
CHILD FRIENDLY CITY PROGRAMME

Purpose of Report

1. To provide Members with the opportunity to carry out pre-decision scrutiny on the Child Friendly City Programme, attached at **Appendix A**, prior to its consideration by Cabinet at its meeting on the 21 January 2021.
2. Also attached at **Appendix B** is a copy of the Child Friendly Cardiff Strategy.

Key Proposals of the Cabinet Report

3. The Cabinet Report proposes the following:
 - To provide the Cabinet with an update on the progress to date in working towards global recognition for Cardiff as a Unicef Child Friendly City;
 - To seek Cabinet support to ensure continuity of commitment to our Child Friendly Cardiff vision, within and beyond the Council; and
 - To advise Cabinet of the next steps in preparing for potential recognition as a Child Friendly City in Autumn 2021.

Background

4. The Child Friendly City and Communities initiative is a global programme that brings together Unicef and local government to put children's rights at the heart of communities and public services. It supports Local Authorities and partners in

developing a child rights-based approach, when designing, delivering, monitoring and evaluating local services and strategies for children.

5. Cardiff Council launched its Child Friendly Cardiff Strategy on World Children's Day, 20th November 2018 (attached at **Appendix B**). A detailed multi agency delivery plan was submitted to UNICEF UK in April 2019 triggering a 2 year implementation phase.
6. Cardiff's Child Friendly Vision is at the core of our Capital Ambition to make Cardiff 'a great place to grow up'. Specifically it sets out the aim for Cardiff to be:
 - A city with children and young people at its heart, where the voices, needs and rights of all children and young people are respected.
 - A city where all children and young people, regardless of belief, ethnicity, background or wealth are safe, healthy, happy and able to share in the city's success
7. The vision will be delivered through the Child Friendly City Strategy (see **Appendix B**), which outlines five goals and a series of commitments to action. The five key goals are:
 - Every Child and Young person is valued, respected and treated fairly;
 - Every Child and Young Person has their voice, needs and priorities heard and taken into account;
 - All children and young people grow up in a safe and supportive home;
 - All Children and Young people access high quality education that promotes their rights and helps them develop their skills and talents to the full; and
 - Children and Young people have good physical, mental and emotional health and know how to stay healthy.
