Vision for a Child Friendly Cardiff:

Cardiff is 'a great place to grow up'.

- A city with children and young people at its heart, where the voices, needs and rights of all children and young people are respected.
- A city where all children and young people, regardless of belief, ethnicity, background or wealth are safe, healthy, happy and able to share in the city's success.

The vision will be delivered through the Child Friendly City Strategy

- Five goals
- Seventeen commitments to action

CFC Goals

Goal 1

Every child and young person is valued, respected and treated fairly

Goal 2

Every child and young person has their voice, needs and priorities heard and taken into account

Goal 3

All children and young people grow up in a safe and supportive home

Goal 4

All children and young people access high quality education that promotes their rights and helps them develop their skills and talents to the full

Goal 5

Children have good physical, mental and emotional health and know how to stay healthy

Goal 1.

Every child and young person is valued, respected and treated fairly

Commitments to action:

- Develop our workforce
- Embed child rights into policy and practice across services.
- Celebrate the importance of childhood and promote children's rights
- Provide children and young people with easily accessible information
- Evaluate levels of knowledge and understanding of children's rights amongst staff and take action to strengthen
- Assess the impact of policy and strategy decisions on children's rights.

Goal 2

Every child and young person has their voice, needs and priorities heard and taken into account

Commitments to action:

- Develop the skills and capacity of children and young people to ensure they are able to meaningfully participate in strategic developments.
- Provide opportunities for children and young people to actively participate in the design of services and the evaluation of their impact.
- Empower children and young people to hold organisations to account for the implementation of a child rights approach to service design and delivery.

Goal 3

All children and young people grow up in a safe and supportive home

Commitments to action:

- Deliver a new Family Help and Support model, which fully embraces a child's rights approach.
- Improve the wellbeing of children and young people who are, or have been in care.

Goal 4

All children and young people access high quality education that promotes their rights and helps them develop their skills and talents to the full

Commitments to action:

- Prioritise the education of Looked After Children.
- Roll out the Rights Respecting School Award across all schools in Cardiff
- Provide all pupils with a full-time curriculum that meets their needs, wherever possible within a mainstream school setting.
- Offer a 'Curriculum for Life' which prepares pupils for independent living, active citizenship and the world of work.

Goal 5

Children have good physical, mental and emotional health and know how to stay healthy

Commitments to action:

- Improve the opportunities for children and young people to be active during their daily lives:
 - Extending active travel to school initiatives and 20mph areas
 - Providing safe spaces to play including organised activities and street closures
 - Providing sustainable transport options to enable safe walking and cycling
 - Deliver a curriculum that promotes active travel, road safety
 - Improve air quality by implementation of the Council's Clean Air Strategy
- Improve the emotional health and wellbeing care experienced by children and young people:
 - Delivering a single point of access for emotional wellbeing and mental health services
 - Adopting a systemic, partnership approach to service delivery
 - Raising awareness of emotional wellbeing and mental health services to reduce stigma and barriers to access
