

Proposed Public Spaces Protection Orders Dog Controls

Survey on Dog Controls

The majority of dog owners are responsible and clean up after their dogs. We understand that dogs need to be exercised and we do not want to prohibit them from enjoying the open spaces that Cardiff has to offer. However, as you may be aware there are persistent issues across Cardiff where dog faeces are not being removed.

In order to tackle these issues, the Council has the authority to implement a Public Spaces Protection Order (PSPO). A PSPO can prohibit or restrict certain activities and are designed to ensure that the law abiding majority can use and enjoy public spaces, safe from anti-social behaviour.

Cardiff Council has the responsibility for the management and maintenance of public spaces across the city. These spaces include parks, sports grounds and cemeteries etc. A full list can be viewed at www.cardiff.gov.uk/dogcontrols
