serve to better understand their needs and convey these needs in a coherent and constructive manner to Cardiff Council, such that they can be taken account of in service design and delivery.

Sustainability

We will work in ways that are sustainable, reconciling the long-term needs with those of the present; and protecting and improving the quality of life of current generations without compromising the quality of life of future generations.

Cardiff Council	Community Councils
Will assist community councils by providing information on sustainability and related good practice.	Will proactively assess the sustainability of current practices and processes.
Will outline how Cardiff Council is actively pursuing sustainable development.	Will investigate projects which contribute to sustainability where beneficial to the community.
Will put in place a framework for compliance with the requirements of the Well-being of Future Generations Act 2015 and share good practice, information and opportunities for engagement with Community Councils with a view to working towards the well-being goals outlined in the Act.	Will consider how they may contribute towards meeting the local objectives included in the local well-being plan prepared pursuant to the Well-being of Future Generations Act 2015.

Single Integrated Plan - “What Matters”

We recognise the strategic importance of the “What Matters” Single Integrated Plan which establishes the overarching strategic vision and sets out the priorities for the local area. In Cardiff, these are set out within the 10 year Integrated Partnership Strategy – ‘*What Matters*’ – which incorporates the previous Community Strategy; the Children & Young People’s Plan; the Health, Social Care & Wellbeing Strategy and the Community Safety Strategic Assessment. Furthermore, we recognise that this will only be fully effective if it is informed by the grass roots experiences from within our communities.

Cardiff Council	Community Councils
Will, in recognition of their local knowledge and experience, invite a representative of community councils to sit on the Strategic Neighbourhood Partnership Group in their respective areas. This will provide invaluable input into the delivery of the Integrated Partnership Strategy and respective Neighbourhood Action Plans across the city.	Will together nominate a community councillor to be their representative on the Strategic Neighbourhood Partnership Group in their respective areas. This individual shall proactively represent the community council, raising matters of general concern appropriate to the agenda.

Will involve community councils in the agreement of the local priorities for the Neighbourhood Partnership teams and to develop / review the annual Neighbourhood Action Plans.	Will contribute to the agreement of the local priorities for the Neighbourhood Partnership teams and assist in developing / reviewing the annual Neighbourhood Action Plans.
Will involve community councils in the implementation of the Neighbourhood Action Plans.	Will respond actively to assist in the implementation of the Neighbourhood Action Plans.

Community Council Elections

Fair and open elections are the bedrock of local democracy. We will ensure that community council elections are freely and fairly contested, and encourage local people to become involved in local democracy.

Cardiff Council	Community Councils
Will involve community councils in the planning process for community council elections.	Will encourage participation by members of the local community in the community council election process
Will involve community councils in any awareness raising/publicity to encourage nominations for candidacy at community council elections.	Will ensure wide publicity of vacancies on community councils to maximise community representation.
Will help to publicise forthcoming community council elections on behalf of community councils.	Will publicly display statutory notices for forthcoming community council elections.
Will brief community council clerks on the nomination process so that they are equipped to assist any potential candidates who come forward for community council elections.	
Will provide help and assistance with the legal and administrative processes and procedures for community council elections.	

Monitoring and Review

Subject: Community Councils Charter

Dear Clerks

Thank you all for the feedback provided from your respective Community Councils, and our apologies for not being able to respond to you sooner. We have carefully considered all the comments made, followed up with relevant council departments and now enclose a revised Charter, which we hope represents a clear and realistic commitment to support effective partnership working between our Councils – please see attached.

You will note that the revised Charter incorporates the following further amendments:

Planning

- In recognition of concerns about proposals of a significant scale, we have added a commitment that consultations will pay particular attention to the long term issues for communities affected by LDP strategic and flexibility sites.
- As the Welsh Government have now identified scope for the preparation of Place Plans, we have added a commitment to consider the adoption of community council Place Plans consistent with the LDP.
- With regard to the involvement of community councils in negotiations concerning Section 106 and Community Infrastructure Levy (CIL) funds, however, our Head of Planning has advised that amendment of the Charter is not appropriate. His view is that measures are already in place to satisfactorily address this matter. Community Councils have the opportunity to identify considered local priorities for S106/CIL (when in place) through their role in providing responses on planning applications as already referenced in the Charter. More strategically, considered priorities for S106/CIL local spend can be addressed as part of the new Place Plan process. Through these channels, Community Councils can effectively feed views into the decision-making process with regard to S106/CIL local spend. He has stressed that S106 agreements are signed between the Council and landowners, so the primary negotiation must be between these two parties, taking account of a wide range of factors, including all potential priorities for eligible spend and viability factors. However, Community Councils can feed through their considered priorities for local spend as part of the Development Management process, and this feedback will help inform the Council's position in terms of potential scope for local spend.

Sustainability

- The commitment of the community councils in respect of the Well-Being of Future Generations Act 2015 has been amended, as suggested, to reflect the less onerous obligation imposed on councils with a budget below £200,000 pa.

In relation to comments and suggested amendments to other parts of the Charter, our response is as follows:

Local governance – We have retained provision for an annual liaison meeting with the Monitoring Officer, but note that additional meetings may, of course, be requested if the need arises. The Council does not, unfortunately, have sufficient resources to be able to commit to a regular pattern of more frequent meetings.

Consultation – The current commitment that the Council will aim to give community councils the opportunity to comment on decisions affecting their community, has been retained. This wording reflects the fact that there may be circumstances where consultation is not possible or appropriate, for example, if the Council needs to act quickly. We believe the most effective way to address the concerns raised in this regard is to improve the level of understanding and awareness within this Council of the role of Community Councils, which we propose to do by launching a Communications Plan, once the revised Charter has been signed off. Reference to consultation on local government reorganisation has not been added, as proposals and consultation on this matter are the responsibility of the Welsh Government rather than Cardiff Council.

Information and Communication – We understand that the provision of information and communication in relation to issues affecting your areas is a fundamental concern, and hope that the Communications Plan (referred to above) will significantly improve communications. You will note that we also propose to make available the Council’s Member Enquiry Telephone Line, and we have discussed this further with the responsible officers to see how best we can adapt this system to suit your needs. We attach a note explaining the service we can offer, on a 6 month trial basis, as agreed (to be extended thereafter if there are no significant operational concerns).

Expertise – We believe the current commitments remain relevant and appropriate. With regard to proposals set out in the Local Government (Wales) Bill, we would point out that all such proposals are still under consideration and there is no certainty at this stage that they will come into effect. Any future changes in law will be considered as and when they take effect.

We would be grateful if you could kindly arrange for the revised Charter to be considered by your respective Councils and, provided you are content, to arrange for signature by the Chair on behalf of your Council, and return the signed copy to us. We will then arrange for execution by our Cabinet Member, send you a copy of the signed Charter and commence implementation of our Communications Plan and the Member Enquiry Line. We hope we are now able to proceed to conclude this matter fairly quickly, and would like to thank you for your co-operation and patience. Should you wish to discuss this matter further, please do not hesitate to contact me.

GUIDANCE ON HOSPITALITY, GIFTS AND OTHER BENEFITS RECEIVED BY MEMBERS FROM EXTERNAL ORGANISATIONS, BUSINESSES OR INDIVIDUALS

Introduction

1. This guidance is issued in accordance with the statutory Code of Conduct for Members and applies to Elected Members and Co-opted Members of Cardiff Council. It sets out the threshold or minimum value level determined by the Council under the Code, which is **£25**.
2. **All hospitality, gifts and other benefits received by Elected Members and Co-opted Members, which are estimated to exceed this value, must be notified to, and registered by, the Council's Monitoring Officer via Democratic Services.**

Definitions

3.

Term	Definition
Hospitality received	Any entertainment beyond the offer of non-alcoholic drinks and light refreshments, which would reasonably be regarded as normal social congress, offered to Members in an official capacity or in the course of, or arising from, their official duties as Members. Hospitality received can include (but not exclusively) meals, travel opportunities, hotel accommodation, invitations to events, sport and theatre tickets.
Gift	Any tangible item given to Members in the course of, or arising from, their official duties and position held within the Council.
Other benefits	Any other benefit offered to Members in the course of, or arising from, their official duties and position held within the Council, not covered by the definitions listed above.

Statutory and Council Framework

4. Paragraph 7 of the Council's Code of Conduct for Members states that:

"You must not:

- (a) *in your official capacity or otherwise, use or attempt to use your position improperly to confer on or secure for yourself, or any other person, an advantage or create or avoid for yourself, or any other person, a disadvantage.*

- (b) use, or authorise others to use, the resources of your authority-
- (i) imprudently;
 - (ii) in breach of your authority's requirements;
 - (iii) unlawfully;
 - (iv) other than in a manner which is calculated to facilitate, or to be conducive to, the discharge of the functions of the authority or of the office to which you have been elected or appointed;
 - (v) improperly for political purposes; or
 - (vi) improperly for private purposes."

5. Paragraph 9(b) of the Council's Code of Conduct for Members also states that:

"You must...avoid accepting from anyone gifts, hospitality (other than official hospitality, such as a civic reception or a working lunch duly authorised by your authority), material benefits or services for yourself or any person which might place you, or reasonably appear to place you, under an improper obligation."

6. Paragraph 17 (Registration of Gifts and Hospitality) of the Council's Code of Conduct for Members further states that:

"You must, within 28 days of receiving any gift, hospitality, material benefit or advantage above a value specified in a resolution of your authority, provide written notification to your authority's monitoring officer of the existence and nature of that gift, hospitality, material benefit or advantage."

Acceptance and Refusal

7. Whatever the value of the hospitality, gift or other benefit offered to a Member by an external organisation, business or individual, if its acceptance may place you under an improper obligation to the donor, or may reasonably appear to do so, it should always be refused.

8. It is not possible to describe all the situations where an improper obligation may arise. However, these are some examples of circumstances in which offers to Members are likely to be seen as suspect:

- The offer of hospitality, gifts or other benefits which do not appear to have any proper purpose connected with the Council (e.g. the offer of private holidays or the use of holiday accommodation; personal gifts of substantial value or other benefits offered to Members at substantially below the price they would normally be offered to the public);

- Hospitality, gifts or other benefits offered to Members who are closely involved, or who will participate, in decision making relating to an external organisation, business or individual seeking to do business with the Council and, for example, is involved in negotiating a contract; the sale or acquisition of a property; or has submitted a tender for a Council project;
- Regular and repeated hospitality, gifts or other benefits which are either offered or received from the same external organisation, business or individual;
- Hospitality, gifts or other benefits offered where a Member would be the sole guest on an essentially private occasion;
- Hospitality, gifts or other benefits offered for purely sporting or social occasions away from the Council's administrative area, where there would be no general expectation that the Council should be represented, nor any clear connection with Council business or functions.

It should be stressed that the above are examples only, and are not exhaustive. Each offer and its appropriateness should be considered on its merits and it will be necessary for Members to make a personal judgement as to whether it is appropriate to accept it.

8. Members must strike a balance between, on the one hand, taking an active part in the life of the community and ensuring that the Council is properly represented when it needs to be in a position to receive or impart information, and, on the other hand, the need to avoid the appearance of improper obligations.
9. In circumstances where it is necessary for the Council to be represented at events where hospitality is offered by an external organisation, business or individual, it is appropriate to accept unless there are circumstances which clearly suggest that an improper obligation may be seen to arise.
10. If, for example, the external organisation, business or individual offering hospitality is at a sensitive stage in contractual negotiations with the Council, it will not be appropriate for those who are directly or indirectly involved with those negotiations to accept hospitality. If the matter is a major project which affects many Council services, all invitations received during such negotiations should be refused.
11. If, however, the matter is relatively minor and confined to one service area or a small group of individual Members or employees, it may be appropriate for those Members not involved directly or unconnected with the matter to accept invitations, if it is believed that the event concerned is particularly relevant to Council business or functions.

12. The offer of hospitality from other public bodies or organisations (e.g. UK Government, National Assembly for Wales, Welsh Government, Local Health Boards and other Councils) will normally be appropriate for acceptance as the implication of improper obligation would rarely arise in those circumstances and such events are generally arranged for proper public purposes. However, those Members who are offered hospitality, gifts or other benefits by such organisations would still need to consider whether acceptance is appropriate and likely to further the Council's interests. In addition, if the organisation is involved in the process of negotiating a contract or other arrangement with the Council, careful consideration should be given before accepting any hospitality, gifts or other benefits.
13. There may be rare occasions when Members may be offered gifts in the form of bequests by local residents, as a result of their undertaking official duties. Such offers of bequests should be discouraged wherever possible in order to avoid Members being subject to any accusations of impropriety and undue influence or persuasion having been brought to bear on the testator. However, if a bequest is made then the acceptance of small bequests by Members, which represent only a minor proportion of the estate in each individual case, will generally be considered as acceptable.
14. Elected Members and Co-opted Members are not required to obtain authorisation before accepting hospitality, gifts or other benefits offered in connection with their official role. However, Elected Members and Co-opted Members will be responsible for any decision they take to accept any hospitality, gift or other benefit.

Registration

15. **Elected Members and Co-opted Members are required to register any hospitality, gifts or other benefits exceeding an estimated value of £25 for each occasion, item or payment.**
16. If there is any doubt about whether the item exceeds the threshold value, you are advised to register its receipt. However, for the avoidance of any doubt, items below the threshold values do not need to be registered by Members. The threshold value will be reviewed by the Council as necessary and appropriate, in consultation with the Standards and Ethics Committee.
17. Under the Members' Code of Conduct, Elected Members and Co-opted Members are required to make such registrations **within 28 days of receipt**. Members should use the applicable Member Registration Form ([4.C.039](#)), which must be completed and returned to the Democratic Services Manager for registration purposes. The register will be made available for public inspection.

STANDARDS AND ETHICS COMMITTEE

30 NOVEMBER 2016

**REPORT OF THE DIRECTOR GOVERNANCE AND LEGAL
SERVICES & MONITORING OFFICER**

**MEMBERS' CODE OF CONDUCT COMPLAINTS – QUARTER 2,
2016/17**

Reason for Report

1. To provide the Committee with a brief update on complaints made during Quarter 2 against Members of the Council alleging breaches of the Code of Conduct.

Background

2. The Committee receives regular reports from the Monitoring Officer on complaints made against Members of the Council alleging a breach of the Members' Code of Conduct. These reports provide information to assist the Committee to discharge its functions, in particular:
 - i. To monitor and scrutinise the ethical standards of the Authority, its Members, employees and any associated providers of the Authority's services, and to report to the Council on any matters of concern; and
 - ii. To advise the Council on the effective implementation of the Code including such matters as the training of Members and employees on the Code's application,

(paragraphs (a) and (c) respectively, of the Committee's terms of reference).
3. Complaints received during Quarter 1 of the financial year 2016/17 were considered at the Committee's last meeting, in July 2016.

Issues

4. A total of 3 complaints alleging a breach of the Members' Code of Conduct were received by the Monitoring Officer during Quarter 2 of the financial year 2016.

5. The table below shows the type of complaints received in Quarter 2 and provides comparative figures for the previous 3 quarters.

	Q3 Oct, Nov, Dec 15	Q4 Jan, Feb, Mar 16	Q1 April, May, June 16	Q2 July, August, Sept 16
Total	8	18	4	3
Member on Member	3	4	1	0
Public on Member	5	6	3	3
Officer on Member	0	0	0	0
Community Councillors	0	8	0	0

6. The Committee will note that the number of complaints received during Quarter 2 (3 in total) is similar to the last quarter (Q1) and low compared to previous quarters (Q3 and Q4 of 2015/16).
7. All 3 complaints in Q2 were received from members of the public; 2 cases have been informally resolved and closed, and 1 remains active. Brief details of the complaints and outcomes are as follows:
- i. Alleged failure to respond to correspondence in a timely manner. A response was subsequently sent, with an explanation for the delay (the issues raised were complex and required careful consideration), along with an apology, as it was accepted that a holding response should have been sent. The complaint was dealt with through correspondence. The Interim Monitoring Officer considers that the complaint has been addressed and appropriately resolved. However, there is ongoing substantive correspondence between the individual and the Member, and the complainant has reserved the right to complain to the Ombudsman if this does not proceed to his satisfaction.
 - ii. Alleged unauthorised disclosure to a third party organisation of concerns raised by an individual. The complaint was dealt with through correspondence. It was noted that the individual and the Councillor gave different versions of the events. No breach of the Code was found.
 - iii. Complaint alleging that an elected Member's comments on social media (Twitter) failed to give due regard to equal opportunities and statutory equalities duties. The complaint is being dealt with through correspondence which is ongoing at the present time.

8. Members will recall that timeliness in dealing with Members' correspondence and the use of social media are common themes for complaints.
9. Members will also note that no Member on Member complaints were received during Quarter 2.

Legal Implications

10. There are no legal implications arising from the recommendations of this report.

Financial Implications

11. There are no direct financial implications arising from this report.

WLGA Continuing Professional Development for Councillors

A Development Framework for Councillors in Wales

This framework outlines the skills and knowledge widely accepted to be required by local authority councillors in Wales. It is intended to provide guidance for councillors about their roles, and help them identify their priorities for continuing personal and professional development. It is not intended to be exhaustive or prescriptive, but to help new and existing councillors identify the aspects of their role where support or training might be helpful. The Framework can also be used as a prompt for councillors undertaking personal development reviews and by officers and members devising development programmes. It can also be locally adapted to reflect the priorities of different councils.

The Framework has been designed as part of the Wales approach to continuing professional development for councillors which has been created by councils working with the WLGA. It therefore fits with the Wales Charter for Member Support and Development. The Charter provides councils with a structure for local self-assessment and action in member development, this framework provides a suggested content for that development. The framework also fits with the WLGA model role descriptions and person specifications for members.
