### 39 : TEMPORARY CONDITIONS FOR STREET TRADING - UEFA CHAMPIONS LEAGUE FINAL 2017

The Committee received a report that proposed to amend the existing street trading consent conditions on a temporary basis to allow for street trading to take place in the City Centre when Cardiff plays host to the UEFA Champions League Final on 3 June 2017.

Members were advised that the authority has approved a set of street trading conditions which are attached to all street trading consents. The current conditions were appended to the report. Due to the unique nature of the Champions League Final it was necessary to amend the current consent conditions on a temporary basis to allow street trading to take place legally and to be fully compliant with all consent conditions. The amended conditions were also attached to the report. Officers provided a brief overview of the amended conditions.

RESOLVED – That:

- (1) The temporary street trading conditions detailed in Appendix B to the report be approved;
- (2) The Head of Shared Regulatory Services be authorised to make any administrative/minor amendments to the temporary conditions in case of operational changes to the trading plans.

The meeting terminated at 10.45 am
