ALLANOL: Daw'r e-bost hwn o'r tu allan i Gyngor Caerdydd, cymerwch ofal wrth glicio ar ddolenni.

Good afternoon,

I write to advise that this team object to this TEN application, as it does not promote the licence objective of Prevention of Public Nuisance.

The premises was investigated by this team between 24th July 2020 – December 2020 from 5 different households directly from the use of rear beer garden until 2200 hours and “people” noise. The result of the investigation did not result in enforcement action, but concluded with writing to Mr

Hamer advising to advise he should consult with an acoustic consultant on how to manage the beer garden noise.

These complaints and investigation were just in response to currently operated licence use, extended footprint of external area and around 50 patrons. To permit the opening of the premises to serve alcohol in the external areas until 2330 on Thursday – Saturdays with 60 guests would be disproportionate to the needs of the residents, would result in complaints from “people” noise and so not promote the Licence Objective of Prevention of Public Nuisance.

If you can give an indication of when a hearing may be, I will adjust annual leave as needed in order to attend.

Kind regards

Mr Tomos Jenkins
