

MEMBER DEVELOPMENT OPPORTUNITIES 2016-2017

Introduction

This brochure summarises the training support available for Members over the 2016-17 Municipal year. If Members wish for other areas of training please let the Democratic Services Team know.

The principles of Cardiff's Member Development strategy are to:

- Provide a Member-led planned approach to Member Development to identify, agree and deliver development needs
- Involve Members in their development, from planning the Member Development Programme through to delivery and evaluation
- Support individual Member Development needs, valuing and recognising the skills and experiences that Members already have or need to acquire
- Ensure the member development programme has relevance and quality of delivery
- Deliver development in innovative ways to make best use of the resources available.

Attendance at External conferences, Seminars and other events

Members interested in attending an external conference, seminar or other event which will incur any associated expenditure, such as a delegate fee or travel and accommodation costs, need to complete the relevant form in advance of attendance. Any such request must be approved by the Council's Monitoring Officer prior to any travel or accommodation bookings or arrangements being made by the Council. Officers from the Democratic Services team will make the necessary arrangements on behalf of the Elected Member.
