1	Cardiff Commitment The Cardiff Commitment sets out how the council, together with a wide range of public, private and third sector partners, will work together to ensure a positive destination for every young person in Cardiff after they finish school, either in employment or further education and training. To facilitate this the Council will require a staffing resource to manage the programme of partnership activity and deliver the processes and links required between students, employers and training/education organisations.	50	Red-Amber	Red-Amber
2	Junior Apprenticeships - Delegated Budgets The Junior Apprenticeships programme is now in its second year of delivery in Cardiff and The Vale College. Up to 90 young people are now able to access a range of bespoke apprenticeship pathways enabling them to continue their positive engagement with education and increasing the chance of them continuing within education and training Post 16. This pressure bid will bridge the funding gap between what schools are able to release from their pupil led funding elements and the actual cost per pupil for following this course of study.	175	Red-Amber	Red-Amber
