## Still time to save the green fields in Cardiff West

A consultation with your local Assembly Member, Neil McEvoy, is to be held to carry on the fight against Labour's disastrous Local Development Plan (LDP).

Neil McEvoy AM said: "We all know that Labour got elected promising not to build on the green fields, but then built on them anyway when they got elected.

"We can't stop the first 2 phases now. But we can stop the later phases because the building won't start until after the next council elections. Then we can revoke and reform the LDP to stop more building on green fields."

## CONSTRUCTION WORK ALREADY CAUSING CHAOS

Cardiff Plaid Councillors Lisa Ford & Keith Parry said: "The building work is already causing chaos. The traffic jams are going on for miles and Fairwater & Pentrebane residents have got to put up with noise and pollution.

"But most of all we've lost our green fields. We can't let Labour off the hook for this. They said they'd protect our green fields but they're building almost 8,000 expensive houses on them. The fight back starts now.

## Mae dal amser i achub y caeau gwyrdd yng Ngorllewin Caerdydd

Mae ymgynghoriad gyda'ch Aelod Cynulliad Lleol, Neil McEvoy, i gael ei gynnal er mwyn parhau â'r frwydr yr erbyn Cynllun Datblygu Lleol (CDLI) trychinebus y blaid Lafur.

Dyweddodd Neil McEvoy AC: "Rydym i gyd yn gwybod bod Llafur wedi eu hethol gan addo i beidio ag adeiladu ar y caeau gwyrdd, ond wedyn wedi adeiladu arnyn nhw beth bynnag ar ôl cael eu hethol.

Allwn ni ddim rhwystro'r 2 gam cyntaf nawr. Ond gallwn atal y datblygiadau diweddarach gan na fydd yr adeiladu yn cychwyn tan ar ôl yr etholiadau cyngor nesaf. Yna, gallwn ddiddymu a diwygio'r CDLI i atal yr adeiladu ar gaeau gwyrdd."

## GWAITH ADEILADU EISOES YN CREU ANRHEFN

Dyweddodd Cyngorwyr Plaid Caerdydd, Lisa Ford & Keith Parry: "Mae'r gwaith adeiladu eisoes yn creu anrhefn llwyr. Mae'r tagfeydd yn filltiroedd o hyd, ac mae trigolion y Tylgoed a Pentrebane yn gorfod dioddef swn a llygredd

Ond yn fwy na dim, ni wedi collî'n caeau gwyrddion. Allwn ni ddim gadael i Lafur ddod bant â hyn. Fe ddywedon nhw y bydden nhw'n amddiffyn ein caeau gwyrdd, ond mae nhw'n adeiladu bron i 8,000 o dai drud arnyn nhw. Mae'r brwydro 'nôl yn cychwyn nawr.

## Dydw i DDIM yn cefnogi Cynllun Datblygu Lleol y blaid Lafur
