3. At the Annual General Meeting (AGM) of Council on 27 May 2021, Members considered provisional dates for all committee meetings, subject to further consultation with Chairs and Committees. There are eight scheduled meetings for this Committee between July 2021 and April 2022, as follows:

 - b. The February 2022 Committee meeting, which is dedicated to scrutiny of budgetary proposals is programmed to commence at 10am, rather than at 4.30pm
 - c. The dates proposed for July 2021 and March 2022 schedule Committee for the day before Cabinet.
 - d. There is no meeting scheduled for April as the Local Government Elections take place in May 2022.

Developing an Annual Work Programme

5. The forward work programme, whilst constructed at the beginning of the municipal year, is updated and amended during the year in order to respond to urgent priorities, policy developments, and unplanned pre-decision opportunities. It also has to remain flexible and responsive in order to cover any urgent issues occurring throughout the year.
6. The first stage is to identify potential work programme items for consideration and prioritisation by Committee Members by:
 - seeking suggestions from all Members and officers;
 - reviewing the items recommended by the previous Committee;
 - reviewing corporate documents, forthcoming legislation, the work programmes of relevant auditors, inspectors and regulators and partnership, consortia and regional documents; and
 - checking other relevant documentation to identify areas within the terms of reference for the Committee
 - encouraging public engagement/ suggestions to explore
7. Following the preparation of a list of potential items, Committee Members

will need to prioritise the items, given the range of subject areas covered by the Committee, the limitations of support available and meetings programmed.

8. Traditionally, Members prioritise items where scrutiny can have most impact, that are of importance to the public, that will help to deliver improved performance and that are not being investigated by other routes. This ensures that the time and resources available to the Committee are most effectively used.
9. Members have previously used a variety of approaches to work programming, such as holding an informal work programming forum to consider and prioritise items, or using online communication through the Chair and Principal Scrutiny Officer. Proposals, whether developed by forum or online, are presented to the full committee in September for formal approval of the work programme.

Way Forward

10. During the meeting, Members may wish to:
 - a. note the proposed dates for PRAP scrutiny committee July 2021 – March 2022;
 - b. agree the approach to developing the Committee's work programme for 2021-22, so that a draft of the programme is brought back to the Committee in September 2021 for formal approval;
 - c. put forward particular issues of interest for inclusion in the Committee's work programme development.

Legal Implications

11. The Scrutiny Committee is empowered to enquire, consider, review and recommend but not to make policy decisions. Financial Implications

12. The Scrutiny Committee is empowered to enquire, consider, review and recommend but not to make policy decisions.
