Director Adults, Housing & Communities

Letter from the Leader

Dear Applicant

Thank you for your interest in this exciting and challenging role.

There has never been a greater need for integration across public services than now. In the face of the Covid-19 pandemic, the response from public, private and third sectors partners in Cardiff has been genuinely inspiring. We have supported our citizens and provided solutions to rapidly emerging challenges across organisational boundaries, building on strong existing foundations.

The Council's commitment to work "across the public services in order to deliver lasting solutions to complex problems" has led to real progress over recent years with a focus on integrated service development designed around the needs of the individual, family and community. The development of a range of integrated preventative and support services is particularly important in relation to older people where the number of citizens in Cardiff aged between 65 and 84 is projected to rise by 45% over the next 20 years, and the number over 85 years old expected to nearly double. The demand pressures and costs associated with an ageing population are significant and projected to increase.

We now want to take the next step towards the delivery of a whole system approach; bringing together Adult Social Care, Housing and Community Services to ensure that council services are accessible across the full spectrum of need and making partnership integration easier to deliver.

The new post of Director, Adults, Housing & Communities will have strategic responsibility for integrating a wide range of essential care, accommodation, support and advice services for the diverse communities of Cardiff. Leadership across professional boundaries and the ability to deliver change will be crucial. You will be able to simplify complex structures, bring together assessment processes and redesign services to meet need holistically and efficiently. You will also make a crucial senior-level contribution towards enabling the Council – and Cardiff more broadly – to respond positively to fundamental challenges, formulating a cohesive cross-council approach to the development of a change agenda that is vital to the Council's reputation, service delivery role and financial resilience.

The post-holder will have line management responsibility for the Assistant Director of Adult Services, and an experienced and committed directorate management team covering the full spectrum of Housing, Advice and Community Services. The post-holder will also have overarching managerial responsibility for a net revenue budget in the region of £159m, along with a gross Housing Revenue Budget of £85.3m.

You will be joining an experienced, talented and committed corporate Senior Management Team providing the professional leadership needed to deliver the administration's Capital Ambition agenda. It is an exciting opportunity.

We invite you to take up the challenge with us.
