Appendix B – Comparator of Challenges identified in Director of Social Services Annual Reports - 2014-15 and 2015-16

**Top 7 challenges for Health & Social Care**

1. Deliver better integrated housing support and social care with health services to improve outcomes for those who need support to live independently.
2. Work with our health partners to reduce the total number of Cardiff residents who experience a delayed transfer of care from hospital.
3. Increase the uptake of Direct Payments as an alternative to direct provision of care for Cardiff residents.
4. Support Carers by ensuring that all Carers are offered a Carer Assessment and increasing the number of Carer Assessments undertaken by 2016.
5. Expand the range of supported accommodation options for vulnerable young adults.
6. Work in partnership with other stakeholders to protect vulnerable adults from harm through developing a coordinated programme of training and awareness for all front line staff.
7. Improve the effectiveness of transitional support for disabled and vulnerable children approaching adulthood.

**Top Challenges facing Adult Services**

1. Making integration with Health partners a reality in the delivery of services to vulnerable adults in the community.
2. Agreeing and implementing a coherent, systemic solution to Delayed Transfers of Care pressures.
