Subject: Coop Group - Llantrisant Rd, Llandaff - CCCP/01717

Dear Sir,

We have just seen the application to vary the premises' licence at the Coop Garage, Llantrisant Rd, Llandaff. We understand they wish to change the hours for sale, for off-premises consumption of alcohol, from Monday-Sunday 07.00-23.00 to Monday-Sunday 00.00-00.00. They also wish to change the hours for late night refreshment from 23.00-00.00 to 23.00-05.00 Monday-Sunday.

As mentioned in our objection to the original licence application, we object to the principle of sales of alcohol from any garage, as it could encourage drivers to consume alcohol whilst driving. We also worry about people needing to buy alcohol at these late hours and whether it could encourage bad behaviour in the area.

We understood that a previous, similar application had been turned down by the council and would be interested to discover any evidence of need, for this change, which has no doubt been investigated by the Coop.

This is mostly a residential area and if such sales were not made to drivers, as mentioned earlier, sales would be made to passing foot trade, plus some attracted from other areas, who could both be the cause of anti-social behaviour in the area close to the premises.

Dear Sir

Application for a premises licence to be granted under the Licensing Act 2003

The Botanist, Unit D, 5 – 10 Church Street, Cardiff

I Chief Inspector Mark Hobrough of South Wales Police, hereby give notice that an objection shall be made to the application for a new premises licence for The Botanist, Unit D, 5 – 10 Church Street, Cardiff.

This Police objection is based upon the licensing objectives:-

1. The prevention of crime and disorder. (The premises are situated in an area which has high incidents of crime and disorder and incidents associated with alcohol)
2. The prevention of public nuisance (The premises are situated in an area which have incidents of public nuisance)

As a result the premises are located within the agreed Cumulative Impact Policy area for Cardiff City Centre. (*Special Policy Statement in respect of Cardiff City Centre adopted 2016*)

South Wales Police will object to the application to allow a Licensing Committee the opportunity to undertake the rebuttable presumption that the premises licence will not be granted unless the applicant can demonstrate that there will be no negative cumulative impact on one or more of the licensing objectives

Within the current application, you have detailed the steps you intend to take to promote the four licensing objectives. These are in the way of voluntary conditions that would be placed on the premises licence. If you successfully challenges the Saturation Policy or are able to demonstrate that the premises are likely to promote the licensing objectives, I feel that these conditions do not adequately promote the four licensing objectives, in particular the prevention of crime and disorder and the prevention of public nuisance.

Prif Gwnstabl **Peter Vaughan, O.St.J, QPM, BSc (Hons), DipAppCrim** Chief Constable

OFFICIAL

For that reason I have identified conditions that are necessary and proportionate that would enable the premises to operate whilst reducing the negative impact it will have on the licensing objectives.

However, I feel that it is pertinent to take this opportunity to reinforce the point that these conditions will not adequately promote the licensing objectives but merely go some way in limiting the extent as to which they are likely to be undermined.

Operating Schedule submitted by applicant (replacement wording)

(3) At all other times, SIA registered door staff shall be employed at the premises, in accordance with a written risk assessment to be carried out by the DPS. A copy of the risk assessment must be maintained for 12 months and be made available to police immediately should it be requested.

The record will be kept for a minimum of 12 months and will be made available to a police employee or representative of a responsible authority immediately upon request.

Subject: FW: THE BOTANIST, UNIT D, 5-10, CHURCH STREET CATHAYS, CARDIFF (NEW218/21)

Kirstie,

In regard to the above application to vary/grant premises license, I wish to advise that the Licensing Authority of Cardiff Council will be objecting to the application.

A Cumulative impact Policy has been adopted for the City Centre area of the City. The Licensing Authority has adopted the policy due to high levels of alcohol related crime and disorder, in the interests of public safety and the avoidance of nuisance.

The policy creates a presumption that new applications for Premises Licences will be refused unless the applicant can demonstrate the business will have no negative effect on any of the licensing objectives.

The premises detailed above falls within the boundary of the Cumulative Impact Zone and therefore an objection is submitted in respect to the following Licensing Objectives.

The prevention of crime and disorder.
The prevention of public nuisance.
Public safety.

Consequently the Licensing Sub-Committee will need consider this application.

However the Authority will withdraw its objection if the applicant can demonstrate that the premises is primarily a restaurant in that alcohol is only sold with a substantial table meal and there is no public bar area exclusively for the sale the sale of alcohol, in line with Cardiff Councils Cumulative Impact Policy.

Kind regards
