**WASTE MANAGEMENT SERVICE – COVID UPDATE**

---

**Reason for the Report**

1. To provide the Committee with an opportunity to consider the current position of the Waste Management Service, and the impact that the current Covid crisis has had upon service delivery and capital projects.

**Background**

2. On the 23<sup>rd</sup> March 2020 the United Kingdom was placed into an unprecedented lockdown to help mitigate the rapid spread of the coronavirus pandemic. This drastic action was taken to minimise social contact, reduce the number of new cases and ultimately protect lives.
3. The Council is a business that focuses on serving local people, and so is heavily reliant upon social contact. This means that limiting the number of day to day interactions has had a huge impact on the work of the Council, and the support it provides to local residents.
4. The Waste Management Service provides a range of services for local residents, these are delivered and supported by the following areas:
  - Enforcement & Cleansing;
  - Trade Waste;
  - Waste Collections;
  - Waste Processing – Delivered from Lamby Way Deport, MRF and Landfill;
  - Waste Strategy;
  - Business Support;
  - Stores Support & Development;

- Resource Co-ordinators.
5. This item will provide Members with an opportunity to review the impact that the Covid crisis has had upon the services (above) and capital projects relevant to the Waste Management Service. The Cabinet Member and the Assistant Director for Street Scene have agreed to attend the meeting to support the briefing, which will include:
- The budget position of the Waste Management Service as a whole, along with a summary of individual service parts;
  - How the Waste Management Service has performed against its performance objectives during the Covid crisis;
  - A summary of the main challenges that the Waste Management Service has faced during the Covid crisis;
  - A summary of the main opportunities that the Waste Management Service has identified during the Covid crisis;
  - An update on new and existing capital projects relevant to the Waste Management Service;
  - A summary of key future proposals relevant to the Waste Management Service.

### **Way Forward**

6. The Cabinet Members for Clean Streets, Recycling & Environment has been invited to attend the meeting. He will be supported by officers from the Assistant Director for Street Scene.
