The minutes of the meeting held on 16 December 2016 were agreed as a correct record and signed by the Chairperson.

28 : REPORT FOR THE PERIOD -1 DECEMBER 2016 - 28 FEBRUARY 2017

Members were provided with an update on the work and achievements of the service for the period 1 December 2016 to 28 February 2017.

The Chairperson invited questions and comments from Members on each section of the report:

Section A – Management of Resources

- Members asked for more information about the Glamorgan's Blood Project and were advised that it was a Wellcome Trust funded project to catalogue and preserve the National Coal Board's records.

Staff and Volunteers

- Members congratulated staff on qualifications obtained and compliments received from service users.

Partnerships

- Members asked if the partnerships listed were more than usual. Officers advised that there had been success in maintaining and continuing partnerships after they had been created. The example of Cardiff People First was given whereby a fifth project with them was currently underway. New partnerships are created every year; partners get funding and bring the work to the service and pay for the work.
- Members asked about the timescale for the Heritage Lottery Fund grant and were advised that it was May/June time and that an update would be brought to the next committee meeting.

Buildings and Systems

- Members noted the complaints about errors in Welsh translation on the website and considered it very important that this was done correctly especially as the translation service was being paid for.
- Members asked if the possibility of employing a member of staff for translation had been explored and were advised that it was more cost effective to use Bilingual Cardiff translation services.

Section B – the Collections

Cataloguing

- Members asked if records from Caerphilly were being sent to Gwent records office. Officers advised that Caerphilly County Borough covers both records offices, there was a proposal that records were deposited at Glamorgan Archives and the decision had been left with Caerphilly CBC.

Appendix 1

- With reference to the accrual rate, Members noted the higher number in June-August 2016 and sought clarification on this. Officers explained that this was when a larger number of records came in to the Archives.
- Members noted the accession of Cardiff Methodist Circuit Records and asked if the Archives had the Rhondda Circuit Records; officers advised that they did.

- Members asked if there were records of all the churches/pubs/clubs in the valleys that had closed; officers advised that it would depend on the owners, it was not a requirement to submit records.

Appendix 2

- Members noted that the number of visits and remote enquiries had increased. Officers explained that there was more on the web to access and that there was an increase in enquiries for Carmarthenshire records, which were being held in the Archives for the next 2 years.
- Members asked as web use increases, if there was a need to look at how people access the website, and whether they are doing so effectively. Officers advised that they do receive analysis of website use and this detailed information could be brought to a future committee meeting.

Officers added that they often correspond with people before they visit the Records office; people use the web to prepare for their visit, so it was difficult to untangle this information. Also people use the pay per view sites to access the information but they are not directly interacting with the Archives; information from this is provided through royalty payments so this is further detailed information that could be brought to a future meeting if needed.

Members considered that officers could produce an end of year Info Graphic.

Balance Scorecard

- Members were advised that this had been produced based on comments received on the Annual Plan; it contained sections on strategy map, dashboard and success factors. A new template would also be used to record quarterly performance and this would be brought to the next meeting.

Members considered that the format made more sense and members were able to see the impact of the work being done, Officers stated that they would bring this balance scorecard to each meeting.

- Councillor S Jones and Councillor Ward explained that they would not be standing for re-election in the forthcoming elections and wished to give their thanks for the time they have spent on the Glamorgan Archives Joint Committee.

RESOLVED: To note the report.

29 : DATE OF NEXT MEETING

The next meeting of the Glamorgan Archives Joint Committee is scheduled for 16 June 2017 at 2.00pm.

REPORT OF:

THE GLAMORGAN ARCHIVIST

	AGENDA ITEM NO. 8
REPORT FOR THE PERIOD 1 March - 31 May 2017	

1. PURPOSE OF REPORT

This report describes the work of Glamorgan Archives (GA) for the period 1 March to 31 May 2017.

2. BACKGROUND

As part of the agreed reporting process the Glamorgan Archivist updates the Joint Committee quarterly on the work and achievements of the service.

Members are asked to note the content of this report.

3. ISSUES

A. MANAGEMENT OF RESOURCES

1. Staff

Maintain establishment

Kate Boddy, Records Assistant, has resigned from her post. Her sabbatical in Canada has been so successful that she has decided to remain there. Recruitment for the post has begun.

An appointment has been made to the post of Project Conservator on the project, Glamorgan's Blood: Dark Arteries, Old Veins, which will improve access to the coal collections. Stephanie Jamieson is currently working at the National Library of Scotland and will begin her new role at Glamorgan Archives on 4 September. The post, funded through the Wellcome Trust grant, is for 2 years. Jane Henderson, Senior Lecturer in Conservation at Cardiff University, advised on the selection process.

Continue skill sharing volunteer programme

During the quarter 51 volunteers and 3 work experience placements contributed 1,975 hours to the work of the Office. Of these, 32 came from Cardiff, 10 from the Vale of Glamorgan, 6 from Bridgend, 3 from Caerphilly, 2 from Rhondda Cynon Taf, and 1 from Carmarthenshire. In addition, a tour was provided for a prospective volunteer.

After four years and 15,878 catalogue entries the Rhondda Urban District Council building plans project is now complete. A number of volunteers have worked on the project but the bulk of the listing has been carried out by Fred, Mark and Barry. Their achievement was celebrated on social media and with Archive cakes.

Benjamin Roynton, a student at University of South Wales, completed a work experience placement *'I think I would choose a career in archives as I found the placement very enjoyable and I was able to gain important skills and enjoy working in the archive'*.

Laura Cunningham, who has previously completed a work experience placement at the Archives, has started the Archive Administration course at Aberystwyth University. As a requirement of the distance learning course is to have a paid or voluntary position in an archive Laura will continue to volunteer once a week.

Volunteers are making increasing contributions to conservation. They include students from Cardiff University seeking practical experience to ground their academic study, retirees exploring new interests and younger people investigating potential careers. Their work is reported in more detail under the Conservation heading. It is pleasing to note that 2 conservation work placement students have gained prestigious summer internships, Devin Mattlin at the Smithsonian in Washington D.C. and Pamela Murray at the British Museum.

Elite supported employment agency introduced a new client for a tour and discussion of potential volunteer projects.

Annual individual feedback sessions capture the views of regular volunteers. This year's completed sessions indicate general satisfaction with the programme and a desire for more information on the full range of projects being undertaken by volunteers and on the work of the service. To meet this demand a quarterly volunteer newsletter will be produced and circulated.

Hannah Price, Resources Archivist met with Amy Williams of Go Wales, University of South Wales (USW) branch. Go Wales has adjusted its remit to focus on providing work placements for those in need of additional support. The Archives had its first placement through this scheme in April, a three day 'work shadowing' programme, similar

to existing work placements with the addition that the students ask staff a series of questions about their careers.

Following a meeting with the Internships Officer for Cardiff University, the Archives has been added to the University's database of work experience providers.

Continuing Professional Development

Hannah Price, Resources Archivist, attended the national Heritage Volunteers Conference, this year held at the National Museum in Cathays Park. It was a useful opportunity to meet other professionals working with volunteers, to exchange experiences and share best practice.

Welsh language provision continues to improve with 5 members of staff attending courses at levels from mynediad to uwch, with 3 submitting to an end of year examination.

The Senior Archivist completed Reminiscence Training, which explored the use of heritage collections with people with dementia, in particular within care homes. The training was delivered by Monmouthshire Museums Service, arranged through the South Wales Heritage Education Forum.

Staff attended a workshop, hosted by Glamorgan Archives and arranged by Bangor University's Institute for the Study of Welsh Estates, to explore the development of a toolkit to facilitate access to estate records. The workshop was attended by archivists, academics and local and family historians from across south Wales.

A training session was held for the Access Team on the use of vehicle licensing records. Public demand for these series of records has increased during recent months as access is also being provided to series for Carmarthenshire. They are used to inform the restoration of vintage vehicles.

The Conservator is putting together her accreditation application form for submission to the Institute of Conservation: ICON in order to be admitted to their register. Her professional mentor is assisting and came to look at her work.

The 3 Records Assistants have progressed in their NVQ Level 4 course in Advice and Guidance.

Rebecca Head, Records Assistant, has completed the first day of a two-day training course on Digital Photography provided by MALD, the Museum Archives and Libraries Division of Welsh Government.

Maintain commitment to good health and safety practices

In compliance with Directorate instructions, the building is examined quarterly by senior staff and a report submitted on defects. Fire alarm call points are tested weekly.

The Glamorgan Archivist attended a meeting of the South East Wales Emergency Planning network, facilitated by MALD.

The Senior Archivist attended a two-day First Aid at Work refresher course, ensuring her qualification will be valid for another three years. Hannah Price, Archivist and David Hail, Records Assistant both attended annual one-day First Aid refresher training.

Budget

Manage to best advantage

Regular meetings with the Resources Team address issues arising with the budget. Building issues are monitored to align repairs with planned preventative maintenance visits to avoid additional call out charges.

An agreement has been reached that pending the resolution of the outstanding transfer of pension fund assets from Rhondda Cynon Taf County Borough Council to Cardiff Council, the actuaries' fees can be paid by the Cardiff & Vale Pension Fund rather than the Archives' budget.

Maximise benefit from income generation

The National Archives (TNA) has confirmed that a substantial payment can be expected in the current financial year through the New Burdens fund which compensates local Places of Deposit for taking national records during the transition from 30 to 20 year deposit periods. The money must be spent on improvements to locally held public records and reflects the amount of material received during the previous year.

The Conservation Team has been successful in attracting external orders for boxes and bench work. Grant funding is sought for repackaging projects on the Collection, large-scale cataloguing and for smaller community engagement work. These are all reported under the appropriate heading below.

Promote partnerships and networks

National

The Glamorgan Archivist attended the Archives Accreditation Committee meeting at London Metropolitan Archives, the Archives and Records Council Wales (ARCW) meeting at Wrexham, and chaired a meeting of the National Conservation Strategy group at Nantgarw. She contributed to Discover the First World War with HLF workshop (Living Legacies) at National Museum Wales (NMW), highlighting the opportunity such projects provided to promote the work of local archive services in supporting communities wishing to commemorate the Great

War. The event was followed in the evening by a lecture by Dr Nick Mansfield on How the Working Class Won the First World War, attended by the Senior Archivist.

The Glamorgan Archivist was consulted in the stakeholder review of NMW, commissioned to benchmark the museum's performance and to explore options for the future including financial resilience. She has also been involved in the consultation process on the future of Carmarthenshire Archive Service and the plans for a new archive building attached to Carmarthen Library.

The Senior Archivist attended the Kids in Museums Youth Voice event held at the National Waterfront Museum in Swansea. Speakers on the day illustrated innovative strategies for involving young people in the work of archives and museums. She attended via teleconference a meeting of the Archives Wales Marketing Group.

The Women's Archive Wales project, *Voices from the factory floor*, has been continued through a series of spin-off projects. The latest, *TicToc*, is a musical based on the interviews with women workers in the manufacturing industries across Wales. The Glamorgan Archivist attended a rehearsed reading of the project at the Wales Millennium Centre which was followed by discussion and debate.

Two archivists from Hannover City Archives, currently on sabbatical in their twin city at Bristol Archives, visited to learn about archive service provision in Wales. They are in the process of developing a new building, and were also interested to learn about the experience of planning and moving to new premises.

The story of John Hughes and his Ukrainian ironworks continues to attract interest, particularly in this centenary year of the Russian Revolution. The Archives' work with St Andrews University is reported below. A Ukrainian journalist has sought advice for a humanitarian project based in Hughes' city of Donetsk. A local researcher is hoping to publish his work on Hughes and visited to discuss options.

Local

The Glamorgan Archivist attends meetings of Cardiff Council's (CC) Senior Management Forum and the Directorate Management Team.

Fusion is Welsh Government's programme to harness the power of the arts, culture and heritage to promote social justice, based on Baroness Andrews' report, *Culture and Poverty*. The Archives has been a partner in the local area project, *From Fort to Pit to Port*, led by Cardiff University, which linked Communities First clusters in Cardiff and Merthyr Tydfil. The close of the initial Fusion programme was marked with a network event hosted by Strong Communities Healthier People Cardiff University. Phil George, Chair of Arts Council Wales, introduced

the day and the Glamorgan Archivist spoke on the proposed future of the programme on behalf of Welsh Government.

The Archives will continue to work within the programme in close partnership with Cardiff Story Museum. During the quarter, the Museum, with Archives' support, has submitted a successful bid to lead in the next phase. Funding for a project officer has been secured. The Glamorgan Archivist meets regularly with the museum curator and attended the launch of the recent exhibition, *From Wales to Wembley*, commemorating Cardiff City's FA Cup win.

The Archives is also supporting the successor organisation to Butetown History and Arts Centre in securing the Centre's collection and setting up a new organisation which will be based in the Coal Exchange Hotel. Regular meetings are held with community representatives leading the project.

The Glamorgan Archivist attended a meeting of Cardiff and Vale of Glamorgan LGBT Forum at which proposals for heritage events linked to the Pride Big Weekend were discussed.

The Senior Archivist attends meetings of VCS Cymru's Heritage Sub-Group, contributing to current heritage projects Chronicle, and Stories, and to the development of future heritage projects.

Glamorgan History Society and South Wales Records Society held their AGMs at Tondu Methodist Church on 13 May. The Senior Archivist represents Glamorgan Archives on the committees of both societies and attended the joint meeting. The formal proceedings were followed by a talk on Richard Price of Tynton.

Theatre company Avant Cymru organised a visit for community participants, aged over 50, in their Rhondda based project Lands of Our Fathers. The aim of the project was to investigate the origins of the people who came to work in the Rhondda, resulting in a storytelling documentary inspired by their findings which can be viewed at <https://youtu.be/LoaGkv3Gfo4>. Those who visited were taken on a tour of the building and also consulted documents reflecting immigration into the Rhondda valleys.

Volunteers from Pontypridd YMCA visited for training on handling, packaging and cataloguing archive material. The YMCA building is currently undergoing renovation, and as part of the heritage stream of the project volunteers are researching the history of the building and safeguarding the records held there. Once the volunteers have sorted the material it will be placed on deposit at the Archives.

Planning is underway for the Cardiff People First takeover of Glamorgan Archives. The Senior Archivist attended a planning meeting with members of Cardiff People First and partners the Cardiff

Story museum. In May a 'Breaking Barriers' training session was attended by all staff. Led by members of Cardiff People First, the session aimed to break down the barriers which often prevent people with a learning disability from accessing services and playing a full part in society. The Takeover Day will take place on 4 July.

Further meetings have been held with the Project Officer on the Mary Gillham Archive project at the South East Wales Biodiversity Records Centre (SEWBRc). The Conservator ran a training session for volunteers on the packaging of archive material and its transfer to Glamorgan Archives.

Cardiff Naturalists Society celebrates its 150th anniversary this year. An exhibition will be held at the Cardiff Story museum in the autumn. To inform the exhibition, members visited to discuss the extensive archive of the Society already deposited, and the potential deposit of additional material.

The Ethnic Youth Support Team (EYST) Swansea has secured Heritage Lottery funding for the new project, Young, Migrant and Welsh. The main focus will be the experience of migrant communities in Swansea, and a visit to Glamorgan Archives will inform a comparison with their experience in Cardiff.

The Senior Archivist attended a meeting of the South Wales Heritage Education Forum held at the Royal Mint Museum in Llantrisant.

Potential partnerships

Long-standing partnerships continue to develop. The Archives' involvement in the Parliamentary Archives commemoration of the Representation of the People Act 1918 is being planned. The Outreach Officer visited in May. A meeting was held with civilian officers to discuss plans for continued collaborative working with South Wales Police on their heritage projects.

The Archives was asked to take on lead partnership status in the Cultural Ambition project being developed by Creative Skills to support young people from disadvantaged backgrounds in attaining entry level qualifications and experience to equip them for jobs in the cultural heritage sector. The all-Wales project builds on both the earlier Conserving Local Communities Heritage (CLOCH) project and the Fusion programme and has Welsh Government support. Lead partners are mainly national bodies. The project is at 2nd stage HLF bid; supporting documentation from the CLOCH project has been provided.

The Glamorgan Archivist and Senior Archivist met representatives of Welsh Women's Aid. The organisation reaches its 40th anniversary next year and is applying for Heritage Lottery funding for activities to mark the occasion, including the collection of archive material. Advice

was given and Women's Archive Wales signposted as another potential partnership organisation.

Isaac Blake from the Romani Cultural and Arts Company met the Senior Archivist to discuss potential future partnership work around heritage and the collection of material from gypsy and traveller communities.

Head4Arts, an organisation with which the Archives has previously worked successfully, is involved in a Tandem Europe programme project with the Hawila Project in Copenhagen. The Glamorgan Archivist attended the launch of Shipshape, an interactive learning toolkit to develop young peoples' awareness of globalisation and the impact of transporting goods by ship. Essentially a board game with internet connection, the toolkit would benefit from links to archive content. The proposal will be explored.

The Glamorgan Archivist contributed to a proposal from the Welsh Religious Buildings Trust for funding to develop a heritage centre in Aberdare.

Letters of support have been provided for several proposed HLF community projects which would, if successful, enhance the work of the Archives and develop community engagement in specific areas.

2. Building and systems

Maintain building

Maintenance contractors continue to carry out regular maintenance and to replace failing components as required. Pest control have attended site to check the roof for nests. Following the transfer of the fire maintenance contract a full cause and effect review of the system was completed and urgent repairs and adjustments made. The security system has been upgraded and external CCTV cameras replaced as required.

A leak in one of the staff toilets' cistern caused some damage to tiles in the ground floor ceilings. Repairs have been effected. A repair to a section of floor covering in the staff stairwell will require additional work to be completed when the building is closed.

Following discussions with on-site security firm OCS, the gate between the Archives and the retail park is locked overnight after series of incidents.

In the run up to the UEFA cup finals an issue with car parking on site was reported to police as the road outside the archive building was being blocked by non-users of the building. Registration numbers were checked for security purposes.

The age of both desktops and laptops used by staff and volunteers is beginning to cause problems. The older machines will not support newer versions of Windows which may increase their vulnerability. They are also very slow to run. Cost effective solutions are being discussed with CC IT staff.

Ensure compliance

The Senior Archivist attends CC's Welsh Language Coordinators Group where compliance with the Welsh language Standards is monitored.

Development reviews for 2016/17 have been completed and those for the current year initiated in compliance with CC's procedures. Eligible staff have transferred to recording their time on CC's electronic system, Digigov.

A complaint was received after the on-line catalogue became temporarily unavailable that it was difficult to contact the office by telephone. In response, the original message, which directed callers to specific areas of the service, has been cancelled and calls are answered by administrative staff.

B. THE COLLECTION

1. Conservation

Repositories

Environmental conditions in the strongrooms have been fairly stable keeping within the specified parameters of the British Standards without having to turn on the air-conditioning most of the time. The chiller unit is currently under repair.

The insect traps inside the strongrooms show no evidence of insect activity. One moth was found outside strongroom 3; the assumption is that it came from the buffer zone.

Conservation and preservation plans

Staff and volunteers are working through identified priorities, currently volumes in the Poor Law Union series for Bridgend and Glamorgan Quarter Sessions Depositions. In addition they respond to emergency calls and progress externally funded projects and orders.

NADFAS volunteers are cleaning Crew Agreements and NCB volumes prior to listing.

Pembrokeshire Archives' Trainee Conservator spent a week in the Studio receiving tuition from the Conservator and Assistant Conservator.

The fume cabinet and both cleaning tables have been serviced.

External work has included conservation of Edward Thomas notebooks for Cardiff University and a survey of Cardiff Story Museum's collection which is continuing.

Details of work completed are given in *Appendix IV*

2. Cataloguing

Strategies and plans

Collections days continue to be held each month. This quarter work has focussed on the records of Lisvane Community Council and Glamorgan County Council.

The scoping survey of the Cardiff Bay Development Corporation (CBDC) Records, funded by MALD, has been completed. The report outlines further work required to catalogue the collection fully; external funding options are being explored.

The Associated British Ports' (ABP) records link to the CBDC collection and could form part of a funding bid. Part of the ABP collection was transferred to Cardiff Council but not to the Archives. A meeting has been held with the responsible officer to discuss the future of this section.

Louise Hunt, Archivist, attended the Axiell Users Conference held in Oxford in May. The latest developments and future plans for the software will affect how the Archives will use CALM while case studies presented were interesting and useful. Requests for enhancement of the software were submitted asking for inclusion of Welsh language descriptions, for dates to be sortable and a workflow to be developed for interaction with Archivematica for digital preservation purposes.

Work continues on customising the online catalogue so that there will be a fully bilingual interface and internal templates continue to be modified.

Feedback has been received from the Archives Hub following testing of catalogue data for ten collections. Further changes have been made where necessary to the templates and catalogue data. Those catalogues that did not pass through the system correctly first time round have been resubmitted along with additional catalogue data. The Archives Hub has been able to successfully import Welsh language catalogues into their system.

Glamorgan's Blood

Project Archivist Louise Clarke continues cataloguing individual pre-nationalisation colliery records, with catalogues for a further 5 colliery companies now available on Canfod. This material comprises 112 volumes, 5 boxes and 6 files. She has also identified, reviewed and

catalogued 46 boxes of material concerning the Aberfan Disaster and the subsequent Inquiry. A full catalogue is available on Canfod.

The Senior Archivist has explored with officers of Wellcome options for additional funding to support public engagement work around the project. With this in mind she is also developing a partnership with the Coalfields Regeneration Trust.

The project has continued to be promoted through social media, with posts publicising the completion of individual catalogues and featuring images of items of particular interest from within the collection. A blog post concerning David Davies was published to coincide with the completion of the catalogue for the records of Davies' company, the Ocean Coal Company. An article on the project has also been published in the Glamorgan Family History Society journal.

Collection development

Initial receipts were issued within the target time for all accessions received in this quarter. Full receipts were issued within the target time of 15 working days for 51% of the accessions. A large quantity of deposits received in close succession resulted in a temporary inability to meet the target of 60% although all will be progressed in collection days and weeks through the year.

Sarah Perons, Llandaff Diocese Archives Advisor has been instrumental in a number of deposits arriving from local parishes over the last few months.

Digital preservation

Louise Hunt, Archivist, sits on the ARCW Digital Preservation Project Board. She attended an event hosted by ARCW and WHELF at the National Library of Wales in March. It was useful to meet colleagues from other institutions and discuss the direction of future work. Feedback has also been provided to the project officer on requirements for training.

Women's Archive Wales has been assisted in exploring means of accessing to an obsolete database of research on the women's movement in Wales.

C. ACCESS

1. On-site use

Monitor service and implement improvements

Ask the Experts family history advice sessions continue with 5 attendees this quarter. Sessions are delivered by an expert volunteer.

Results of the Archives and Records Association (ARA) Survey of Visitors to UK Archives have been published showing that Glamorgan

Archives continues to perform well. A report detailing the results can be found at *Appendix V*.

Glamorgan is one of five archive services participating in the ARA Survey Group's pilot survey of group visitors to UK archives. All group visitors during the period May-August 2017 will be issued with a short survey form asking about their experience at the Archives. Data will be analysed by CIPFA and will be available in the autumn. If successful the survey will be rolled out across the UK.

A tour and document display was provided to five members of the Cardiff Civic Society. The group were particularly pleased to see the sketches and paintings of buildings in Cardiff by Mary Taynor.

Members of Tonyrefail University of the Third Age, the Sully Branch of the Glamorgan Family History Society and the newly formed Canton and Riverside Local History Group also visited for tours.

Programme of user events

Glamorgan Archives hosted a day school organised by Llafur: Welsh People's History Society. The theme for the day was 50 Years of Women's and Gay Liberation. Several of the speakers had drawn on material held at Glamorgan Archives during their research. A display of relevant documents was arranged for those attending. The Pride Cymru exhibition, Icons and Allies, was displayed on the day and remained at the Archives for a fortnight following the event.

John Wake, a regular visitor to the searchroom, gave a talk on his latest publication, *The Cruel Streets*. It investigates crime in Cardiff from the 19th century onwards. Much of the research for the volume was undertaken at Glamorgan Archives, and examples of the records used were made available to those attending following the talk.

Glamorgan Archives was one of three venues in Cardiff hosting family activity days during the late-May half-term week. The event was organised by VCS Cymru's Stories project and focussed on volunteering in Cardiff during the First World War. Several families attended. Activities were planned and facilitated by young volunteers. Staff provided a short tour behind the scenes for those attending, and made documents relating to the First World War available for consultation.

A parish records training event for the Diocese of Llandaff was cancelled through lack of take-up. The training has been run for 3 years in succession and may have reached all who needed it.

Education

The Glamorgan Archivist attended the Cardiff Creative Partnership Atrium networking event intended to promote the formal partnership between national and local creative organisations, educational

institutions and Cardiff Council working initially through the pathfinder school, Cardiff West Community High.

She is working with Dr Victoria Donovan, a social historian of Russia at the University of St Andrews, to develop community projects commemorating John Hughes and the Welsh contribution to the industrialisation of 19th century Ukraine. With Dr Donovan she gave a talk to staff and students at St Andrews and is currently contributing to plans for an event at the Red House in Merthyr Tydfil.

School groups are welcomed with behind the scenes tours, an archives quiz, access to original documents and workshops tailored to their topics of study. During the quarter pupils from Ysgol Gymraeg Caerffili visited to undertake research on the history of their school, located on the former site of Gwyndy Girls School. Two classes of Year 4 pupils from Mount Stuart Primary in Cardiff enjoyed workshops on coal and the docks, to inform their project on the history of Cardiff during the past century. Years 5 and 6 pupils from Tondy Primary progressed work on a project exploring the commercial history of Bridgend and the surrounding area from the mid-16th century to the early-19th century using inventories, taxation records, trade directories, maps and plans.

Pupils from Thornhill Primary School, Cardiff attended a First World War workshop. The school is currently working on a project with charity Goldies Cymru to write a 20 minute piece of music called Armistice Cantata for the commemorations of the end of the war in 2018. They were particularly interested in letters written by Cardiff inhabitants at the time.

The Senior Archivist met with a teacher from Ysgol y Deri in Penarth to discuss plans for Kids in Museums Takeover Day in November.

Students from Cardiff University's Continuing and Professional Education department visited as part of their current studies on the history of Cardiff. They were given a tour and then viewed a range of documents relating to the city.

A student at the Welsh School of Architecture at Cardiff University was shown the building and discussed the planning and development of the brief for a new building with the Glamorgan Archivist for a course module.

2. External events

Contribute to heritage events

Hannah Price, Archivist attended the Gelligaer Historical Society annual conference. It was a busy day with lots of enquires from attendees and much interest in the document images taken for display.

The Glamorgan Archivist attended an event celebrating 50 years since Rhiwbina became part of Cardiff.

Identify and respond to major anniversaries

The Llafur event and the John Hughes project both commemorate anniversaries in 2017. Social media posts are used to promote the Collection in association with topical events and commemorations.

3. Remote access

Monitor service and implement improvements

The 15 working day target on remote enquiries is met. Interesting enquiries are reported in *Appendix II*

Publicity

The Senior Archivist was interviewed for Radio Cardiff's Chronicle programme about records illustrating the history of crime and punishment in Cardiff.

The Llantrisant Charter of 1424 was filmed in the searchroom for a short film being produced by Llantrisant Town Council.

The Open University asked permission to use an image in their course material, a poster of the South Wales Atlantic Steamship Company advertising routes between Cardiff and New York.

Options are being investigate for the design and print of a new leaflet and publicity materials.

SUMMARY

Demand from schools and local groups remains high. The results of the survey of those using the service in a group rather than as individuals will interesting. The Archives is increasingly invited to join heritage projects initiated elsewhere which relieves from a depleted establishment the burden of funding and developing continuing valuable partnerships. Volunteers are important in promoting the service and in providing detailed content for social media and for general researchers. They are thanked for their commitment and continuing support.

Notable accessions

LGBT Christians South Wales Records and Support for Parents of Lesbians and Gay Men Records (D1425, D1426)

LGBT Christians South Wales worked as a fellowship and support group from the 1970s through to 2016. Families and Friends of Lesbians and Gay Men Wales (FFLAG Wales), later renamed Support for Parents of Lesbians and Gay Men Wales was formed in 1999. The objectives of the group were to relieve emotional distress suffered by lesbian, gay and bi-sexual people and their families and friends by running a telephone helpline, support groups and providing information. Both groups wound up in 2016 recognising that their purposes were fulfilled in other organisations. The two collections comprise minutes, newsletters, photographs and information prepared for dissemination and talks.

Hen Dy Cwrdd Unitarian Chapel, Trecynon (D1430)

Founded in Trecynon, Aberdare in 1751 Hen Dy Cwrdd is believed to be one of the earliest nonconformist chapels in the Cynon Valley. The records of the chapel, at times in written in Welsh, include a baptism register from 1811 and minutes from 1858. There is an excellent series of records relating to members' subscriptions, dating from 1843, where in some cases the addresses and occupations of subscribers are also given. Sunday School records also give the names of members. The deed of land purchased to build a new schoolhouse in 1865 shows that the majority of the trustees of the Unitarian School Room were local miners. The chapel closed in the early 1990s and the building is now in the care of Addoldai Cymru: the Welsh Religious Buildings Trust.

Cardiff and District Hearing Impaired Support Group Records (D1434)

The Group was first formed in 1986, with the aim to provide support for elderly deaf and young deaf alike and to campaign on issues affecting the hearing impaired community of the area. Members administered a sign language and support service on behalf of South Glamorgan County Council on a voluntary basis for many years. The collection comprises minutes, correspondence and campaign files.

David Jones, Blacksmith, of Laleston, Records (D1435)

David Jones of Holly House, Laleston, operated a blacksmith business from the Old Forge in Laleston. The business served many farms and individuals in the local area including R. L. Knight of Tythegston Court. The accounts ledger (1913-c1922) provides a great insight into the type of work a rural blacksmith would have carried out during this period.

John Reynolds of Cardiff Papers (D1440)

A member of the Labour Party and a Councillor for Llanrumney, Cardiff, John Reynolds also served as Labour leader of Cardiff City Council, was involved in the development of St David's Hall, Cardiff and was a member of the board of the Cardiff Bay Development Corporation. He died in 1990. The records include personal papers from the 1940s, including letters from James Callaghan and Michael Foot. There are also papers relating to the development of St David's Hall.

Lewis Family of Merthyr Tydfil and Hughesovka Papers (HRA/D1443)

John Lewis was a member of a working party selected to travel to Hughesovka in 1888 to teach local Russian workers about steel production. He travelled with his wife, Margaret Lewis, and daughter, who was just a few months old. The letter describes their experience of leaving Merthyr Tydfil for Russia.

William Bryar of Cardiff Records (D1444)

William Bryar was a keen local photographer and member of the Cardiff Camera Club. During the 1980s he photographed a large number of public houses and places of worship in Cardiff and his photographs were used as the basis of a Camera Club competition to identify the buildings. The photographs provide a wonderful record of the buildings many of which have since been closed or are now used for other purposes. The collection also includes more general views of locations in Glamorgan from the 1960s.

Interesting Enquiries

Academic enquirers from a range of institutions researching a broad spectrum of topics have again been assisted either in person or remotely.

A postgraduate student from the University of California, Berkley, visited to research measures taken to stimulate the economy of the south Wales region after the decline of the mining industry.

A PhD student of music and theatre in 19th century Glamorgan was directed to the records of the Theatre Royal, Cardiff, papers relating to Adelina Patti and a collection of Welsh ballads.

A postgraduate student at Swansea University explored the changing role of women in death rituals in Aberdare and Merthyr Tydfil through the records of an undertaker.

A researcher on a joint project between Warwick and Kent Universities to catalogue church wardens' accounts prior to 1850 consulted several parish collections.

A number of collections were suggested to a student writing a dissertation on the leisure pursuits of women during the interwar period while the Andrews Brothers Records and the Second World War Leversuch correspondence were consulted by a Masters student writing a thesis on cinema going in Wales from the 1920s to the 1940s.

The Glamorgan Asylum records continue to be a popular subject for academic research while one Aberystwyth University student also using the records of Whitchurch Hospital for his research on the history of psychiatry.

Partnership with the Cardiff Story Museum continues to develop with museum volunteers investigating terms used to describe school children's intellectual abilities during the late-19th and early-20th centuries using school log books.

The records of Women For Life on Earth and the Greenham Common Women's Peace Camp Collection were used in research for a book on the women's movement and in particular the march to Greenham Common which began in Cardiff.

Access to Glamorgan Asylum patient records from the period 1900-1910 was requested in connection with research for a novel about a fictional patient at Angelton Hospital, Bridgend.

Anniversaries prompted several enquiries. All Saints Church in Penarth will soon be marking the anniversary of its reconstruction following bomb damage sustained during the Second World War. A member of the Church researching the work of architect John Coates-Carter, who designed the church in 1891, consulted parish minutes along with records of Stephenson & Alexander, Cardiff Rural District Council and Cardiff Borough.

The depositor of the records of Gilgal Baptist Church, Porthcawl, visited to undertake research ahead of the 150th anniversary of the Church. Photographs of members and events were of particular interest.

Members of Tonteg Women's Institute are also preparing for an anniversary, with the branch celebrating its 50th anniversary later this year. They consulted branch minutes from 1967.

Vehicle licensing enquiries are a continuing interest, mainly relating to the restoration of vintage motorbikes, cars and, for Carmarthenshire, tractors. This quarter one such enquiry concerned the official car of Mid Glamorgan County Council, registration L1. The enquirer was provided with photographs of the car with chauffer outside the former Mid Glamorgan County Hall.

Newspaper cuttings collected by Cardiff Naturalists Society were used to explore the political history of Cardiff Bay's development.

Family history enquiries have included one this quarter from Cardiff, Australia. This family historian was tracing her ancestors who ran a farm in Merthyr Tydfil (not Cardiff!), which was formerly part of the Dynevor and later Wingfield and Mackintosh estates. Another family historian was inspired to visit having read an article in the South Wales Echo concerning the deposit of a register of members of the 11th Battalion (Llandaff) Home Guard in late-2016. His father had served with the Home Guard during the Second World War.

ARA Survey of Visitors to UK Archives 2016

1. Introduction

The Survey of Visitors to UK Archives looks at archive services provided from the adult individual's point of view. It is a survey of visitors to the searchroom; those visiting as part of groups or for events are not included. All searchroom visitors were invited to take part provided they were aged 17 or older.

The 2016 survey took place from Monday 3 to Friday 28 October 2016. A total of 114 archive services across the UK participated in the survey.

The same survey questions were used in 2016 survey as the 2014 survey, which has allowed for comparisons between the years.

2. Comparison with other Welsh archive services:

In comparing the results of all participating Welsh archive service, Glamorgan Archives is on a par with colleagues, with only a small variation between the scores of the majority of services. We don't excel beyond most of our neighbours, but neither are we falling behind.

Issues relating to access to and use of the online catalogue and resources are common across archive services in Wales.

3. What we're doing well

We aim for a score of 90% or higher across the good/very good or fairly/very satisfied categories. This was achieved in all areas bar those listed in section 4 below.

Highlights include:

- Staff

	2016	2014
Availability of staff	96%	97%
Attitude of staff	98%	98%
Quality of staff advice	97%	98%
Welsh verbal communication	100%	100%

This is particularly heartening during a year when staff levels were impacted by the loss of 3 posts coupled with uncovered maternity leave for 3 staff. Despite these pressures we continued to provide a high level of public service.

In addition it reflects the efforts of staff currently undertaking Welsh language courses and their readiness to put their new skills to use.

- Building

	2016	2014
Upkeep	96%	100%
Physical access in and around the building	97%	100%
Lockers / toilets / rest or refreshment area	97%	100%

Despite being over 7 years old, the building continues to provide an excellent environment for visitors.

- Visitor experience

	2016	2014
I have improved my knowledge in an area of interest	100%	100%
I developed new skills / improved existing skills	93%	89%
I have a greater understanding of my community, its history and people	100%	90%
I enjoyed myself	99%	100%
I am inspired to find out more	99%	100%

It is clear from the responses that Glamorgan Archives provides a number of benefits to the community we serve, including understanding of the community, improving knowledge and developing skills.

4. Areas for improvement

We did not reach our target of 90% or higher across the good/very good or fairly/very satisfied categories in the following sections of the survey. Although not poor scores, these results highlight areas for improvement. Recommendations for delivering these improvements are outlined in section 5.

- Online catalogue

	2016	2014
Usability of the online catalogue	85%	83%
Quality of the online catalogue	86%	90%
Welsh online catalogue or resources	85%	100%

This refers to our online catalogue, Canfod, which is accessed using CALMView software.

- Online resources

	2016	2014
Quality of our other online resources	80%	94%
Access to our online resources	81%	95%
Welsh online catalogue or resources	85%	100%

This refers to online resources other than the catalogue. The majority are provided by external companies Find My Past and Ancestry through a free subscription. It also includes our own digital parish register resource, Plwyf.

- Copy services

	2016	2014
Our copy services	88%	100%
Self-service photography	94%	100%

The copying services rated at 88% do not include our self-service photography provision, which has scored well with the result provided here for comparison purposes.

5. Recommendations

- Online catalogue
 - Work with Axiell, the provider of the CALMView software, and other CALMView users within the sector, to propose improvements to the current system
 - Improve our in-house guidance notes on using the catalogue
 - Investigate the possibility of indexing sections of the catalogue. External grant funding would need to be sourced to progress the work due to limited capacity and resources.
 - Provide online guides to certain major collections
 - Finalise the installation of the Welsh CALMView interface
- Online resources
 - Work with external providers Ancestry and Find My Past to improve navigation and access to our material
 - Expand the range of Glamorgan Archives material available online
 - Collaborate with colleagues within the sector and external organisations eg Glamorgan Family History Society experiencing similar issues with their content
 - Discuss the issue of bilingual access to external resources with colleagues within the sector

Working in partnership with our colleagues across Wales will help us to resolve common issues regarding online access to our catalogue and other resources.

- Copy services
 - Provide in the searchroom and on the website the reasons why we no longer photocopy material
 - Provide the public with the rationale behind costings for our digital photography service

6. Conclusion

The Survey of Visitors to UK Archives has shown that Glamorgan Archives has succeeded in maintaining the delivery of a high quality public service despite a significant reduction in resources.

Solutions have been identified which will help us to improve scores in those areas where we are currently falling below our own high standards.

THE GLAMORGAN ARCHIVES JOINT COMMITTEE 30TH JUNE 2017

REPORT OF THE TREASURER TO THE GLAMORGAN ARCHIVES JOINT COMMITTEE

FINAL OUTTURN POSITION & DRAFT WALES AUDIT OFFICE RETURN FOR 2016/2017

PURPOSE OF REPORT

1. This report presents a brief overview of the financial results for the year, together with the unaudited draft WAO return for the year ended 31st March 2017. Section 3 of the return, 'Approval by the Body', requires completion but the unaudited draft financial statements are presented to this Committee today for information only.

FINAL OUTTURN POSITION FOR 2016/17

2. The Glamorgan Archives Joint Committee approved a proposed budget of £661,000 for the financial year 2016/2017, to be financed by contributions from each of the six member local authorities. The proposed budget was subsequently agreed and ratified by each member local authority.
4. The Table below summarises the final outturn position for financial year 2016/2017:

	<u>Budget</u>	<u>Actual</u>	<u>Variance</u>
	£	£	£
Expenditure	823,000	857,808	34,808
Income	(162,000)	(196,808)	(34,808)
Net Expenditure	661,000	661,000	0

5. **Appendix 1** provides a detailed analysis of the 2016/17 outturn.

6. The final net expenditure position at year-end was balanced following a transfer of £47,622 from the General Reserve. This amount was less than the budgeted £75,000 to be drawn down in 2016/17.
7. Employee related spend had an overspend of £34,997 against a budget of £450,440. This was the result of newly recruited employees in relation to Wellcome Trust supported work which will be fully funded by grant. Agency spend has also increased as a result of maternity cover and Cardiff Works staff who are funded by DWP Access to Work payments.
8. Premises had an underspend of £5,617 and this was largely due to an underspend in electricity of £15,185. This could be a continuing reduction as a result of the solar panels that were installed last year, and will remain difficult to accurately predict in budget proposals. As a result, only £25,415 was spent in comparison to the planned £40,600. This was partially offset off by repairs, alterations and maintenance which had an overspend of £12,590, including essential updates to the security systems software, an overhaul of the fire suppression system and repairs to environmental controls.
9. The planned expenditure for Transport was £2,550 but the actual spend was only £1,836, representing an underspend of £714. Travel expenses were underspent with further offsetting payments from staff travel loans throughout the year.
10. The actual expenditure for Supplies and Services was £56,436 which was an overspend of £14,326 in comparison to the planned expenditure of £42,110. This was due to an overspend on conservation materials which is offset by grant funding detailed in income below.
11. Planned expenditure for Support Services was £39,700 however, the actual spend was only £31,515. This therefore leaves a variance of £8,185. This is the result of rearrangement of Accountancy staff working for Glamorgan Archives.
12. Finally, income received was greater than budgeted. The Glamorgan Archives received £196,808 in comparison to a planned figure of £162,000. This variance of £34,808 was due to a number of factors, most notably increases in sundry charges and income (£27,824) in relation to several small grants, Access to Work payments and other miscellaneous income, and further charges to existing and new clients for the hire of specialist rooms. Furthermore, the receipt of grants from ARCW and Wellcome Trust, the latter continuing into future years, accounted for £7,575 and £11,707 respectively. As previously mentioned, conservation income of £26,553 was received to offset costs in Supplies and Services.
13. The balance on reserve is shown in the table below:

<u>Movements on Glamorgan Archives General Reserve</u>	<u>£</u>
Balance brought forward at 1 st April 2016	310,518
Less Drawdown from General Reserve	47,622
Transfer to General Reserve	0
Balance as at 31st March 2017	262,896

It was agreed last year that there would be a drawdown of £100,000 and that this would be reduced by £25,000 each year moving forward. This year the budget for drawdown was reduced to £75,000. Therefore, the overall position represents a net underspend of £27,378 against budget.

The £47,622 in the table above represents the drawdown of funding from reserve to pay for the balance of in year spend not covered by Local Authority member contributions. The target for 2017/18 is £50,000 drawdown from reserve. However, achievement of this reduction will become more difficult over the following years as the use of reserve is phased out by 2020/21.

WALES AUDIT OFFICE ANNUAL RETURN FOR 2016/2017

14. The draft Annual Return (attached) for the year ended 31st March 2017 is unaudited at this stage. The Wales Audit Office has yet to begin their audit of the accounts. In accordance with the 2005 Regulation, the Annual Return will be available for public inspection for 20 full working days from Monday 26th June 2016 to Friday 21st July 2017.
15. To meet the requirement of the Accounts and Audit (Wales) Regulations 2014 (as amended) the Annual Return must be approved by the Committee before 30th September immediately following the end of the financial year. If at this time the audit of the accounts has not concluded then the accounts must be approved as soon as reasonably practicable. Once the audit is complete and the Annual Return has been signed by the Wales Audit Office then it will be presented to the Committee for members to approve along with any certificate, opinion or report issued, given or made by the Wales Audit Office.

LEGAL IMPLICATIONS

16. The committee approved a draft budget which was submitted to each of the parties for approval. Each of the parties confirmed that their contribution was approved Under Section 5(a)(ii); the committee shall only have the power to spend within the agreed budget within any given year.

FINANCIAL IMPLICATIONS

17. The financial performance for the year resulted in an overspend against the agreed budget of £47,622 therefore there was the need to utilise part of the budgeted £75,000 transfer from the general reserve.

RECOMMENDATIONS

1. That the outturn position for 2016/17 be noted.
2. That the attached draft Wales Audit Office Annual Return for 2016/17 be noted and approved.

Guidance notes on completing the Annual Return

1. You must apply proper practices when preparing this annual return. For guidance, please read the Practitioners' Guide (**Governance and accountability for local councils: A Practitioners' Guide (Wales)**) – available from One Voice Wales and SLCC. It contains everything you need for the financial year-end and the statutory audit.
2. The Wales Audit Office Good Practice Exchange (www.audit.wales/good-practice/finance/community-council-money) provides further information on the accounts and audit process along with guidance on governance matters.
3. Make sure that the Annual Return is fully completed ie, no empty red boxes. Please avoid making any amendments to the completed return. If this is unavoidable, cross out the incorrect entries, make sure the amendments are drawn to the attention of the body, properly initialled and an explanation for them is provided to the external auditor. **Please do not use correction fluid.** Annual returns that are incomplete or contain unapproved and/or unexplained amendments or correction fluid will be returned unaudited and may incur additional costs.
4. **There are now two boxes for certification and approval by the Body. The second box is only required if the annual return has to be amended as a result of the audit. You should only complete the top box before sending the form to the auditor.**
5. Use a second pair of eyes, perhaps the Chair or a member, to review your Annual Return for completeness before sending the original form to the auditor.
6. Make sure that your accounting statements add up, that the balance carried forward from the previous year (line 7 of 2016) equals the balance brought forward in the current year (line 1 of 2017). Explain any differences between the 2016 figures on this annual return and the amounts recorded in last year's annual return.
7. Explain fully any significant variances in the accounting statements. Do not just send in a copy of your detailed accounting records instead of this explanation. The external auditor wants to know that you understand the reasons for all variances. Include a detailed analysis to support your explanation and be specific about the values of individual elements making up the variances.
8. Make sure that the copy of the bank reconciliation you send to your auditor with the Annual Return covers **all** your bank accounts and cash balances. If there are no reconciling items, please state this and provide evidence of the bank balances. If your Council holds any short-term investments, please note their value on the bank reconciliation. The auditor should also be able to agree your bank reconciliation to line 9 in section 1. More help on bank reconciliation is available in the Practitioners' Guide*.
9. **Every** small body is now required to send to the external auditor, information to support the assertions made in the Annual Governance Statement. Your auditor will tell you what information you need to provide. Please read the audit notice carefully to ensure you include all the information the auditor has asked for. You should send **copies** of the original records (certified by the Clerk and Chair as accurate copies) to the external auditor and not the original documents themselves.
10. Please do not send the auditor any information that you are not specifically asked for. Doing so is not helpful.
11. If the auditor has to review unsolicited information, repeat a request for information, receives an incomplete bank reconciliation or explanation of variances or receives original documents that must be returned, the auditor will incur additional costs for which they are entitled to charge additional fees.
12. **Do not complete the Auditor General for Wales' Audit Certificate and report.** The external auditor completes this on behalf of the Auditor General for Wales on completion of the audit.
13. **Please deal with all correspondence with the external auditor promptly.** This will help you to meet your statutory obligations and will minimise the cost of the audit.
14. **Please note that if completing the electronic form, you must print the form for it to be certified by the RFO and signed by the Chair before it is sent to the auditor.**
