LICENSING SUB-COMMITTEE: 17th January 2020

Report of the Head of Regulatory Services

Application for Premises Licence - Grant

Application No: 045339

Premises: Depot, Williams Way, Butetown, Cardiff, CF10 5DY

Ward: Butetown

1. Application

1.1 An application for a Premises Licence - Granthas been received from Depot Warehouse Limited in respect of Depot, Williams Way, Butetown, Cardiff, CF10 5DY.

1.2 The applicant has applied for the following:

(1) In respect of the following licensable activities:

1. The sale by retail of alcohol for consumption on the premises:

Monday to Sunday: 10:00 to 00:00

New Year's Eve: 10:00 to 03:00

2. The provision of regulated entertainment in the form of plays, films, indoor sports, boxing or wrestling, live music, recorded music, performance of dance and entertainment of a similar description (indoors and outdoors):

Monday to Sunday: 10:00 to 00:00

New Year's Eve: 10:00 to 03:00

3. The provision of late night refreshment (indoors and outdoors):

Monday to Sunday: 23:00 to 00:00

New Year's Eve: 23:00 to 03:00

(2) Description of Premises (as stated by applicant):

“The proposed use would be an event space (which is unclassified as sui generis), to allow a variety of functions. Room One is the event space with bar areas for the serving of drinks. The remainder of the rooms are ancillary with an office, storage and toilets. The type of events will depend on the bookings and will be varied. The intention is to provide a creative

space that allows for a range of different events to be held, including live gigs; parties; themed events; food festivals etc”.

- 1.3 A site plan of the premises can be found attached as **Appendix A**.
- 1.4 A location map showing the premises can be found attached as **Appendix B**.

2. Promotion of Licensing Objectives.

- 2.1 The additional conditions proposed by the applicant to meet the licensing objectives are attached as **Appendix C**.

3. Relevant Representations

- 3.1 A representation has been submitted by South Wales Police, a copy of which is attached as **Appendix D**.
- 3.2 A representation has been submitted by the Noise Pollution team of Shared Regulatory Services, a copy of which is attached as **Appendix E**.

4. Legal Considerations.

- 4.1 In respect of the application the decision must be taken following consideration of the representations received with a view to promoting the licensing objectives which are:

Prevention of crime and disorder
Public Safety
Prevention of Public Nuisance
Protection of Children from Harm

- 4.2 In each case the Sub-Committee may make the following determination
 - a) To grant the application.
 - b) To modify the conditions of the licence, by altering, omitting or adding to them, where relevant.
 - c) Reject the whole or part of the application.
- 4.3 All decisions taken by the Sub-Committee must (a) be within the legal powers of the Council and its Committees; (b) comply with any procedural requirement imposed by law; (c) be undertaken in accordance with the procedural requirements imposed by the Council eg. standing orders and financial regulations; (d) be fully and properly informed; (e) be properly motivated; (f) be taken having regard to the Council's fiduciary duty to its taxpayers; and (g) be reasonable and proper in all the circumstances.

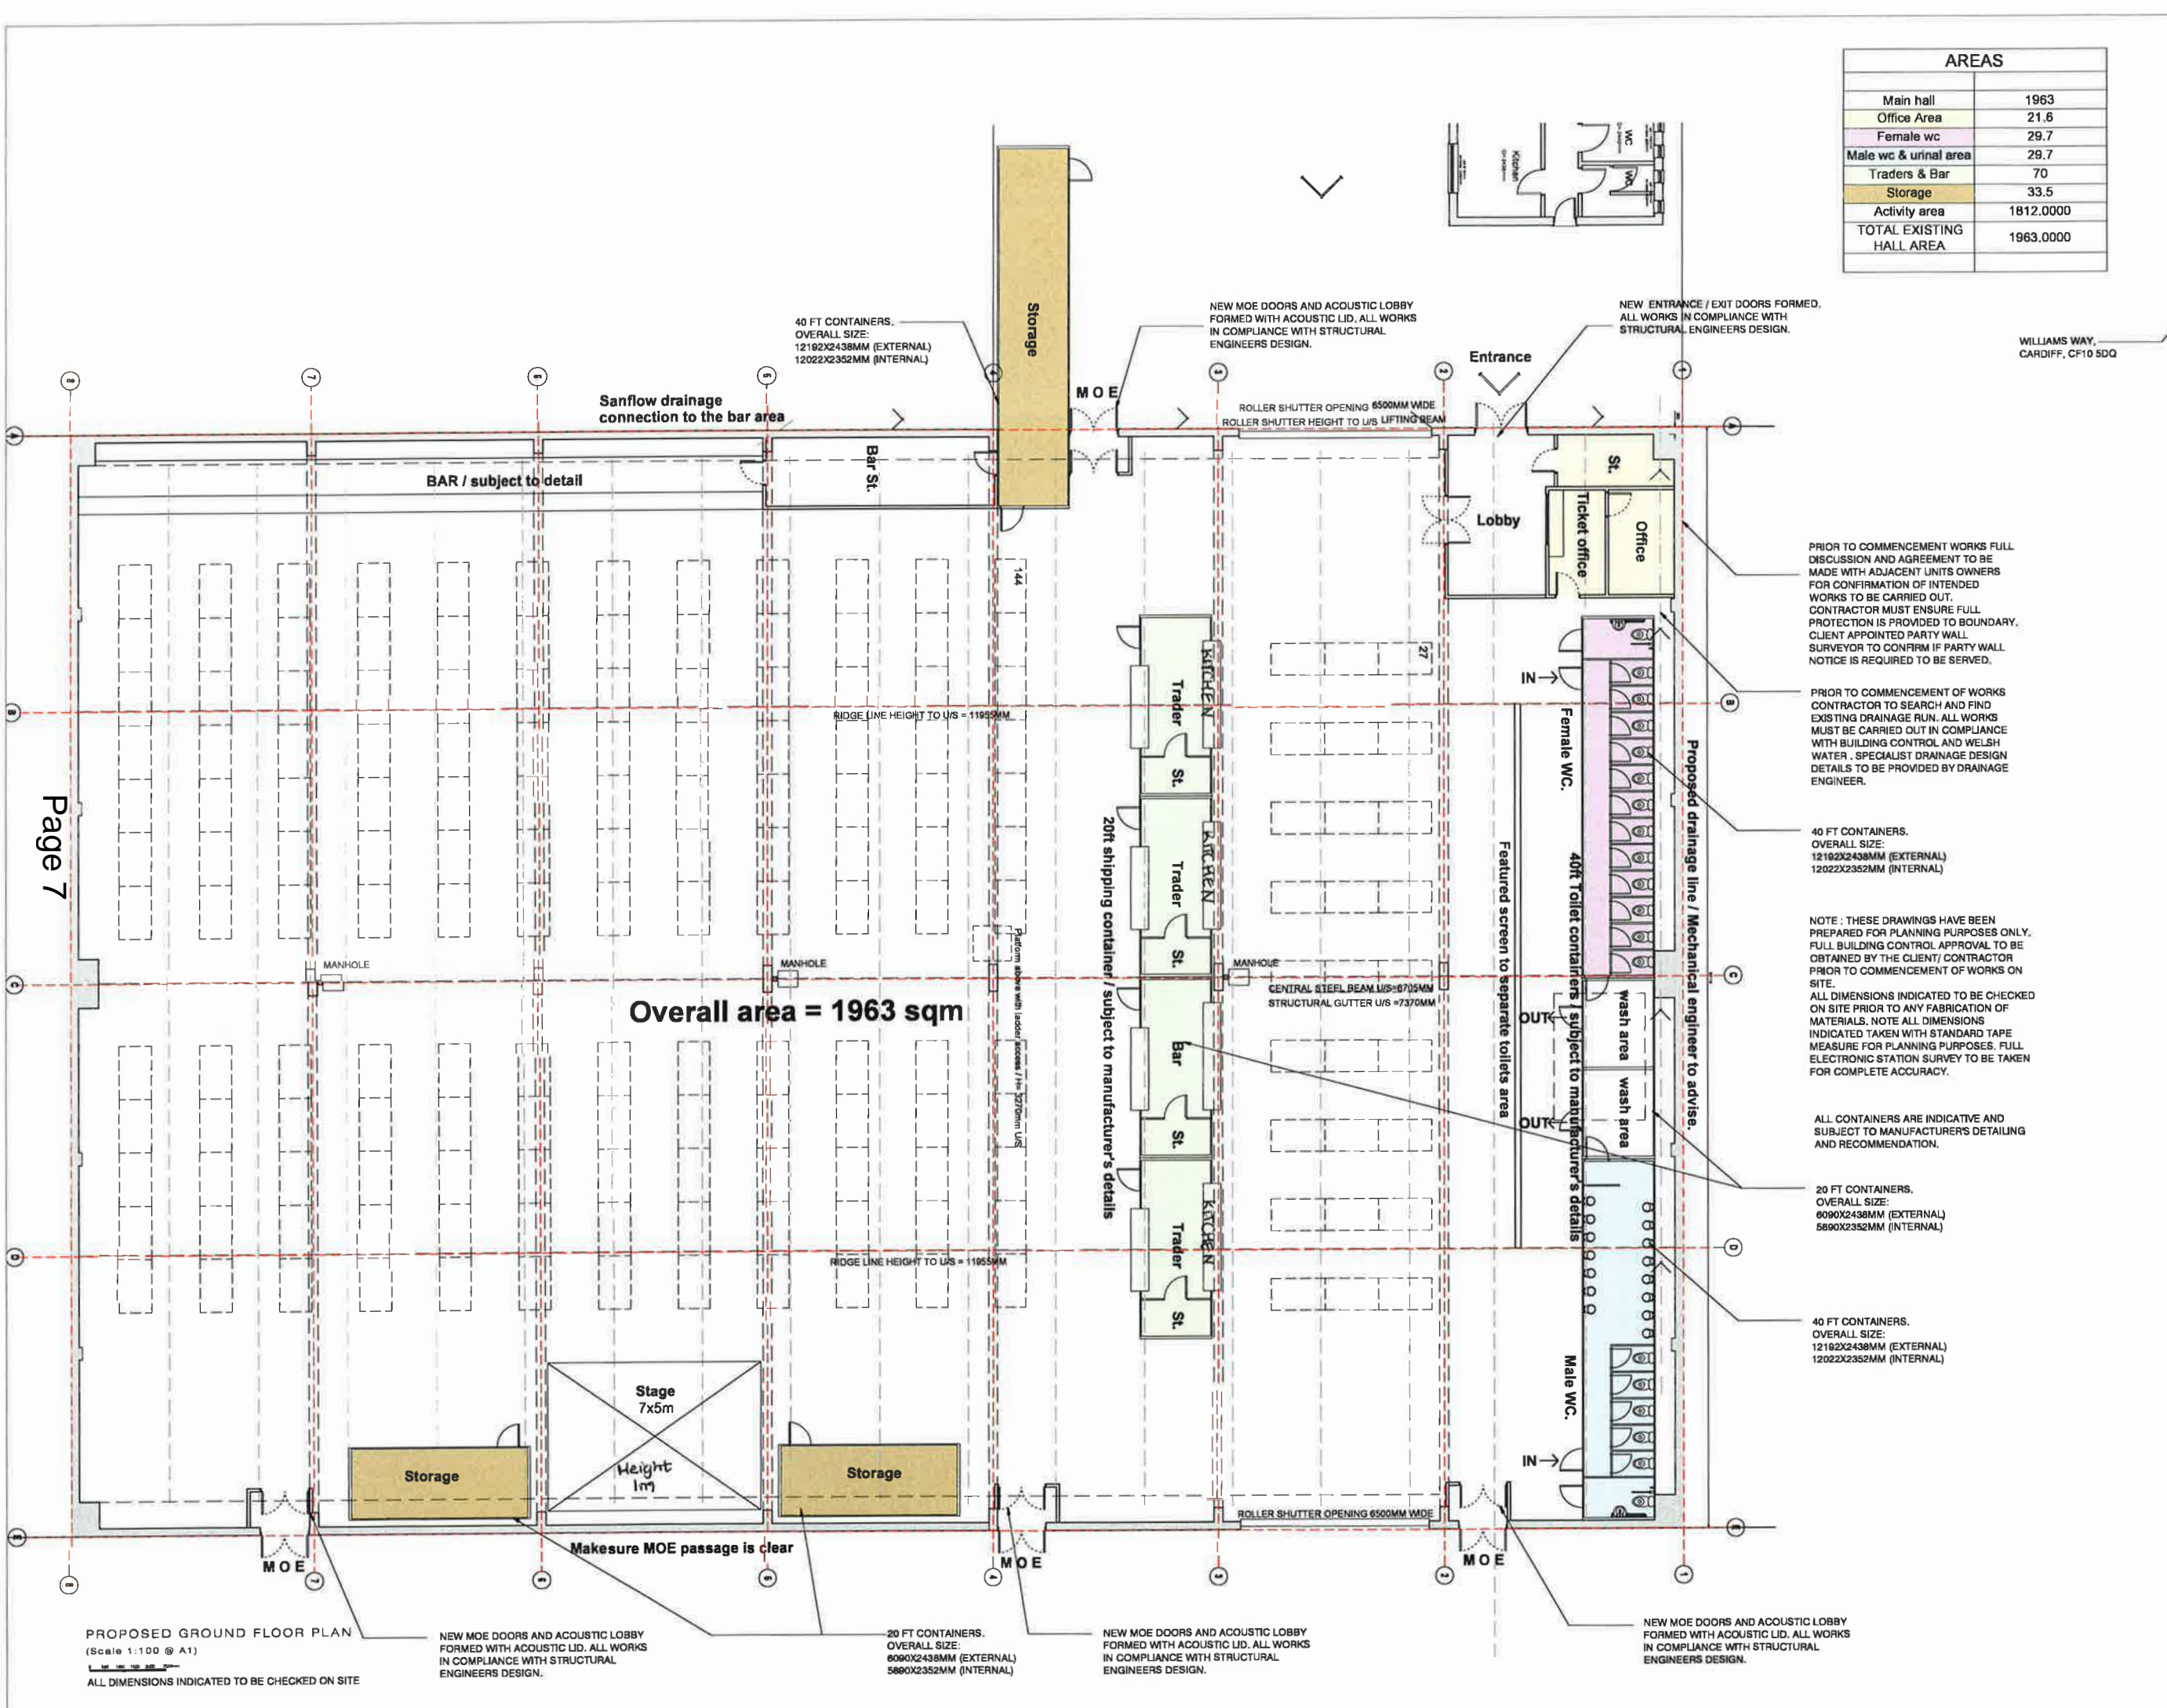

5. Issues for Discussion.

- 5.1 The application should be determined and the appropriateness of any conditions on the licence needs to be discussed.

LICENSING OBJECTIVES

Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e)

List here steps you will take to promote all four licensing objectives together.

Please see attached the following documents:

Dispersal Policy
Neighbour Charter
Schedule of Works
Coach Policy
Coach Risk Assessment June 2016
Speaker Layout Policy
Drugs Policy
Final Planning Design and Access Statement
Noise Assessment Report (August 2019 & October 2019)

Additionally the premises has public liability insurance, fire extinguishers on every exit and five members of the management team have undergone first aid training.

Please note the Coach Risk Assessment has been reviewed in respect of the application for the new premises and the current policy in place is suitable for the new premises and no amendments are required.

Finally, a Fire Alarm Plan is due to be approved and will be sent following the appropriate approval by 22 November 2019.

b) The prevention of crime and disorder

The venue would be managed by the applicant (Nicholas Saunders) and there would be a security company to ensure the safety of the public whilst in the venue. A suite of policies have been prepared, including crowd and noise control. This is to prevent any anti-social behaviour in and around the venue to ensure the amenity of neighbouring residents is protected. We intend on using polycarbonate drinking vessels on an individual risk assessment basis of event - mainly be used for major events days.

c) Public safety

A security company will be employed in order to ensure the safety of the public whilst in the venue. CCTV will also be in operation. A Fire Strategy has been prepared and a separate Building Regulations application made. A number of new exits are being created to ensure there are the correct avenues for people leaving the venue in the event of a fire. All containers will have ventilation for food hygiene purposes and a table and bottle bin will be positioned just inside the venue, by the door to the foyer, to collect glasses and bottles. Security to actively encourage customers to disperse to the north of the venue, away from the residential area, to discourage loitering outside the venue and to advise customers to keep the volume down. There will be a coach policy in place and this will be provided to all pre-booked coaches so that they are aware of the correct procedure in order to ensure public safety before arrival.

d) The prevention of public nuisance

A noise report has been prepared by Wardell Armstrong, the noise report recommends measures to ensure music from the

event space does not exceed the specified level. These measures are outlined in Section 5.7 of the Final Planning Design and Access Statement. Depot will start discussions with the local taxi firms, to make the pick-up point further north of the venue, in order to reduce the noise impact on nearby residents. Depot are also considering sound proofing measures as highlighted in the speaker layout policy. Security to actively encourage customers to disperse to the north of the venue, away from the residential area, to discourage loitering outside the venue and to advise customers to keep the volume down.

e) The protection of children from harm

There will be a challenge 25 policy in place at all bars and at the entrance. The entrance to the venue will be manned by SIA Security and valid age verification will be required in order to gain access to the venue.

in Welsh will not lead to a delay in responding.

POLICE REPRESENTATIONS.

The applicant has indicated that they will implement a number of proposed measures as part of the application. They are as follows;

General.

Dispersal Policy.
Neighbour Charter.
Schedule of Works.
Coach Policy.
Coach Risk Assessment.
Speaker Layout Policy.
Drugs Policy.
Final Planning Design and Access Statement.
Noise Assessment Report { August 2019 & October 2019 }

There will be a coach policy in place and this will be provided

to all pre-booked coaches so that they are aware of the correct procedure in order to ensure public safety before arrival.

The prevention of public nuisance.

A noise report has been prepared by Wardell Armstrong, the noise report recommends measures to ensure music from the event space does not exceed the specified level. These measures are outlined in Section 5.7 of the Final Planning Design and Access Statement. Depot will start discussions with the local taxi firms, to make the pick up point further north of the venue, in order to reduce the noise impact on nearby residents. Depot are also considering sound proofing measures as highlighted in the speaker layout policy. Security to actively encourage customers to disperse to the north of the venue, away from the residential area, to discourage loitering outside the venue and to advise customers to keep the volume down.

The protection of children from harm.

There will be a challenge 25 policy in place at all bars and at the entrance. The entrance to the venue will be manned by SIA Security and valid age verification will be required in order to gain access to the venue.

Whilst noting the above measures, South Wales Police request that the following conditions be added to the premises licence;

1. A CCTV system shall be installed to a standard as approved by South Wales Police and maintained and operated at all times the premises are open to the public. The system will cover all internal areas of the premises where the public have access {excluding toilets} including all entrances and exits and any external areas associated with the premises. The images shall be kept for a minimum of 31 days and shall be produced to a Police employee in a readily playable format immediately upon request when the premises are open and at all other times as soon as reasonably practicable. There will be sufficient trained staff to facilitate the above.

2. An incident book will be kept and maintained at the premises at all times. It shall be made available on request to a Police employee. This book will record the following:

All crimes reported at the venue

All refusals of sales of alcohol

Any ejections of patrons

Any disorder on the premises

Any visit by representatives of a relevant authority or emergency service

Any failure of the CCTV system.

3. On those days designated by South Wales Police as major event days in the City Centre of Cardiff, all drinks will be dispensed in 'non glass' vessels.

4. SIA registered Door Supervisors will be employed when the premises is open to the public. There shall be a minimum of 6 SIA registered Door Supervisors on duty from opening until closure of the premises. Once the number of attendees exceeds 450, additional Door Supervisors shall be provided at the ratio of 1:75 or part thereof. Door supervisors shall each be equipped with a two-way radio to facilitate communication between themselves/management.

5. A register of door supervisors shall be kept at the premises. The Register shall contain the full name and SIA registration number of each door supervisor, stating the start and end duty times from each door supervisor. The Register shall be kept by the DPS for a minimum of 12 months and will be made available to a Police employee on request.

6. Body worn cameras shall be utilised by door supervisors at the premises on a ratio of one body worn camera to every three SIA registered door supervisors. The device(s) used shall be capable of recording video images and sound. Images from the body worn cameras shall be stored for a minimum of 31 days and shall be produced to a police employee in a readily playable format, immediately upon request when the premise is open to the public and at all other times as soon as reasonably practicable, subject to data protection legislation. There will be sufficient trained staff to facilitate the above condition.

7. From 22:45hrs, when the venue is open and for an additional period of at least 30 minutes after the last patron leaves, the premises will provide at least 2 SIA registered door supervisors in high visibility tabards or jackets outside the venue to assist in the safe dispersal of patrons as they leave the premises and the management of traffic on the approaches to the premises. These door supervisors will wear body worn cameras at all times whilst outside the premises. As the numbers of patrons reduces within the premises additional SIA registered door supervisors will be employed in this capacity.

8. On those occasions when a pre-planned event at which the numbers of patrons are likely to exceed 450, crowd control barriers will be erected along the highway {Williams Way} from 22:45hrs, to create a pedestrian walkway. These barriers will be in a triangular formation at the entrance to Williams Way with stewards directing patrons to and from the premises. There will be a designated crossing area to the north of the entrance which is to be monitored by staff from the premises wearing Hi-vis clothing.

9. On those occasions when a pre-planned event at which the numbers of patrons are likely to exceed 450, there shall be route Marshalls positioned within line of sight of each other along the most suitable route to and from the premises, advising attendees of the designated travel path.

10. Searching and wandling (with a metal detecting wand or similar) will take place on the front door as risk assessed by the Designated Premises Supervisor (DPS) and door team (notices to advise of this shall be on display). A search policy shall be in place and will include procedures for the confiscation of prohibited articles, such as drugs and weapons. Searches shall be conducted at the discretion of SIA registered Door Supervisors.

11. The premises will adopt the drug safe scheme. A lockable Drugs safe will be installed at the premises and accessible only to a Police officer or member of Police staff. Any drugs seized at the premises will be recorded in the premises incident book. This entry will record the date and time of the seizure, the details of the person seizing the items, a description of the items and the circumstances of the seizure. Where it is suspected that a person is supplying drugs then Police will be contacted at the time.

12. Suitably medically trained staff will be on the premises whenever said premise is open to the public. A dedicated area shall be provided for the purpose of providing care to patrons who are in

need of assistance through injury or intoxication, or awaiting collection. In cases where patrons refuse all offer of assistance, all steps taken by staff at the premise shall be recorded, to evidence what efforts were made to ensure the safety of the individual concerned.

13. Clear notices must be prominently displayed requesting customers to leave the premises and the area in a quiet and orderly manner.

14. Toilet checks will be conducted hourly, at irregular intervals, to deter patrons from illegal activity. A register of toilet checks will be kept by the DPS for a minimum of 31 days and will be made available to a police employee upon request.

15. Individuals shall not be allowed to purchase more than 4 drinks at any single visit to the bar. A drink consists of one pint, one half, a glass of wine or a single measure of spirit.

16. When boxing, wrestling or other combat sport fighting events are taking place at the premises, or musical events at the premises, a detailed operating schedule will be submitted to South Wales Police at least 28 days prior to the event. The schedule will include details of the proposed event and include risk assessments. The Police will impose any further conditions deemed necessary and proportionate which will be valid for the entire duration of the proposed event.

17. Purchase of alcoholic beverages will be possible only from static bars and table service. There will be no mobile alcohol sales persons of any sort.

18. Young persons under the age of 18 years will not be permitted to consume beer, cider or wine with meals, irrespective of an adult purchase.

19. When boxing, wrestling or other combat sport fighting events are taking place at the premises, members of the public {not actually involved in the event} must be seated at tables.

20. When boxing, wrestling or other combat sport fighting events are taking place at the premises, The Promoter shall ensure that a minimum of two doctors, one of whom must be practised in the management of an unconscious or partially conscious patient, who have been approved by the Area Medical Officer, attend at all Promotions. A doctor practised in the management of an unconscious or partially conscious patient must be seated at the ringside at all times during a Contest.

21. When boxing, wrestling or other combat sport fighting events are taking place at the premises, all Boxers shall be medically examined after the weigh-in or immediately prior to the commencement of the Promotion. Each Boxer must also be medically examined after every Contest. If the examining doctor considers it necessary to do so they shall send a report to the Board or Area Council. A doctor must be available to give immediate attention to any Boxer should this be required.

22. When boxing, wrestling or other combat sport fighting events are taking place at the premises, a suitable equipped ambulance will on site for the duration of the event, subject to the need to convey patients.

23. The consumption of alcohol is restricted to areas identified on the premises licence plan attached.

24. Signage will be provided to remind patrons to leave all drinking vessels on the premises.

25. Details of staff training will be recorded, in writing and these records will be retained for a period of no less than 12 months.
26. No unaccompanied children will be permitted on the premises.
27. Children must be supervised by a parent, authorised guardian or an enhanced DBS vetted staff member when theatre or cinema matinees taking place.
28. The Designated Premises Supervisor or a Personal Licence holder shall be present at all times.
29. No performance of striptease, lap dancing, entertainment of a sexual nature or other similar entertainment will be permitted on the premises.
30. A sign will be displayed at the entrance to the premises, entrance to the toilets and within the toilets advising of zero tolerance of the possession or use of controlled drugs.
31. On those occasions when a pre-planned event at which the numbers of patrons are likely to exceed 450, dedicated staff will be employed to assist the door staff with the primary responsibility of identifying potentially intoxicated individuals and to help them accordingly; there shall be a minimum of two such staff members whenever licensable activities take place.

Details of premises representation is about

Name and Address of Premises:	Construction House, Dumballs Road, Butetown, Cardiff
Application Number: <i>(if known)</i>	726397

Please tick one or more of the licensing objectives that your representation relates to:

Prevention of crime and disorder	<input type="checkbox"/>	
Public Safety	<input type="checkbox"/>	
Prevention of public nuisance	<input type="checkbox"/>	Yes
Protection of children from harm	<input type="checkbox"/>	

Please summarise your concerns about this application:

I wish to object to this application, I have concern regarding the application on the grounds of the prevention of public nuisance, especially from loud amplified music, shouting and regulated entertainment at the venue. There are residential properties nearby that could be disturbed.

Please give further details of why you believe this application will have an adverse effect on the licensing objectives:

I write in relation to the licensing objective, the prevention of public nuisance, I believe that the new premises will disturb the occupiers of nearby residential properties by playing loud music and shouting from customers. The information provided with the application does not give meaningful data to give suitable and sufficient conditions for a premises licence. I am of the opinion that the existing premises licence conditions for their existing location at Construction House, Dumballs Road are not detailed enough or measurable for this new location. Therefore, I am open to having a discussion with the applicant regarding conditions. If we can agree a list of comprehensible/measurable conditions I may consider lifting my objection.

The authority deals with all representations received in an open and transparent manner. By law the authority must provide the details of any representation to the applicant. The authority will also provide full details to the Licensing Committee to ensure that members have the full information when determining any application at a hearing. Details of any hearing must be made publically available and will be available on the Council website.

“CONVENIENCE STORE, 46 TUDOR STREET, CARDIFF CF11 6AJ.

I, Chief Inspector MILES of the South Wales Police for the district of Cardiff, hereby give notice that an objection shall be made to the application for a variation of a premises licence for “CONVENIENCE STORE, 46 TUDOR STREET, CARDIFF.

This objection is made under the Licensing Objectives of;

The prevention of crime and disorder
The prevention of public nuisance.
Public safety.

(The premises are near the city centre cumulative impact zone.
There is a high proportion of alcohol related anti-social behaviour in Tudor Street.
The sale of alcohol throughout the night will exasperate these problems.
There are occupied dwellings in the very near vicinity of the store.)

Prevention of crime and disorder	<input type="checkbox"/>	Yes
Public Safety	<input type="checkbox"/>	Yes
Prevention of public nuisance	<input checked="" type="checkbox"/>	Yes
Protection of children from harm	<input type="checkbox"/>	Yes

Please summarise your concerns about this application:

I wish to object to this application.

I have concerns regarding the application on the grounds that it does not promote the licensing objective of the "Prevention of Public Nuisance" and also that the application is not in line with the Cardiff Council Statement of Licensing specifically in regards to Licensing Hours as set out in 7.3, the Off-Sales of Alcohol and 7.4c Prevention of Public Nuisance.

The application seeks to extend the opening hours of the store to 24/7 with the prime aim of selling alcohol in these hours, the current closing time being 2300 hours. It is worth noting at this juncture that the World Health Organisation (WHO) consider the hours between 2300 and 0700, night time. I am particularly concerned about noise Night time noise from 3 aspects.

- Patrons entering and exiting the premises throughout the night to purchase alcohol and staying within the vicinity, congregating to consume said alcohol whilst creating noise . This will result in disturbing sleep to the residents who live directly above the dwelling, and in the vicinity where almost all other units have residential above their units. Environmental Health Practitioners are unable to deal with noise complaints of people in the street, but receive complaints nonetheless; it should therefore be considered strongly at licensing stage to prevent Public Nuisance occurring;
- There are no other premises of this kind in the immediate vicinity therefore likely to attract a significant number of people from the surrounding streets.

Please give further details of why you believe this application will have an adverse effect on the licensing objectives:

In summary, the applicant has not adequately outlined how the above measures would be mitigated and as such failed to demonstrate that they are promoting the licence objective.

The authority deals with all representations received in an open and transparent manner. By law the authority must provide the details of any representation to the applicant. 17th December 2019

Dear Miss Hartrey,

In accordance with the Health Board's role as a responsible authority, I can confirm we have received the following application for a premises license variation for: - 46 Tudor Street, Riverside, Cardiff, CF11 6AJ.

We understand that this premise wishes to extend sales of alcohol to 24 hours. The Cardiff Statement of Licencing Policy recognises the potential negative impact of increased availability of alcohol, stating "Off-licences that open later in the evening, or sell alcohol products attractive to street drinkers, are considered a higher risk of adversely affecting the licensing objectives". (Cardiff Statement of Licencing Policy 2018 - 2021)

This application will increase the availability of alcohol within the Riverside area of Cardiff, and we anticipate it will contribute to a maintenance or likely increase in the number of incidents of anti-social behaviour, nuisance noise, crime and alcohol related hospital admissions. Evidence shows us that:

- Opening hours and density of alcohol sales outlets influence alcohol consumption, drinking patterns and damage due to alcohol¹
- Reducing alcohol availability and access is key to preventing alcohol related problems in the community².
- Research into the patterns of alcohol availability and alcohol related harm over time in Wales found that changes leading to the increased availability of alcohol were related to an increase in alcohol-related harm, such as excessive alcohol consumption, hospital admissions and violent crimes³.

³ Fone D et al (2016) Change in alcohol outlet density and alcohol-related harm to population health (CHALICE): a comprehensive record-linked database study in Wales. *Public Health Research Volume: 4 Issue: 3* <http://www.journalslibrary.nihr.ac.uk/phr/volume-4/issue-3#plain-english-summary>

Data from the a report compiled by Cardiff Council into the Night Time Economy showed that between the hours of 18:00 and 06:00 in 2018/19 Riverside, where the premises is based,

had the second highest count of Violence against the Person in the City (appendix 1). The area of Riverside also has higher than average incidences of ASB (appendix 2). Health related dated shows that the premises is located in an area with high alcohol-specific admission rates as compared to the rest of the City (appendix 3).

We therefore wish to make representation under the licencing objectives of Prevention of Public Nuisance, Prevention of Crime and Disorder and Public Safety.

If there are any queries regarding this response, please contact us on 02921836497.

Yours sincerely

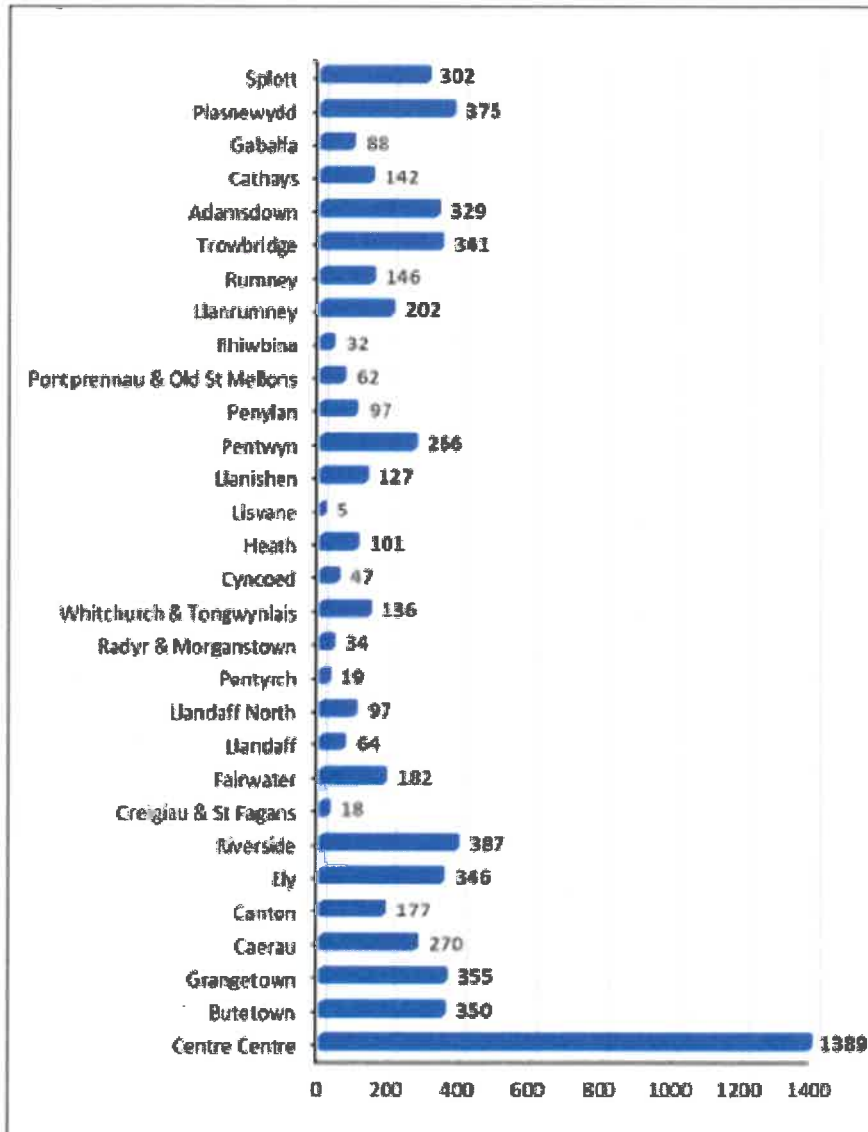

Fiona Kinghorn
