

Smaller local government bodies in Wales Annual Return for the Year Ended 31 March 2016

Smaller local government bodies in Wales must prepare annual accounts following proper practices as set out in the One Voice Wales/SLCC publication **Governance and accountability for local councils in Wales – A Practitioners' Guide** (the Practitioners' Guide). The Practitioners' Guide states that bodies may prepare their accounts in the form of an annual return prepared by the Wales Audit Office.

The accounts and audit process

The accounts and audit arrangements follow the process as set out below.

Please complete all sections highlighted in red. Incomplete or incorrect returns may require additional external audit work and incur additional costs. Send the **original** Annual Return, together with all additional information requested, to the external auditor acting on behalf of the Auditor General for Wales. **Please note that copies of all documents provided for the purposes of the audit must be certified as true copies of the originals by the Clerk and Chair.** Unless requested, please **do not** send any original financial or other records to the external auditor.

Bodies should note the changes to the Annual Governance Statement. This is to be completed in full by all Bodies.

Audited and certified returns are sent back to the Body for publication or display of the accounting statements, Annual Governance Statement and the Auditor General for Wales' certificate and report.

Guidance notes on completing the Annual Return

1. You must apply proper practices when preparing this annual return. For guidance, please read the Practitioners' Guide (**Governance and accountability for local councils: A Practitioners' Guide (Wales)**) – available from One Voice Wales and SLCC. It contains everything you need for the financial year-end and the statutory audit.
2. The Wales Audit Office Good Practice Exchange (www.audit.wales/good-practice/finance/community-council-money) provides further information on the accounts and audit process along with guidance on governance matters.
3. Make sure that the Annual Return is fully completed ie, no empty red boxes. Please avoid making any amendments to the completed return. If this is unavoidable, cross out the incorrect entries, make sure the amendments are drawn to the attention of the body, properly initialled and an explanation for them is provided to the external auditor. **Please do not use correction fluid.** Annual returns that are incomplete or contain unapproved and/or unexplained amendments or correction fluid will be returned unaudited and may incur additional costs.
4. **There are now two boxes for certification and approval by the Body. The second box is only required if the annual return has to be amended as a result of the audit. You should only complete the top box before sending the form to the auditor.**
5. Use a second pair of eyes, perhaps the Chair or a member, to review your Annual Return for completeness before sending the original form to the auditor.
6. Make sure that your accounting statements add up, that the balance carried forward from the previous year (line 7 of 2015) equals the balance brought forward in the current year (line 1 of 2016). Explain any differences between the 2015 figures on this annual return and the amounts recorded in last year's annual return.
7. Explain fully any significant variances in the accounting statements. Do not just send in a copy of your detailed accounting records instead of this explanation. The external auditor wants to know that you understand the reasons for all variances. Include a detailed analysis to support your explanation and be specific about the values of individual elements making up the variances.
8. Make sure that the copy of the bank reconciliation you send to your auditor with the Annual Return covers **all** your bank accounts and cash balances. If there are no reconciling items, please state this and provide evidence of the bank balances. If your Council holds any short-term investments, please note their value on the bank reconciliation. The auditor should also be able to agree your bank reconciliation to line 9 in section 1. More help on bank reconciliation is available in the Practitioners' Guide*.
9. **Every** small body is now required to send to the external auditor, information to support the assertions made in the Annual Governance Statement. Your auditor will tell you what information you need to provide. Please read the audit notice carefully to ensure you include all the information the auditor has asked for. You should send **copies** of the original records (certified by the Clerk and Chair as accurate copies) to the external auditor and not the original documents themselves.
10. Please do not send the auditor any information that you are not specifically asked for. Doing so is not helpful.
11. If the auditor has to review unsolicited information, repeat a request for information receives an incomplete bank reconciliation or explanation of variances or receives original documents that must be returned, the auditor will incur additional costs for which they are entitled to charge additional fees.
12. **Do not complete the Auditor General for Wales' Audit Certificate and report.** The external auditor completes this on behalf of the Auditor General for Wales on completion of the audit.
13. **Please deal with all correspondence with the external auditor promptly.** This will help you to meet your statutory obligations and will minimise the cost of the audit.
14. **Please note that if completing the electronic form, you must print the form for it to be certified by the RFO and signed by the Chair before it is sent to the auditor.**

Dear Committee Members

Glamorgan Archives Joint Committee Annual Return for the year ended 31 March 2016

The Auditor is responsible for providing an opinion:

- on whether the information contained in the Joint Committee's Annual Return for the year ended 31 March 2016 is in accordance with the Auditor General for Wales' requirements; and
- if any matters have come to the Auditor's attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

We received the draft Annual Return for the financial year ended 31 March 2016 in line with the agreed deadline, and have now completed our audit work. We are reporting to you the issues arising from our work.

Audit certificate and opinion

It is our intention to issue an unqualified certificate and report. There is one amendment that has been corrected by management, but which we consider should be brought to your attention due to its relevance to your responsibilities. This amendment is set out in appendix 1.

Qualification issues

There are no issues in respect of which we propose to issue a qualified audit opinion on the Annual Return for the year ended 31 March 2016

Misstatements in the Statement of Accounts

There were no misstatements found in Section 1: the Statement of Accounts that have not been corrected.

Other matters not affecting our opinion

There are no other issues outside the scope of our opinion that we wish to draw the attention of the Joint Committee.

Approving the Annual Return

The Responsible Financial Officer should now re certify the Annual Return in accordance with Regulation 8B of the Regulations.

The Joint Committee should then approve the Annual Return and the Chair of the meeting approving the Annual Return should resign Annual Return. Once the Annual Return has been approved, it should be returned to the Auditor. Once we have received the Annual Return from you, we will complete the External Audit Certificate and send you a notice of conclusion of the audit.

Yours sincerely

Engagement Director

Ann-Marie Harkin
