List here steps you will take to promote all four licensing objectives together.

The public will not have access to the basement and that area will not be included in the premises licence.

We will encourage customers to sit within the premises to consume their food rather than to eat it outside, as our customer area is quite large and the customer area can be utilised for at least 70% tables and seating when social distancing rules are lessened.

There will be sufficient trained staff to facilitate this.

An incident book will be kept and maintained at the premises at all times. It shall be made available on request to a police employee. This book will record the following:

- All crimes reported at the premises;
- Any ejections of customers;
- Any disorder on the premises;
- Any visits by representatives of a relevant authority or emergency service; and
- Any failure of the CCTV system.

SIA registered door supervisors will be employed at the premises between the hours of 2330 and 0400. A register of door supervisors shall be kept at the premises. The register shall contain the full name and SIA registration number of each door supervisor, stating the start and end times of the duty of each door supervisor. The register shall be kept by the premises licence holder for a minimum of 12 months and made available to a police employee on request.

Body worn cameras shall be utilised by SIA door supervisors at the premises on a ratio of one body worn camera to every three SIA registered door supervisors. The premises will adopt the drug safe scheme. A lockable drugs safe will be installed at the premises and be accessible only to a police officer or member of police staff. Any drugs found at the premises will be recorded in the premises incident book. This entry will record the date and time of the discovery, the details of the person finding the items, a description of the items and the circumstances of the discovery.

c) Public safety

We have public liability insurance.

There is business appropriate fire fighting equipment throughout the premises and all emergency routes/signs are illuminated.

d) The prevention of public nuisance

Clear notices will be prominently displayed requesting customers to leave the premises and the area in a quiet and orderly manner out of respect for our neighbours.

Toilet checks will be conducted at regular intervals to deter customers from illegal activity. A register of the checks will be kept by the premises licence holder for a minimum of 31 days and will be made available to a police employee upon request.

A sign will be displayed at the entrance to the premises, entrance to the toilets and within the toilets advising of the management's zero tolerance on the use of controlled drugs.

e) The protection of children from harm

No person under the age of 16 will be permitted on the premises after 2300 hours and clear and prominent signage will be on display to this effect.

APPENDIX D

Cc: Licensing (Licensing Regulatory) / Trwyddedu (Rheoleiddio Trwyddedu)
Subject: RE: Licensing Act 2003: Application for the grant of a Premises Licence - Chill Flames, 95 St Mary Street, Cardiff, CF10 1DX

Hi Kirstie,

In regard to the above application to grant premises license, I wish to advise that the Licensing Authority of Cardiff Council will be objecting to the application.

A Cumulative impact Policy has been adopted for the City Centre area of Cardiff. The Licensing Authority has adopted the policy due to high levels of alcohol related crime and disorder, in the interests of public safety and the avoidance of nuisance.

The policy creates a presumption that new applications for Premises Licences will be refused unless the applicant can demonstrate the business will have no negative effect on any of the licensing objectives.

The premises detailed above falls within the boundary of the Cumulative Impact Area and therefore an objection is submitted in respect to the following Licensing Objectives.

The prevention of crime and disorder.
The prevention of public nuisance.

Whilst we are content that the applicant has offered a number of conditions in relation to how the premises intend to promote the licensing objectives, it is felt that it is still likely that this application will contribute to the negative cumulative impact in the area.

Consequently the Licensing Sub-Committee will need consider this application in line with Cardiff Councils Statement of Licensing Policy and Cumulative Impact Policy.

Kind regards,

Jay Sampson
