Further to this the door staff had been provided with body cameras and the CCTV system had been upgraded.

Members considered the Noise Pollution Report provided by CDM on behalf of Miss Jones.

Councillor Ben Thomas advised Members that his ward Councillors had addressed any concerns made by residents and he was happy to support the application being satisfied that any concerns had been adhered to.

In response to a question from Members, Janice Hughes explained that she considered that there had been lack of communication and residents should have taken any concerns directly to Miss Jones rather than to a future PACT meeting.

RESOLVED: – That the Sub-Committee having considered all the information and in accordance with the requirements of the Licensing Act 2003, the Section 182 Guidance and the Licensing Authority's own Statement of Licensing Policy the Sub Committee granted the application, subject to a slight grammatical amendment of the original set of licensing objectives under the section 'The prevention of public nuisance'.
