**PUBLIC QUESTIONS**

**QUESTION TO COUNTY COUNCILLOR HUW THOMAS  
(LEADER PORTFOLIO)**

**PUBLIC QUESTION FROM JOHN JONES**

You recently stated that you wanted to ensure that the Council get the basics right in how you care for the vulnerable and elderly in our City. Cllr. Chris Weaver also stated at the same time that he wanted to get people and communities involved in the decisions taken at Council. These are two positive objectives.

What direction has been given to Councillors and Council staff to ensure these objectives are met?

**QUESTION TO COUNTY COUNCILLOR THORNE  
(HOUSING AND COMMUNITIES PORTFOLIO)**

**PUBLIC QUESTION FROM TERENCE JERMYN**

I am aware that the Council has released land in Cardiff for housing development. What energy consumption criteria and energy efficient systems have they specified for these developments in order to minimise such energy consumption and also to obtain best value for money for the residents of Cardiff?
