
Independent Reviewing Officers (IRO) Monitoring Report – January 2020

Reasons for the Report

1. The purpose of this report is to provide the Committee with information about the role, function and activity of the Independent Reviewing Officer (IRO) Service.
2. The Corporate Parenting Advisory Committee's terms of reference require the Committee to regularly review performance data and ensure performance monitoring systems are in place to achieve sustained improvements.
3. The Committee receives a report from the IRO service twice a year.

Background

4. Local authorities are required by law to appoint an Independent Reviewing Officers (IROs) to every child who is looked after. They monitor care plans, convene and chair reviews for children subject to care orders, accommodated voluntarily, placed with foster carers, in residential or secure establishments, living with kinship carers or placed for adoption. Their role is to ensure that each care plan clearly sets out the help, care and support each child needs and takes full account of each child's wishes and feelings.
5. Independent Reviewing Officers have specific responsibility to escalate concerns about Looked After Children through a dispute resolution process. If the concern cannot be resolved within the line management structure, the process allows escalation to the Chief Executive and ultimately to the Children and Family Court

Advisory and Support Service (CAFCASS Cymru) to consider legal action if necessary.

6. The January 2020 monitoring report is attached at Appendix A and provides an overview of the service, its workload and performance information.
