Launch of Cardiff 2020

Q1.
Are there any specific actions to promote STEM subjects, with a particular emphasis on addressing gender imbalance?

C. M. Brown, Corporate Comms Director, IGE

Q2.

The key behind a successful school is leadership.
How do you think Cardiff can attract the best
Head teachers, Senior staff and Chairs of
Learning Bodies to our schools?

County Councillor, Cardiff Council

Education
Commissioner
Mae Addysgu
Cofrestru

What was the most useful / enjoyable part of the event?

- ❖ *The celebration of education in Cardiff schools and the sense that together all of the various parties can make Cardiff a very exciting education and innovation led city.*
- ❖ *The stalls in the networking section - an unbelievable buzz*
- ❖ *Young people performing and voicing their opinions*
- ❖ *The music and contributions from young people*
- ❖ *Great to see so many people networking and sharing ideas - more of this needed*
- ❖ *Networking and the display of all the fantastic work schools and organisations are providing for the children and young people of Cardiff*

Cardiff 2020 – next steps

- Education Development Board to oversee progress against the desired outcomes and five goals of the strategy
- Performance management framework almost complete to enable progress against success criteria and key performance measures to be tracked. The annual report on school performance will be a key source of information.
- Action to deliver the strategy will be integral to the Education Directorate Delivery Plan, the Consortium Business Plan and School Improvement Plans.
- Update to CYP scrutiny at December meeting.
