

COUNCIL

26 NOVEMBER 2020

AMENDMENT 1 TO MOTION 2

Proposed by: Councillor Jayne Cowan

Seconded by: Councillor Joel Williams

1. This council regrets the ill-advised closure of Castle Street *to all traffic and the lack of consultation in advance of the closure.*
2. We note the disruption caused by the closure.
3. We furthermore express concern about the extra car miles now being driven and the negative effect on the environment.
4. The Council resolves to open Castle Street as soon as can be done in practical terms in January 2021, whilst preservice safe cycling lanes.

We call on the Cabinet to ensure that all proposed major future road closures undertake a consultation with affected businesses and residents. If COVID is still present, meetings can take place electronically and the Council must make full use of social media to ensure that all views are taken into consideration.
